

forfeiting his right to a service pension. He shall, upon application, be placed on the deferred pension roll of the association and, after he has reached the age of 50 years, the association shall, upon his application therefor, pay his pension from the date of application is approved by the association. Any person making this application thereby waives all other rights, claims, or demands against his association for any cause that may have arisen from, or that may be attributable to, his service in the fire department.

Any member of the association who is separated from service in the fire department in such a manner that neither he nor any of his survivors is entitled to pension benefits, shall have refunded to him or, in the event of his death, there shall be refunded to his legal representative, from the special fund of the association an amount equal to $66\frac{2}{3}$ percent of all salary contributions that have been paid by said member to the special fund; provided, that any benefits that have been received by such member from the special fund, or any amount that shall have been paid out of the general fund as a death benefit on said member's behalf, shall be deducted from the amount so refunded before the refundment provided for herein is made.

In the event that such separation from service by a member of the fire department may be deemed to be of a temporary nature, the association shall be empowered to withhold such refundment until it can be determined whether such separation is temporary or permanent, and the refundment shall only be made at the member's written request, which request shall confirm said member's permanent separation.

Sec. 2. *This act shall become effective only after its approval by a majority of the governing body of the city of Saint Paul and upon compliance with the provisions of Minnesota Statutes, Section 645.021.*

Approved April 10, 1963.
