

and species of game taken, and the tag numbers affixed to each carcass. An accurate record likewise must be maintained of the total number, by species, of game raised, purchased and released, and the date and number of all species released. These records shall be open to inspection by a representative of the conservation department at all reasonable times.

Subd. 7. The commissioner shall provide by reasonable rules and regulations the minimum number of each species, authorized to be taken upon the preserve, which shall be released, and the percentage of such species which shall be permitted to be taken. He shall prescribe reasonable regulations for marking or identifying the birds to be released.

Sec. 5. [100.36] **Season upon preserves.** The season for shooting upon licensed preserves shall be from September 1 until the succeeding March 31 in the discretion of the licensee, unless the commissioner, after a public hearing upon a protest, shall determine that the season shall be curtailed because of danger to the population of wild game birds.

Sec. 6. [100.37] **Revocation of license or permit.** The commissioner of conservation may revoke any shooting preserve license or permit issued under the authority of this act when the licensee or persons he has authorized to hunt on the area shall have been convicted of a violation of any of the provisions of this act. After such revocation, a new license or permit may be issued if in the discretion of the conservation department the circumstances warrant.

Approved April 15, 1963.
