CHAPTER 5—H. F. No. 70

[Coded]

*An act relating to field archaeology and providing penalties for violations thereof; repealing Minnesota Statutes 1961, Sections 84.37 to 84.41.*

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **[138.31] Minnesota field archaeology act of 1963; definitions.** Subdivision 1. As used in sections 1 to 13, the terms defined in this section have the meanings given them.

Subd. 2. "State site" or "state archaeological site" means a land or water area, owned by or subject to the paramount right of the state, county, township, or municipality where there are objects or other evidence of archaeological interest. This term includes all aboriginal mounds and earthworks, ancient burial grounds, prehistoric ruins, and other archaeological features on state land or on land subject to the paramount rights of the state.

Subd. 3. "Site" or "archaeological site" has the same meaning as "state site" or "state archaeological site."

Subd. 4. "Object" means a natural or man made article, implement, skeleton, bone, or other item of archaeological interest.

Subd. 5. "Field archaeology" means the study of the traces of human culture at any land or water site by means of surveying, digging, sampling, excavating, or removing objects, or going on a site with that intent.

Subd. 6. "Director of the historical society" means the director of the Minnesota historical society.

**Changes or additions indicated by *italics*, deletions by ~~strikeout~~.**
