If said commission determines that the action of the appointing officer was without cause, it may order that the accused employee be paid his salary during the period he was off duty because of said removal without cause. All hearings of such charges by the commission shall be public, and the accused shall be entitled to be present in person and present his defense. Any officer or employee may appeal from the decision of the commission to the district court of said county, which court shall determine whether the record of the hearing contains evidence upon which the commission could have reached such decision and whether such commission abused the discretion granted it under the provisions of this act. There shall be no appeal from the determination of the district court in the matter.

*Any member of the commission may withdraw from any hearing to be held pursuant to this section if he deems himself disqualified for good cause. All vacancies on the hearing board created by the above reason shall be filled by the senior judge of the district court of the County of Ramsey by appointing a person who is a citizen of the United States and a resident of the County of Ramsey, for the sole purpose of participating in the hearing.
