

CHAPTER 19—S. F. No. 143

An act relating to public health; regulating fees for public health and home health services; amending Minnesota Statutes 1967, Section 145.123, Subdivision 2.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Minnesota Statutes 1967, Section 145.123, Subdivision 2, is amended to read:

Subd. 2. **Public health; schedule of fees.** The county board or the nursing district, as the case may be, shall set up an equitable schedule of fees, taking into consideration the ability of some of the ill or disabled persons to pay fully for the services received, the ability of others to pay only a part of the fee, and the inability of others to pay any part thereof. Public health and home health services shall not be denied to any person who is in need of such services and lacks means, either personally or as a beneficiary under a health or accident insurance policy, to pay either in whole or in part for the cost of the services he has received. These fees may not exceed the costs of the actual service furnished, as determined by a study of costs which the county board or the nursing district will make each year. The results of this study, together with a schedule of such fees, shall be filed with the state board of health. ~~In lieu of making such annual studies, the county board or the nursing district may adopt a schedule of fees established by the state board of health from information gathered by it relative to the costs of public health and home health services.~~

Approved February 21, 1969.
