Changes or additions indicated by italics, deletions by ~~strikeout~~.

Section 1. **Cloquet, city of; officials; appointment.** Subdivision 1. Notwithstanding any law to the contrary, the mayor of the city of Cloquet with the consent and concurrence of the council shall appoint the superintendent of police to serve at the pleasure of the mayor with the consent and concurrence of the council. A chief engineer of the fire department shall be appointed by the council to serve at its pleasure.

Subd. 2. In appointing a superintendent of police the mayor shall select either the incumbent superintendent at the time of the appointment, an assistant superintendent, a lieutenant, or a sergeant from the ranks of the police department. In the event that there is a vacancy in the police department other than a vacancy in the office of superintendent at the time of the appointment, a person from outside of the department may be appointed as superintendent. In the event the mayor with the consent and concurrence of the council determines to replace the appointed superintendent of police, the superintendent so replaced shall revert to his previous rank, if any, at the time of his appointment as superintendent.

Subd. 3. In appointing a chief engineer of the fire department, the council shall select either the incumbent chief engineer at the time of the appointment, an assistant chief engineer, a fire captain or lieutenant from the ranks of the fire department. In the event that there is a vacancy in the fire department other than a vacancy in the office of chief engineer at the time of the appointment, the council may appoint a person from outside of the department as chief engineer. In the event the council determines to replace the appointed chief engineer of the fire department, the chief engineer so replaced shall revert to his previous rank, if any, at the time of his appointment as chief engineer.

Sec. 2. The city council may at any time, by majority vote, elect to abolish both the offices of superintendent of police and chief engineer of the fire department and vest the powers and duties of both offices into one director of public safety. In such event, the mayor with the consent of the council shall appoint a director of public safety who will serve at the pleasure of the mayor with the consent and concurrence of the council. Upon appointment of a director of public safety, both the superintendent of police and the chief engineer of the fire department shall each revert to his previous rank, if any, within the department held before his appointment as superintendent of police or chief engineer of the fire department.
