CHAPTER 381—S. F. No. 725

[Coded]

An act relating to aeronautical accidents; providing for the examination of and reports concerning certain accident victims for the presence of alcohol, drugs and carbon monoxide in blood; amending Minnesota Statutes 1967, Section 360.015, by adding a subdivision.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Minnesota Statutes 1967, Section 360.015, is amended by adding a subdivision to read:

*Subd. 11a. **Aeronautics; accidents; blood tests of accident victims; coroner to report death.** Every coroner or other official performing like functions shall report in writing to the department of aeronautics the death of any person within his jurisdiction as a result of an accident involving an aircraft. Such report shall be made within five days after such death. In case an aircraft's pilot in command or his co-pilot are killed in an aeronautical accident, and if such death occurs within four hours after said accident, then and in such cases the coroner or other official performing like function shall examine the body and shall make such tests as are necessary to determine the presence and percentage concentration of alcohol, drugs and carbon monoxide, if feasible, in the blood of the victim. This information shall be included in a report submitted to the department of aeronautics and shall be tabulated on an annual basis by the department. This information transmitted to the department may be used only for statistical purposes by the department which do not reveal the identity of the deceased.*
