

1.1 **ARTICLE 1**

1.2 **MISCELLANEOUS CORRECTIONS**

1.3 **Section 1. Explanation.**

1.4 This amendment corrects an erroneous cross-reference. The Uniform Partnership
1.5 Act was codified in Minnesota Statutes, chapter 323, but was repealed January 1, 2002.
1.6 It is now codified in Minnesota Statutes, chapter 323A.

1.7 **Sec. 2. Explanation.**

1.8 This amendment removes obsolete language. The cross-reference to Minnesota
1.9 Statutes, section 6.74, in Minnesota Statutes, section 13.602, subdivision 2, paragraph
1.10 (c), is obsolete, because the data-sharing provisions were stricken by Laws 1999, chapter
1.11 99, section 5.

1.12 **Sec. 3. Explanation.**

1.13 This amendment updates a range reference. Minnesota Statutes, section 161.3428,

2.5 estate brokers and salespersons. The paragraph relating to the facilitator relationship is
2.6 paragraph IV, not paragraph V.

2.7 **Sec. 10. Explanation.**

2.8 This amendment corrects a technical drafting error. The word "closing" was
2.9 erroneously added when this provision was amended by Laws 2014, chapter 199, section
2.10 31. This statute is intended to establish a retention period for all documents related to a
2.11 real estate transaction. The term "closing document" does not appear anywhere else in
2.12 Minnesota Statutes. This amendment was brought to the attention of the revisor and
2.13 recommended for inclusion by the Minnesota Association of Realtors.

2.14 **Sec. 11. Explanation.**

2.22 been in Minnesota Statutes, section 124D.42, subdivision 6, clause (3), was moved to
2.23 subdivision 8, by Laws 2009, chapter 96, article 2, sections 45 and 46. Paragraph (b),
2.24 clause (2), was renumbered to clause (3), by Laws 2014, chapter 272, article 1, section 1.

3.11 205, article 1, section 44.

3.14 in this provision is in paragraph (b), not paragraph (a).

3.15 Sec. 21. **Explanation.**

3.16 This amendment updates a cross-reference. For fiscal year 2016 and later, a district's
3.17 special education aid is calculated according to Minnesota Statutes, section 125A.76,

3.21 This amendment updates a cross-reference. For fiscal year 2016 and later, a district's
3.22 special education aid is calculated according to Minnesota Statutes, section 125A.76,

4.11 Sec. 26. **Explanation.**

4.13 preadmission screenings must be conducted according to Minnesota Statutes, section
4.14 256.975, subdivisions 7a to 7c, not only according to subdivision 7a. In paragraph (c),
4.15 clause (2), long-term care consultation assessments must be completed according to
4.16 Minnesota Statutes, section 256B.0911, not according to Minnesota Statutes, section
4.17 256.975, subdivisions 7a to 7c.

4.18 Sec. 27. **Explanation.**

4.19 This amendment deletes an obsolete reference and inserts an omitted cross-reference.
4.20 Minnesota Statutes, section 144.214, was repealed in Laws 2014, chapter 275, article 1,
4.21 section 139. When Minnesota Statutes, section 144.2131, relating to the security of vital
4.22 records, was enacted by Laws 2013, chapter 108, a corresponding cross-reference was
4.23 not included in this subdivision.

4.25 This amendment clarifies a cross-reference. The notice provisions in Minnesota
4.26 Statutes, section 572B.15, are contained in subsection (c).

4.27 Sec. 29. **Explanation.**

5.2 2013, under Laws 2008, chapter 350, article 1, section 17, and Laws 2008, chapter 366,
5.3 article 9, section 5, the effective dates.

5.4 Sec. 31. **Explanation.**

5.6 2013, under Laws 2008, chapter 350, article 1, section 40, the effective date.

5.8 This amendment removes expired text. The text being removed expired under Laws
5.9 2008, chapter 350, article 1, section 41, and Laws 2008, chapter 366, article 9, section 9,
5.10 the effective dates.

5.11 Sec. 33. **Explanation.**

5.12 This amendment corrects an erroneous reference. The accountability measurement
5.13 requirements under Minnesota Statutes, section 116J.997, were repealed by Laws 2014,
5.14 chapter 312, article 3, section 23.

5.15 Sec. 34. **Explanation.**

5.16 This amendment removes obsolete language. Minnesota Statutes, section 241.34,
5.17 was repealed by Laws 2014, chapter 218, section 10.

5.18 Sec. 35. **Explanation.**

5.19 This amendment removes obsolete language. Minnesota Statutes, section 241.34,
5.20 was repealed by Laws 2014, chapter 218, section 10.

5.21 Sec. 36. **Explanation.**

5.23 repealed by Laws 2014, chapter 218, section 10.

5.24 Sec. 37. **Explanation.**

5.25 This amendment clarifies a cross-reference. A mandatory life sentence under
5.26 Minnesota Statutes, section 609.185, relating to the crime of murder in the first degree, is
5.27 found in clauses (3), (5), and (6) of paragraph (a).

5.28 Sec. 38. **Explanation.**

6.1 This amendment corrects an erroneous cross-reference. Minnesota Statutes, section
6.2 245.715, which establishes qualifications for community mental health centers to receive
6.3 federal block grant funds for mental health services, was repealed in Laws 2014, chapter
6.4 262, article 3, section 18. The correct reference is to Minnesota Statutes, section 245.62,
6.5 which authorizes the establishment of community mental health centers.

6.6 Sec. 39. **Explanation.**

6.7 This amendment removes obsolete language. Minnesota Statutes, section 245.4872,

6.12 subdivision 6, was repealed by Laws 2014, chapter 262, article 3, section 18.

6.13 Sec. 41. **Explanation.**

6.14 This amendment removes obsolete language. Minnesota Statutes, section 245.4872,
6.15 relating to planning for a children's mental health system, was repealed in Laws 2014,
6.16 chapter 262, article 3, section 18.

6.17 Sec. 42. **Explanation.**

6.18 This amendment removes obsolete language. Minnesota Statutes, section 245.4875,
6.19 subdivision 6, which required counties to establish coordinating councils for children's
6.20 mental health services, was repealed by Laws 2014, chapter 262, article 3, section 18.

6.21 Sec. 43. **Explanation.**

6.22 This amendment removes obsolete language. Minnesota Statutes, section 245.4875,
6.23 subdivision 6, which required counties to establish coordinating councils for children's
6.24 mental health services, was repealed by Laws 2014, chapter 262, article 3, section 18.

6.25 Sec. 44. **Explanation.**

6.26 This amendment removes obsolete language. Minnesota Statutes, sections 245.4933
6.27 and 245.494, relating to local children's mental health collaboratives, were repealed in
6.28 Laws 2014, chapter 262, article 3, section 18.

6.29 Sec. 45. **Explanation.**

7.1 This amendment updates a cross-reference. Minnesota Statutes, section 254B.05,
7.2 subdivision 5, paragraph (d), relating to adolescent residential programs providing
7.3 chemical dependency services, was relettered as paragraph (e) by Laws 2014, chapter
7.4 228, article 4, section 1.

7.5 Sec. 46. **Explanation.**

7.6 This amendment updates a cross-reference. Minnesota Statutes, section 152.126,
7.7 subdivision 1, paragraph (b), which defines controlled substances for purposes of the
7.8 prescription monitoring program, was relettered as paragraph (c) in Laws 2014, chapter
7.9 291, article 2, section 3.

7.10 Sec. 47. **Explanation.**

7.11 This amendment removes duplicative language and corrects terminology. Minnesota
7.12 Statutes, section 245A.50, subdivision 4, was amended by Laws 2013, chapter 108, article
7.13 3, section 21, to require at least one caregiver in a family child care home to have been
7.14 trained in CPR techniques for infants and children. Laws 2014, chapter 228, article 2,
7.15 section 14, amended the same subdivision to require the same training, but placed the
7.16 requirement in a different place in the sentence. This amendment removes the duplicative
7.17 language. It also changes a term from "staff person's" to "caregiver's" to make the terms
7.18 used in the subdivision consistent.

7.19 Sec. 48. **Explanation.**

7.20 This amendment removes duplicative language requiring background studies of
7.21 community first services and supports workers. Laws 2014, chapter 250, section 5,
7.22 amended Minnesota Statutes, section 245C.03, subdivision 2, to require background
7.23 studies for community first services and supports workers required to be studied under
7.24 the section governing the community first services and supports program. A similar
7.25 requirement is found in Minnesota Statutes, section 245C.03, subdivision 9, as added by
7.26 Laws 2014, chapter 312, article 26, section 1. The Department of Human Services was
7.27 consulted in preparing this correction.

7.28 Sec. 49. **Explanation.**

7.29 This amendment updates a cross-reference. Minnesota Statutes, section 245C.04,
7.30 subdivision 1, paragraph (i), was relettered as paragraph (g) in Laws 2014, chapter 262,
7.31 article 5, section 3.

8.1 Sec. 50. **Explanation.**

8.2 This amendment corrects an erroneous cross-reference. Minnesota Statutes,
8.3 section 245D.061, subdivision 9, governs license holder policies and procedures for the
8.4 emergency use of manual restraints. There is no subdivision 10 in that section.

8.5 Sec. 51. **Explanation.**

8.6 This amendment corrects an erroneous internal reference. Minnesota Statutes,
8.7 section 253B.07, subdivision 6, relating to civil commitment apprehend and hold orders,
8.8 was repealed and replaced by Minnesota Statutes, section 253B.07, subdivision 2b, by
8.9 Laws 1997, chapter 217, article 1, sections 42 and 118.

8.10 Sec. 52. **Explanation.**

8.11 This amendment corrects an internal reference and a cross-reference. Subdivision 5,
8.12 the subdivision being amended, is in section 254B.05, so a reference to that section is not
8.13 necessary. Section 254B.01, subdivision 8, does not exist. "Culturally specific programs"
8.14 are defined in section 254B.01, subdivision 4a.

8.15 Sec. 53. **Explanation.**

8.16 This amendment corrects a reference. In section 41 of this bill, Minnesota Statutes,
8.17 section 245.4874, subdivision 1, is amended to remove an obsolete reference, by striking a
8.18 clause and renumbering the remaining clauses. After renumbering, the clause governing
8.19 children's mental health screenings is clause (12), not clause (13).

8.20 Sec. 54. **Explanation.**

8.21 This amendment corrects terminology. An unusual length of stay triggers an outlier
8.22 payment, not a transfer payment. The Department of Human Services was consulted in
8.23 and recommended this correction.

8.24 Sec. 55. **Explanation.**

8.25 This amendment corrects an internal reference. Minnesota Statutes, section 256.969,
8.26 subdivision 9, paragraph (b), relating to the medical assistance disproportionate population
8.27 adjustment for hospital admissions occurring on or after July 1, 1993, was relettered as
8.28 paragraph (a) in Laws 2014, chapter 262, article 2, section 2.

8.29 Sec. 56. **Explanation.**

9.1 This amendment corrects an erroneous reference. Subdivision 4 of this statute, not
9.2 Minnesota Statutes, section 256B.0652, subdivision 4, allows medical assistance payment
9.3 for home care nursing services under certain circumstances.

9.4 **Sec. 57. Explanation.**

9.5 This amendment updates a cross-reference. Minnesota Statutes, section 256.969,
9.6 subdivision 9, paragraph (b), was relettered as paragraph (a) by Laws 2014, chapter 262,
9.7 article 2, section 2.

9.8 **Sec. 58. Explanation.**

9.9 This amendment removes a provision relating to critical access dental clinics that
9.10 did not receive federal approval under a request submitted by the Department of Human
9.11 Services to the Centers for Medicare and Medicaid Services. This provision was enacted
9.12 in Laws 2012, chapter 247, article 1, section 17, as paragraph (d) and was subsequently
9.13 relettered as paragraph (c). It was effective July 1, 2012, or upon federal approval,
9.14 whichever is later. Since federal approval was denied in June of 2013, it cannot become
9.15 effective and is being repealed by amendment. The Department of Human Services was
9.16 consulted in preparing this amendment.

9.17 **Sec. 59. Explanation.**

9.18 This amendment corrects an internal reference. There are no subdivisions in
9.19 Minnesota Statutes, section 256J.14, so the definitions in paragraph (a) apply to the
9.20 section, not the subdivision.

9.21 **Sec. 60. Explanation.**

9.22 This amendment reinstates language that was erroneously deleted. The language
9.23 specifies that Minnesota permanency demonstration title IV-E waiver payments are
9.24 excluded when determining a family's available income for purposes of the Minnesota
9.25 family investment program. This language and an accompanying reference to Minnesota
9.26 Statutes, section 256.01, subdivision 14a, were removed after the subdivision was repealed
9.27 by Laws 2014, chapter 262, article 1, section 12. Following removal of the language, the
9.28 Department of Human Services determined that Minnesota permanency demonstration
9.29 title IV-E waiver payments should continue to be excluded when determining a family's
9.30 available income for MFIP. This is because while the demonstration project is closed to
9.31 new entrants, counties continue to make payments to families that are still participating in
9.32 the demonstration project. The amendment is retroactive to January 1, 2015; the date the

10.1 Department of Human Services would begin excluding the payments. This amendment
10.2 was requested by the Department of Human Services.

10.3 **Sec. 61. Explanation.**

10.4 This amendment corrects an erroneous reference. The standards for county reporting
10.5 requirements in Minnesota Statutes, section 256.01, subdivision 2, are in paragraph (q),
10.6 not paragraph (17).

10.7 **Sec. 62. Explanation.**

10.8 Minnesota Statutes, section 241.0221, relating to juvenile detention services
10.9 subsidies for counties, was repealed in Laws 2014, chapter 218, section 10. The reference
10.10 to Minnesota Statutes, section 241.0221, is still valid but should be made specific to the
10.11 edition of Minnesota Statutes on July 1, 1999.

10.12 **Sec. 63. Explanation.**

10.13 This amendment corrects an erroneous reference. Minnesota Statutes, section
10.14 268.035, subdivision 20, clause (30), was renumbered as clause (29) in Laws 2014,
10.15 chapter 251, article 2, section 5.

10.16 **Sec. 64. Explanation.**

10.17 This amendment strikes an erroneous cross-reference. Paragraph (m) of Minnesota
10.18 Statutes, section 297A.61, subdivision 3, was removed by Laws 2014, chapter 150,
10.19 article 2, section 1.

10.20 **Sec. 65. Explanation.**

10.21 This amendment makes a terminology change that was missed when Minnesota
10.22 Statutes, section 297E.02, subdivision 6, was amended by Laws 2012, chapter 299,
10.23 article 4, section 6.

10.24 **Sec. 66. Explanation.**

10.25 This amendment clarifies a cross-reference. The provision in Minnesota Statutes,
10.26 section 609.185, which relates to the crime of murder in the first degree, is contained in
10.27 clause (5) of paragraph (a).

10.28 **Sec. 67. Explanation.**

11.1 This amendment corrects an erroneous reference. The reference should be to the
11.2 entirety of Minnesota Statutes, chapter 299F, which contains all of the fire marshal's
11.3 duties, and not Minnesota Statutes, section 299F.01, alone, which only establishes the
11.4 Division of Fire Marshal.

11.5 **Sec. 68. Explanation.**

11.6 This amendment codes permanent law in Minnesota Statutes. Minnesota Statutes,
11.7 section 299L.02, subdivision 5, authorizes the director of alcohol and gambling
11.8 enforcement to conduct a background investigation and charge a fee to cover the cost of
11.9 the investigation. Subdivision 7 of the section even states how much of the fee shall be
11.10 deposited in the general fund, but nowhere does the statute indicate how much the fee
11.11 is. Pursuant to Laws 2002, chapter 220, article 7, section 4, subdivision 4, the fee for a
11.12 background check pursuant to Minnesota Statutes, section 3.9221, is \$15; but the only way
11.13 to find this information is by referencing the session law. This amendment puts the amount
11.14 of the fee in the statute that authorizes the director to charge the fee so the provision is
11.15 easier to locate, cite, and amend. The Department of Public Safety was consulted in the
11.16 preparation of this amendment.

11.17 **Sec. 69. Explanation.**

11.18 This amendment codes permanent law in Minnesota Statutes. Minnesota Statutes,
11.19 section 299L.07, subdivision 5, authorizes the director of alcohol and gambling
11.20 enforcement to conduct a background investigation and charge a fee to cover the cost of
11.21 the investigation. The provision even states how much of the fee shall be deposited in the
11.22 general fund, but does not say how much the fee is. Pursuant to Laws 2002, chapter 220,
11.23 article 7, section 4, subdivision 4, the fee is \$15; but the only way to find this information is
11.24 by referencing the session law. This amendment puts the amount of the fee in the statute that
11.25 authorizes the director to charge the fee so the provision is easier to locate, cite, and amend.
11.26 The Department of Public Safety was consulted in the preparation of this amendment.

11.27 **Sec. 70. Explanation.**

11.28 This amendment corrects a reference to the Federal Bankruptcy Code. That code is
11.29 contained in title 11, not title 12, of the United States Code.

11.30 **Sec. 71. Explanation.**

12.1 This amendment corrects an erroneous cross-reference. The definition of "cost to
12.2 wholesaler" contained in Minnesota Statutes, section 325D.32, subdivision 10, of the
12.3 Uniform Cigarette Sales Act, is in paragraph (a), not clause (1).

12.4 Sec. 72. **Explanation.**

12.5 This amendment clarifies an internal reference. Income eligibility in Minnesota
12.6 Statutes, section 325E.028, subdivision 1, is contained in clause (1) of paragraph (a).

12.7 Sec. 73. **Explanation.**

12.8 This amendment updates a range reference. This statute designates certain money
12.9 to be credited to the construction code fund. Provisions in Minnesota Statutes, section
12.10 181.723, dealing with independent contractor registration, were renumbered as Minnesota
12.11 Statutes, section 326B.701.

12.12 Sec. 74. **Explanation.**

12.13 This amendment corrects an erroneous cross-reference. Minnesota Statutes, section
12.14 403.025, subdivision 7, paragraph (d), relating to emergency telecommunications system
12.15 contract language for dispute resolution, was relettered in Laws 2014, chapter 212, article
12.16 2, section 1, as paragraph (c).

12.17 Sec. 75. **Explanation.**

12.18 This amendment clarifies a cross-reference. Minnesota Statutes, sections 237.33 to
12.19 237.40, were repealed by Laws 2012, chapter 222, article 1, section 58. The reference
12.20 to those sections is still valid but should be made specific to the edition of Minnesota
12.21 Statutes where they last appeared.

12.22 Sec. 76. **Explanation.**

12.23 This amendment removes obsolete language. Laws 1997, chapter 231, article 1,
12.24 section 8, eliminated class 5c property.

12.25 Sec. 77. **Explanation.**

12.26 This amendment updates a cross-reference. The provision now coded in Minnesota
12.27 Statutes, section 123B.195, was formerly coded as Minnesota Statutes, section 471.88,
12.28 subdivision 16.

12.29 Sec. 78. **Explanation.**

13.1 This amendment corrects an erroneous reference to the Minnesota Constitution.
13.2 Section 6, not section 5, of article V provides for the oath of office referred to in this section.

13.3 Sec. 79. **Explanation.**

13.4 This amendment strikes obsolete language that relates only to 2014.

13.5 Sec. 80. **Explanation.**

13.6 This amendment strikes obsolete language that relates only to 2014.

13.7 Sec. 81. **Explanation.**

13.8 This amendment strikes obsolete language that relates only to 2014.

13.9 Sec. 82. **Explanation.**

13.10 This amendment strikes obsolete language that relates only to 2014.

13.11 Sec. 83. **Explanation.**

13.12 This amendment strikes obsolete language that relates only to 2014.

13.13 Sec. 84. **Explanation.**

13.14 This amendment strikes obsolete language applicable only to 2013.

13.15 Sec. 85. **Explanation.**

13.16 This amendment strikes obsolete language that relates only to 2014.

13.17 Sec. 86. **Explanation.**

13.18 This amendment updates a provision and strikes obsolete language within it that
13.19 relates only to 2014. "The amount certified to be paid in the previous year" is \$10,000,000.

13.20 Sec. 87. **Explanation.**

13.21 This amendment strikes obsolete language that relates only to 2013 and 2014.

13.22 Sec. 88. **Explanation.**

13.23 This amendment strikes obsolete language that relates only to 2013 and 2014.

13.24 Sec. 89. **Explanation.**

14.1 This amendment corrects an obsolete reference to Minnesota Rules, part 8100.0800,
14.2 which was repealed by Laws 2014, chapter 308, article 9, section 94.

14.3 Sec. 90. **Explanation.**

14.4 This amendment strikes obsolete language that relates only to 2009.

14.5 Sec. 91. **Explanation.**

14.6 This amendment strikes obsolete language that relates only to 2014.

14.7 Sec. 92. **Explanation.**

14.8 This amendment strikes obsolete language that relates only to 2014.

14.9 Sec. 93. **Explanation.**

14.10 This amendment corrects obsolete language regarding unemployment insurance
14.11 appeals. Decisions regarding unemployment insurance appeals are made by
14.12 unemployment law judges pursuant to Minnesota Statutes, section 268.105, not the
14.13 commissioner of employment and economic development. Laws 1999, chapter 107,
14.14 section 66, changed the term "claimant" to "applicant."

14.15 Sec. 94. **Explanation.**

14.16 This amendment corrects an erroneous cross-reference. A "common interest
14.17 community" is defined in section 515B.1-103(10), not 515B.1-103(c)(10).

14.18 Sec. 95. **Explanation.**

14.19 This amendment corrects an erroneous cross-reference. Minnesota Statutes, section
14.20 524.1-201, clause (26), not clause (20), defines the term "guardian."

14.21 Sec. 96. **Explanation.**

14.22 This amendment corrects an erroneous cross-reference. Minnesota Statutes, section
14.23 572.10, relating to appointment of arbitrators, was repealed in Laws 2010, chapter 264,
14.24 article 1, section 32, and replaced by Minnesota Statutes, section 572B.11.

14.25 Sec. 97. **Explanation.**

14.26 This amendment corrects an erroneous cross-reference. Minnesota Statutes, section
14.27 572.12, relating to arbitration, was repealed in Laws 2010, chapter 264, article 1, section
14.28 32, and replaced by Minnesota Statutes, section 572B.15.

15.1 Sec. 98. **Explanation.**

15.2 This amendment clarifies a cross-reference. The provisions in Minnesota Statutes,
15.3 section 609.185, that relate to the crime of murder in the first degree are contained in
15.4 clauses (3), (5), and (6) of paragraph (a).

15.5 Sec. 99. **Explanation.**

15.6 This amendment clarifies a cross-reference. The provision in Minnesota Statutes,
15.7 section 609.185, that relates to the crime of murder in the first degree is in clause (3) of
15.8 paragraph (a).

15.9 Sec. 100. **Explanation.**

15.10 This amendment clarifies a cross-reference. The provision in Minnesota Statutes,
15.11 section 609.185, that relates to the crime of murder in the first degree is contained in
15.12 clause (5) of paragraph (a).

15.13 Sec. 101. **Explanation.**

15.14 This amendment corrects an erroneous internal reference. There are no subdivisions
15.15 in Minnesota Statutes, section 609.266. The correct reference should be to "this section."

15.16 Sec. 102. **Explanation.**

15.17 This amendment corrects an erroneous cross-reference. Minnesota Statutes,
15.18 section 609.21, relating to criminal vehicular homicide and operation, was recodified
15.19 as Minnesota Statutes, sections 609.2112, 609.2113, and 609.2114. The reference to
15.20 Minnesota Statutes, section 609.21, is still valid but should be made specific to the edition
15.21 of Minnesota Statutes where it last appeared.

15.22 Sec. 103. **Explanation.**

15.23 This amendment corrects an erroneous reference. Minnesota Statutes, chapter 245B,
15.24 which governed services for persons with developmental disabilities, was repealed in
15.25 2013 and replaced by Minnesota Statutes, chapter 245D.

15.26 Sec. 104. **Explanation.**

15.27 This amendment removes obsolete language. Minnesota Statutes, section 626.8462,
15.28 was repealed by Laws 2014, chapter 244, section 3.

15.29 Sec. 105. **Explanation.**

16.1 This amendment corrects an obsolete reference to the Minneapolis Community
16.2 College. The reference should be to the Minneapolis Community and Technical College
16.3 as the Minneapolis Community College merged with the Minneapolis Technical College
16.4 under the umbrella of the Minnesota State Colleges and Universities System in 1996.

16.5 Sec. 106. **Explanation.**

16.6 This amendment corrects an erroneous reference. Minnesota Statutes, section
16.7 609.21, relating to criminal vehicular homicide and operation, was recodified as Minnesota
16.8 Statutes, sections 609.2112, 609.2113, and 609.2114. The reference to Minnesota Statutes,
16.9 section 609.21, is still valid but should be made specific to the edition of Minnesota
16.10 Statutes where it last appeared.

16.11 Sec. 107. **Explanation.**

16.12 This amendment makes a conforming effective date change to Laws 2013, chapter
16.13 143, article 8, section 40. Laws 2013, chapter 143, article 8, sections 26 and 40,
16.14 struck language in Minnesota Statutes, sections 297A.68, subdivision 5, and 297A.75,
16.15 subdivision 1, which resulted in making the refundable sales tax on capital equipment an
16.16 upfront exemption. These changes were effective for sales and purchases made after
16.17 August 31, 2014. Laws 2014, chapter 150, article 2, section 40, delayed the effective date
16.18 for when the sales tax exemption for capital equipment becomes an upfront exemption
16.19 from September 1, 2014, to July 1, 2015. However, only Laws 2013, chapter 143, article
16.20 8, section 26, the effective date, was amended, and not Laws 2013, article 8, section 40,
16.21 the effective date. This amendment corrects that error.

16.22 Sec. 108. **Explanation.**

16.23 This amendment clarifies an effective date. Minnesota Statutes, section 256B.85,
16.24 which establishes the community first services and supports program, is effective upon
16.25 federal approval of the program, and federal approval has not yet been obtained. When
16.26 Minnesota Statutes, section 256B.85, was amended in 2014, the amendments to that
16.27 section were not made effective upon federal approval. This amendment makes the 2014
16.28 amendments effective upon federal approval, consistent with the effective date of the
16.29 section as enacted.

16.30 Sec. 109. **Explanation.**

16.31 Subdivision 1. **Obsolete language.** This amendment instructs the revisor to
16.32 remove obsolete terminology from Minnesota Statutes. The term "writ of restitution" was

17.1 eliminated and replaced with the term "writ of recovery" when landlord and tenant law
17.2 was recodified by Laws 1999, chapter 199.

17.3 Subd. 2. **Obsolete language.** In 1994, the United States Department of Agriculture
17.4 renamed the Soil Conservation Service to the National Resources Conservation Service.
17.5 This section corrects obsolete references to the Soil Conservation Service.

17.6 Subd. 3. **Erroneous reference.** This amendment corrects range references to reflect
17.7 current numbering of the statutes. The former range reference of Minnesota Statutes,
17.8 sections 326B.93 to 326B.998, is obsolete due to renumbering of Minnesota Statutes,
17.9 section 326B.93, in 2014. The correct range for boiler inspections begins with Minnesota
17.10 Statutes, section 326B.95. In case of high pressure piping, the correct range is Minnesota
17.11 Statutes, sections 326B.90 to 326B.925.

17.12 Subd. 4. **Erroneous reference.** This amendment corrects erroneous references from
17.13 renumbering of clauses in the 2014 pension omnibus bill, Laws 2014, chapter 296.

17.14 Subd. 5. **Erroneous reference.** This instruction directs the revisor of statutes to
17.15 update an obsolete reference in Minnesota Rules. Minnesota Statutes, section 145A.10,
17.16 subdivision 1, which specified powers and duties for community health boards, was
17.17 repealed by Laws 2014, chapter 291, article 7, section 29. The responsibilities and duties
17.18 of community health boards are now specified in Minnesota Statutes, section 145A.04,
17.19 subdivisions 1 and 1a. This correction was requested by the Department of Human
17.20 Services.

17.21 Subd. 6. **Coding placement.** This amendment instructs the revisor to code
17.22 Minnesota Statutes, section 144.13, in the most appropriate place in Minnesota Statutes,
17.23 chapter 144.

17.24 Subd. 7. **Obsolete terminology.** This amendment directs the revisor to correct
17.25 obsolete terminology in Minnesota Statutes. The Office of Vital Statistics was changed to
17.26 the Office of Vital Records in Laws 2013, chapter 108, article 12, section 17.

17.27 Subd. 8. **Erroneous reference.** This amendment corrects an erroneous reference
17.28 in Minnesota Rules.

17.29 Subd. 9. **Terminology and references.** This amendment instructs the revisor to
17.30 correct terminology and cross-references in Minnesota Statutes. Laws 2014, chapter 291,
17.31 article 7, section 28, changed the reference "board of health" or "local boards of health"
17.32 to "community health board" or "community health boards" and changed the reference
17.33 to Minnesota Statutes, section 145A.02, subdivision 2, to Minnesota Statutes, section
17.34 145A.02, subdivision 5, but did not include all the references where these terms appear in
17.35 Minnesota Statutes.

18.1 Subd. 10. **Headnote.** This revisor instruction more clearly identifies the crime and
18.2 avoids confusion about the use of the term "terroristic" and the application of the crime
18.3 which ranges from threatening to commit a crime of violence to the threat of the use of
18.4 explosives or an explosive device or a replica firearm or BB gun. Staff at the Minnesota
18.5 Supreme Court was consulted and agrees that "Threats of Violence" better represents the
18.6 broad parameters of the crime.

18.7 Subd. 11. **Obsolete terminology.** This amendment instructs the revisor to remove
18.8 from forms obsolete references to general assistance medical care (GAMC). The GAMC
18.9 program ended February 28, 2011, and enrollees were automatically moved to medical
18.10 assistance (MA), Minnesota's Medicaid program.

18.11 Subd. 12. **Erroneous reference.** This amendment instructs the revisor to correct an
18.12 erroneous cross-reference.

18.13 Sec. 110. **Explanation.**

18.14 Subdivision 1. **Obsolete subdivision.** Minnesota Statutes, section 256.9691, was
18.15 repealed by Laws 2014, chapter 262, article 2, section 18. Because of the repealer,
18.16 Minnesota Statutes, section 13.381, subdivision 17, which references section 256.9691, is
18.17 obsolete.

18.18 Subd. 2. **Obsolete subdivision.** Minnesota Statutes, section 119B.232, was repealed
18.19 by Laws 2014, chapter 262, article 1, section 12. Because of the repealer, Minnesota
18.20 Statutes, section 13.46, subdivision 13, which referenced Minnesota Statutes, section
18.21 119B.232, is obsolete.

18.22 Subd. 3. **Obsolete subdivision.** Minnesota Statutes, section 216C.44, was repealed
18.23 by Laws 2014, chapter 222, article 1, section 58. Because of the repealer, Minnesota
18.24 Statutes, section 13.681, subdivision 7, which references section 216C.44, is obsolete.

18.25 Subd. 4. **Obsolete subdivision.** This amendment repeals an obsolete provision.
18.26 Minnesota Statutes, 126C.01, subdivision 9, defined the term, "training and experience
18.27 index." That term does not appear anywhere in Minnesota Statutes and was last used in a
18.28 section repealed by Laws 2011, First Special Session chapter 11, article 1, section 37.

18.29 Subd. 5. **Obsolete section.** This amendment repeals a section that was overlooked
18.30 when Minnesota Statutes, sections 239.001 to 239.003, the Metric Implementation and
18.31 Standards Act, were repealed by Laws 2014, chapter 222, article 1, section 58.

18.32 Subd. 6. **Obsolete subdivision.** This amendment repeals an obsolete subdivision.
18.33 Minnesota Statutes, section 256B.0657, which established a self-directed supports option
18.34 for personal care assistance services in the medical assistance program, was repealed

19.1 by Laws 2014, chapter 262, article 4, section 9. This subdivision provided for medical
19.2 assistance coverage of the self-directed supports option and is now obsolete.

19.3 Subd. 7. **Obsolete subdivision.** This amendment repeals a subdivision that is no
19.4 longer effective. Subdivision 9a was added by Laws 2009, chapter 88, article 2, section
19.5 15, and was effective for final enforcement actions issued after January 1, 2010, and
19.6 before December 31, 2013.

19.7 Subd. 8. **Obsolete section.** This amendment removes an obsolete statute. Minnesota
19.8 Statutes, section 469.1816, enacted by Laws 2009, chapter 88, article 2, section 35, was
19.9 effective only for taxes payable in 2010 through 2014. The section is no longer effective
19.10 and is obsolete.

19.11 Subd. 9. **Conflict resolution.** Laws 2014, chapter 228, article 1, section 2, amended
19.12 Minnesota Statutes, section 13.46, subdivision 4, paragraph (b), clause (5), relating to data
19.13 on disqualified persons in connection with certain human services licenses. This clause
19.14 was also stricken in Laws 2014, chapter 262, article 5, section 1. The two amendments
19.15 could not be merged editorially. The chapter 262 amendment was printed in the main text
19.16 because it was the latest in enactment, and the chapter 228 amendment was printed as a
19.17 note. This repealer allows the revisor to remove the conflict note. The Department of
19.18 Human Services requested this correction.

19.19 Subd. 10. **Conflict resolution.** Laws 2014, chapter 291, article 10, section 4,
19.20 amended Minnesota Statutes, section 256B.5016, subdivision 1, allowing a managed
19.21 care pilot program for services provided in intermediate care facilities for persons with
19.22 developmental disabilities. Minnesota Statutes, section 256B.5016, was also repealed by
19.23 Laws 2014, chapter 262, article 4, section 9. The repeal was printed in the main text and
19.24 the amendment was printed as a note. The amendment was not substantive. This repealer
19.25 resolves the conflict and allows the revisor to remove the note containing the amendment.
19.26 The Department of Human Services was consulted in preparing this repealer.

19.27 Subd. 11. **Conflict resolution.** Laws 2014, chapter 291, article 11, section 15,
19.28 amended Minnesota Statutes, section 256J.32, subdivision 6, relating to participant
19.29 recertification under MFIP. This subdivision was also repealed by Laws 2014, chapter
19.30 312, article 28, section 37. The repeal was printed in the main text and the amendment
19.31 was printed as a note. This repealer resolves the conflict and allows the revisor to remove
19.32 the note containing the amendment.

19.33 Subd. 12. **Conflict resolution.** Laws 2014, chapter 291, article 11, section 16,
19.34 amended Minnesota Statutes, section 256J.32, subdivision 8, allowing county agencies to
19.35 accept personal statements from MFIP applicants or participants. This subdivision was
19.36 also repealed by Laws 2014, chapter 312, article 28, section 37. The repeal was printed in

20.1 the main text and the amendment was printed as a note. This repealer resolves the conflict
20.2 and allows the revisor to remove the note containing the amendment.

20.3 Subd. 13. **Conflict resolution.** Laws 2014, chapter 291, article 11, section 21,
20.4 amended Minnesota Statutes, section 256J.53, subdivision 2, relating to approval of
20.5 postsecondary education or training in MFIP. That subdivision was also amended in Laws
20.6 2014, chapter 312, article 25, section 10. The two amendments could not be merged
20.7 editorially. The chapter 291 amendment was printed in the main text because it was
20.8 the latest in enactment, and the chapter 312 amendment was printed as a note. This
20.9 repealer resolves the conflict and allows the revisor to print the note as the main text. The
20.10 Department of Human Services was consulted in preparing this correction.

20.11 Subd. 14. **Conflict resolution.** Laws 2014, chapter 312, article 25, section 11,
20.12 amended Minnesota Statutes, section 256J.53, subdivision 5, establishing requirements for
20.13 MFIP recipients after postsecondary education or training. That section was also amended
20.14 in Laws 2014, chapter 291, article 11, section 22. The two amendments could not be
20.15 merged editorially. The chapter 291 amendment was printed in the main text because it
20.16 was the latest in enactment, and the chapter 312 amendment was printed as a note. This
20.17 repealer resolves the conflict and allows the revisor to remove the note. The Department
20.18 of Human Services was consulted in preparing this correction.

20.19 Subd. 15. **Conflict resolution.** Laws 2014, chapter 312, article 28, section 1,
20.20 amended Minnesota Statutes, section 254B.04, subdivision 3, relating to contributions for
20.21 chemical dependency services from service recipients. This section was also repealed by
20.22 Laws 2014, chapter 262, article 3, section 18. The repeal was printed in the main text and
20.23 the amendment was printed as a note. The amendment was not substantive. This repealer
20.24 resolves the conflict and allows the revisor to remove the note containing the amendment.

20.25 Subd. 16. **Obsolete rule.** This section repeals a Minnesota Rules part that was
20.26 inadvertently not repealed in the Minnesota Housing Finance Agency's unsession bill in
20.27 Laws 2014, chapter 161, article 3, section 1. The entire special needs housing for adults
20.28 with chronic chemical dependency program was repealed, and therefore this part relating
20.29 to definitions is obsolete.

20.30 Subd. 17. **Rule effective date clarification.** This section repeals effective date
20.31 subparts that conflict with the general effective date of these rules adopted in the State
20.32 Register in volume 39, page 822.

20.33 ARTICLE 2

20.34 NONSUBSTANTIVE CROSS-REFERENCES

20.35 Section 1. **Explanation.**

21.1 The revisor of statutes is required by Laws 1999, chapter 227, section 22, to locate
21.2 references to data practices laws codified outside Minnesota Statutes, chapter 13, adjacent
21.3 to their particular service area codified in Minnesota Statutes, chapter 13. Sections 1 to
21.4 8 of this article add references in Minnesota Statutes, chapter 13, to data practices laws
21.5 codified outside Minnesota Statutes, chapter 13, and corrects erroneous references in
21.6 Minnesota Statutes, chapter 13.

21.7 Sec. 2. **Explanation.**

21.8 The revisor of statutes is required by Minnesota Laws 2005, chapter 136, article 14,
21.9 section 18, to identify, categorize, and cross-reference statutes that impose collateral
21.10 sanctions into a statutory chapter codified as Minnesota Statutes, chapter 609B. Section 9
21.11 adds a reference in Minnesota Statutes, chapter 609B, to a collateral sanction codified in
21.12 Minnesota Statutes, section 80G.04.
