2.19 investigation the commissioner designates as necessary to analyze, describe, or protect the
2.20 public health.

2.21 (b) **Data on individuals.** (1) Health data are private data on individuals. Notwithstanding

2.23 subdivision and section 13.04.

2.24 (2) The commissioner or a community health board as defined in section 145A.02,
2.25 subdivision 5, may disclose health data to the data subject's physician as necessary to locate
2.26 or identify a case, carrier, or suspect case, to establish a diagnosis, to provide treatment, to
2.27 identify persons at risk of illness, or to conduct an epidemiologic investigation.

2.28 (3) With the approval of the commissioner, health data may be disclosed to the extent

13.29 and

13.30 (3) the district's English learner cross subsidy aid. A district's English learner cross

15.20 **124E.14 CONFLICTS OF INTEREST.**

15.21 (a) No member of the board of directors, employee, officer, or agent of a charter school

16.3 (b) The conflict of interest provisions under this section do not apply to compensation
16.4 paid to a teacher employed as a teacher by the charter school or a teacher who provides
16.5 instructional services to the charter school through a cooperative formed under chapter

16.11 Sec. 25. Minnesota Statutes 2023 Supplement, section 125A.15, is amended to read:

16.12 **125A.15 PLACEMENT IN ANOTHER DISTRICT; RESPONSIBILITY.**

16.13 The responsibility for special instruction and services for a child with a disability
16.14 temporarily placed in another district for care and treatment shall be determined in the
16.15 following manner:

16.16 (a) The district of residence of a child shall be the district in which the child's parent
16.17 resides, if living, or the child's guardian. If there is a dispute between school districts
16.18 regarding residency, the district of residence is the district designated by the commissioner.

16.19 (b) If a district other than the resident district places a pupil for care and treatment, the
16.20 district placing the pupil must notify and give the resident district an opportunity to participate
16.21 in the placement decision. When an immediate emergency placement of a pupil is necessary
16.22 and time constraints foreclose a resident district from participating in the emergency
16.23 placement decision, the district in which the pupil is temporarily placed must notify the
16.24 resident district of the emergency placement within 15 days. The resident district has up to
16.25 five business days after receiving notice of the emergency placement to request an
16.26 opportunity to participate in the placement decision, which the placing district must then
16.27 provide.

16.28 (c) When a child is temporarily placed for care and treatment in a day program located
16.29 in another district and the child continues to live within the district of residence during the
16.30 care and treatment, the district of residence is responsible for providing transportation to
16.31 and from the care and treatment program and an appropriate educational program for the
16.32 child. The resident district may establish reasonable restrictions on transportation, except
16.33 if a Minnesota court or agency orders the child placed at a day care and treatment program

17.1 and the resident district receives a copy of the order, then the resident district must provide
17.2 transportation to and from the program unless the court or agency orders otherwise.

17.3 Transportation shall only be provided by the resident district during regular operating hours
17.4 of the resident district. The resident district may provide the educational program at a school
17.5 within the district of residence, at the child's residence, or in the district in which the day
17.6 treatment center is located by paying tuition to that district. If a child's district of residence,
17.7 district of open enrollment under section 124D.03, or charter school of enrollment under
17.8 section 124E.11 is authorized to provide online learning instruction under state statutes, the
17.9 child's district of residence may utilize that ~~state-approved~~ online learning program in
17.10 fulfilling its educational program responsibility under this section if the child, or the child's
17.11 parent or guardian for a pupil under the age of 18, agrees to that form of instruction.

17.12 (d) When a child is temporarily placed in a residential program for care and treatment,
17.13 the nonresident district in which the child is placed is responsible for providing an appropriate
17.14 educational program for the child and necessary transportation while the child is attending
17.15 the educational program; and must bill the district of the child's residence for the actual cost
17.16 of providing the program, as outlined in section 125A.11, except as provided in paragraph
17.17 (e). However, the board, lodging, and treatment costs incurred in behalf of a child with a
17.18 disability placed outside of the school district of residence by the commissioner of human
17.19 services or the commissioner of corrections or their agents, for reasons other than providing
17.20 for the child's special educational needs must not become the responsibility of either the
17.21 district providing the instruction or the district of the child's residence. For the purposes of
17.22 this section, the state correctional facilities operated on a fee-for-service basis are considered
17.23 to be residential programs for care and treatment. If a child's district of residence, district
17.24 of open enrollment under section 124D.03, or charter school of enrollment under section
17.25 124E.11 is authorized to provide online learning instruction under state statutes, the
17.26 nonresident district may utilize that ~~state-approved~~ online learning program in fulfilling its
17.27 educational program responsibility under this section if the child, or the child's parent or
17.28 guardian for a pupil under the age of 18, agrees to that form of instruction.

17.29 (e) A privately owned and operated residential facility may enter into a contract to obtain
17.30 appropriate educational programs for special education children and services with a joint
17.31 powers entity. The entity with which the private facility contracts for special education
17.32 services shall be the district responsible for providing students placed in that facility an
17.33 appropriate educational program in place of the district in which the facility is located. If a
17.34 privately owned and operated residential facility does not enter into a contract under this
17.35 paragraph, then paragraph (d) applies.

18.1 (f) The district of residence shall pay tuition and other program costs, not including
18.2 transportation costs, to the district providing the instruction and services. The district of
18.3 residence may claim general education aid for the child as provided by law. Transportation
18.4 costs must be paid by the district responsible for providing the transportation and the state
18.5 must pay transportation aid to that district.

18.6 Sec. 26. Minnesota Statutes 2023 Supplement, section 125A.51, is amended to read:

18.7 **125A.51 PLACEMENT OF CHILDREN WITHOUT DISABILITIES; EDUCATION**
18.8 **AND TRANSPORTATION.**

18.9 The responsibility for providing instruction and transportation for a pupil without a
18.10 disability who has a short-term or temporary physical or emotional illness or disability, as
18.11 determined by the standards of the commissioner, and who is temporarily placed for care
18.12 and treatment for that illness or disability, must be determined as provided in this section.

18.13 (a) The school district of residence of the pupil is the district in which the pupil's parent
18.14 or guardian resides. If there is a dispute between school districts regarding residency, the
18.15 district of residence is the district designated by the commissioner.

18.16 (b) When parental rights have been terminated by court order, the legal residence of a
18.17 child placed in a residential or foster facility for care and treatment is the district in which
18.18 the child resides.

18.19 (c) Before the placement of a pupil for care and treatment, the district of residence must
18.20 be notified and provided an opportunity to participate in the placement decision. When an
18.21 immediate emergency placement is necessary and time does not permit resident district
18.22 participation in the placement decision, the district in which the pupil is temporarily placed,
18.23 if different from the district of residence, must notify the district of residence of the
18.24 emergency placement within 15 days of the placement. When a nonresident district makes
18.25 an emergency placement without first consulting with the resident district, the resident
18.26 district has up to five business days after receiving notice of the emergency placement to
18.27 request an opportunity to participate in the placement decision, which the placing district
18.28 must then provide.

18.29 (d) When a pupil without a disability is temporarily placed for care and treatment in a
18.30 day program and the pupil continues to live within the district of residence during the care
18.31 and treatment, the district of residence must provide instruction and necessary transportation
18.32 to and from the care and treatment program for the pupil. The resident district may establish
18.33 reasonable restrictions on transportation, except if a Minnesota court or agency orders the

19.1 child placed at a day care and treatment program and the resident district receives a copy
19.2 of the order, then the resident district must provide transportation to and from the program
19.3 unless the court or agency orders otherwise. Transportation shall only be provided by the
19.4 resident district during regular operating hours of the resident district. The resident district
19.5 may provide the instruction at a school within the district of residence; at the pupil's
19.6 residence; through an authorized online learning program provided by the pupil's resident
19.7 district, district of open enrollment under section 124D.03, or charter school of enrollment
19.8 under section 124E.11 if the child, or the child's parent or guardian for a pupil under the
19.9 age of 18, agrees to that form of instruction; or, in the case of a placement outside of the
19.10 resident district, in the district in which the day treatment program is located by paying
19.11 tuition to that district. The district of placement may contract with a facility to provide
19.12 instruction by teachers licensed by the Professional Educator Licensing and Standards
19.13 Board.

19.14 (e) When a pupil without a disability is temporarily placed in a residential program for
19.15 care and treatment, the district in which the pupil is placed must provide instruction for the
19.16 pupil and necessary transportation while the pupil is receiving instruction, and in the case
19.17 of a placement outside of the district of residence, the nonresident district must bill the
19.18 district of residence for the actual cost of providing the instruction for the regular school
19.19 year and for summer school, excluding transportation costs. If a pupil's district of residence,
19.20 district of open enrollment under section 124D.03, or charter school of enrollment under
19.21 section 124E.11 is authorized to provide online learning instruction under state statutes, the
19.22 district in which the pupil is placed may utilize that ~~state-approved~~ online learning program
19.23 in fulfilling its responsibility to provide instruction under this section if the child, or the
19.24 child's parent or guardian for a pupil under the age of 18, agrees to that form of instruction.

19.25 (f) Notwithstanding paragraph (e), if the pupil is homeless and placed in a public or
19.26 private homeless shelter, then the district that enrolls the pupil under section 120A.20,
19.27 subdivision 2, paragraph (b), shall provide the transportation, unless the district that enrolls
19.28 the pupil and the district in which the pupil is temporarily placed agree that the district in
19.29 which the pupil is temporarily placed shall provide transportation. When a pupil without a
19.30 disability is temporarily placed in a residential program outside the district of residence,
19.31 the administrator of the court placing the pupil must send timely written notice of the
19.32 placement to the district of residence. The district of placement may contract with a
19.33 residential facility to provide instruction by teachers licensed by the Professional Educator
19.34 Licensing and Standards Board. For purposes of this section, the state correctional facilities

20.1 operated on a fee-for-service basis are considered to be residential programs for care and
20.2 treatment.

20.3 (g) The district of residence must include the pupil in its residence count of pupil units
20.4 and pay tuition as provided in section 123A.488 to the district providing the instruction.
20.5 Transportation costs must be paid by the district providing the transportation and the state
20.6 must pay transportation aid to that district. For purposes of computing state transportation
20.7 aid, pupils governed by this subdivision must be included in the disabled transportation
20.8 category if the pupils cannot be transported on a regular school bus route without special
20.9 accommodations.

20.10 Sec. 27. Minnesota Statutes 2023 Supplement, section 125A.515, subdivision 3, is amended
20.11 to read:

20.12 Subd. 3. **Responsibilities for providing education.** (a) The district in which the children's
20.13 residential facility is located must provide education services, including special education
20.14 if eligible, to all students placed in a facility. If a child's district of residence, district of open
20.15 enrollment under section 124D.03, or charter school of enrollment under section 124E.11
20.16 is authorized to provide online learning instruction under state statutes, the district in which
20.17 the children's residential facility is located may utilize that ~~state-approved~~ online learning
20.18 program in fulfilling its education services responsibility under this section if the child, or
20.19 the child's parent or guardian for a pupil under the age of 18, agrees to that form of
20.20 instruction.

20.21 (b) For education programs operated by the Department of Corrections, the providing
20.22 district shall be the Department of Corrections. For students remanded to the commissioner

20.25 Subd. 8. **Average daily membership.** (a) Membership for pupils in grades kindergarten
20.26 through 12 and for prekindergarten pupils with disabilities shall mean the number of pupils
20.27 on the current roll of the school, counted from the date of entry until withdrawal. The date
20.28 of withdrawal shall mean the day the pupil permanently leaves the school or the date it is

20.31 the regular school year or for five consecutive school days during summer school or
20.32 intersession classes of flexible school year programs without receiving instruction in the
20.33 home or hospital shall be dropped from the roll and classified as withdrawn. Nothing in this

21.1 section shall be construed as waiving the compulsory attendance provisions cited in section
 21.2 120A.22. Average daily membership equals the sum for all pupils of the number of days
 21.3 of the school year each pupil is enrolled in the district's schools divided by the number of
 21.4 days the schools are in session or are providing e-learning days due to inclement weather.
 21.5 Days of summer school or intersession classes of flexible school year programs are only
 21.6 included in the computation of membership for pupils with a disability not appropriately
 21.7 served primarily in the regular classroom. A student must not be counted as more than 1.2
 21.8 pupils in average daily membership under this section and section 126C.10, subdivision 2a,
 21.9 paragraph ~~(b)~~ (c). When the initial total average daily membership exceeds 1.2 for a pupil
 21.10 enrolled in more than one school district during the fiscal year, each district's average daily
 21.11 membership must be reduced proportionately.

21.12 (b) A student must not be counted as more than one pupil in average daily membership
 21.13 except for purposes of section 126C.10, subdivision 2a.

21.14 Sec. 29. Minnesota Statutes 2022, section 126C.126, is amended to read:

 21.16 **KINDERGARTEN AND PREKINDERGARTEN.**

21.17 A school district may spend general education revenue on extended time kindergarten
 21.18 and prekindergarten programs. At the school board's discretion, the district may use revenue
 21.19 generated by the all-day kindergarten pupil count under section 126C.05, subdivision 1,
 21.20 paragraph ~~(d)~~ (c), to meet the needs of three- and four-year-olds in the district. A school
 21.21 district may not use these funds on programs for three- and four-year-old children while
 21.22 maintaining a fee-based all-day kindergarten program.

21.23 Sec. 30. Minnesota Statutes 2022, section 126C.13, subdivision 4, is amended to read:

21.24 Subd. 4. **General education aid.** For fiscal year 2015 and later, a district's general
 21.25 education aid equals:

21.26 (1) general education revenue, excluding operating capital revenue, equity revenue, local
 21.27 optional revenue, and transition revenue, ~~minus the student achievement levy, multiplied~~
 21.28 ~~times the ratio of the actual amount of student achievement levy levied to the permitted~~
 21.29 ~~student achievement levy; plus~~

21.30 (2) operating capital aid under section 126C.10, subdivision 13b;

21.31 (3) equity aid under section 126C.10, subdivision 30; plus

22.3 (7) online learning aid under section 124D.096; plus

22.4 (8) local optional aid according to section 126C.10, subdivision 2e, paragraph ~~(e)~~ (f).

22.5 Sec. 31. Minnesota Statutes 2022, section 126C.17, subdivision 5, is amended to read:

22.6 Subd. 5. **Referendum equalization revenue.** (a) A district's referendum equalization
22.7 revenue equals the sum of the first tier referendum equalization revenue and the second tier
22.8 referendum equalization revenue.

22.9 (b) A district's first tier referendum equalization revenue equals the district's first tier
22.10 referendum equalization allowance times the district's adjusted pupil units for that year.

22.11 (c) A district's first tier referendum equalization allowance equals the lesser of the
22.12 district's referendum allowance under subdivision 1 or \$460.

22.13 (d) A district's second tier referendum equalization revenue equals the district's second
22.14 tier referendum equalization allowance times the district's adjusted pupil units for that year.

22.15 (e) A district's second tier referendum equalization allowance equals the lesser of the

22.18 (f) Notwithstanding paragraph (e), the second tier referendum equalization allowance
22.19 for a district qualifying for secondary sparsity revenue under section 126C.10, subdivision
22.20 7, or elementary sparsity revenue under section 126C.10, subdivision 8, equals the district's
22.21 referendum allowance under subdivision 1 minus the district's first tier referendum
22.22 equalization allowance.

22.23 Sec. 32. Minnesota Statutes 2023 Supplement, section 144E.101, subdivision 7, is amended
22.24 to read:

22.25 Subd. 7. **Advanced life support.** (a) Except as provided in paragraphs (f) and (g), an
22.26 advanced life-support ambulance shall be staffed by at least:

22.27 (1) one EMT or one AEMT and one paramedic;

22.28 (2) one EMT or one AEMT and one registered nurse who is an EMT or an AEMT, is
22.29 currently practicing nursing, and has passed a paramedic practical skills test approved by
22.30 the board and administered by an education program; or

23.1 (3) one EMT or one AEMT and one physician assistant who is an EMT or an AEMT,
23.2 is currently practicing as a physician assistant, and has passed a paramedic practical skills
23.3 test approved by the board and administered by an education program.

23.4 (b) An advanced life-support service shall provide basic life support, as specified under
23.5 subdivision 6, paragraph (a), advanced airway management, manual defibrillation,
23.6 administration of intravenous fluids and pharmaceuticals, and administration of opiate

23.9 staff additional ambulances to provide basic life support according to subdivision 6 and
23.10 section 144E.103, subdivision 1.

23.11 (d) An ambulance service providing advanced life support shall have a written agreement
23.12 with its medical director to ensure medical control for patient care 24 hours a day, seven
23.13 days a week. The terms of the agreement shall include a written policy on the administration
23.14 of medical control for the service. The policy shall address the following issues:

23.15 (1) two-way communication for physician direction of ambulance service personnel;

23.16 (2) patient triage, treatment, and transport;

23.17 (3) use of standing orders; and

23.18 (4) the means by which medical control will be provided 24 hours a day.

23.19 The agreement shall be signed by the licensee's medical director and the licensee or the
23.20 licensee's designee and maintained in the files of the licensee.

23.21 (e) When an ambulance service provides advanced life support, the authority of a
23.22 paramedic, Minnesota registered nurse-EMT, or Minnesota registered physician
23.23 assistant-EMT to determine the delivery of patient care prevails over the authority of an
23.24 EMT.

23.25 (f) Upon application from an ambulance service that includes evidence demonstrating
23.26 hardship, the board may grant a variance from the staff requirements in paragraph (a), clause
23.27 (1), and may authorize an advanced life-support ambulance to be staffed by a registered
23.28 emergency medical responder driver with a paramedic for all emergency calls and interfacility
23.29 transfers. The variance shall apply to advanced life-support ambulance services until the
23.30 ambulance service renews its license. When the variance expires, an ambulance service
23.31 may apply for a new variance under this paragraph. This paragraph applies only to an
23.32 ambulance service whose primary service area is mainly located outside the metropolitan
23.33 counties listed in section 473.121, subdivision 4, and outside the cities of Duluth, Mankato,

24.1 Moorhead, Rochester, and St. Cloud, or an ambulance service based in a community with
24.2 a population of less than 1,000 persons.

24.3 (g) After an initial emergency ambulance call, each subsequent emergency ambulance
24.4 response, until the initial ambulance is again available, and interfacility transfers, may be
24.5 staffed by one registered emergency medical responder driver and an EMT or paramedic.
24.6 This paragraph applies only to an ambulance service whose primary service area is mainly
24.7 located outside the metropolitan counties listed in section 473.121, subdivision 4, and outside
24.8 the cities of Duluth, Mankato, Moorhead, Rochester, and St. Cloud, or an ambulance service
24.9 based in a community with a population of less than 1,000 persons.

24.10 Sec. 33. Minnesota Statutes 2023 Supplement, section 144E.101, subdivision 12, is
24.11 amended to read:

24.12 Subd. 12. **Mutual aid agreement.** (a) A licensee shall have a written agreement with
24.13 at least one neighboring licensed ambulance service for the preplanned and organized
24.14 response of emergency medical services, and other emergency personnel and equipment,
24.15 to a request for assistance in an emergency when local ambulance transport resources have
24.16 been expended. The response is predicated upon formal agreements among participating
24.17 ambulance services. A copy of each mutual aid agreement shall be maintained in the files
24.18 of the licensee and shall be filed with the board for informational purposes only.

24.19 (b) A licensee may have a written agreement with a neighboring licensed ambulance
24.20 service, including a licensed ambulance service from a neighboring state if that service is
24.21 currently and remains in compliance with its home state licensing requirements, to provide
24.22 support to the primary service area of the licensee upon the licensee's request. The agreement
24.23 may allow the licensee to suspend ambulance services in its primary service area during
24.24 the times the neighboring licensed ambulance service has agreed to provide all emergency
24.25 services to the licensee's primary service area. The agreement may permit the neighboring
24.26 licensed ambulance service to serve the licensee's primary service area for up to 24 hours
24.27 per day, provided service by the neighboring licensed ambulance service does not exceed
24.28 108 hours per calendar week. This paragraph applies only to an ambulance service whose
24.29 primary service area is mainly located outside the metropolitan counties listed in section
24.30 473.121, subdivision 4, and outside the cities of Duluth, Mankato, Moorhead, Rochester,
24.31 and St. Cloud, or an ambulance service based in a community with a population of less than
24.32 2,500 persons.

25.1 Sec. 34. Minnesota Statutes 2023 Supplement, section 145D.01, subdivision 5, is amended
25.2 to read:

25.3 Subd. 5. **Attorney general enforcement and supplemental authority.** (a) The attorney
25.4 general may bring an action in district court to enjoin or unwind a transaction or seek other
25.5 equitable relief necessary to protect the public interest if a health care entity or transaction
25.6 violates this section, if the transaction is contrary to the public interest, or if both a health
25.7 care entity or transaction violates this section and the transaction is contrary to the public
25.8 interest. Factors informing whether a transaction is contrary to the public interest include
25.9 but are not limited to whether the transaction:

25.10 (1) will harm public health;

25.11 (2) will reduce the affected community's continued access to affordable and quality care
25.12 and to the range of services historically provided by the entities or will prevent members
25.13 in the affected community from receiving a comparable or better patient experience;

25.14 (3) will have a detrimental impact on competing health care options within primary and
25.15 dispersed service areas;

25.16 (4) will reduce delivery of health care to disadvantaged, uninsured, underinsured, and
25.17 underserved populations and to populations enrolled in public health care programs;

25.18 (5) will have a substantial negative impact on medical education and teaching programs,
25.19 health care workforce training, or medical research;

25.20 (6) will have a negative impact on the market for health care services, health insurance
25.21 services, or skilled health care workers;

25.22 (7) will increase health care costs for patients;

25.23 (8) will adversely impact provider cost trends and containment of total health care
25.24 spending;

25.25 (9) will have a negative impact on wages paid by, or the number of employees employed
25.26 by, a health care entity involved in a transaction; or

25.27 (10) will have a negative impact on wages, collective bargaining units, and collective
25.28 bargaining agreements of existing or future workers employed by a health care entity
25.29 involved in a transaction.

25.30 (b) The attorney general may enforce this section under section 8.31.

25.31 (c) Failure of the entities involved in a transaction to provide timely information as
25.32 required by the attorney general or the commissioner shall be an independent and sufficient

26.1 ground for a court to enjoin or unwind the transaction or provide other equitable relief,
26.2 provided the attorney general notified the entities of the inadequacy of the information
26.3 provided and provided the entities with a reasonable opportunity to remedy the inadequacy.

26.4 (d) The commissioner shall provide to the attorney general, upon request, data and
26.5 research on broader market trends, impacts on prices and outcomes, public health and
26.6 population health considerations, and health care access, for the attorney general to use
26.7 when evaluating whether a transaction is contrary to public interest. The commissioner may
26.8 share with the attorney general, according to section 13.05, subdivision 9, any not public
26.9 data, as defined in section 13.02, subdivision 8a, held by the commissioner to aid in the
26.10 investigation and review of the transaction, and the attorney general must maintain this data
26.11 with the same classification according to section 13.03, subdivision 4, paragraph ~~(d)~~ (c).

26.16 \$10,000,000 and \$80,000,000 per year; or

26.17 (2) the transaction will result in an entity projected to have average revenue between
26.18 \$10,000,000 per year and \$80,000,000 per year once the entity is operating at full capacity.

26.19 (b) A health care entity must provide the following data to the commissioner at least 30
26.20 days before the proposed completion date of the transaction, or within ten business days of
26.21 the date the parties first reasonably anticipate entering into the transaction if the expected

27.9 transaction by job category, including administrative and contract positions; and

27.10 (11) any other information relevant to evaluating the transaction that is requested by the
27.11 commissioner.

27.12 (c) If the commissioner determines that information required from the health care entity
27.13 under this section has not been provided, the commissioner may notify the entity of the
27.14 necessary information within 30 days of the health care entity's initial submission of the
27.15 notice. The health care entity must provide such additional information to the commissioner
27.16 within 14 days of the commissioner's request.

27.17 (d) Data provided to or collected by the commissioner under this section are private data
27.18 on individuals or nonpublic data, as defined in section 13.02. The commissioner may share
27.19 with the attorney general, according to section 13.05, subdivision 9, any not public data, as

27.25 section 145D.01, subdivision 2.

27.26 (f) The commissioner shall use data collected under this section to analyze the number
27.27 of health care transactions in Minnesota and the potential impact these transactions may
27.28 have on equitable access to or the cost and quality of health care services, and develop
27.29 recommendations for the legislature on improvements to the law.

35.30 sections 14.05, subdivision 5, and 14.116;

36.1 (2) a law that specifies a reporting expiration date or a date for the submission of a final

36.9 subdivision 3; 174.247; 174.56, subdivisions 1 and 2; and 174.75, subdivision 3.

36.10 Sec. 47. Minnesota Statutes 2022, section 176.011, subdivision 15, is amended to read:

36.11 Subd. 15. **Occupational disease.** (a) "Occupational disease" means a mental impairment
36.12 as defined in paragraph (d) or physical disease arising out of and in the course of employment
36.13 peculiar to the occupation in which the employee is engaged and due to causes in excess of
36.14 the hazards ordinary of employment and shall include undulant fever. Physical stimulus
36.15 resulting in mental injury and mental stimulus resulting in physical injury shall remain
36.16 compensable. Mental impairment is not considered a disease if it results from a disciplinary
36.17 action, work evaluation, job transfer, layoff, demotion, promotion, termination, retirement,
36.18 or similar action taken in good faith by the employer. Ordinary diseases of life to which the
36.19 general public is equally exposed outside of employment are not compensable, except where
36.20 the diseases follow as an incident of an occupational disease, or where the exposure peculiar
36.21 to the occupation makes the disease an occupational disease hazard. A disease arises out of
36.22 the employment only if there be a direct causal connection between the conditions under
36.23 which the work is performed and if the occupational disease follows as a natural incident
36.24 of the work as a result of the exposure occasioned by the nature of the employment. An
36.25 employer is not liable for compensation for any occupational disease which cannot be traced
36.26 to the employment as a direct and proximate cause and is not recognized as a hazard
36.27 characteristic of and peculiar to the trade, occupation, process, or employment or which
36.28 results from a hazard to which the worker would have been equally exposed outside of the
36.29 employment.

36.30 (b) If immediately preceding the date of disablement or death, an employee was employed
36.31 on active duty with an organized fire or police department of any municipality, as a member
36.32 of the Minnesota State Patrol, conservation officer service, state crime bureau, as a forest
36.33 officer by the Department of Natural Resources, correctional officer or security counselor

37.1 employed by the state or a political subdivision at a corrections, detention, or secure treatment
37.2 facility, or sheriff or full-time deputy sheriff of any county, and the disease is that of
37.3 myocarditis, coronary sclerosis, pneumonia or its sequel, and at the time of employment
37.4 such employee was given a thorough physical examination by a licensed doctor of medicine,
37.5 and a written report thereof has been made and filed with such organized fire or police
37.6 department, with the Minnesota State Patrol, conservation officer service, state crime bureau,
37.7 Department of Natural Resources, Department of Corrections, or sheriff's department of
37.8 any county, which examination and report negated any evidence of myocarditis, coronary
37.9 sclerosis, pneumonia or its sequel, the disease is presumptively an occupational disease and
37.10 shall be presumed to have been due to the nature of employment. If immediately preceding
37.11 the date of disablement or death, any individual who by nature of their position provides
37.12 emergency medical care, or an employee who was employed as a licensed police officer
37.13 under section 626.84, subdivision 1; firefighter; paramedic; correctional officer or security
37.14 counselor employed by the state or a political subdivision at a corrections, detention, or
37.15 secure treatment facility; emergency medical technician; or licensed nurse providing
37.16 emergency medical care; and who contracts an infectious or communicable disease to which
37.17 the employee was exposed in the course of employment outside of a hospital, then the
37.18 disease is presumptively an occupational disease and shall be presumed to have been due
37.19 to the nature of employment and the presumption may be rebutted by substantial factors
37.20 brought by the employer or insurer. Any substantial factors which shall be used to rebut
37.21 this presumption and which are known to the employer or insurer at the time of the denial
37.22 of liability shall be communicated to the employee on the denial of liability.

37.23 (c) A firefighter on active duty with an organized fire department who is unable to
37.24 perform duties in the department by reason of a disabling cancer of a type caused by exposure
37.25 to heat, radiation, or a known or suspected carcinogen, as defined by the International
37.26 Agency for Research on Cancer, and the carcinogen is reasonably linked to the disabling
37.27 cancer, is presumed to have an occupational disease under paragraph (a). If a firefighter
37.28 who enters the service after August 1, 1988, is examined by a physician prior to being hired
37.29 and the examination discloses the existence of a cancer of a type described in this paragraph,
37.30 the firefighter is not entitled to the presumption unless a subsequent medical determination
37.31 is made that the firefighter no longer has the cancer.

37.32 (d) For the purposes of this chapter, "mental impairment" means a diagnosis of
37.33 post-traumatic stress disorder by a licensed psychiatrist or psychologist. For the purposes
37.34 of this chapter, "post-traumatic stress disorder" means the condition as described in the most
37.35 recently published edition of the Diagnostic and Statistical Manual of Mental Disorders by

38.1 the American Psychiatric Association. For purposes of section 79.34, subdivision 2, one or
38.2 more compensable mental impairment claims arising out of a single event or occurrence
38.3 shall constitute a single loss occurrence.

38.4 (e) If, preceding the date of disablement or death, an employee who was employed on
38.5 active duty as: a licensed police officer; a firefighter; a paramedic; an emergency medical
38.6 technician; a licensed nurse employed to provide emergency medical services outside of a
38.7 medical facility; a public safety dispatcher; a correctional officer or security counselor
38.8 employed by the state or a political subdivision at a corrections, detention, or secure treatment
38.9 facility; a sheriff or full-time deputy sheriff of any county; or a member of the Minnesota
38.10 State Patrol is diagnosed with a mental impairment as defined in paragraph (d), and had not
38.11 been diagnosed with the mental impairment previously, then the mental impairment is
38.12 presumptively an occupational disease and shall be presumed to have been due to the nature
38.13 of employment. This presumption may be rebutted by substantial factors brought by the
38.14 employer or insurer. Any substantial factors that are used to rebut this presumption and that
38.15 are known to the employer or insurer at the time of the denial of liability shall be
38.16 communicated to the employee on the denial of liability. The mental impairment is not
38.17 considered an occupational disease if it results from a disciplinary action, work evaluation,
38.18 job transfer, layoff, demotion, promotion, termination, retirement, or similar action taken
38.19 in good faith by the employer.

38.20 ~~(f) Notwithstanding paragraph (a) and the rebuttable presumption for infectious or~~
38.21 ~~communicable diseases in paragraph (b), an employee who contracts COVID-19 is presumed~~
38.22 ~~to have an occupational disease arising out of and in the course of employment if the~~
38.23 ~~employee satisfies the requirements of clauses (1) and (2).~~

38.24 ~~(1) The employee was employed as a licensed peace officer under section 626.84,~~

38.29 ~~direct COVID-19 patient care or ancillary work in COVID-19 patient units; and workers~~
38.30 ~~required to provide child care to first responders and health care workers under Executive~~
38.31 ~~Order 20-02 and Executive Order 20-19.~~

38.32 ~~(2) The employee's contraction of COVID-19 must be confirmed by a positive laboratory~~
38.33 ~~test or, if a laboratory test was not available for the employee, as diagnosed and documented~~
38.34 ~~by the employee's licensed physician, licensed physician's assistant, or licensed advanced~~
38.35 ~~practice registered nurse (APRN), based on the employee's symptoms. A copy of the positive~~

39.1 ~~laboratory test or the written documentation of the physician's, physician assistant's, or~~
 39.2 ~~APRN's diagnosis shall be provided to the employer or insurer.~~

39.3 ~~(3) Once the employee has satisfied the requirements of clauses (1) and (2), the~~
 39.4 ~~presumption shall only be rebutted if the employer or insurer shows the employment was~~
 39.5 ~~not a direct cause of the disease. A denial of liability under this paragraph must meet the~~
 39.6 ~~requirements for a denial under section 176.221, subdivision 1.~~

39.7 ~~(4) The date of injury for an employee who has contracted COVID-19 under this~~
 39.8 ~~paragraph shall be the date that the employee was unable to work due to a diagnosis of~~
 39.9 ~~COVID-19, or due to symptoms that were later diagnosed as COVID-19, whichever occurred~~
 39.10 ~~first.~~

39.11 ~~(5) An employee who has contracted COVID-19 but who is not entitled to the~~
 39.12 ~~presumption under this paragraph is not precluded from claiming an occupational disease~~
 39.13 ~~as provided in other paragraphs of this subdivision or from claiming a personal injury under~~
 39.14 ~~subdivision 16.~~

39.15 ~~(6) The commissioner shall provide a detailed report on COVID-19 workers'~~
 39.16 ~~compensation claims under this paragraph to the Workers' Compensation Advisory Council,~~
 39.17 ~~and chairs and ranking minority members of the house of representatives and senate~~
 39.18 ~~committees with jurisdiction over workers' compensation, by January 15, 2021.~~

45.26 Sec. 53. Minnesota Statutes 2023 Supplement, section 245A.03, subdivision 7, is amended
45.27 to read:

45.28 Subd. 7. **Licensing moratorium.** (a) The commissioner shall not issue an initial license
45.29 for child foster care licensed under Minnesota Rules, parts 2960.3000 to 2960.3340, or adult
45.30 foster care licensed under Minnesota Rules, parts 9555.5105 to 9555.6265, under this chapter
45.31 for a physical location that will not be the primary residence of the license holder for the
45.32 entire period of licensure. If a family child foster care home or family adult foster care home

46.1 license is issued during this moratorium, and the license holder changes the license holder's
46.2 primary residence away from the physical location of the foster care license, the
46.3 commissioner shall revoke the license according to section 245A.07. The commissioner
46.4 shall not issue an initial license for a community residential setting licensed under chapter
46.5 245D. When approving an exception under this paragraph, the commissioner shall consider
46.6 the resource need determination process in paragraph (h), the availability of foster care
46.7 licensed beds in the geographic area in which the licensee seeks to operate, the results of a
46.8 person's choices during their annual assessment and service plan review, and the
46.9 recommendation of the local county board. The determination by the commissioner is final
46.10 and not subject to appeal. Exceptions to the moratorium include:

46.11 (1) a license for a person in a foster care setting that is not the primary residence of the
46.12 license holder and where at least 80 percent of the residents are 55 years of age or older;

46.13 (2) foster care licenses replacing foster care licenses in existence on May 15, 2009, or
46.14 community residential setting licenses replacing adult foster care licenses in existence on
46.15 December 31, 2013, and determined to be needed by the commissioner under paragraph
46.16 (b);

46.17 (3) new foster care licenses or community residential setting licenses determined to be
46.18 needed by the commissioner under paragraph (b) for the closure of a nursing facility, ICF/DD,
46.19 or regional treatment center; restructuring of state-operated services that limits the capacity
46.20 of state-operated facilities; or allowing movement to the community for people who no
46.21 longer require the level of care provided in state-operated facilities as provided under section
46.22 256B.092, subdivision 13, or 256B.49, subdivision 24; or

46.23 (4) new foster care licenses or community residential setting licenses determined to be
46.24 needed by the commissioner under paragraph (b) for persons requiring hospital-level care;
46.25 ~~or.~~

46.26 ~~(5) new foster care licenses or community residential setting licenses for people receiving~~
46.27 ~~customized living or 24-hour customized living services under the brain injury or community~~
46.28 ~~access for disability inclusion waiver plans under section 256B.49 or elderly waiver plan~~
46.29 ~~under chapter 256S and residing in the customized living setting for which a license is~~
46.30 ~~required. A customized living service provider subject to this exception may rebut the~~
46.31 ~~presumption that a license is required by seeking a reconsideration of the commissioner's~~
46.32 ~~determination. The commissioner's disposition of a request for reconsideration is final and~~
46.33 ~~not subject to appeal under chapter 14. The exception is available until December 31, 2023.~~
46.34 ~~This exception is available when:~~

47.1 ~~(i) the person's customized living services are provided in a customized living service~~
47.2 ~~setting serving four or fewer people in a single-family home operational on or before June~~
47.3 ~~30, 2021. Operational is defined in section 256B.49, subdivision 28;~~

47.4 ~~(ii) the person's case manager provided the person with information about the choice of~~
47.5 ~~service, service provider, and location of service, including in the person's home, to help~~
47.6 ~~the person make an informed choice; and~~

47.7 ~~(iii) the person's services provided in the licensed foster care or community residential~~
47.8 ~~setting are less than or equal to the cost of the person's services delivered in the customized~~
47.9 ~~living setting as determined by the lead agency.~~

47.10 (b) The commissioner shall determine the need for newly licensed foster care homes or
47.11 community residential settings as defined under this subdivision. As part of the determination,
47.12 the commissioner shall consider the availability of foster care capacity in the area in which
47.13 the licensee seeks to operate, and the recommendation of the local county board. The
47.14 determination by the commissioner must be final. A determination of need is not required
47.15 for a change in ownership at the same address.

47.16 (c) When an adult resident served by the program moves out of a foster home that is not
47.17 the primary residence of the license holder according to section 256B.49, subdivision 15,
47.18 paragraph (f), or the adult community residential setting, the county shall immediately
47.19 inform the Department of Human Services Licensing Division. The department may decrease
47.20 the statewide licensed capacity for adult foster care settings.

47.21 (d) Residential settings that would otherwise be subject to the decreased license capacity
47.22 established in paragraph (c) shall be exempt if the license holder's beds are occupied by
47.23 residents whose primary diagnosis is mental illness and the license holder is certified under
47.24 the requirements in subdivision 6a or section 245D.33.

47.25 (e) A resource need determination process, managed at the state level, using the available
47.26 data required by section 144A.351, and other data and information shall be used to determine
47.27 where the reduced capacity determined under section 256B.493 will be implemented. The
47.28 commissioner shall consult with the stakeholders described in section 144A.351, and employ
47.29 a variety of methods to improve the state's capacity to meet the informed decisions of those
47.30 people who want to move out of corporate foster care or community residential settings,
47.31 long-term service needs within budgetary limits, including seeking proposals from service
47.32 providers or lead agencies to change service type, capacity, or location to improve services,
47.33 increase the independence of residents, and better meet needs identified by the long-term
47.34 services and supports reports and statewide data and information.

48.1 (f) At the time of application and reapplication for licensure, the applicant and the license
48.2 holder that are subject to the moratorium or an exclusion established in paragraph (a) are
48.3 required to inform the commissioner whether the physical location where the foster care
48.4 will be provided is or will be the primary residence of the license holder for the entire period
48.5 of licensure. If the primary residence of the applicant or license holder changes, the applicant
48.6 or license holder must notify the commissioner immediately. The commissioner shall print
48.7 on the foster care license certificate whether or not the physical location is the primary
48.8 residence of the license holder.

48.9 (g) License holders of foster care homes identified under paragraph (f) that are not the
48.10 primary residence of the license holder and that also provide services in the foster care home
48.11 that are covered by a federally approved home and community-based services waiver, as
48.12 authorized under chapter 256S or section 256B.092 or 256B.49, must inform the human
48.13 services licensing division that the license holder provides or intends to provide these
48.14 waiver-funded services.

48.15 (h) The commissioner may adjust capacity to address needs identified in section
48.16 144A.351. Under this authority, the commissioner may approve new licensed settings or
48.17 delicense existing settings. Delicensing of settings will be accomplished through a process
48.18 identified in section 256B.493.

48.19 (i) The commissioner must notify a license holder when its corporate foster care or
48.20 community residential setting licensed beds are reduced under this section. The notice of
48.21 reduction of licensed beds must be in writing and delivered to the license holder by certified
48.22 mail or personal service. The notice must state why the licensed beds are reduced and must
48.23 inform the license holder of its right to request reconsideration by the commissioner. The
48.24 license holder's request for reconsideration must be in writing. If mailed, the request for
48.25 reconsideration must be postmarked and sent to the commissioner within 20 calendar days
48.26 after the license holder's receipt of the notice of reduction of licensed beds. If a request for
48.27 reconsideration is made by personal service, it must be received by the commissioner within
48.28 20 calendar days after the license holder's receipt of the notice of reduction of licensed beds.

48.29 (j) The commissioner shall not issue an initial license for children's residential treatment
48.30 services licensed under Minnesota Rules, parts 2960.0580 to 2960.0700, under this chapter
48.31 for a program that Centers for Medicare and Medicaid Services would consider an institution
48.32 for mental diseases. Facilities that serve only private pay clients are exempt from the
48.33 moratorium described in this paragraph. The commissioner has the authority to manage
48.34 existing statewide capacity for children's residential treatment services subject to the
48.35 moratorium under this paragraph and may issue an initial license for such facilities if the

49.1 initial license would not increase the statewide capacity for children's residential treatment
49.2 services subject to the moratorium under this paragraph.

49.3 Sec. 54. Minnesota Statutes 2023 Supplement, section 245A.10, subdivision 3, is amended
49.4 to read:

49.5 Subd. 3. **Application fee for initial license or certification.** (a) For fees required under
49.6 subdivision 1, an applicant for an initial license or certification issued by the commissioner
49.7 shall submit a \$500 application fee with each new application required under this subdivision.
49.8 An applicant for an initial day services facility license under chapter 245D shall submit a
49.9 \$250 application fee with each new application. The application fee shall not be prorated,
49.10 is nonrefundable, and is in lieu of the annual license or certification fee that expires on
49.11 December 31. The commissioner shall not process an application until the application fee
49.12 is paid.

49.13 (b) Except as provided in clauses (1) and (2), an applicant shall apply for a license to
49.14 provide services at a specific location.

49.15 (1) For a license to provide home and community-based services to persons with
49.16 disabilities or age 65 and older under chapter 245D, an applicant shall submit an application
49.17 to provide services statewide. Notwithstanding paragraph (a), applications received by the
49.18 commissioner between July 1, 2013, and December 31, 2013, for licensure of services
49.19 provided under chapter 245D must include an application fee that is equal to the annual
49.20 license renewal fee under subdivision 4, paragraph (b), or \$500, whichever is less.
49.21 Applications received by the commissioner after January 1, 2014, must include the application
49.22 fee required under paragraph (a). Applicants who meet the modified application criteria
49.23 identified in section 245A.042, subdivision 2, are exempt from paying an application fee.

49.24 (2) For a license for a private agency to provide foster care or adoption services under
49.25 Minnesota Rules, parts 9545.0755 to 9545.0845, an applicant shall submit a single application
49.26 to provide services statewide.

49.27 ~~(c) The initial application fee charged under this subdivision does not include the~~
49.28 ~~temporary license surcharge under section 16E.22.~~

49.29 Sec. 55. Minnesota Statutes 2022, section 245A.11, subdivision 2, is amended to read:

49.30 Subd. 2. **Permitted single-family residential use.** ~~(a)~~ Residential programs with a
49.31 licensed capacity of six or fewer persons shall be considered a permitted single-family
49.32 residential use of property for the purposes of zoning and other land use regulations, except

50.1 that a residential program whose primary purpose is to treat juveniles who have violated
50.2 criminal statutes relating to sex offenses or have been adjudicated delinquent on the basis
50.3 of conduct in violation of criminal statutes relating to sex offenses shall not be considered
50.4 a permitted use. This exception shall not apply to residential programs licensed before July
50.5 1, 1995. Programs otherwise allowed under this subdivision shall not be prohibited by
50.6 operation of restrictive covenants or similar restrictions, regardless of when entered into,
50.7 which cannot be met because of the nature of the licensed program, including provisions
50.8 which require the home's occupants be related, and that the home must be occupied by the
50.9 owner, or similar provisions.

50.10 ~~(b) Unless otherwise provided in any town, municipal, or county zoning regulation,~~
50.11 ~~licensed residential services provided to more than four persons with developmental~~
50.12 ~~disabilities in a supervised living facility, including intermediate care facilities for persons~~
50.13 ~~with developmental disabilities, with a licensed capacity of seven to eight persons shall be~~
50.14 ~~considered a permitted single-family residential use of property for the purposes of zoning~~
50.15 ~~and other land use regulations. A town, municipal, or county zoning authority may require~~
50.16 ~~a conditional use or special use permit to assure proper maintenance and operation of the~~
50.17 ~~residential program. Conditions imposed on the residential program must not be more~~
50.18 ~~restrictive than those imposed on other conditional uses or special uses of residential property~~
50.19 ~~in the same zones, unless the additional conditions are necessary to protect the health and~~
50.20 ~~safety of the persons being served by the program. This paragraph expires July 1, 2023.~~

50.21 Sec. 56. Minnesota Statutes 2023 Supplement, section 245G.06, subdivision 3a, is amended
50.22 to read:

50.24 the alcohol and drug counselor responsible for a client's treatment plan completes and
50.25 documents a treatment plan review that meets the requirements of subdivision 3 in each
50.26 client's file, according to the frequencies required in this subdivision. All ASAM levels

51.7 section 245G.22, a treatment plan review must be completed:

51.8 (1) ~~a treatment plan review must be completed~~ weekly for the ten weeks following
51.9 completion of the treatment plan; and

51.10 (2) monthly thereafter.

51.11 Treatment plan reviews must be completed more frequently when clinical needs warrant.

51.12 (g) Notwithstanding paragraphs (e) and (f), clause (2), for a client in a nonresidential
51.13 program with a treatment plan that clearly indicates less than five hours of skilled treatment
51.14 services will be provided to the client each month, a treatment plan review must be completed
51.15 once every 90 days. Treatment plan reviews must be completed more frequently when

56.12 Sec. 62. Minnesota Statutes 2022, section 256B.056, subdivision 11, is amended to read:

56.13 Subd. 11. **Treatment of annuities.** (a) Any person requesting medical assistance payment
56.14 of long-term care services shall provide a complete description of any interest either the
56.15 person or the person's spouse has in annuities on a form designated by the department. The
56.16 form shall include a statement that the state becomes a preferred remainder beneficiary of
56.17 annuities or similar financial instruments by virtue of the receipt of medical assistance
56.18 payment of long-term care services. The person and the person's spouse shall furnish the
56.19 agency responsible for determining eligibility with complete current copies of their annuities
56.20 and related documents and complete the form designating the state as the preferred remainder
56.21 beneficiary for each annuity in which the person or the person's spouse has an interest.

56.22 (b) The department shall provide notice to the issuer of the department's right under this
56.23 section as a preferred remainder beneficiary under the annuity or similar financial instrument
56.24 for medical assistance furnished to the person or the person's spouse, and provide notice of
56.25 the issuer's responsibilities as provided in paragraph (c).

56.26 (c) An issuer of an annuity or similar financial instrument who receives notice of the
56.27 state's right to be named a preferred remainder beneficiary as described in paragraph (b)
56.28 shall provide confirmation to the requesting agency that the state has been made a preferred
56.29 remainder beneficiary. The issuer shall also notify the county agency when a change in the
56.30 amount of income or principal being withdrawn from the annuity or other similar financial
56.31 instrument or a change in the state's preferred remainder beneficiary designation under the
56.32 annuity or other similar financial instrument occurs. The county agency shall provide the

57.1 issuer with the name, address, and telephone number of a unit within the department that
57.2 the issuer can contact to comply with this paragraph.

57.3 (d) "Preferred remainder beneficiary" for purposes of this subdivision and sections
57.4 256B.0594 and 256B.0595 means the state is a remainder beneficiary in the first position
57.5 in an amount equal to the amount of medical assistance paid on behalf of the institutionalized
57.6 person, or is a remainder beneficiary in the second position if the institutionalized person
57.7 designates and is survived by a remainder beneficiary who is (1) a spouse who does not
57.8 reside in a medical institution, (2) a minor child, or (3) a child of any age who is blind or
57.9 permanently and totally disabled as defined in the Supplemental Security Income program.
57.10 Notwithstanding this paragraph, the state is the remainder beneficiary in the first position
57.11 if the spouse or child disposes of the remainder for less than fair market value.

57.12 (e) For purposes of this subdivision, "institutionalized person" and "long-term care
57.13 services" have the meanings given in section 256B.0595, subdivision 1, paragraph ~~(f)~~ (a).

57.14 (f) For purposes of this subdivision, "medical institution" means a skilled nursing facility,
57.15 intermediate care facility, intermediate care facility for persons with developmental
57.16 disabilities, nursing facility, or inpatient hospital.

57.17 Sec. 63. Minnesota Statutes 2022, section 256B.058, subdivision 2, is amended to read:

57.18 Subd. 2. **Monthly income allowance for community spouse.** (a) For an institutionalized
57.19 spouse, monthly income may be allocated to the community spouse as a monthly income
57.20 allowance for the community spouse. Beginning with the first full calendar month the
57.21 institutionalized spouse is in the institution, the monthly income allowance is not considered
57.22 available to the institutionalized spouse for monthly payment of costs of care in the institution
57.23 as long as the income is made available to the community spouse.

57.24 (b) The monthly income allowance is the amount by which the community spouse's
57.25 monthly maintenance needs allowance under paragraphs (c) and (d) exceeds the amount of
57.26 monthly income otherwise available to the community spouse.

57.27 (c) The community spouse's monthly maintenance needs allowance is the lesser of \$1,500
57.28 or 122 percent of the monthly federal poverty guideline for a family of two plus an excess
57.29 shelter allowance. The excess shelter allowance is for the amount of shelter expenses that
57.30 exceed 30 percent of 122 percent of the federal poverty guideline ~~line~~ for a family of two.
57.31 Shelter expenses are the community spouse's expenses for rent, mortgage payments including
57.32 principal and interest, taxes, insurance, required maintenance charges for a cooperative or
57.33 condominium that is the community spouse's principal residence, and the standard utility

58.1 allowance under section 5 of the federal Food and Nutrition Act of 2008. If the community
58.2 spouse has a required maintenance charge for a cooperative or condominium, the standard
58.3 utility allowance must be reduced by the amount of utility expenses included in the required
58.4 maintenance charge.

58.5 If the community or institutionalized spouse establishes that the community spouse
58.6 needs income greater than the monthly maintenance needs allowance determined in this
58.7 paragraph due to exceptional circumstances resulting in significant financial duress, the
58.8 monthly maintenance needs allowance may be increased to an amount that provides needed
58.9 additional income.

58.10 (d) The percentage of the federal poverty guideline used to determine the monthly
58.11 maintenance needs allowance in paragraph (c) is increased to 133 percent on July 1, 1991,
58.12 and to 150 percent on July 1, 1992. Adjustments in the income limits due to annual changes
58.13 in the federal poverty guidelines shall be implemented the first day of July following
58.14 publication of the annual changes. The \$1,500 maximum must be adjusted January 1, 1990,
58.15 and every January 1 after that by the same percentage increase in the Consumer Price Index
58.16 for all urban consumers (all items; United States city average) between the two previous
58.17 Septembers.

58.18 (e) If a court has entered an order against an institutionalized spouse for monthly income
58.19 for support of the community spouse, the community spouse's monthly income allowance
58.20 under this subdivision shall not be less than the amount of the monthly income ordered.

58.21 Sec. 64. Minnesota Statutes 2022, section 256B.0595, subdivision 1, is amended to read:

58.22 Subdivision 1. **Prohibited transfers.** (a) For purposes of this section, "long-term care
58.23 services" includes services in a nursing facility; services that are eligible for payment
58.24 according to section 256B.0625, subdivision 2, because they are provided in a swing bed;
58.25 services in an intermediate care facility for persons with developmental disabilities; and
58.26 home and community-based services provided pursuant to sections 256B.092 and 256B.49
58.27 and chapter 256S. For purposes of this subdivision and subdivisions 2, 3, and 4,
58.28 "institutionalized person" includes a person who is an inpatient in a nursing facility, a swing
58.29 bed, or an intermediate care facility for persons with developmental disabilities, or who is
58.30 receiving home and community-based services under sections 256B.092 and 256B.49 and
58.31 chapter 256S.

58.32 ~~(a)~~ (b) Effective for transfers made after August 10, 1993, an institutionalized person,
58.33 an institutionalized person's spouse, or any person, court, or administrative body with legal
58.34 authority to act in place of, on behalf of, at the direction of, or upon the request of the

59.1 institutionalized person or institutionalized person's spouse, may not give away, sell, or
59.2 dispose of, for less than fair market value, any asset or interest therein, except assets other
59.3 than the homestead that are excluded under the Supplemental Security Income program,
59.4 for the purpose of establishing or maintaining medical assistance eligibility. This applies
59.5 to all transfers, including those made by a community spouse after the month in which the
59.6 institutionalized spouse is determined eligible for medical assistance. For purposes of
59.7 determining eligibility for long-term care services, any transfer of such assets within 36
59.8 months before or any time after an institutionalized person requests medical assistance
59.9 payment of long-term care services, or 36 months before or any time after a medical
59.10 assistance recipient becomes an institutionalized person, for less than fair market value may
59.11 be considered. Any such transfer is presumed to have been made for the purpose of
59.12 establishing or maintaining medical assistance eligibility and the institutionalized person
59.13 is ineligible for long-term care services for the period of time determined under subdivision
59.14 2, unless the institutionalized person furnishes convincing evidence to establish that the
59.15 transaction was exclusively for another purpose, or unless the transfer is permitted under
59.16 subdivision 3 or 4. In the case of payments from a trust or portions of a trust that are
59.17 considered transfers of assets under federal law, or in the case of any other disposal of assets
59.18 made on or after February 8, 2006, any transfers made within 60 months before or any time
59.19 after an institutionalized person requests medical assistance payment of long-term care
59.20 services and within 60 months before or any time after a medical assistance recipient becomes
59.21 an institutionalized person, may be considered.

59.22 ~~(b)~~ (c) This section applies to transfers, for less than fair market value, of income or
59.23 assets, including assets that are considered income in the month received, such as
59.24 inheritances, court settlements, and retroactive benefit payments or income to which the
59.25 institutionalized person or the institutionalized person's spouse is entitled but does not
59.26 receive due to action by the institutionalized person, the institutionalized person's spouse,
59.27 or any person, court, or administrative body with legal authority to act in place of, on behalf
59.28 of, at the direction of, or upon the request of the institutionalized person or the
59.29 institutionalized person's spouse.

59.30 ~~(e)~~ (d) This section applies to payments for care or personal services provided by a
59.31 relative, unless the compensation was stipulated in a notarized, written agreement that was
59.32 in existence when the service was performed, the care or services directly benefited the
59.33 person, and the payments made represented reasonable compensation for the care or services
59.34 provided. A notarized written agreement is not required if payment for the services was
59.35 made within 60 days after the service was provided.

60.1 ~~(d)~~ (e) Effective for transactions, including the purchase of an annuity, occurring on or
60.2 after February 8, 2006, by or on behalf of an institutionalized person who has applied for
60.3 or is receiving long-term care services or the institutionalized person's spouse shall be treated
60.4 as the disposal of an asset for less than fair market value unless the department is named a
60.5 preferred remainder beneficiary as described in section 256B.056, subdivision 11. Any
60.6 subsequent change to the designation of the department as a preferred remainder beneficiary
60.7 shall result in the annuity being treated as a disposal of assets for less than fair market value.
60.8 The amount of such transfer shall be the maximum amount the institutionalized person or
60.9 the institutionalized person's spouse could receive from the annuity or similar financial
60.10 instrument. Any change in the amount of the income or principal being withdrawn from the
60.11 annuity or other similar financial instrument at the time of the most recent disclosure shall
60.12 be deemed to be a transfer of assets for less than fair market value unless the institutionalized
60.13 person or the institutionalized person's spouse demonstrates that the transaction was for fair
60.14 market value. In the event a distribution of income or principal has been improperly
60.15 distributed or disbursed from an annuity or other retirement planning instrument of an
60.16 institutionalized person or the institutionalized person's spouse, a cause of action exists
60.17 against the individual receiving the improper distribution for the cost of medical assistance
60.18 services provided or the amount of the improper distribution, whichever is less.

60.19 ~~(e)~~ (f) Effective for transactions, including the purchase of an annuity, occurring on or
60.20 after February 8, 2006, by or on behalf of an institutionalized person applying for or receiving
60.21 long-term care services shall be treated as a disposal of assets for less than fair market value
60.22 unless it is:

60.23 (1) an annuity described in subsection (b) or (q) of section 408 of the Internal Revenue
60.24 Code of 1986; or

60.25 (2) purchased with proceeds from:

60.26 (i) an account or trust described in subsection (a), (c), or (p) of section 408 of the Internal
60.27 Revenue Code;

60.28 (ii) a simplified employee pension within the meaning of section 408(k) of the Internal
60.29 Revenue Code; or

60.30 (iii) a Roth IRA described in section 408A of the Internal Revenue Code; or

60.31 (3) an annuity that is irrevocable and nonassignable; is actuarially sound as determined
60.32 in accordance with actuarial publications of the Office of the Chief Actuary of the Social
60.33 Security Administration; and provides for payments in equal amounts during the term of
60.34 the annuity, with no deferral and no balloon payments made.

61.1 ~~(f) For purposes of this section, long-term care services include services in a nursing~~
61.2 ~~facility, services that are eligible for payment according to section 256B.0625, subdivision~~
61.3 ~~2, because they are provided in a swing bed, intermediate care facility for persons with~~
61.4 ~~developmental disabilities, and home and community-based services provided pursuant to~~
61.5 ~~chapter 256S and sections 256B.092 and 256B.49. For purposes of this subdivision and~~
61.6 ~~subdivisions 2, 3, and 4, "institutionalized person" includes a person who is an inpatient in~~
61.7 ~~a nursing facility or in a swing bed, or intermediate care facility for persons with~~
61.8 ~~developmental disabilities or who is receiving home and community-based services under~~
61.9 ~~chapter 256S and sections 256B.092 and 256B.49.~~

61.10 (g) This section applies to funds used to purchase a promissory note, loan, or mortgage
61.11 unless the note, loan, or mortgage:

61.12 (1) has a repayment term that is actuarially sound;

61.13 (2) provides for payments to be made in equal amounts during the term of the loan, with
61.14 no deferral and no balloon payments made; and

61.15 (3) prohibits the cancellation of the balance upon the death of the lender.

61.16 (h) In the case of a promissory note, loan, or mortgage that does not meet an exception
61.17 in paragraph (g), clauses (1) to (3), the value of such note, loan, or mortgage shall be the
61.18 outstanding balance due as of the date of the institutionalized person's request for medical
61.19 assistance payment of long-term care services.

61.20 (i) This section applies to the purchase of a life estate interest in another person's home
61.21 unless the purchaser resides in the home for a period of at least one year after the date of
61.22 purchase.

61.23 (j) This section applies to transfers into a pooled trust that qualifies under United States
61.24 Code, title 42, section 1396p(d)(4)(C), by:

61.25 (1) a person age 65 or older or the person's spouse; or

61.26 (2) any person, court, or administrative body with legal authority to act in place of, on
61.27 behalf of, at the direction of, or upon the request of a person age 65 or older or the person's
61.28 spouse.

61.29 Sec. 65. Minnesota Statutes 2022, section 256B.0595, subdivision 4, is amended to read:

61.30 Subd. 4. **Other exceptions to transfer prohibition.** (a) An institutionalized person, as
61.31 defined in subdivision 1, paragraph ~~(f)~~ (a), who has made, or whose spouse has made a

62.1 transfer prohibited by subdivision 1, is not ineligible for long-term care services if one of
62.2 the following conditions applies:

62.3 (1) the assets were transferred to the individual's spouse or to another for the sole benefit
62.4 of the spouse; or

62.5 (2) the institutionalized spouse, prior to being institutionalized, transferred assets to a
62.6 spouse, provided that the spouse to whom the assets were transferred does not then transfer
62.7 those assets to another person for less than fair market value. (At the time when one spouse
62.8 is institutionalized, assets must be allocated between the spouses as provided under section
62.9 256B.059); or

62.10 (3) the assets were transferred to the individual's child who is blind or permanently and
62.11 totally disabled as determined in the Supplemental Security Income program; or

62.12 (4) a satisfactory showing is made that the individual intended to dispose of the assets
62.13 either at fair market value or for other valuable consideration; or

62.14 (5) the local agency determines that denial of eligibility for long-term care services
62.15 would work an undue hardship and grants a waiver of a period of ineligibility resulting from
62.16 a transfer for less than fair market value based on an imminent threat to the individual's
62.17 health and well-being. Imminent threat to the individual's health and well-being means that
62.18 imposing a period of ineligibility would endanger the individual's health or life or cause
62.19 serious deprivation of food, clothing, or shelter. Whenever an applicant or recipient is denied
62.20 eligibility because of a transfer for less than fair market value, the local agency shall notify
62.21 the applicant or recipient that the applicant or recipient may request a waiver of the period
62.22 of ineligibility if the denial of eligibility will cause undue hardship. With the written consent
62.23 of the individual or the personal representative of the individual, a long-term care facility
62.24 in which an individual is residing may file an undue hardship waiver request, on behalf of
62.25 the individual who is denied eligibility for long-term care services on or after July 1, 2006,
62.26 due to a period of ineligibility resulting from a transfer on or after February 8, 2006; or

62.27 (6) for transfers occurring after August 10, 1993, the assets were transferred by the
62.28 person or the person's spouse: (i) into a trust established for the sole benefit of a son or
62.29 daughter of any age who is blind or disabled as defined by the Supplemental Security Income
62.30 program; or (ii) into a trust established for the sole benefit of an individual who is under 65
62.31 years of age who is disabled as defined by the Supplemental Security Income program. "For
62.32 the sole benefit of" has the meaning found in section 256B.059, subdivision 1.

62.33 (b) Subject to paragraph (c), when evaluating a hardship waiver, the local agency shall
62.34 take into account whether the individual was the victim of financial exploitation, whether

63.1 the individual has made reasonable efforts to recover the transferred property or resource,
63.2 whether the individual has taken any action to prevent the designation of the department as
63.3 a remainder beneficiary on an annuity as described in section 256B.056, subdivision 11,
63.4 and other factors relevant to a determination of hardship.

63.5 (c) In the case of an imminent threat to the individual's health and well-being, the local
63.6 agency shall approve a hardship waiver of the portion of an individual's period of ineligibility
63.7 resulting from a transfer of assets for less than fair market value by or to a person:

63.8 (1) convicted of financial exploitation, fraud, or theft upon the individual for the transfer
63.9 of assets; or

63.10 (2) against whom a report of financial exploitation upon the individual has been
63.11 substantiated. For purposes of this paragraph, "financial exploitation" and "substantiated"
63.12 have the meanings given in section 626.5572.

63.13 (d) The local agency shall make a determination within 30 days of the receipt of all
63.14 necessary information needed to make such a determination. If the local agency does not
63.15 approve a hardship waiver, the local agency shall issue a written notice to the individual
63.16 stating the reasons for the denial and the process for appealing the local agency's decision.
63.17 When a waiver is granted, a cause of action exists against the person to whom the assets
63.18 were transferred for that portion of long-term care services provided within:

63.19 (1) 30 months of a transfer made on or before August 10, 1993;

63.20 (2) 60 months of a transfer if the assets were transferred after August 30, 1993, to a trust
63.21 or portion of a trust that is considered a transfer of assets under federal law;

63.22 (3) 36 months of a transfer if transferred in any other manner after August 10, 1993, but
63.23 prior to February 8, 2006; or

63.24 (4) 60 months of any transfer made on or after February 8, 2006,

63.25 or the amount of the uncompensated transfer, whichever is less, together with the costs
63.26 incurred due to the action.

63.27 Sec. 66. Minnesota Statutes 2023 Supplement, section 256B.0625, subdivision 13e, is
63.28 amended to read:

63.29 Subd. 13e. **Payment rates.** (a) The basis for determining the amount of payment shall
63.30 be the lower of the ingredient costs of the drugs plus the professional dispensing fee; or the
63.31 usual and customary price charged to the public. The usual and customary price means the
63.32 lowest price charged by the provider to a patient who pays for the prescription by cash,

64.1 check, or charge account and includes prices the pharmacy charges to a patient enrolled in
64.2 a prescription savings club or prescription discount club administered by the pharmacy or
64.3 pharmacy chain. The amount of payment basis must be reduced to reflect all discount
64.4 amounts applied to the charge by any third-party provider/insurer agreement or contract for
64.5 submitted charges to medical assistance programs. The net submitted charge may not be
64.6 greater than the patient liability for the service. The professional dispensing fee shall be
64.7 \$10.77 for prescriptions filled with legend drugs meeting the definition of "covered outpatient
64.8 drugs" according to United States Code, title 42, section 1396r-8(k)(2). The dispensing fee
64.9 for intravenous solutions that must be compounded by the pharmacist shall be \$10.77 per
64.10 claim. The professional dispensing fee for prescriptions filled with over-the-counter drugs
64.11 meeting the definition of covered outpatient drugs shall be \$10.77 for dispensed quantities
64.12 equal to or greater than the number of units contained in the manufacturer's original package.
64.13 The professional dispensing fee shall be prorated based on the percentage of the package
64.14 dispensed when the pharmacy dispenses a quantity less than the number of units contained
64.15 in the manufacturer's original package. The pharmacy dispensing fee for prescribed
64.16 over-the-counter drugs not meeting the definition of covered outpatient drugs shall be \$3.65
64.17 for quantities equal to or greater than the number of units contained in the manufacturer's
64.18 original package and shall be prorated based on the percentage of the package dispensed
64.19 when the pharmacy dispenses a quantity less than the number of units contained in the
64.20 manufacturer's original package. The National Average Drug Acquisition Cost (NADAC)
64.21 shall be used to determine the ingredient cost of a drug. For drugs for which a NADAC is
64.22 not reported, the commissioner shall estimate the ingredient cost at the wholesale acquisition
64.23 cost minus two percent. The ingredient cost of a drug for a provider participating in the
64.24 federal 340B Drug Pricing Program shall be either the 340B Drug Pricing Program ceiling
64.25 price established by the Health Resources and Services Administration or NADAC,
64.26 whichever is lower. Wholesale acquisition cost is defined as the manufacturer's list price
64.27 for a drug or biological to wholesalers or direct purchasers in the United States, not including
64.28 prompt pay or other discounts, rebates, or reductions in price, for the most recent month for
64.29 which information is available, as reported in wholesale price guides or other publications
64.30 of drug or biological pricing data. The maximum allowable cost of a multisource drug may
64.31 be set by the commissioner and it shall be comparable to the actual acquisition cost of the
64.32 drug product and no higher than the NADAC of the generic product. Establishment of the
64.33 amount of payment for drugs shall not be subject to the requirements of the Administrative
64.34 Procedure Act.

64.35 (b) Pharmacies dispensing prescriptions to residents of long-term care facilities using
64.36 an automated drug distribution system meeting the requirements of section 151.58, or a

65.1 packaging system meeting the packaging standards set forth in Minnesota Rules, part
65.2 6800.2700, that govern the return of unused drugs to the pharmacy for reuse, may employ
65.3 retrospective billing for prescription drugs dispensed to long-term care facility residents. A
65.4 retrospectively billing pharmacy must submit a claim only for the quantity of medication
65.5 used by the enrolled recipient during the defined billing period. A retrospectively billing
65.6 pharmacy must use a billing period not less than one calendar month or 30 days.

65.7 (c) A pharmacy provider using packaging that meets the standards set forth in Minnesota
65.8 Rules, part 6800.2700, is required to credit the department for the actual acquisition cost
65.9 of all unused drugs that are eligible for reuse, unless the pharmacy is using retrospective
65.10 billing. The commissioner may permit the drug clozapine to be dispensed in a quantity that
65.11 is less than a 30-day supply.

65.12 (d) If a pharmacy dispenses a multisource drug, the ingredient cost shall be the NADAC
65.13 of the generic product or the maximum allowable cost established by the commissioner
65.14 unless prior authorization for the brand name product has been granted according to the
65.15 criteria established by the Drug Formulary Committee as required by subdivision 13f,
65.16 paragraph (a), and the prescriber has indicated "dispense as written" on the prescription in
65.17 a manner consistent with section 151.21, subdivision 2.

65.18 (e) The basis for determining the amount of payment for drugs administered in an
65.19 outpatient setting shall be the lower of the usual and customary cost submitted by the
65.20 provider, 106 percent of the average sales price as determined by the United States
65.21 Department of Health and Human Services pursuant to title XVIII, section 1847a of the
65.22 federal Social Security Act, the specialty pharmacy rate, or the maximum allowable cost
65.23 set by the commissioner. If average sales price is unavailable, the amount of payment must
65.24 be lower of the usual and customary cost submitted by the provider, the wholesale acquisition
65.25 cost, the specialty pharmacy rate, or the maximum allowable cost set by the commissioner.
65.26 The commissioner shall discount the payment rate for drugs obtained through the federal
65.27 340B Drug Pricing Program by 28.6 percent. The payment for drugs administered in an
65.28 outpatient setting shall be made to the administering facility or practitioner. A retail or
65.29 specialty pharmacy dispensing a drug for administration in an outpatient setting is not
65.30 eligible for direct reimbursement.

65.31 (f) The commissioner may establish maximum allowable cost rates for specialty pharmacy
65.32 products that are lower than the ingredient cost formulas specified in paragraph (a). The
65.33 commissioner may require individuals enrolled in the health care programs administered
65.34 by the department to obtain specialty pharmacy products from providers with whom the
65.35 commissioner has negotiated lower reimbursement rates. Specialty pharmacy products are

66.1 defined as those used by a small number of recipients or recipients with complex and chronic
66.2 diseases that require expensive and challenging drug regimens. Examples of these conditions
66.3 include, but are not limited to: multiple sclerosis, HIV/AIDS, transplantation, hepatitis C,
66.4 growth hormone deficiency, Crohn's Disease, rheumatoid arthritis, and certain forms of
66.5 cancer. Specialty pharmaceutical products include injectable and infusion therapies,
66.6 biotechnology drugs, antihemophilic factor products, high-cost therapies, and therapies that
66.7 require complex care. The commissioner shall consult with the Formulary Committee to
66.8 develop a list of specialty pharmacy products subject to maximum allowable cost
66.9 reimbursement. In consulting with the Formulary Committee in developing this list, the
66.10 commissioner shall take into consideration the population served by specialty pharmacy
66.11 products, the current delivery system and standard of care in the state, and access to care
66.12 issues. The commissioner shall have the discretion to adjust the maximum allowable cost
66.13 to prevent access to care issues.

66.14 (g) Home infusion therapy services provided by home infusion therapy pharmacies must
66.15 be paid at rates according to subdivision 8d.

66.16 (h) The commissioner shall contract with a vendor to conduct a cost of dispensing survey
66.17 for all pharmacies that are physically located in the state of Minnesota that dispense outpatient
66.18 drugs under medical assistance. The commissioner shall ensure that the vendor has prior
66.19 experience in conducting cost of dispensing surveys. Each pharmacy enrolled with the
66.20 department to dispense outpatient prescription drugs to fee-for-service members must
66.21 respond to the cost of dispensing survey. The commissioner may sanction a pharmacy under
66.22 section 256B.064 for failure to respond. The commissioner shall require the vendor to
66.23 measure a single statewide cost of dispensing for specialty prescription drugs and a single
66.24 statewide cost of dispensing for nonspecialty prescription drugs for all responding pharmacies
66.25 to measure the mean, mean weighted by total prescription volume, mean weighted by
66.26 medical assistance prescription volume, median, median weighted by total prescription
66.27 volume, and median weighted by total medical assistance prescription volume. The
66.28 commissioner shall post a copy of the final cost of dispensing survey report on the
66.29 department's website. The initial survey must be completed no later than January 1, 2021,
66.30 and repeated every three years. The commissioner shall provide a summary of the results
66.31 of each cost of dispensing survey and provide recommendations for any changes to the
66.32 dispensing fee to the chairs and ranking minority members of the legislative committees
66.33 with jurisdiction over medical assistance pharmacy reimbursement. Notwithstanding section
66.34 256.01, subdivision 42, this paragraph does not expire.

67.1 (i) The commissioner shall increase the ingredient cost reimbursement calculated in
67.2 paragraphs (a) and (f) by 1.8 percent for prescription and nonprescription drugs subject to
67.3 the wholesale drug distributor tax under section 295.52.

67.4 Sec. 67. Minnesota Statutes 2022, section 256B.0625, subdivision 56, is amended to read:

67.5 Subd. 56. **Medical service coordination.** (a)(1) Medical assistance covers in-reach
67.6 community-based service coordination that is performed through a hospital emergency
67.7 department as an eligible procedure under a state ~~healthcare~~ health care program for a
67.8 frequent user. A frequent user is defined as an individual who has frequented the hospital
67.9 emergency department for services three or more times in the previous four consecutive
67.10 months. In-reach community-based service coordination includes navigating services to
67.11 address a client's mental health, chemical health, social, economic, and housing needs, or
67.12 any other activity targeted at reducing the incidence of emergency room and other
67.13 nonmedically necessary health care utilization.

67.14 (2) Medical assistance covers in-reach community-based service coordination that is
67.15 performed through a hospital emergency department or inpatient psychiatric unit for a child
67.16 or young adult up to age 21 with a serious emotional disturbance who has frequented the
67.17 hospital emergency room two or more times in the previous consecutive three months or
67.18 been admitted to an inpatient psychiatric unit two or more times in the previous consecutive
67.19 four months, or is being discharged to a shelter.

67.20 (b) Reimbursement must be made in 15-minute increments and allowed for up to 60
67.21 days posthospital discharge based upon the specific identified emergency department visit
67.22 or inpatient admitting event. In-reach community-based service coordination shall seek to
67.23 connect frequent users with existing covered services available to them, including, but not
67.24 limited to, targeted case management, waiver case management, or care coordination in a
67.25 health care home. For children and young adults with a serious emotional disturbance,
67.26 in-reach community-based service coordination includes navigating and arranging for
67.27 community-based services prior to discharge to address a client's mental health, chemical
67.28 health, social, educational, family support and housing needs, or any other activity targeted
67.29 at reducing multiple incidents of emergency room use, inpatient readmissions, and other
67.30 nonmedically necessary health care utilization. In-reach services shall seek to connect them
67.31 with existing covered services, including targeted case management, waiver case
67.32 management, care coordination in a health care home, children's therapeutic services and
67.33 supports, crisis services, and respite care. Eligible in-reach service coordinators must hold
67.34 a minimum of a bachelor's degree in social work, public health, corrections, or a related

68.1 field. The commissioner shall submit any necessary application for waivers to the Centers
68.2 for Medicare and Medicaid Services to implement this subdivision.

68.3 (c)(1) For the purposes of this subdivision, "in-reach community-based service
68.4 coordination" means the practice of a community-based worker with training, knowledge,
68.5 skills, and ability to access a continuum of services, including housing, transportation,
68.6 chemical and mental health treatment, employment, education, and peer support services,
68.7 by working with an organization's staff to transition an individual back into the individual's
68.8 living environment. In-reach community-based service coordination includes working with
68.9 the individual during their discharge and for up to a defined amount of time in the individual's
68.10 living environment, reducing the individual's need for readmittance.

68.11 (2) Hospitals utilizing in-reach service coordinators shall report annually to the
68.12 commissioner on the number of adults, children, and adolescents served; the postdischarge
68.13 services which they accessed; and emergency department/psychiatric hospitalization
68.14 readmissions. The commissioner shall ensure that services and payments provided under
68.15 in-reach care coordination do not duplicate services or payments provided under subdivision
68.16 20 or section 256B.0753, or 256B.0755, ~~or 256B.0625, subdivision 20.~~

68.17 Sec. 68. Minnesota Statutes 2023 Supplement, section 256B.0913, subdivision 5, is
68.18 amended to read:

68.19 Subd. 5. **Services covered under alternative care.** (a) Alternative care funding may

- 69.10 alternative care program allocation for services not otherwise defined in this section or
- 69.11 section 256B.0625, following approval by the commissioner.

69.12 (b) Total annual payments for discretionary services for all clients served by a lead

69.13 agency must not exceed 25 percent of that lead agency's annual alternative care program

69.14 base allocation, except that when alternative care services receive federal financial

69.15 participation under the 1115 waiver demonstration, funding shall be allocated in accordance

69.16 with subdivision 17.

70.8 (b) The commissioner shall provide oversight and review the use of referrals for clients
70.9 admitted to psychiatric residential treatment facilities to ensure that eligibility criteria,

70.12 the production of a statewide list of children and youth who meet the medical necessity
70.13 criteria for psychiatric residential treatment facility level of care and who are awaiting

72.17 acquired over the course of a psychiatric illness. Psychiatric rehabilitation services for

73.1 Sec. 71. Minnesota Statutes 2022, section 256B.196, subdivision 2, is amended to read:

73.2 Subd. 2. **Commissioner's duties.** (a) For the purposes of this subdivision and subdivision
73.3 3, the commissioner shall determine the fee-for-service outpatient hospital services upper
73.4 payment limit for nonstate government hospitals. The commissioner shall then determine
73.5 the amount of a supplemental payment to Hennepin County Medical Center and Regions
73.6 Hospital for these services that would increase medical assistance spending in this category
73.7 to the aggregate upper payment limit for all nonstate government hospitals in Minnesota.
73.8 In making this determination, the commissioner shall allot the available increases between
73.9 Hennepin County Medical Center and Regions Hospital based on the ratio of medical
73.10 assistance fee-for-service outpatient hospital payments to the two facilities. The commissioner
73.11 shall adjust this allotment as necessary based on federal approvals, the amount of
73.12 intergovernmental transfers received from Hennepin and Ramsey Counties, and other factors,
73.13 in order to maximize the additional total payments. The commissioner shall inform Hennepin
73.14 County and Ramsey County of the periodic intergovernmental transfers necessary to match
73.15 federal Medicaid payments available under this subdivision in order to make supplementary
73.16 medical assistance payments to Hennepin County Medical Center and Regions Hospital
73.17 equal to an amount that when combined with existing medical assistance payments to
73.18 nonstate governmental hospitals would increase total payments to hospitals in this category
73.19 for outpatient services to the aggregate upper payment limit for all hospitals in this category
73.20 in Minnesota. Upon receipt of these periodic transfers, the commissioner shall make
73.21 supplementary payments to Hennepin County Medical Center and Regions Hospital.

73.22 (b) For the purposes of this subdivision and subdivision 3, the commissioner shall
73.23 determine an upper payment limit for physicians and other billing professionals affiliated
73.24 with Hennepin County Medical Center and with Regions Hospital. The upper payment limit
73.25 shall be based on the average commercial rate or be determined using another method
73.26 acceptable to the Centers for Medicare and Medicaid Services. The commissioner shall
73.27 inform Hennepin County and Ramsey County of the periodic intergovernmental transfers
73.28 necessary to match the federal Medicaid payments available under this subdivision in order
73.29 to make supplementary payments to physicians and other billing professionals affiliated
73.30 with Hennepin County Medical Center and to make supplementary payments to physicians
73.31 and other billing professionals affiliated with Regions Hospital through HealthPartners
73.32 Medical Group equal to the difference between the established medical assistance payment
73.33 for physician and other billing professional services and the upper payment limit. Upon
73.34 receipt of these periodic transfers, the commissioner shall make supplementary payments
73.35 to physicians and other billing professionals affiliated with Hennepin County Medical Center

74.1 and shall make supplementary payments to physicians and other billing professionals
74.2 affiliated with Regions Hospital through HealthPartners Medical Group.

74.3 (c) Beginning January 1, 2010, Ramsey County may make monthly voluntary
74.4 intergovernmental transfers to the commissioner in amounts not to exceed \$6,000,000 per
74.5 year. The commissioner shall increase the medical assistance capitation payments to any
74.6 licensed health plan under contract with the medical assistance program that agrees to make
74.7 enhanced payments to Regions Hospital. The increase shall be in an amount equal to the
74.8 annual value of the monthly transfers plus federal financial participation, with each health
74.9 plan receiving its pro rata share of the increase based on the pro rata share of medical
74.10 assistance admissions to Regions Hospital by those plans. For the purposes of this paragraph,
74.11 "the base amount" means the total annual value of increased medical assistance capitation
74.12 payments, including the voluntary intergovernmental transfers, under this paragraph in
74.13 calendar year 2017. For managed care contracts beginning on or after January 1, 2018, the
74.14 commissioner shall reduce the total annual value of increased medical assistance capitation
74.15 payments under this paragraph by an amount equal to ten percent of the base amount, and
74.16 by an additional ten percent of the base amount for each subsequent contract year until
74.17 December 31, 2025. Upon the request of the commissioner, health plans shall submit
74.18 individual-level cost data for verification purposes. The commissioner may ratably reduce
74.19 these payments on a pro rata basis in order to satisfy federal requirements for actuarial
74.20 soundness. If payments are reduced, transfers shall be reduced accordingly. Any licensed
74.21 health plan that receives increased medical assistance capitation payments under the
74.22 intergovernmental transfer described in this paragraph shall increase its medical assistance
74.23 payments to Regions Hospital by the same amount as the increased payments received in
74.24 the capitation payment described in this paragraph. This paragraph expires January 1, 2026.

74.25 (d) For the purposes of this subdivision and subdivision 3, the commissioner shall
74.26 determine an upper payment limit for ambulance services affiliated with Hennepin County
74.27 Medical Center and the city of St. Paul, and ambulance services owned and operated by
74.28 another governmental entity that chooses to participate by requesting the commissioner to
74.29 determine an upper payment limit. The upper payment limit shall be based on the average
74.30 commercial rate or be determined using another method acceptable to the Centers for
74.31 Medicare and Medicaid Services. The commissioner shall inform Hennepin County, the
74.32 city of St. Paul, and other participating governmental entities of the periodic
74.33 intergovernmental transfers necessary to match the federal Medicaid payments available
74.34 under this subdivision in order to make supplementary payments to Hennepin County
74.35 Medical Center, the city of St. Paul, and other participating governmental entities equal to

75.1 the difference between the established medical assistance payment for ambulance services
75.2 and the upper payment limit. Upon receipt of these periodic transfers, the commissioner
75.3 shall make supplementary payments to Hennepin County Medical Center, the city of St.
75.4 Paul, and other participating governmental entities. A tribal government that owns and
75.5 operates an ambulance service is not eligible to participate under this subdivision.

75.6 (e) For the purposes of this subdivision and subdivision 3, the commissioner shall
75.7 determine an upper payment limit for physicians, dentists, and other billing professionals
75.8 affiliated with the University of Minnesota and University of Minnesota Physicians. The
75.9 upper payment limit shall be based on the average commercial rate or be determined using
75.10 another method acceptable to the Centers for Medicare and Medicaid Services. The
75.11 commissioner shall inform the University of Minnesota Medical School and University of
75.12 Minnesota School of Dentistry of the periodic intergovernmental transfers necessary to
75.13 match the federal Medicaid payments available under this subdivision in order to make
75.14 supplementary payments to physicians, dentists, and other billing professionals affiliated
75.15 with the University of Minnesota and the University of Minnesota Physicians equal to the
75.16 difference between the established medical assistance payment for physician, dentist, and
75.17 other billing professional services and the upper payment limit. Upon receipt of these periodic
75.18 transfers, the commissioner shall make supplementary payments to physicians, dentists,
75.19 and other billing professionals affiliated with the University of Minnesota and the University
75.20 of Minnesota Physicians.

75.21 (f) The commissioner shall inform the transferring governmental entities on an ongoing
75.22 basis of ~~the need for~~ any changes needed in the intergovernmental transfers in order to
75.23 continue the payments under paragraphs (a) to (e), at their maximum level, including
75.24 increases in upper payment limits, changes in the federal Medicaid match, and other factors.

75.25 (g) The payments in paragraphs (a) to (e) shall be implemented independently of each
75.26 other, subject to federal approval and to the receipt of transfers under subdivision 3.

75.27 (h) All of the data and funding transactions related to the payments in paragraphs (a) to
75.28 (e) shall be between the commissioner and the governmental entities.

75.29 (i) For purposes of this subdivision, billing professionals are limited to physicians, nurse
75.30 practitioners, nurse midwives, clinical nurse specialists, physician assistants,
75.31 anesthesiologists, certified registered nurse anesthetists, dentists, dental hygienists, and
75.32 dental therapists.

76.1 Sec. 72. Minnesota Statutes 2022, section 256B.197, subdivision 3, is amended to read:

76.2 Subd. 3. **Commissioner's duties.** (a) For the purposes of this subdivision, the
76.3 commissioner shall determine the fee-for-service inpatient hospital services upper payment
76.4 limit for nonstate government hospitals. The commissioner shall determine, for each eligible
76.5 nonstate government hospital, the amount of a supplemental payment for inpatient hospital
76.6 services that would increase medical assistance spending for each eligible nonstate
76.7 government hospital up to the amount that Medicare would pay for the Medicaid
76.8 fee-for-service inpatient hospital services provided by that hospital. If the combined amount
76.9 of such supplemental payment amounts and existing medical assistance payments for
76.10 inpatient hospital services to all nonstate government hospitals is less than the upper payment
76.11 limit, the commissioner shall increase the supplemental payment amount for each eligible
76.12 nonstate government hospital in proportion to the initial supplemental payments in order
76.13 to maximize the additional total payments.

76.14 (b) The commissioner shall inform each eligible nonstate government hospital and
76.15 associated governmental entities of voluntary intergovernmental transfers necessary to
76.16 provide the nonfederal share for the supplemental payment amount attributable to each
76.17 eligible nonstate government hospital, as calculated under paragraph (a).

76.18 (c) Upon receipt of a voluntary intergovernmental transfer from a governmental entity
76.19 associated with an eligible nonstate government hospital or from the eligible nonstate
76.20 government hospital, the commissioner shall make a supplemental payment, using the
76.21 amounts calculated under paragraph (a), to the associated eligible nonstate government
76.22 hospital.

76.23 (d) The commissioner may implement the payments in this section through use of periodic
76.24 payments and voluntary intergovernmental transfers.

76.25 (e) The commissioner shall inform eligible nonstate government hospitals and associated
76.26 governmental entities on an ongoing basis of ~~the need for~~ any changes needed in the payment
76.27 amounts or voluntary intergovernmental transfers in order to continue the payments under
76.28 paragraph (c) at their maximum level, including increases in upper payment limits, changes
76.29 in the federal Medicaid match, and other factors.

- 82.21 tax-exempt property if the applicable law specifically provides that the limitation,
- 82.22 qualification, or aid calculation includes tax-exempt property.
- 82.23 (c) Unless otherwise provided, "market value," "estimated market value," and "market
- 82.24 valuation" for purposes of property tax levy limitations and calculation of state aid, refer
- 82.25 to the estimated market value for the previous assessment year and for purposes of limits
- 82.26 on net debt, the issuance of bonds, certificates of indebtedness, or capital notes refer to the
- 82.27 estimated market value as last finally equalized.
- 82.28 (d) For purposes of a provision of a home rule charter or of any special law that is not
- 82.29 codified in the statutes and that imposes a levy limitation based on market value or any limit
- 82.30 on debt, the issuance of bonds, certificates of indebtedness, or capital notes based on market

83.1 value, the terms "market value," "taxable market value," and "market valuation," whether
83.2 equalized or unequalized, mean "estimated market value" as defined in paragraph (a).

83.3 Sec. 86. Minnesota Statutes 2022, section 273.121, subdivision 1, is amended to read:

83.4 Subdivision 1. **Notice.** Any county assessor or city assessor having the powers of a
83.5 county assessor, valuing or classifying taxable real property shall in each year notify those
83.6 persons whose property is to be included on the assessment roll that year if the person's
83.7 address is known to the assessor, otherwise the occupant of the property. The notice shall
83.8 be in writing and shall be sent by ordinary mail at least ten days before the meeting of the
83.9 local board of appeal and equalization under section 274.01 or the review process established
83.10 under section 274.13, subdivision 1c. Upon written request by the owner of the property,
83.11 the assessor may send the notice in electronic form or by electronic mail instead of on paper
83.12 or by ordinary mail. It shall contain: (1) the market value for the current and prior
83.13 assessment; ~~(2) the qualifying amount of any improvements under section 273.11,~~
83.14 ~~subdivision 16, for the current assessment,~~ (3) the market value subject to taxation after
83.15 subtracting the amount of any qualifying improvements for the current assessment, ~~(4);~~ (3)
83.16 the classification of the property for the current and prior assessment, ~~(5);~~ (4) the assessor's
83.17 office address; and ~~(6);~~ (5) the dates, places, and times set for the meetings of the local board
83.18 of appeal and equalization, the review process established under section 274.13, subdivision
83.19 1c, and the county board of appeal and equalization. If the classification of the property has
83.20 changed between the current and prior assessments, a specific note to that effect shall be
83.21 prominently listed on the statement. The commissioner of revenue shall specify the form
83.22 of the notice. The assessor shall attach to the assessment roll a statement that the notices
83.23 required by this section have been mailed. Any assessor who is not provided sufficient funds
83.24 from the assessor's governing body to provide such notices, may make application to the
83.25 commissioner of revenue to finance such notices. The commissioner of revenue shall conduct
83.26 an investigation and, if satisfied that the assessor does not have the necessary funds, issue
83.27 a certification to the commissioner of management and budget of the amount necessary to
83.28 provide such notices. The commissioner of management and budget shall issue a payment
83.29 for such amount and shall deduct such amount from any state payment to such county or
83.30 municipality. The necessary funds to make such payments are hereby appropriated. Failure
83.31 to receive the notice shall in no way affect the validity of the assessment, the resulting tax,
83.32 the procedures of any board of review or equalization, or the enforcement of delinquent
83.33 taxes by statutory means.

84.1 Sec. 87. Minnesota Statutes 2022, section 276.04, subdivision 2, is amended to read:

84.2 Subd. 2. **Contents of tax statements.** (a) The treasurer shall provide for the printing of
84.3 the tax statements. The commissioner of revenue shall prescribe the form of the property
84.4 tax statement and its contents. The tax statement must not state or imply that property tax
84.5 credits are paid by the state of Minnesota. The statement must contain a tabulated statement
84.6 of the dollar amount due to each taxing authority and the amount of the state tax from the
84.7 parcel of real property for which a particular tax statement is prepared. The dollar amounts
84.8 attributable to the county, the state tax, the voter approved school tax, the other local school
84.9 tax, the township or municipality, and the total of the metropolitan special taxing districts
84.10 as defined in section 275.065, subdivision 3, paragraph (i), must be separately stated. The
84.11 amounts due all other special taxing districts, if any, may be aggregated except that any
84.12 levies made by the regional rail authorities in the county of Anoka, Carver, Dakota, Hennepin,
84.13 Ramsey, Scott, or Washington under chapter 398A shall be listed on a separate line directly
84.14 under the appropriate county's levy. If the county levy under this paragraph includes an
84.15 amount for a lake improvement district as defined under sections 103B.501 to 103B.581,
84.16 the amount attributable for that purpose must be separately stated from the remaining county
84.17 levy amount. In the case of Ramsey County, if the county levy under this paragraph includes
84.18 an amount for public library service under section 134.07, the amount attributable for that
84.19 purpose may be separated from the remaining county levy amount. The amount of the tax
84.20 on homesteads qualifying under the senior citizens' property tax deferral program under
84.21 chapter 290B is the total amount of property tax before subtraction of the deferred property
84.22 tax amount. The amount of the tax on contamination value imposed under sections 270.91
84.23 to 270.98, if any, must also be separately stated. The dollar amounts, including the dollar
84.24 amount of any special assessments, may be rounded to the nearest even whole dollar. For
84.25 purposes of this section whole odd-numbered dollars may be adjusted to the next higher
84.26 even-numbered dollar. ~~The amount of market value excluded under section 273.11,
84.27 subdivision 16, if any, must also be listed on the tax statement.~~

84.28 (b) The property tax statements for manufactured homes and sectional structures taxed
84.29 as personal property shall contain the same information that is required on the tax statements
84.30 for real property.

84.31 (c) Real and personal property tax statements must contain the following information
84.32 in the order given in this paragraph. The information must contain the current year tax
84.33 information in the right column with the corresponding information for the previous year
84.34 in a column on the left:

84.35 (1) the property's estimated market value under section 273.11, subdivision 1;

85.1 (2) the property's homestead market value exclusion under section 273.13, subdivision
85.2 35;

85.3 (3) the property's taxable market value under section 272.03, subdivision 15;

85.4 (4) the property's gross tax, before credits;

85.5 (5) for agricultural properties, the credits under sections 273.1384 and 273.1387;

85.6 (6) any credits received under sections 273.119; 273.1234 or 273.1235; 273.135;

85.7 273.1391; 273.1398, subdivision 4; 469.171; and 473H.10, except that the amount of credit

85.8 received under section 273.135 must be separately stated and identified as "taconite tax

85.9 relief"; and

85.10 (7) the net tax payable in the manner required in paragraph (a).

85.11 (d) If the county uses envelopes for mailing property tax statements and if the county

85.12 agrees, a taxing district may include a notice with the property tax statement notifying

85.13 taxpayers when the taxing district will begin its budget deliberations for the current year,

85.14 and encouraging taxpayers to attend the hearings. If the county allows notices to be included

85.15 in the envelope containing the property tax statement, and if more than one taxing district

85.16 relative to a given property decides to include a notice with the tax statement, the county

85.17 treasurer or auditor must coordinate the process and may combine the information on a

85.18 single announcement.

85.19 Sec. 88. Minnesota Statutes 2023 Supplement, section 289A.08, subdivision 7a, is amended

85.20 to read:

85.21 Subd. 7a. **Pass-through entity tax.** (a) For the purposes of this subdivision, the following

85.22 terms have the meanings given:

85.23 (1) "income" has the meaning given in section 290.01, subdivision 19, paragraph (i).

85.24 The income of a resident qualifying owner of a qualifying entity that is a partnership or

85.25 limited liability company taxed as a partnership under the Internal Revenue Code is not

85.26 subject to allocation outside this state as provided for resident individuals under section

85.27 290.17, subdivision 1, paragraph (a). The income of a nonresident qualifying owner of a

85.28 qualifying entity and the income of a resident qualifying owner of a qualifying entity that

85.29 is an S corporation, including a qualified subchapter S subsidiary organized under section

85.30 1361(b)(3)(B) of the Internal Revenue Code, are allocated and assigned to this state as

85.31 provided for nonresident partners and shareholders under sections 290.17, 290.191, and

85.32 290.20;

86.1 (2) "qualifying entity" means a partnership, limited liability company taxed as a
86.2 partnership or S corporation, or S corporation including a qualified subchapter S subsidiary
86.3 organized under section 1361(b)(3)(B) of the Internal Revenue Code that has at least one
86.4 qualifying owner. Qualifying entity does not include a publicly traded partnership, as defined
86.5 in section 7704 of the Internal Revenue Code; and

86.6 (3) "qualifying owner" means:

86.7 (i) a resident or nonresident individual or estate that is a partner, member, or shareholder
86.8 of a qualifying entity;

86.9 (ii) a resident or nonresident trust that is a shareholder of a qualifying entity that is an
86.10 S corporation; or

86.11 (iii) a disregarded entity that has a qualifying owner as its single owner.

86.12 (b) For taxable years beginning after December 31, 2020, a qualifying entity may elect
86.13 to file a return and pay the pass-through entity tax imposed under paragraph (c). The election:

86.14 (1) must be made on or before the due date or extended due date of the qualifying entity's
86.15 pass-through entity tax return;

86.16 (2) must exclude partners, members, shareholders, or owners who are not qualifying
86.17 owners;

86.18 (3) may only be made by qualifying owners who collectively hold more than 50 percent
86.19 of the ownership interests in the qualifying entity held by qualifying owners;

86.20 (4) is binding on all qualifying owners who have an ownership interest in the qualifying
86.21 entity; and

86.22 (5) once made is irrevocable for the taxable year.

86.23 (c) Subject to the election in paragraph (b), a pass-through entity tax is imposed on a
86.24 qualifying entity in an amount equal to the sum of the tax liability of each qualifying owner.

86.25 (d) The amount of a qualifying owner's tax liability under paragraph (c) is the amount
86.26 of the qualifying owner's income multiplied by the highest tax rate for individuals under
86.27 section 290.06, subdivision 2c. The computation of a qualifying owner's net investment
86.28 income tax liability must be computed under section 290.033. When making this
86.29 determination:

86.30 (1) nonbusiness deductions, standard deductions, or personal exemptions are not allowed;
86.31 and

87.1 (2) a credit or deduction is allowed only to the extent allowed to the qualifying owner.

87.2 (e) The amount of each credit and deduction used to determine a qualifying owner's tax
87.3 liability under paragraph (d) must also be used to determine that qualifying owner's income
87.4 tax liability under chapter 290.

87.5 (f) This subdivision does not negate the requirement that a qualifying owner pay estimated
87.6 tax if the qualifying owner's tax liability would exceed the requirements set forth in section
87.7 289A.25. The qualifying owner's liability to pay estimated tax on the qualifying owner's
87.8 tax liability as determined under paragraph (d) is, however, satisfied when the qualifying
87.9 entity pays estimated tax in the manner prescribed in section 289A.25 for composite estimated
87.10 tax.

87.11 (g) A qualifying owner's adjusted basis in the interest in the qualifying entity, and the
87.12 treatment of distributions, is determined as if the election to pay the pass-through entity tax
87.13 under paragraph (b) is not made.

87.14 (h) To the extent not inconsistent with this subdivision, for purposes of this chapter, a
87.15 pass-through entity tax return must be treated as a composite return and a qualifying entity
87.16 filing a pass-through entity tax return must be treated as a partnership filing a composite
87.17 return.

87.18 (i) The provisions of subdivision 17 apply to the election to pay the pass-through entity
87.19 tax under this subdivision.

87.20 (j) If a nonresident qualifying owner of a qualifying entity making the election to file
87.21 and pay the tax under this subdivision has no other Minnesota source income, filing of the
87.22 pass-through entity tax return is a return for purposes of subdivision 1, provided that the
87.23 nonresident qualifying owner must not have any Minnesota source income other than the
87.24 income from the qualifying entity, other electing qualifying entities, and other partnerships
87.25 electing to file a composite return under subdivision 7. If it is determined that the nonresident
87.26 qualifying owner has other Minnesota source income, the inclusion of the income and tax
87.27 liability for that owner under this provision will not constitute a return to satisfy the
87.28 requirements of subdivision 1. The tax paid for the qualifying owner as part of the
87.29 pass-through entity tax return is allowed as a payment of the tax by the qualifying owner
87.30 on the date on which the pass-through entity tax return payment was made.

87.31 (k) Once a credit is claimed by a qualifying owner under section 290.06, subdivision
87.32 40, a qualifying entity cannot receive a refund for tax paid under this subdivision for any
87.33 amounts claimed under that section by the qualifying owners. Once a credit is claimed under

88.1 section 290.06, subdivision 40, any refund must be claimed in conjunction with a return
88.2 filed by the qualifying owner.

88.3 (l) This ~~section~~ subdivision expires at the same time and on the same terms as section
88.4 164(b)(6)(B) of the Internal Revenue Code, except that the expiration of this ~~section~~
88.5 subdivision does not affect the commissioner's authority to audit or power of examination
88.6 and assessments for credits claimed under this section.

88.7 Sec. 89. Minnesota Statutes 2022, section 290.0132, subdivision 15, is amended to read:

88.8 Subd. 15. **Nonresident military service compensation.** For nonresidents of Minnesota,
88.9 compensation paid to a service member as defined in United States Code, title 10, section
88.10 101(a)(5), for military service as defined in United States Code, ~~Appendix~~, title 50, section
88.11 ~~511(2)~~ 3911(2), is a subtraction.

88.12 Sec. 90. Minnesota Statutes 2023 Supplement, section 290.0132, subdivision 32, is amended
88.13 to read:

88.14 Subd. 32. **Delayed net operating loss deduction.** The amount of the sum of each addition
88.15 required in section 290.0131, subdivision 20, for each taxable year, except as otherwise
88.16 provided, less the sum of all amounts subtracted under this subdivision in all prior taxable
88.17 years, that does not exceed 80 percent of federal taxable income as defined in section 290.01,
88.18 subdivision 19, paragraph (b), determined without regard to this subdivision, is a subtraction.
88.19 Any excess is a delayed net operating loss deduction carryforward, the entire amount of
88.20 which must be carried to the earliest taxable year. No subtraction under this subdivision is
88.21 allowed after 20 taxable years from the taxable year in which an operating loss arises. The
88.22 sum of the additions required under section 290.0131, subdivision 20, paragraph (a), are
88.23 aggregated and assigned to the taxable year immediately succeeding the taxable year in
88.24 which the operating loss arises, for purposes of determining the subtraction allowed under
88.25 this subdivision in that succeeding taxable year and the amount carried forward.

88.26 Sec. 91. Minnesota Statutes 2023 Supplement, section 290.067, subdivision 1, is amended
88.27 to read:

88.28 Subdivision 1. **Amount of credit.** (a) A taxpayer may take as a credit against the tax
88.29 due from the taxpayer and a spouse, if any, under this chapter an amount equal to the
88.30 dependent care credit for which the taxpayer is eligible pursuant to the provisions of section
88.31 21 of the Internal Revenue Code except that in determining whether the child qualified as
88.32 a dependent, income received as a Minnesota family investment program grant or allowance

89.1 to or on behalf of the child must not be taken into account in determining whether the child
89.2 received more than half of the child's support from the taxpayer.

89.3 (b) If a child who has not attained the age of six years at the close of the taxable year is
89.4 cared for at a licensed family day care home operated by the child's parent, the taxpayer is
89.5 deemed to have paid employment-related expenses. If the child is 16 months old or younger
89.6 at the close of the taxable year, the amount of expenses deemed to have been paid equals
89.7 the maximum limit for one ~~qualified~~ qualifying individual under section 21(c) and (d) of
89.8 the Internal Revenue Code. If the child is older than 16 months of age but has not attained
89.9 the age of six years at the close of the taxable year, the amount of expenses deemed to have
89.10 been paid equals the amount the licensee would charge for the care of a child of the same
89.11 age for the same number of hours of care.

89.12 (c) If a taxpayer:

89.13 (1) has a child who has not attained the age of one year at the close of the taxable year;
89.14 and

89.15 (2) does not participate in a dependent care assistance program as defined in section 129
89.16 of the Internal Revenue Code, in lieu of the actual employment related expenses paid for
89.17 that child under paragraph (a) or the deemed amount under paragraph (b), the lesser of (i)
89.18 the earned income of the taxpayer or (ii) the amount of the maximum limit for one ~~qualified~~
89.19 qualifying individual under section 21(c) and (d) of the Internal Revenue Code will be
89.20 deemed to be the employment related expense paid for that child. The earned income
89.21 limitation of section 21(d) of the Internal Revenue Code shall not apply to this deemed
89.22 amount. These deemed amounts apply regardless of whether any employment-related
89.23 expenses have been paid.

89.24 (d) If the taxpayer is not required and does not file a federal individual income tax return
89.25 for the tax year, no credit is allowed for any amount paid to any person unless:

89.26 (1) the name, address, and taxpayer identification number of the person are included on
89.27 the return claiming the credit; or

89.28 (2) if the person is an organization described in section 501(c)(3) of the Internal Revenue
89.29 Code and exempt from tax under section 501(a) of the Internal Revenue Code, the name
89.30 and address of the person are included on the return claiming the credit.

89.31 In the case of a failure to provide the information required under the preceding sentence,
89.32 the preceding sentence does not apply if it is shown that the taxpayer exercised due diligence
89.33 in attempting to provide the information required.

90.1 (e) In the case of a nonresident, or part-year resident, the credit determined under section
90.2 21 of the Internal Revenue Code must be allocated based on the ratio by which the earned
90.3 income of the claimant and the claimant's spouse from Minnesota sources bears to the total
90.4 earned income of the claimant and the claimant's spouse.

90.5 (f) For residents of Minnesota, the subtractions for military pay under section 290.0132,
90.6 subdivisions 11 and 12, are not considered "earned income not subject to tax under this
90.7 chapter."

90.8 (g) For residents of Minnesota, the exclusion of combat pay under section 112 of the
90.9 Internal Revenue Code is not considered "earned income not subject to tax under this
90.10 chapter."

90.11 (h) For taxpayers with federal adjusted gross income in excess of \$52,230, the credit is
90.12 equal to the lesser of the credit otherwise calculated under this subdivision, or the amount
90.13 equal to \$600 minus five percent of federal adjusted gross income in excess of \$52,230 for
90.14 taxpayers with one ~~qualified~~ qualifying individual, or \$1,200 minus five percent of federal
90.15 adjusted gross income in excess of \$52,230 for taxpayers with two or more ~~qualified~~
90.16 qualifying individuals, but in no case is the credit less than zero.

90.17 Sec. 92. Minnesota Statutes 2023 Supplement, section 290A.04, subdivision 2h, is amended
90.18 to read:

90.19 Subd. 2h. **Additional refund.** (a) If the gross property taxes payable on a homestead
90.20 increase more than 12 percent over the property taxes payable in the prior year on the same
90.21 property that is owned and occupied by the same owner on January 2 of both years, and the
90.22 amount of that increase is \$100 or more, a claimant who is a homeowner shall be allowed
90.23 an additional refund equal to 60 percent of the amount of the increase over the greater of
90.24 12 percent of the prior year's property taxes payable or \$100. This subdivision shall not
90.25 apply to any increase in the gross property taxes payable attributable to improvements made
90.26 to the homestead after the assessment date for the prior year's taxes. ~~This subdivision shall~~
90.27 ~~not apply to any increase in the gross property taxes payable attributable to the termination~~
90.28 ~~of valuation exclusions under section 273.11, subdivision 16.~~

90.29 The maximum refund allowed under this subdivision is \$1,000.

90.30 (b) For purposes of this subdivision "gross property taxes payable" means property taxes
90.31 payable determined without regard to the refund allowed under this subdivision.

91.1 (c) In addition to the other proofs required by this chapter, each claimant under this
91.2 subdivision shall file with the property tax refund return a copy of the property tax statement
91.3 for taxes payable in the preceding year or other documents required by the commissioner.

91.4 (d) Upon request, the appropriate county official shall make available the names and
91.5 addresses of the property taxpayers who may be eligible for the additional property tax
91.6 refund under this section. The information shall be provided electronically. The county may
91.7 recover its costs by charging the person requesting the information the reasonable cost for
91.8 preparing the data. The information may not be used for any purpose other than for notifying
91.9 the homeowner of potential eligibility and assisting the homeowner, without charge, in
91.10 preparing a refund claim.

91.11 Sec. 93. Minnesota Statutes 2022, section 297A.71, subdivision 14, is amended to read:

91.12 Subd. 14. **Mineral production facilities.** Building materials, equipment, and supplies
91.13 used for the construction of the following mineral production facilities are exempt.

91.14 The mineral production facilities that qualify for this exemption are:

91.15 (1) a value added iron products plant, which may be either a new plant or a facility
91.16 incorporated into an existing plant that produces iron upgraded to a minimum of 75 percent
91.17 iron content or any iron alloy with a total minimum metallic content of 90 percent;

91.18 (2) a facility used for the manufacture of fluxed taconite pellets as defined in section
91.19 298.24;

91.20 (3) a new capital project that has a total cost of over \$40,000,000 that is directly related
91.21 to production, cost, or quality at an existing taconite facility that does not qualify under
91.22 clause (1) or (2); and

91.23 (4) a new mine or minerals processing plant for any mineral subject to the ~~net~~ gross
91.24 proceeds tax imposed under section 298.015.

91.25 The tax must be imposed and collected as if the rate under section 297A.62, subdivision
91.26 1, applied, and then refunded in the manner provided in section 297A.75.

91.27 Sec. 94. Minnesota Statutes 2023 Supplement, section 297A.71, subdivision 44, is amended
91.28 to read:

91.29 Subd. 44. **Building materials, capital projects.** (a) Materials and supplies used or
91.30 consumed in and equipment incorporated into the construction or improvement of a capital

92.1 project funded partially or wholly under section 297A.9905 are exempt, provided that the
92.2 project has a total construction cost of at least \$40,000,000 within a 24-month period.

92.3 (b) Materials and supplies used or consumed in and equipment incorporated into the
92.4 construction, remodeling, expansion, or improvement of an ice arena or other buildings or
92.5 facilities owned and operated by the city of Plymouth are exempt. For purposes of this
92.6 paragraph, "facilities" include municipal streets and facilities associated with streets including
92.7 but not limited to lighting, curbs and gutters, and sidewalks. The total amount of refund on
92.8 all building materials, supplies, and equipment that the city may apply for under this
92.9 paragraph is \$2,500,000.

92.10 (c) The tax on purchases exempt under paragraph (a) and paragraph (b) must be imposed
92.11 and collected as if the rate under section 297A.62, subdivision 1, applied and then refunded
92.12 in the manner provided in section 297A.75. ~~Notwithstanding section 289A.40, the city of~~
92.13 ~~Plymouth must file for refund by December 31, 2017, for sales tax paid on all eligible~~
92.14 ~~purchases under paragraph (b) made prior to December 31, 2015.~~

92.15 Sec. 95. Minnesota Statutes 2022, section 297A.75, subdivision 1, is amended to read:

92.16 Subdivision 1. **Tax collected.** The tax on the gross receipts from the sale of the following
92.17 exempt items must be imposed and collected as if the sale were taxable and the rate under
92.18 section 297A.62, subdivision 1, applied. The exempt items include:

92.19 (1) building materials for an agricultural processing facility exempt under section
92.20 297A.71, subdivision 13;

92.21 (2) building materials for mineral production facilities exempt under section 297A.71,
92.22 subdivision 14;

92.23 (3) building materials for correctional facilities under section 297A.71, subdivision 3;

103.2 uploading and updating information, making payments, exchanging data securely, and
103.3 providing other features requested by users of the portal; and

103.4 (5) other outcomes identified by the commissioner under subdivision 2, paragraph (b).

103.5 (b) The commissioner must contract with an independent consultant to perform a thorough
103.6 evaluation of the SSIS, which supports the child protection system in Minnesota. The

103.10 burdensome data entry requirements that have contributed to system capacity issues. The
103.11 consultant must assist the commissioner with selecting a platform for future development
103.12 of an information technology system for child protection.

103.13 (c) The commissioner of human services must conduct a study and develop
103.14 recommendations to streamline and reduce SSIS data entry requirements for child protection
103.15 cases. The study must be completed in partnership with local social services agencies and
103.16 others, as determined by the commissioner. The study must review all input fields required
103.17 on current reporting forms and determine which input fields and information are required
103.18 under state or federal law. By June 30, 2024, the commissioner must provide a status report
103.19 and an implementation timeline to the chairs and ranking minority members of the legislative
103.20 committees with jurisdiction over child protection. The status report must include information
103.21 about procedures for soliciting ongoing user input from stakeholders, progress on solicitation
103.22 and hiring of a consultant to conduct the system evaluation required under paragraph ~~(a)~~
103.23 (b), and a report on the progress and completed efforts to streamline data entry requirements
103.24 and improve user experience.

13.6435 AGRICULTURAL DATA CODED ELSEWHERE.

Subd. 8. **Dairy products.** Financial and production information obtained by the commissioner of agriculture to administer chapter 32D are classified under section 32D.25, subdivision 2.

16A.727 BACKUP REVENUES; FOOTBALL STADIUM FUNDING.

(a) If the commissioner of management and budget determines that the amount of revenues under section 297E.021, subdivision 2, for the next fiscal year, plus \$20,000,000, will be less than the amounts specified in section 297E.021, subdivision 3, clause (1), items (i) to (iii), for that fiscal year, the commissioner may implement the revenue options authorized in Laws 2012, chapter 299, article 6; provided that this section does not constitute a pledge of tax revenues as security for the payment of principal and interest on appropriation bonds issued under section 16A.965. If the commissioner determines to exercise the authority under this section for a fiscal year, the commissioner must implement the revenue options, as necessary, in the following order:

- (1) a sports-themed lottery game under section 349A.20; and
- (2) a tax on suites as provided under section 473J.14.

(b) Revenue raised under the authority granted by this section must be deposited in the general fund.

(c) If the commissioner determines to implement one or more of the revenue options authorized by this section, each subsequent year the commissioner must determine if the revenue is needed and will be imposed and collected for the next fiscal year. If the commissioner determines that one or more revenue options implemented for a fiscal year are not needed for a subsequent fiscal year, the commissioner must terminate them in the reverse order they were required to be implemented by paragraph (a) with the last option implemented terminated first and so forth.

(d) Before implementing a revenue source authorized under this section, the commissioner must report the intent to do so to the Legislative Commission on Planning and Fiscal Policy. The commissioner must inform the commission of determinations to continue or discontinue each revenue source for a subsequent fiscal year.

(e) The provisions of this section no longer apply after the Minnesota Sports Facilities Authority certifies to the commissioner that it has determined that the revenues of the general fund under section 297A.994, the increased revenues under chapter 297E, and other available resources of the authority provide adequate financial security for the state and the authority.

256.021 VULNERABLE ADULT MALTREATMENT REVIEW PANEL.

Subd. 3. **Report.** (a) By January 15 of each year, the panel shall submit a report to the committees of the legislature with jurisdiction over section 626.557 regarding the number of requests for review it receives under this section, the number of cases where the panel requires the lead investigative agency to reconsider its final disposition, and the number of cases where the final disposition is changed, and any recommendations to improve the review or investigative process.

(b) This subdivision expires January 1, 2024.

273.11 VALUATION OF PROPERTY.

Subd. 16. **Valuation exclusion for certain improvements.** (a) Improvements to homestead property made before January 2, 2003, shall be fully or partially excluded from the value of the property for assessment purposes provided that (1) the house is at least 45 years old at the time of the improvement and (2) the assessor's estimated market value of the house on January 2 of the current year is equal to or less than \$400,000.

(b) For purposes of determining this eligibility, "house" means land and buildings.

(c) The age of a residence is the number of years since the original year of its construction. In the case of a residence that is relocated, the relocation must be from a location within the state and the only improvements eligible for exclusion under this subdivision are (1) those for which building permits were issued to the homeowner after the residence was relocated to its present site, and (2) those undertaken during or after the year the residence is initially occupied by the homeowner, excluding any market value increase relating to basic improvements that are necessary to install the residence on its foundation and connect it to utilities at its present site. In the case of an owner-occupied duplex or triplex, the improvement is eligible regardless of which portion of the property was improved.

APPENDIX
Repealed Minnesota Statutes: H4483-1

(d) If the property lies in a jurisdiction which is subject to a building permit process, a building permit must have been issued prior to commencement of the improvement. The improvements for a single project or in any one year must add at least \$5,000 to the value of the property to be eligible for exclusion under this subdivision. Only improvements to the structure which is the residence of the qualifying homesteader or construction of or improvements to no more than one two-car garage per residence qualify for the provisions of this subdivision. If an improvement was begun between January 2, 1992, and January 2, 1993, any value added from that improvement for the January 1994 and subsequent assessments shall qualify for exclusion under this subdivision provided that a building permit was obtained for the improvement between January 2, 1992, and January 2, 1993. Whenever a building permit is issued for property currently classified as homestead, the issuing jurisdiction shall notify the property owner of the possibility of valuation exclusion under this subdivision. The assessor shall require an application, including documentation of the age of the house from the owner, if unknown by the assessor. The application may be filed subsequent to the date of the building permit provided that the application must be filed within three years of the date the building permit was issued for the improvement. If the property lies in a jurisdiction which is not subject to a building permit process, the application must be filed within three years of the date the improvement was made. The assessor may require proof from the taxpayer of the date the improvement was made. Applications must be received prior to July 1 of any year in order to be effective for taxes payable in the following year.

No exclusion for an improvement may be granted by a local board of review or county board of equalization, and no abatement of the taxes for qualifying improvements may be granted by the county board unless (1) a building permit was issued prior to the commencement of the improvement if the jurisdiction requires a building permit, and (2) an application was completed.

(e) The assessor shall note the qualifying value of each improvement on the property's record, and the sum of those amounts shall be subtracted from the value of the property in each year for ten years after the improvement has been made. After ten years the amount of the qualifying value shall be added back as follows:

(1) 50 percent in the two subsequent assessment years if the qualifying value is equal to or less than \$10,000 market value; or

(2) 20 percent in the five subsequent assessment years if the qualifying value is greater than \$10,000 market value.

(f) If an application is filed after the first assessment date at which an improvement could have been subject to the valuation exclusion under this subdivision, the ten-year period during which the value is subject to exclusion is reduced by the number of years that have elapsed since the property would have qualified initially. The valuation exclusion shall terminate whenever (1) the property is sold, or (2) the property is reclassified to a class which does not qualify for treatment under this subdivision. Improvements made by an occupant who is the purchaser of the property under a conditional purchase contract do not qualify under this subdivision unless the seller of the property is a governmental entity. The qualifying value of the property shall be computed based upon the increase from that structure's market value as of January 2 preceding the acquisition of the property by the governmental entity.

(g) The total qualifying value for a homestead may not exceed \$50,000. The total qualifying value for a homestead with a house that is less than 70 years old may not exceed \$25,000. The term "qualifying value" means the increase in estimated market value resulting from the improvement if the improvement occurs when the house is at least 70 years old, or one-half of the increase in estimated market value resulting from the improvement otherwise. The \$25,000 and \$50,000 maximum qualifying value under this subdivision may result from multiple improvements to the homestead.

(h) If 50 percent or more of the square footage of a structure is voluntarily razed or removed, the valuation increase attributable to any subsequent improvements to the remaining structure does not qualify for the exclusion under this subdivision. If a structure is unintentionally or accidentally destroyed by a natural disaster, the property is eligible for an exclusion under this subdivision provided that the structure was not completely destroyed. The qualifying value on property destroyed by a natural disaster shall be computed based upon the increase from that structure's market value as determined on January 2 of the year in which the disaster occurred. A property receiving benefits under the homestead disaster provisions under sections 273.1231 to 273.1235 is not disqualified from receiving an exclusion under this subdivision. If any combination of improvements made to a structure after January 1, 1993, increases the size of the structure by 100 percent or more, the

valuation increase attributable to the portion of the improvement that causes the structure's size to exceed 100 percent does not qualify for exclusion under this subdivision.

297A.71 CONSTRUCTION EXEMPTIONS.

Subd. 45. **Biopharmaceutical manufacturing facility.** (a) Materials and supplies used or consumed in, capital equipment incorporated into, and privately owned infrastructure in support of the construction, improvement, or expansion of a biopharmaceutical manufacturing facility in the state are exempt if the commissioner of employment and economic development certifies to the commissioner of revenue that the following criteria are met:

(1) the facility is used for the manufacturing of biologics;

(2) the total capital investment made at the facility exceeds \$50,000,000; and

(3) the facility creates and maintains at least 190 full-time equivalent positions at the facility. These positions must be new jobs in Minnesota and not the result of relocating jobs that currently exist in Minnesota.

(b) The tax must be imposed and collected as if the rate under section 297A.62 applied, and refunded in the manner provided in section 297A.75.

(c) To be eligible for a refund, the owner of the biopharmaceutical manufacturing facility must:

(1) initially apply to the commissioner of employment and economic development for certification no later than one year from the final completion date of construction, improvement, or expansion of the facility; and

(2) for each year that the owner of the biopharmaceutical manufacturing facility applies for a refund, the commissioner of revenue must have received written certification from the commissioner of employment and economic development that the facility has met the criteria of paragraph (a).

(d) The refund is to be paid annually at a rate of 25 percent of the total allowable refund payable to date, with the commissioner making annual payments of the remaining refund until all of the refund has been paid.

(e) For purposes of this subdivision, "biopharmaceutical" and "biologics" are interchangeable and mean medical drugs or medicinal preparations produced using technology that uses biological systems, living organisms, or derivatives of living organisms to make or modify products or processes for specific use. The medical drugs or medicinal preparations include but are not limited to proteins, antibodies, nucleic acids, and vaccines.
