A bill for an act

relating to economic development; requiring domestic materials as a condition of using public funds for infrastructure in certain cases.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. **LIMITATION TO ITASCA COUNTY INFRASTRUCTURE EXPENDITURES IN SUPPORT OF STEEL PLANT.**

No unexpended appropriations, to include unspent portions of grants to Itasca County, that were intended for public infrastructure needed to support a steel plant in Itasca County may be expended unless the steel plant enters into a written agreement with Itasca County that, as a condition of expending state money on supporting infrastructure projects, requires all iron, steel, or manufactured products used by the steel plant in constructing, altering, maintaining, or repairing the steel plant have 100 percent United States content and be 100 percent United States manufactured.

EFFECTIVE DATE. This section is effective the day following final enactment.
