20.21	the scope of commission employment, duties, or responsibilities; provided that the actual
20.22	or alleged act, error, or omission did not result from the intentional, willful, or wanton
20.23	misconduct of that person.
20.24	ARTICLE XI
20.25	RULEMAKING
20.26	A. The commission shall exercise its rulemaking powers pursuant to the criteria set forth
20.27	in this article and the rules adopted thereunder. Rules and amendments shall become binding
20.28	as of the date specified in each rule or amendment.
20.29	B. If a majority of the legislatures of the compact states rejects a rule, by enactment of
20.30	a statute or resolution in the same manner used to adopt the compact, then such rule shall
20.31	have no further force and effect in any compact state.
20.32	C. Rules or amendments to the rules shall be adopted at a regular or special meeting of
20.33	the commission.

Section 1.

21.1	D. Prior to promulgation and adoption of a final rule or rules by the commission, and at
21.2	least 60 days in advance of the meeting at which the rule will be considered and voted upon,
21.3	the commission shall file a notice of proposed rulemaking:
21.4	(1) on the website of the commission; and
21.5	(2) on the website of each compact state's psychology regulatory authority or the
21.6	publication in which each state would otherwise publish proposed rules.
21.7	E. The notice of proposed rulemaking shall include:
21.8	(1) the proposed time, date, and location of the meeting in which the rule will be
21.9	considered and voted upon;
21.10	(2) the text of the proposed rule or amendment and the reason for the proposed rule;
21.11	(3) a request for comments on the proposed rule from any interested person; and
21.12	(4) the manner in which interested persons may submit notice to the commission of their
21.13	intention to attend the public hearing and any written comments.
21.14	F. Prior to adoption of a proposed rule, the commission shall allow persons to submit
21.15	written data, facts, opinions, and arguments, which shall be made available to the public.
21.16	G. The commission shall grant an opportunity for a public hearing before it adopts a
21.17	rule or amendment if a hearing is requested by:
21.18	(1) at least 25 persons who submit comments independently of each other;
21.19	(2) a governmental subdivision or agency; or
21.20	(3) a duly appointed person in an association that has at least 25 members.
21.21	H. If a hearing is held on the proposed rule or amendment, the commission shall publish
21.22	the place, time, and date of the scheduled public hearing.
21.23	(1) All persons wishing to be heard at the hearing shall notify the executive director of
21.24	the commission or other designated member in writing of their desire to appear and testify
21.25	at the hearing not less than five business days before the scheduled date of the hearing.
21.26	(2) Hearings shall be conducted in a manner providing each person who wishes to
21.27	comment a fair and reasonable opportunity to comment orally or in writing.
21.28	(3) No transcript of the hearing is required, unless a written request for a transcript is
21.29	made, in which case the person requesting the transcript shall bear the cost of producing
21.30	the transcript. A recording may be made in lieu of a transcript under the same terms and

22.1	conditions as a transcript. This subsection shall not preclude the commission from making
22.2	a transcript or recording of the hearing if it so chooses.
22.3	(4) Nothing in this section shall be construed as requiring a separate hearing on each
22.4	rule. Rules may be grouped for the convenience of the commission at hearings required by
22.5	this section.
22.6	I. Following the scheduled hearing date, or by the close of business on the scheduled
22.7	hearing date if the hearing was not held, the commission shall consider all written and oral
22.8	comments received.
22.9	J. The commission shall, by majority vote of all members, take final action on the
22.10	proposed rule and shall determine the effective date of the rule, if any, based on the
22.11	rulemaking record and the full text of the rule.
22.12	K. If no written notice of intent to attend the public hearing by interested parties is
22.13	received, the commission may proceed with promulgation of the proposed rule without a
22.14	public hearing.
22.15	L. Upon determination that an emergency exists, the commission may consider and
22.16	adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided
22.17	that the usual rulemaking procedures provided in the compact and in this section shall be
22.18	retroactively applied to the rule as soon as reasonably possible, in no event later than 90
22.19	days after the effective date of the rule. For the purposes of this provision, an emergency
22.20	rule is one that must be adopted immediately in order to:
22.21	(1) meet an imminent threat to public health, safety, or welfare;
22.22	(2) prevent a loss of commission or compact state funds;
22.23	(3) meet a deadline for the promulgation of an administrative rule that is established by
22.24	federal law or rule; or
22.25	(4) protect public health and safety.
22.26	M. The commission or an authorized committee of the commission may direct revisions
22.27	to a previously adopted rule or amendment for purposes of correcting typographical errors,
22.28	errors in format, errors in consistency, or grammatical errors. Public notice of any revisions
22.29	shall be posted on the website of the commission. The revision shall be subject to challenge
22.30	by any person for a period of 30 days after posting. The revision may be challenged only
22.31	on grounds that the revision results in a material change to a rule. A challenge shall be made
22.32	in writing, and delivered to the chair of the commission prior to the end of the notice period.

23.1 23.2	If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.
23.2	ARTICLE XII
23.4	OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT
23.5	A. Oversight:
23.6	(1) The executive, legislative, and judicial branches of state government in each compact
23.7	state shall enforce this compact and take all actions necessary and appropriate to effectuate
23.8	the compact's purposes and intent. The provisions of this compact and the rules promulgated
23.9	hereunder shall have standing as statutory law.
23.10	(2) All courts shall take judicial notice of the compact and the rules in any judicial or
23.11	administrative proceeding in a compact state pertaining to the subject matter of this compact
23.12	which may affect the powers, responsibilities, or actions of the commission.
23.13	(3) The commission shall be entitled to receive service of process in any such proceeding,
23.14	and shall have standing to intervene in such a proceeding for all purposes. Failure to provide
23.15	service of process to the commission shall render a judgment or order void as to the
23.16	commission, this compact, or promulgated rules.
23.17	B. Default, technical assistance, and termination:
23.18	(1) If the commission determines that a compact state has defaulted in the performance
23.19	of its obligations or responsibilities under this compact or the promulgated rules, the
23.20	commission shall:
23.21	(a) provide written notice to the defaulting state and other compact states of the nature
23.22	of the default, the proposed means of remedying the default, and any other action to be
23.23	taken by the commission; and
23.24	(b) provide remedial training and specific technical assistance regarding the default.
23.25	(2) If a state in default fails to remedy the default, the defaulting state may be terminated
23.26	from the compact upon an affirmative vote of a majority of the compact states, and all rights,
23.27	privileges, and benefits conferred by this compact shall be terminated on the effective date
23.28	of termination. A remedy of the default does not relieve the offending state of obligations
23.29	or liabilities incurred during the period of default.
23.30	(3) Termination of membership in the compact shall be imposed only after all other
23.31	means of securing compliance have been exhausted. Notice of intent to suspend or terminate

EM/CH

24.1	shall be submitted by the commission to the governor, the majority and minority leaders of
24.2	the defaulting state's legislature, and each of the compact states.
24.3	(4) A compact state which has been terminated is responsible for all assessments,
24.4	obligations, and liabilities incurred through the effective date of termination, including
24.5	obligations which extend beyond the effective date of termination.
24.6	(5) The commission shall not bear any costs incurred by the state which is found to be
24.7	in default or which has been terminated from the compact, unless agreed upon in writing
24.8	between the commission and the defaulting state.
24.9	(6) The defaulting state may appeal the action of the commission by petitioning the
24.10	United States District Court for the state of Georgia or the federal district where the compact
24.11	has its principal offices. The prevailing member shall be awarded all costs of such litigation,
24.12	including reasonable attorney fees.
24.13	C. Dispute resolution:
24.14	(1) Upon request by a compact state, the commission shall attempt to resolve disputes
24.15	related to the compact which arise among compact states and between compact and
24.16	noncompact states.
24.17	(2) The commission shall promulgate a rule providing for both mediation and binding
24.18	dispute resolution for disputes that arise before the commission.
24.19	D. Enforcement:
24.20	(1) The commission, in the reasonable exercise of its discretion, shall enforce the
24.21	provisions and rules of this compact.
24.22	(2) By majority vote, the commission may initiate legal action in the United States
24.23	District Court for the state of Georgia or the federal district where the compact has its
24.24	principal offices against a compact state in default to enforce compliance with the provisions
24.25	of the compact and its promulgated rules and bylaws. The relief sought may include both
24.26	injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing
24.27	member shall be awarded all costs of such litigation, including reasonable attorney fees.
24.28	(3) The remedies herein shall not be the exclusive remedies of the commission. The
24.29	commission may pursue any other remedies available under federal or state law.
24.30	ARTICLE XIII

	DATE OF IMPLEMENTATION OF THE PSYCHOLOGY INTERJURISDICTIONAL				
	COMPACT COMMISSION AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENTS				
	A. The compact shall come into effect on the date on which the compact is enacted into				
	law in the seventh compact state. The provisions which become effective at that time shall				
	be limited to the powers granted to the commission relating to assembly and the promulgation				
	of rules. Thereafter, the commission shall meet and exercise rulemaking powers necessary				
	to the implementation and administration of the compact.				
	B. Any state which joins the compact subsequent to the commission's initial adoption				
	of the rules shall be subject to the rules as they exist on the date on which the compact				
	becomes law in that state. Any rule which has been previously adopted by the commission				
	shall have the full force and effect of law on the day the compact becomes law in that state.				
	C. Any compact state may withdraw from this compact by enacting a statute repealing				
	the same.				
	(1) A compact state's withdrawal shall not take effect until six months after enactment				
	of the repealing statute.				
	(2) Withdrawal shall not affect the continuing requirement of the withdrawing state's				
	psychology regulatory authority to comply with the investigative and adverse action reporting				
	requirements of this act prior to the effective date of withdrawal.				
	D. Nothing contained in this compact shall be construed to invalidate or prevent any				
	psychology licensure agreement or other cooperative arrangement between a compact state				
	and a noncompact state which does not conflict with the provisions of this compact.				
	E. This compact may be amended by the compact states. No amendment to this compact				
	shall become effective and binding upon any compact state until it is enacted into the law				
	of all compact states.				
	ARTICLE XIV				
CONSTRUCTION AND SEVERABILITY					
	This compact shall be liberally construed so as to effectuate the purposes thereof. If this				
	compact shall be held contrary to the constitution of any state member thereto, the compact				
	shall remain in full force and effect as to the remaining compact states.
