366.10 ZONING REGULATIONS.

The board of supervisors may submit to the legal voters of the town at an annual or special town meeting, the question whether the board shall adopt land use and zoning regulations and restrictions in the town. The board in a town which has within its borders a hospital established in accordance with Laws 1955, chapter 227, may submit to the voters at an annual or special town meeting, the question whether the board shall adopt land use and zoning regulations and restrictions in the town regulating the type of buildings that may be built or occupations carried on within a radius of one-half mile of the hospital.

366.11 BALLOTS.

The following question shall be printed on the ballots for the election:

"Shall the board of supervisors adopt zoning and related regulations and restrictions?"

Yes

No"

The voters shall place a cross-mark after one of the alternatives to express their choice. The ballot shall be cast and counted during the same hours and in the same manner as ballots for the election of the town officers. Except as provided in sections 366.10 to 366.18, the meeting and election shall be subject to the laws regulating town meetings and elections of town officers.

366.12 REGULATIONS.

If a majority of the voters voting on the question vote "Yes," the town board may regulate:

- (1) the location, height, bulk, number of stories, size of buildings and other structures,

To carry out this section it shall issue land use or zoning permits or approvals. It shall be unlawful to erect, establish, alter, enlarge, use, occupy, or maintain a building, structure, improvement, or premises without having a land use or zoning permit or approval.

Before adopting a regulation under this section the board shall hold a public hearing on the matter with notice as provided in section 366.15.

This section is subject to section 366.13.

Property taxes which are being paid under the provisions of a stipulation, order, or confession of judgment, or which are being appealed as provided by law, are not considered delinquent for purposes of this section if all required payments that are due under the terms of the stipulation, order, confession of judgment, or appeal have been paid.

366.15 DISTRICTS OR ZONES, AMENDMENT.

The board may amend the number, shape, boundary, or area of a district or zone, or a regulation of area within a zone, or a provision of the zoning resolution. No change may be made in the boundary line of zones or districts unless at least 50 percent of the owners of the lands proposed to be changed file a petition for the change.

366.151 CERTAIN ORDINANCES; MANUFACTURED HOMES.

A town board must not enact, amend, or enforce a zoning ordinance that has the effect of altering the existing density, lot-size requirements, or manufactured home setback requirements in any manufactured home park constructed before January 1, 1995, if the manufactured home park, when constructed, complied with the then existing density, lot-size and setback requirements.

366.152 CONDITIONAL USES.

366.17 PLANNING AND ZONING COMMISSION.

To carry out sections 366.10 to 366.18, the town board may appoint a planning and zoning commission, all of whom shall be landowners. The number of commissioners shall be determined by the board. The planning and zoning commission shall act as an adviser to the town board. The commission may be empowered to employ a civil engineer or city planner as required to establish the districts or zones of any parts of the town.

366.18 EXISTING BUILDINGS NOT CHANGED.

The zoning resolution shall not prohibit the continuance of the use of a building for any trade or industry for which it was used when the resolution took effect or the alteration of or addition to an existing building or structure to carry on a prohibited trade or industry in the zone where it is located.
