48.8 the preapproval expires.

49.1 Subd. 4. **Application process.** (a) The office must announce the commencement of an
49.2 application period for license preapproval at least 14 days before the date that the office
49.3 begins to accept applications. The announcement must include:

49.4 (1) the types of licenses that will be available for preapproval during the application
49.5 period;

49.6 (2) the number of each type of license available;

49.7 (3) the date on which the application period will begin; and

49.8 (4) the date on which the application period will end.

49.9 (b) The office must accept applications for license preapproval for 30 calendar days
49.10 during an application period.

49.11 (c) Before proceeding with a review of the application, the office must verify the

49.22 (e) If the office denies an application for preapproval, the office must notify the applicant
49.23 of the denial and the basis for the denial.

49.24 (f) The office may request additional information from any applicant if the office
49.25 determines that the information is necessary to review or process the application. If the
49.26 applicant does not provide the additional requested information within 14 calendar days of
49.27 the office's request for information, the office may deny the application.

49.28 Subd. 5. **Issuance of preapproval; lottery.** (a) An applicant who meets the requirements
49.29 in subdivisions 2, 3, and 4 is a qualified applicant and the office may issue a license
49.30 preapproval to the applicant.

50.1 (b) If there are fewer license preapprovals available than the number of qualified
50.2 applicants for that license type, the office must conduct a lottery to select applicants for
50.3 preapproval. The lottery must include all qualified applicants seeking preapproval for the
50.4 license type and must be impartial, random, and in a format determined by the office.

50.5 (c) The office may remove an applicant from the lottery if the office determines that:

50.6 (1) the applicant has violated an ownership or operational requirement in this chapter
50.7 or rules adopted pursuant to this chapter that would justify revocation or nonrenewal of a
50.8 license;

50.9 (2) the applicant is disqualified from holding a license pursuant to section 342.15; or

50.10 (3) the applicant is determined to be in arrears on property, business, or personal taxes.

50.11 (d) If the office removes an applicant from a lottery, the office must notify the applicant
50.12 of the removal and the basis for the removal. If an applicant is not selected in a lottery, the
50.13 office must notify the applicant that the applicant was not selected.

50.14 Subd. 6. **License preapproval; purpose; restrictions.** (a) License preapproval issued
50.15 by the office is evidence that the applicant has submitted all necessary information to the
50.16 office; the office has determined that the applicant is qualified to hold a license of the type
50.17 that is preapproved; and the office will issue the person a license after the office adopts
50.18 initial rules pursuant to section 342.02, subdivision 5, unless the office revokes preapproval
50.19 pursuant to subdivision 7.

50.20 (b) Upon request by a person who has been preapproved for a license, the office must
50.21 provide confirmation of the preapproval to third parties to assist the person in taking the
50.22 steps necessary to prepare for business operations, including:

50.23 (1) establishing legal control of the site of the cannabis business through lease, purchase,
50.24 or other means;

50.25 (2) gaining zoning or planning approval for the site of the cannabis business from a local
50.26 unit of government; and

50.27 (3) raising capital for the person's business operations.

50.28 (c) License preapproval does not authorize a person to open a cannabis business or
50.29 engage in any activity that requires a license issued under this chapter.

50.30 (d) A person with a license preapproval shall not:

51.1 (1) purchase, possess, cultivate, manufacture, distribute, dispense, or sell cannabis plants,
51.2 cannabis flower, cannabis products, medical cannabis flower, or medical cannabinoid
51.3 products;

51.4 (2) manufacture, distribute, or sell edible cannabinoid products or lower-potency hemp
51.5 edibles unless the person has explicit permission to engage in those activities from the office
51.6 and has a valid license authorizing those actions or is registered pursuant to section 151.72;

51.7 (3) make any transfer of an ownership interest that causes a change in the individual or
51.8 entity that holds the controlling ownership interest;

51.9 (4) make any change or transfer of ownership or control that would require a new business
51.10 registration with the secretary of state; or

51.11 (5) make any transfer of ownership interest that causes the person with a license
51.12 preapproval to no longer qualify as a social equity applicant under section 342.17.

51.13 Subd. 7. **Revocation of preapproval.** The office may revoke a license preapproval if
51.14 the individual holding the preapproval or, if preapproval is granted to a business entity, any
51.15 cooperative member or director, manager, or general partner of the business entity:

51.16 (1) fraudulently or deceptively obtained preapproval;

51.17 (2) fails to reveal any material fact pertaining to the qualification for preapproval;

51.18 (3) violates any provision of this chapter;

51.19 (4) is not registered or in good standing with the Office of the Secretary of State; or

51.20 (5) is in arrears on property, business, or personal taxes.

51.21 Subd. 8. **Conversion of preapproval.** (a) The office must grant a license to any person
51.22 who has received a license preapproval after the office:

51.23 (1) adopts initial rules pursuant to section 342.02, subdivision 5; and

51.24 (2) receives the applicable license fee pursuant to section 342.11.

51.25 (b) The office must not grant a license to a person who has received a license preapproval
51.26 if:

51.27 (1) the ownership of the business has changed since the office granted a license
51.28 preapproval and the person has not filed an updated ownership disclosure as required by
51.29 section 342.14, subdivision 1, paragraph (b); or

51.30 (2) the cannabis business for which the office granted a license preapproval does not
51.31 meet local zoning and land use laws.

52.1 Subd. 9. Applicants; right to a reconsideration. (a) If the office denies an application
52.2 for a license preapproval or removes an application from a lottery, the applicant may request
52.3 a records review of the submitted application materials within seven calendar days of
52.4 receiving notification that the office denied or removed the application.

52.5 (b) Upon an applicant's request, the office must allow the applicant to examine the
52.6 applicant's records received by the office.

52.7 (c) A person whose license preapproval is later revoked by the office may request
52.8 reconsideration by the director.

52.9 (d) A person whose application is denied, removed from a lottery, or not selected in a
52.10 lottery may not appeal or request a hearing.

52.11 Subd. 10. Retention of applications. (a) A qualified applicant whose application is not
52.12 selected for a license preapproval in a lottery may request that the office retain the application
52.13 for subsequent application periods.

52.14 (b) If a qualified applicant requests that the office retain an application, the office must
52.15 retain the application for one year after the date of the request.

52.16 (c) The office may request additional information from any applicant whose application
52.17 is retained if the office determines that the information is necessary to determine if the
52.18 applicant meets the requirements for a subsequent application period. If the applicant does
52.19 not provide the additional requested information within 14 calendar days of the office's
52.20 request for information, the office may deny the application.

52.21 (d) The office may disqualify an application from retention under the grounds specified
52.22 in subdivision 5, paragraph (c).

52.23 (e) If the office announces an application period, any application retained by the office
52.24 may be granted a license preapproval or be entered in a lottery if the applicant amends an
52.25 application or provides additional information at the request of the office. The office must
52.26 not charge an additional application fee before granting license preapproval to an applicant
52.27 whose application was retained by the office or entering an application retained by the office
52.28 in a lottery.

53.1 Sec. 56. Minnesota Statutes 2023 Supplement, section 342.13, is amended to read:

53.2 **342.13 LOCAL CONTROL.**

53.3 (a) A local unit of government may not prohibit the possession, transportation, or use
53.4 of cannabis flower, cannabis products, lower-potency hemp edibles, or hemp-derived
53.5 consumer products authorized under this chapter.

53.6 (b) Except as provided in section 342.22, a local unit of government may not prohibit
53.7 the establishment or operation of a cannabis business or hemp business licensed under this
53.8 chapter.

53.9 (c) A local unit of government may adopt reasonable restrictions on the time, place, and
53.10 manner of the operation of a cannabis business provided that such restrictions do not prohibit
53.11 the establishment or operation of cannabis businesses. A local unit of government may
53.12 prohibit the operation of a cannabis business within 1,000 feet of a school, or 500 feet of a
53.13 day care, residential treatment facility, or an attraction within a public park that is regularly
53.14 used by minors, including a playground or athletic field.

53.15 (d) The office shall work with local units of government to:

53.16 (1) develop model ordinances for reasonable restrictions on the time, place, and manner
53.17 of the operation of a cannabis business;

53.18 (2) develop standardized forms and procedures for the issuance of a retail registration
53.19 pursuant to section 342.22; and

53.20 (3) develop model policies and procedures for the performance of compliance checks
53.21 required under section 342.22.

53.22 (e) If a local unit of government is conducting studies or has authorized a study to be
53.23 conducted or has held or has scheduled a hearing for the purpose of considering adoption
53.24 or amendment of reasonable restrictions on the time, place, and manner of the operation of
53.25 a cannabis business, the governing body of the local unit of government may adopt an
53.26 interim ordinance applicable to all or part of its jurisdiction for the purpose of protecting
53.27 the planning process and the health, safety, and welfare of its citizens. Before adopting the
53.28 interim ordinance, the governing body must hold a public hearing. The interim ordinance
53.29 may regulate, restrict, or prohibit the operation of a cannabis business within the jurisdiction
53.30 or a portion thereof until January 1, 2025.

53.31 (f) ~~Within 30 days of receiving a copy of an application from the office, a local unit of~~
53.32 ~~government shall certify on a form provided by the office whether a proposed cannabis~~
53.33 ~~business complies with local zoning ordinances and, if applicable, whether the proposed~~

54.1 ~~business complies with the state fire code and building code.~~ The office may not issue a
54.2 ~~license~~ an endorsement to a cannabis business if a ~~the~~ cannabis business does not meet local

54.5 contact the local unit of government in which the business would be located and provide
54.6 the local unit of government with 30 days in which to provide input on the application. The
54.7 local unit of government may provide the office with any additional information it believes
54.8 is relevant to the office's decision on whether to issue a license, including but not limited
54.9 to identifying concerns about the proposed location of a cannabis business or sharing public
54.10 information about an applicant.

54.11 ~~(h)~~ (g) The office by rule shall establish an expedited complaint process to receive,
54.12 review, and respond to complaints made by a local unit of government about a cannabis
54.13 business. ~~Complaints may include alleged violations of local ordinances or other alleged~~
54.14 ~~violations.~~ The office may only investigate complaints alleging a violation of this chapter.
54.15 At a minimum, the expedited complaint process shall require the office to provide an initial
54.16 response to the complaint within seven days and perform any necessary inspections within
54.17 30 days. Nothing in this paragraph prohibits a local unit of government from enforcing a
54.18 local ordinance. If a local unit of government notifies the office that a cannabis business
54.19 other than a cannabis retailer, cannabis microbusiness or cannabis mezzobusiness with a
54.20 retail operations endorsement, ~~cannabis mezzobusiness~~, lower-potency hemp edible retailer,
54.21 ~~medical cannabis retailer~~, or medical cannabis combination business operating a retail
54.22 location poses an immediate threat to the health or safety of the public, the office must
54.23 respond within one business day and may take any action described in section 342.19 or
54.24 342.21.

54.27 mezzobusinesses with a retail operations endorsement, and cannabis microbusinesses with
54.28 a retail operations endorsement to no fewer than one registration for every 12,500 residents.

54.29 ~~(j)~~ (i) If a county has one active registration for every 12,500 residents, a city or town
54.30 within the county is not obligated to register a cannabis business.

54.31 ~~(k)~~ (j) Nothing in this section shall prohibit a local government unit from allowing
54.32 licensed cannabis retailers in excess of the minimums set in paragraph ~~(i)~~ (h).

54.33 ~~(l)~~ (k) Notwithstanding the foregoing provisions, the state shall not issue a license to
54.34 any cannabis business to operate in Indian country, as defined in United States Code, title

55.1 18, section 1151, of a Minnesota Tribal government without the consent of the Tribal
55.2 government.

55.3 Sec. 57. Minnesota Statutes 2023 Supplement, section 342.14, is amended to read:

55.4 **342.14 CANNABIS LICENSE APPLICATION AND RENEWAL.**

55.5 Subdivision 1. **Application; contents.** (a) The office by rule shall establish forms and

57.8 interest in the cooperative.

57.10 to the office on the forms and in the manner prescribed by the office.

57.30 whether any civil or regulatory violations, as determined by another state agency, local unit
57.31 of government, or any other jurisdiction, disqualify an individual from holding or receiving
57.32 a cannabis business license issued under this chapter or disqualify an individual from working

58.1 for a cannabis business and the length of the disqualification. For purposes of making a
58.2 determination under this subdivision, and notwithstanding the data's classification under
58.3 chapter 13, the office may access civil investigatory data about an applicant maintained by

94.16 enrolled in the registry program is engaged in the authorized use or possession of medical

94.18 evidence that the ~~patient's use of medical cannabis flower or medical cannabinoid products~~
94.19 use or possession of medical cannabis flower or medical cannabinoid products by a patient
94.20 or other person enrolled in the registry program was not for the purpose of assisting with,
