4.4 funds are not available or that is dishonored, notice to the candidate of the worthless
4.5 instrument must be sent by the filing officer via registered mail no later than immediately
4.6 upon the closing of the filing deadline with return receipt requested. The candidate will
4.7 have five days from the time the filing officer receives proof of receipt to issue a check or

 5.9 Public Utilities Commission on a date not less than 60 nor more than 90 days after the
 5.10 vacancy occurs. The special primary or special election may be held on the same day as a
 5.11 regular primary or general election, but the special election must be held not less than 14
 5.12 days after the special primary. The person elected at the special election must take office
 5.13 immediately after receipt of the certificate of election and upon taking the oath of office
 5.14 and must serve the remainder of the unexpired term. If the Public Utilities Commission
 5.15 districts have been redrawn since the beginning of the term of the vacant office, the election
 5.16 must be based on the district as redrawn.

5.17 Subd. 2. When victor seated immediately. If a vacancy for which a special election is
 5.18 required occurs less than 60 days before the general election preceding the end of the term,
 5.19 the vacancy must be filled by the person elected at that election for the ensuing term and
 5.20 that person must take office immediately after receiving the certificate of election and taking
 5.21 the oath of office.

5.22 Subd. 3. Inability or refusal to serve. In addition to when the events specified in section
 5.23 351.02 occur, a vacancy on the Public Utilities Commission may be declared by the
 5.24 commission when a commissioner is unable to serve in the office or attend commission
 5.25 meetings for a 90-day period because of illness, or absence from or refusal to attend. If any
 5.26 of the conditions described or referred to in this subdivision occur, the commission may,
 5.27 after the commission by resolution has declared a vacancy to exist, appoint someone to fill
 5.28 the vacancy at a regular or special meeting for the remainder of the unexpired term or until
 5.29 the ill or absent commissioner is again able to resume duties and attend meetings, whichever
 5.30 is earlier. If the commission determines, by resolution, that the original commissioner is
 5.31 again able to resume duties and attend meetings, the commission must remove the appointed
 5.32 commissioner and restore the original commissioner to office.

6.1 Sec. 10. Minnesota Statutes 2016, section 204D.27, is amended by adding a subdivision
6.2 to read:

6.3 Subd. 13. **Special Public Utilities Commission election.** (a) Except as provided in
6.4 subdivision 4, the State Canvassing Board shall complete its canvass of a special election

6.6 after the returns of the county canvassing boards are certified to the secretary of state,
6.7 excluding Sundays and legal holidays.

6.8 (b) In case of a contest of a special election for a Public Utilities Commission
6.9 commissioner, the notice of contest must be filed within two days after the canvass is
6.10 completed, excluding Sundays and legal holidays. In other respects, the contest must proceed
6.11 in the manner provided by law for contesting elections.

6.12 (c) A certificate of election in a special election for a Public Utilities Commission
6.13 commissioner must be issued by the county auditor or the secretary of state to the individual

6.16 legal holidays. In case of a contest, the certificate must not be issued until the district court
6.17 decides the contest.

6.18 Sec. 11. Minnesota Statutes 2016, section 209.02, subdivision 1, is amended to read:

6.20 manner provided in this chapter: (1) the nomination or election of any person for whom the
6.21 voter had the right to vote if that person is declared nominated or elected to the senate or
6.22 the house of representatives of the United States, or to a statewide, Public Utilities
6.23 Commission, county, legislative, municipal, school, or district court office; or (2) the declared
6.24 result of a constitutional amendment or other question voted upon at an election. The contest
6.25 may be brought over an irregularity in the conduct of an election or canvass of votes, over
6.26 the question of who received the largest number of votes legally cast, over the number of
6.27 votes legally cast in favor of or against a question, or on the grounds of deliberate, serious,
6.28 and material violations of the Minnesota Election Law.

6.29 Sec. 12. Minnesota Statutes 2016, section 211B.01, subdivision 3, is amended to read:

6.30 Subd. 3. **Candidate.** "Candidate" means an individual who seeks nomination or election
6.31 to a federal, statewide, Public Utilities Commission, legislative, judicial, or local office

7.2 to read:

7.3 Subd. 1b. **Election of commissioners.** The Public Utilities Commission shall consist of
7.4 one commissioner elected at a state general election from each congressional district in the
7.5 state and one commissioner elected at large statewide. The terms of commissioners shall
7.6 be six years and until their successors have been elected and qualified. Each commissioner
7.7 elected to represent a congressional district must reside within the congressional district in
7.8 which election is sought at the time of election.

 8.9 may claim a refund equal to the amount of the taxpayer's contributions made in the calendar
 8.10 year to candidates and to a political party. The maximum refund for an individual must not
 8.11 exceed \$50 and for a married couple, filing jointly, must not exceed \$100. A refund of a
 8.12 contribution is allowed only if the taxpayer files a form required by the commissioner and
 8.13 attaches to the form a copy of an official refund receipt form issued by the candidate or
 8.14 party and signed by the candidate, the treasurer of the candidate's principal campaign
 8.15 committee, or the chair or treasurer of the party unit, after the contribution was received.
 8.16 The receipt forms must be numbered, and the data on the receipt that are not public must
 8.17 be made available to the campaign finance and public disclosure board upon its request. A
 8.18 claim must be filed with the commissioner no sooner than January 1 of the calendar year
 8.19 in which the contribution was made and no later than April 15 of the calendar year following
 8.20 the calendar year in which the contribution was made. A taxpayer may file only one claim
 8.21 per calendar year. Amounts paid by the commissioner after June 15 of the calendar year
 8.22 following the calendar year in which the contribution was made must include interest at the
 8.23 rate specified in section 270C.405.

8.24 (b) No refund is allowed under this subdivision for a contribution to a candidate unless
 8.25 the candidate:

8.26 (1) has signed an agreement to limit campaign expenditures as provided in section
 8.27 10A.322;

8.28 (2) is seeking an office for which voluntary spending limits are specified in section
 8.29 10A.25; and

8.30 (3) has designated a principal campaign committee.

8.31 This subdivision does not limit the campaign expenditures of a candidate who does not
 8.32 sign an agreement but accepts a contribution for which the contributor improperly claims
 8.33 a refund.

9.1 (c) For purposes of this subdivision, "political party" means a major political party as
9.2 defined in section 200.02, subdivision 7, or a minor political party qualifying for inclusion
9.3 on the income tax or property tax refund form under section 10A.31, subdivision 3a.

9.4 A "major party" or "minor party" includes the aggregate of that party's organization
9.5 within each house of the legislature, the state party organization, and the party organization
9.6 within congressional districts, counties, legislative districts, municipalities, and precincts.

9.7 "Candidate" means a candidate as defined in section 10A.01, subdivision 10, except a
9.8 candidate for judicial office or the Public Utilities Commission.

9.9 "Contribution" means a gift of money.

9.10 (d) The commissioner shall make copies of the form available to the public and candidates
9.11 upon request.

9.12 (e) The following data collected or maintained by the commissioner under this subdivision
9.13 are private: the identities of individuals claiming a refund, the identities of candidates to
9.14 whom those individuals have made contributions, and the amount of each contribution.

9.15 (f) The commissioner shall report to the campaign finance and public disclosure board
9.16 by each August 1 a summary showing the total number and aggregate amount of political
9.17 contribution refunds made on behalf of each candidate and each political party. These data
9.18 are public.

9.19 (g) The amount necessary to pay claims for the refund provided in this section is
9.20 appropriated from the general fund to the commissioner of revenue.

9.21 (h) For a taxpayer who files a claim for refund via the Internet or other electronic means,
9.22 the commissioner may accept the number on the official receipt as documentation that a
9.23 contribution was made rather than the actual receipt as required by paragraph (a).

9.24 Sec. 17. **REPEALER.**

9.25 Minnesota Statutes 2016, section 216A.03, subdivisions 1 and 1a, are repealed.

216A.03 PUBLIC UTILITIES COMMISSION.

Each commissioner shall be appointed by the governor by and with the advice and consent of the senate. Not more than three commissioners shall belong to the same political party. At least one commissioner must have been domiciled at the time of appointment outside the seven-county metropolitan area. If the membership of the commission after July 31, 1986, does not consist of at least one member domiciled at the time of appointment outside the seven-county metropolitan area, the membership shall conform to this requirement following normal attrition of the present commissioners. The governor when selecting commissioners shall give consideration to persons learned in the law or persons who have engaged in the profession of engineering, public accounting, property and utility valuation, finance, physical or natural sciences, production agriculture, or natural resources as well as being representative of the general public.
