1.12 Subdivision 1. **Account; appropriation.** A disaster response contingency account
1.13 is created in the general fund in the state treasury. Money in the disaster response
1.14 contingency account is appropriated to the commissioner of public safety only to match
1.15 federal disaster assistance to state agencies and political subdivisions under section

1.22 federal disaster assistance for publicly owned capital improvement projects.

1.23 Subd. 2. **Recommendation required.** As part of the governor's budget submitted to
1.24 the legislature under section 16A.11, the commissioner of public safety must recommend
