1.12 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.13 **ARTICLE 1**

1.14 **PROMISE ACT**

1.15 Section 1. **TITLE.**

1.16 This act may be cited as the "Providing Resources, Opportunity, and Maximizing

1.17 Investments in Striving Entrepreneurs (PROMISE) Act."

1.18 **ARTICLE 2**

1.19 **COMMUNITY REPAIR PANEL**

1.20 Section 1. **PURPOSE; EMERGENCY ASSISTANCE FOR DAMAGE DUE TO**

1.21 **CIVIL UNREST.**

1.22 Subdivision 1. **Legislative findings.** (a) The legislature recognizes the civil unrest that

1.23 occurred in Minnesota in May and June of 2020. While the immediate cause of the unrest

1.24 was the apparent murder of George Floyd by an officer of the Minneapolis Police

2.1 Department, it was compounded by other long-standing structural systems of inequality
2.2 and racism within the city, state, and nation. The legislature finds that the resulting protests
2.3 and acts of civil disobedience were largely a peaceful exercise of first amendment rights:
2.4 a genuine expression of grief at the death of Mr. Floyd and frustration and anger at the lack
2.5 of an adequate mechanism for communities long unheard or ignored by public institutions
2.6 to have their voices heard and meaningful action be taken as a result.

2.7 (b) The legislature further recognizes that some acts of protest and civil disobedience,
2.8 occurring among a small minority of participants, led to severe destruction or damage to
2.9 small businesses and other private property in Minneapolis, St. Paul, and other areas of the
2.10 state. In many cases, the damage and destruction impacted businesses and locations owned,
2.11 managed, or frequented by those communities that the acts of protest and civil disobedience
2.12 were intended to uplift. The physical and psychological toll from this devastation is immense
2.13 and touches all Minnesotans.

2.14 Subd. 2. **Intent of award process.** The award process established by this act is intended
2.15 to provide a onetime disaster assistance payment so that persons economically impacted by
2.16 the civil unrest are able to cover losses that are not eligible for compensation through
2.17 insurance policies. It furthers the public interest by ensuring affected communities have
2.18 access to immediate resources that allow them to regroup and rebuild, while minimizing
2.19 the uncertainty and expense of navigating complex and protracted administrative procedures
2.20 to seek relief.

2.21 Sec. 2. **DEFINITIONS.**

2.22 Subdivision 1. **Application.** The definitions in this section apply to this act.

2.23 Subd. 2. **Damage.** "Damage" means the following types of damage which are reasonably
2.24 the result of the civil unrest that occurred during the period of May 25, 2020, to June 8,
2.25 2020:

2.26 (1) physical damage to structures or personal property located within an eligible zone;
2.27 and

2.28 (2) economic damage impacting an organization's or business's operations within an
2.29 eligible zone including but not limited to a lost inventory, and lost wages or benefits of
2.30 employees.

2.31 Damage does not include the loss of future expected earnings, attorney fees, or other fees
2.32 incurred by an eligible person in applying for an award under this act.

2.33 Subd. 3. **Eligible person.** (a) "Eligible person" means:

- 3.1 (1) a nonprofit organization or a for-profit business located in an eligible zone;
 3.2 (2) an employee of a nonprofit organization or for-profit business whose regular work
 3.3 assignment is located in an eligible zone;
 3.4 (3) an individual who owns real property within an eligible zone; or
 3.5 (4) an individual who resides in an eligible zone.
- 3.6 (b) A for-profit business is not an eligible person if it employs more than the equivalent
 3.7 of 50 full-time employees. This limitation does not restrict the eligibility of individual
 3.8 employees of the business to file a claim.

3.9 Subd. 4. **Eligible zone.** "Eligible zone" means:

3.10 (1) in Minneapolis:

3.11 (i) Lake Street between Hennepin Avenue and West River Parkway, and any area within
 3.12 two city blocks of that portion of Lake Street in any direction; and

3.13 (ii) West Broadway Avenue, and any area within two city blocks of West Broadway
 3.14 Avenue in any direction;

3.15 (2) in Saint Paul, University Avenue between Rice Street and Highway 280, and any
 3.16 area within two city blocks of that portion of University Avenue in any direction; and

3.17 (3) any additional locations or zones designated by the governor as experiencing
 3.18 significant, widespread damage or destruction of private property due to the civil unrest
 3.19 described in section 1.

3.20 Subd. 5. **Award.** "Award" means a onetime payment of money to an eligible person in
 3.21 response to a properly submitted claim for disaster assistance under this act. An award is
 3.22 not a grant for purposes of Minnesota Statutes, sections 16B.97 to 16B.991, or other
 3.23 applicable law or rules governing grant administration, and does not constitute a payment
 3.24 from a public benefit program for purposes of any applicable federal or state law.

3.25 Subd. 6. **Panel.** "Panel" means the community repair panel established in this act.

3.26 **EFFECTIVE DATE.** This section is effective the day following final enactment.

3.27 Sec. 3. **COMMUNITY REPAIR PANEL.**

3.28 Subdivision 1. **Appointment.** (a) The governor shall establish a community repair panel
 3.29 to consider claims and determine awards for disaster assistance to eligible persons on behalf
 3.30 of the state. The panel must be established by The panel must consist of at least three
 3.31 and not more than nine attorneys appointed by the governor. In making appointments, the

4.1 governor must consult with members of the legislature whose districts include an eligible
4.2 zone and ensure that the appointees are knowledgeable and representative of the impacted
4.3 communities. Members of the panel must have experience in legal and business issues
4.4 involving the calculation and determination of damages in a judicial setting. The governor
4.5 shall designate one member of the panel to serve as chair.

4.6 (b) Within available appropriations, the commissioner of management and budget shall
4.7 determine the pay and expenses to be received by the panel. A member's total pay, not
4.8 including expenses, may not exceed \$25,000. The chair of the panel shall forward
4.9 documentation of salaries, expenses, and administrative costs incurred to the commissioner
4.10 of management and budget for payment of those amounts.

4.11 Subd. 2. **Staff; community outreach.** (a) The commissioner of management and budget,
4.12 in consultation with the panel, may hire employees or retain consultants necessary to assist
4.13 the panel in performing its duties under this section. Employees are in the unclassified state
4.14 civil service. The panel may also use consultants who are under a contract with the state or
4.15 current state employees to assist the panel in processing claims under this section.

4.16 (b) The panel must engage one or more nonprofit organizations with a primary mission
4.17 to serve communities located within each eligible zone to assist the panel in publicizing the
4.18 award opportunity provided by this act, and to provide technical assistance to applicants in
4.19 submitting a claim.

4.20 Subd. 3. **General duties; procedure.** The panel shall consider claims for damages and
4.21 determine award amounts as authorized by this section. The panel may adopt and modify
4.22 procedures, rules, and forms for receiving and considering claims, provided that the panel
4.23 must allow each eligible person who submits a claim to appear electronically or in person
4.24 before the panel or one of its members to describe the claim and respond to questions.
4.25 Procedures and rules of the panel are not rules for purposes of Minnesota Statutes, chapter
4.26 14, and Minnesota Statutes, section 14.386 does not apply.

4.27 Subd. 4. **Deadlines.** To be eligible to receive an award, an eligible person must file a
4.28 claim with the panel by On a case-by-case basis, the panel may accept claims that are
4.29 received after this deadline. The panel must make an award determination for each claim
4.30 no later than March 1, 2021.

4.31 Subd. 5. **Calculation of award amount.** (a) The panel shall determine a base award for
4.32 each eligible person that reflects the total damages incurred as described in the claim.
4.33 Damage that qualifies for compensation through an applicable insurance policy must be
4.34 excluded from the base award. After a base award is established, the panel may provide an

5.1 equity adjustment to increase or decrease the award, based on a review of the totality of the
5.2 eligible person's circumstances. Before any claim is reviewed for an award determination,
5.3 the panel must establish a reasonable maximum award amount that applies equally to all
5.4 eligible persons.

5.5 (b) The panel may not make an award determination for any eligible person until all
5.6 claims filed prior to the deadline established in subdivision 4 have been considered. Claims
5.7 arriving after the deadline may only be considered for an award after all awards for timely
5.8 claim filings have been determined.

5.9 (c) If the total amount of awards determined for all eligible persons exceeds the available
5.10 appropriation, the panel must make awards on a pro rata basis.

5.11 (d) The panel must not consider negligence or any other theory of liability on the part
5.12 of the eligible person or any other party in making an award determination.

5.13 Subd. 6. **Payment.** The panel shall promptly forward to the commissioner of management
5.14 and budget documentation of each award amount determined under this section. The
5.15 commissioner of management and budget shall pay that amount to the eligible person within
5.16 30 days after receiving the documentation and in the order in which the documentation from
5.17 the panel was received.

5.18 Subd. 7. **Immunity; indemnification.** Members of the panel, employees, and consultants
5.19 acting under the direction of the panel are employees of the state for purposes of Minnesota
5.20 Statutes, section 3.736.

5.21 Subd. 8. **Data practices; meetings.** (a) Data collected, created, or maintained by the
5.22 panel related to a claim filed by an eligible person are private data on individuals, as defined
5.23 in Minnesota Statutes, section 13.02, subdivision 12, or nonpublic data, as defined in
5.24 Minnesota Statutes, section 13.02, subdivision 9, except for:

5.25 (1) the name of an eligible person to whom an award is paid; and

5.26 (2) the amount awarded to that person.

5.27 (b) Data created by a member of the panel related to the member's service as a member
5.28 of the panel are not discoverable in any civil or administrative proceeding except a record
5.29 relating to any statement or conduct that may constitute a crime.

5.30 (c) Meetings of the panel are not subject to Minnesota Statutes, chapter 13D.

5.31 Subd. 9. **Effect of awards process.** (a) A determination by the panel regarding an award
5.32 is final and not subject to judicial review.

6.1 (b) The amount of damages incurred by an eligible person as calculated by the panel,
6.2 or the eligible person's award determination, may not be used in a subsequent court
6.3 proceeding in evidence or otherwise to determine any rights, duties, or responsibilities of
6.4 the state, the eligible person, or any other party.

6.5 (c) A member of the panel must not testify in any civil or administrative proceeding
6.6 regarding any matter involving or arising out of the member's service as a member of the
6.7 panel, except as to a statement or conduct that may constitute a crime.

6.8 **Subd. 10. Panel recommendations for future action; truth and reconciliation.** (a)
6.9 Upon conclusion of its work making award determinations, the panel must convene to
6.10 consider and recommend to the governor and legislature future steps that may be taken to
6.11 provide communities impacted by racism and race-based harm an opportunity to share their
6.12 experiences in public and private institutions, and how those experiences impact the quality
6.13 of life of those communities in Minnesota. The panel's recommendations must be informed,
6.14 in part, by lessons learned from the claims submitted by eligible persons under this section,
6.15 and adhere to a goal of providing an ongoing, meaningful structure to bring public attention
6.16 to the truth of the experience of these communities. The recommendations must also suggest
6.17 a process for engaging and reconciling those experiences with an expectation that all
6.18 Minnesotans can live free of the harms caused by systemic and institutional racism in the
6.19 state.

6.20 (b) A report describing the panel's work and recommendations under this subdivision
6.21 must be submitted to the governor and to the speaker of the house, president of the senate,
6.22 and majority and minority leaders of each body's respective political caucuses no later than
6.23 May 1, 2021.

6.24 **EFFECTIVE DATE.** This section is effective the day following final enactment.

6.25 **Sec. 4. RELATIONSHIP TO OTHER LAW.**

6.26 **Subdivision 1. No state liability or duty created.** The establishment of the award process
6.27 in this act is not an admission of liability by the state or a municipality or their employees
6.28 and does not establish a duty of the state, a municipality, or their employees to compensate
6.29 eligible persons for damage. The creation and funding of the compensation process under
6.30 this act is not admissible in a judicial or administrative proceeding to establish liability or
6.31 a legal duty.

7.5 law or agreement to the contrary, a person who is not a third-party tortfeasor and who is
7.6 required to make payments to an eligible person may not eliminate or reduce those payments
7.7 as a result of compensation paid under this act. The obligation of any person other than the
7.8 state to make payments to an eligible person is primary as compared to any payment made
7.9 or to be made under this act. The persons referenced in and covered by this subdivision
7.10 include, without limitation:

8.18 persons and their households. The commissioner of human services shall seek any federal
8.19 approvals necessary to exclude payments made to eligible persons when determining
8.20 eligibility for a program that receives federal funding or a federal match, in order to continue
8.21 to receive that federal funding or federal match for services provided to eligible persons

11.10 information on the wages and benefit levels, the status of the jobs as full-time or part-time,
11.11 and the status of the jobs as temporary or permanent;

11.12 (5) the amount of business activity and changes in gross revenues of the grant or loan
11.13 recipient as a result of the assistance; and

 13.4 impacts of past and ongoing racial discrimination in the metropolitan area in all areas of
 13.5 life, including economic and small business development, health, education, and housing,
 13.6 requires creation of a public entity that is led by people of color and indigenous people to

 13.8 impacts. The Metropolitan Area Redevelopment Corporation is established as a public
 13.9 corporation and political subdivision of the state with jurisdiction in the metropolitan area.
 13.10 The corporation shall identify and address the adverse impacts of racial discrimination in
 13.11 the metropolitan area by facilitating access by people of color and indigenous people to
 13.12 resources for development, improvement, and expansion of health care facilities and services,
 13.13 small businesses, safe and affordable housing, and other benefits of society that have
 13.14 historically been unavailable to them due to systemic barriers. The corporation shall foster
 13.15 equitable economic development to prevent gentrification and displacement of low-income
 13.16 residents, homes, and small businesses owned by people of color and indigenous people.

14.6 Subd. 6. **Removal.** A member may be removed by the board for inefficiency, neglect
14.7 of duty, or misconduct in office. A member may be removed only after a hearing of the
14.8 board. A written copy of the charges must be given to the board member subject to the
14.9 allegations in the charges at least ten days before the hearing. The board member must be
14.10 given an opportunity to be heard in person or by counsel at the hearing. The board may
14.11 temporarily suspend a board member if written charges are submitted against the member.
14.12 The board must immediately reinstate the suspended board member if the board finds that
14.13 the charges against the member are not substantiated. If a board member is removed, a

27.4 **ARTICLE 9**

27.5 **CIVIL UNREST INVESTIGATORY COMMISSION**

27.6 Section 1. **CIVIL UNREST INVESTIGATORY COMMISSION.**

27.7 Subdivision 1. **Purpose; finding of facts and time line of public responses.** (a) The
27.8 legislature and governor of the state of Minnesota recognize that the civil unrest that occurred
27.9 in Minnesota in May and June of 2020 raises questions about the nature of orders given,
27.10 responses made, and actions taken by civil authorities. The Minnesota public lacks a
27.11 comprehensive and accurate timeline of events and the role played in those events by:

27.12 (1) local authorities;

27.13 (2) Minneapolis Police Department;

27.14 (3) Minneapolis Fire Department;

27.15 (4) State Patrol;

27.16 (5) National Guard;

27.17 (6) appointed and elected officials; and

27.18 (7) all other responsible parties whose duties commanded the public response to the
27.19 unprecedented events that tragically unfolded.

27.20 (b) Civil authorities remain actively engaged at this moment in time to perform ongoing
27.21 duties and manage the ongoing public interests in responding to unrest, and to help affected
27.22 citizens.

27.23 (c) However, the creation of an accurate timeline of civic responses is a crucial task that
27.24 must be completed to provide confidence to the Minnesota public regarding the capacity
27.25 of civil government in the current and future responses. Further, an investigation into
27.26 decisions and actions cannot be undertaken by persons currently in state or local government,
27.27 whose ongoing duties and past responsibilities render the persons too involved for
27.28 dispassionate analysis.

27.29 (d) Therefore, a Civil Unrest Investigatory Commission is established to examine and
27.30 create a public record of all actions, choices, orders, and responses by all local governments,

28.1 police and military authorities, and elected officials who were crucial to the government's
28.2 response to the civil unrest that unfolded in May and June 2020.

28.3 Subd. 2. **Duties of commission.** The commission must take public and private testimony,
28.4 hold public meetings, construct a timeline of official responses and actions, and issue a
28.5 public report with an accurate and dispassionate analysis of the responses of Minnesota
28.6 appointed and elected officials.

28.7 Subd. 3. **Cooperation.** The commission must be given access to all records and
28.8 documents held by any government entity that are in any way associated with the civil unrest
28.9 of May and June 2020. Within legal and constitutional rights, all elected and appointed
28.10 officials must cooperate with requests made by the commission.

28.11 Subd. 4. **Data.** All materials and information held by or created by the commission must
28.12 be made public upon completion of the report required under this act.

28.13 Sec. 2. **COMMISSION STRUCTURE.**

28.14 (a) The chief justice of the Minnesota Supreme Court must appoint a panel of ten neutral
28.15 persons to constitute the Civil Unrest Investigatory Commission. Appointees must: (1) have
28.16 no current involvement with any political party; (2) have played no role in the events of
28.17 May and June 2020; and (3) have the highest personal probity and ability to command public
28.18 confidence. Members must be chosen for expertise in management of public crises and
28.19 knowledge of government responses to civil unrest.

28.20 (b) The commission must be established by The chief justice must designate one
28.21 member of the panel to serve as chair.

28.22 (c) The chief justice must determine the pay and expenses received by the panel. A
28.23 member's total pay, not including expenses, must not exceed \$1,000.

28.24 (d) The commission may issue subpoenas, take testimony under oath, and hire outside
28.25 investigators and counsel.

28.26 (e) The legislative auditor must act as fiscal agent for the commission and must provide
28.27 administrative support to the commission.

28.28 Sec. 3. **DUTIES AND REPORT.**

28.29 (a) The Civil Unrest Investigatory Commission must:

28.30 (1) conduct and record interviews of all elected and appointed officials who played a
28.31 role in the response to civil unrest as it occurred in May and June 2020;

29.1 (2) establish a timeline of decisions taken and choices made by elected officials, including
29.2 the mayor of Saint Paul, the mayor of Minneapolis, and the governor;

29.3 (3) conduct a review of the responses of police, National Guard, and other responders;

29.4 (4) conduct a review of use of force versus protesters;

29.5 (5) analyze the effect of social media in promoting civil unrest; and

29.6 (6) create a timeline of events, with a detailed explanation of the choices made by public
29.7 officials.

29.8 (b) The commission may:

29.9 (1) determine, if possible, whether actions taken were consistent with the duties of elected
29.10 and appointed officials; and

29.11 (2) suggest best practices and specific policies and procedures that should be considered
29.12 for future responses in the event of civil unrest.

29.13 (c) The commission must issue a report no later than, with the commission's findings.

29.14 **Sec. 4. EFFECTIVE DATE.**

29.15 This act is effective the day following final enactment.
