20.3 appropriations and legislatively authorized
20.4 agreements paid out of the outdoor heritage
20.5 fund, an expense must be considered
20.6 reimbursable by the administering agency
20.7 when the recipient presents the agency with

20.9 landowner and the recipient attests that the
20.10 goods have been received or the landowner
20.11 agreement is binding. Periodic reimbursement

20.14 accomplishment plan approved by the
20.15 Lessard-Sams Outdoor Heritage Council have
20.16 been achieved, including partial achievements
20.17 as evidenced by progress reports approved by

20.19 Reasonable amounts may be advanced to
20.20 projects to accommodate cash-flow needs,
20.21 support future management of acquired lands,

 21.12 percent of the money appropriated from the fund must be expended to restore, protect, and
 21.13 enhance wetlands, prairies, forests, and habitat for fish, game, and wildlife. Money
 21.14 appropriated from the outdoor heritage fund shall not be spent to acquire property by eminent
 21.15 domain unless the owner requests that the owner's property be acquired by eminent domain.

21.16 (b) Land and interests in land acquired with money from the outdoor heritage fund must
 21.17 comply in all respects with the Minnesota Constitution. All determinations for fee title land
 21.18 acquisition must be based on benefiting all Minnesotans as the outdoor heritage fund is
 21.19 dedicated for all Minnesotans. Lands acquired in fee with appropriations from the outdoor
 21.20 heritage fund must be open to the public taking of fish and game, unless otherwise provided
 21.21 by law, which is a valued part of our heritage that shall be forever preserved for the people
 21.22 and shall be managed by law and regulation for the public good in the same manner as lands
 21.23 owned by the state. On lands acquired in fee by appropriation from the outdoor heritage
 21.24 fund, the right of the people to take fish and game shall not be infringed or impaired by lack
 21.25 of access, lack of opportunity, diminished quality, or as a result of special or exclusive
 21.26 privilege that does not benefit all Minnesotans.

 21.33 protect, and enhance wetlands, prairies, forests, and habitat for fish, game, and wildlife for

22.1 the benefit of all Minnesotans, and with regard to fee title acquisition to be open to the
22.2 public taking of fish and game during the open season, unless otherwise provided by law,
22.3 for the public good and the right of the public to take game and fish on these lands shall not
22.4 be impaired or diminished in quality or experience directly or indirectly. The ownership of
22.5 the interest in real property transfers to the state if: (1) the holder of the interest in real
22.6 property fails to comply with the terms and conditions of the grant agreement or
22.7 accomplishment plan; ~~or~~ (2) restrictions are placed on the land that preclude its use for the

22.12 (b) A recipient of funding that acquires an interest in real property subject to this
22.13 subdivision may not alter the intended use of the interest in real property or convey any
22.14 interest in the real property acquired with the appropriation without the prior review and
22.15 approval of the Lessard-Sams Outdoor Heritage Council or its successor. The council shall
22.16 notify the chairs and ranking minority members of the legislative committees and divisions
22.17 with jurisdiction over the outdoor heritage fund at least 15 business days before approval
22.18 under this paragraph. The council shall establish procedures to review requests from
22.19 recipients to alter the use of or convey an interest in real property. These procedures shall
22.20 allow for the replacement of the interest in real property with another interest in real property
22.21 meeting the following criteria:

22.22 (1) the interest must be at least equal in fair market value, as certified by the commissioner
22.23 of natural resources, to the interest being replaced; and

22.24 (2) the interest must be in a reasonably equivalent location and have a reasonably
22.25 equivalent useful conservation purpose compared to the interest being replaced, taking into
22.26 consideration all effects from fragmentation of the whole habitat.

22.27 (c) A recipient of funding who acquires an interest in real property under paragraph (a)
22.28 must separately record a notice of funding restrictions in the appropriate local government
22.29 office where the conveyance of the interest in real property is filed. The notice of funding
22.30 agreement must contain:

22.31 (1) a legal description of the interest in real property covered by the funding agreement;

22.32 (2) a reference to the underlying funding agreement;

 23.3 acquisition of the property. The interest in real property, or any portion of the interest in
 23.4 real property, shall not be sold, transferred, pledged, or otherwise disposed of or further
 23.5 encumbered without obtaining the prior written approval of the Lessard-Sams Outdoor
 23.6 Heritage Council or its successor. The ownership of the interest in real property transfers
 23.7 to the state if: (1) the holder of the interest in real property fails to comply with the terms
 23.8 and conditions of the grant agreement or accomplishment plan; ~~or~~ (2) restrictions are placed
 23.9 on the land that preclude its use for the intended purpose as specified in the appropriation;
 23.10 or (3) the right to take fish and game during the open season as provided by law is impaired,
 23.11 restricted, or quality diminished by lack of access or grant of special or exclusive privilege
 23.12 or franchise or otherwise."
