Subd. 3. **Change of address.** A registrant who changes addresses must inform the board within 30 days, in writing, of the change of address. Notices or other correspondence mailed to or served on a registrant at the registrant's current address on file shall be considered as having been received by the registrant.

Subd. 4. **Registration renewal notice.** At least 60 days before the registration renewal date, the board shall send out a renewal notice to the last known address of the registrant on file. The notice must include a renewal application and a notice of fees required for renewal. It must also inform the registrant that registration will expire without further action by the board if an application for registration renewal is not received before the deadline for renewal. The registrant's failure to receive this notice shall not relieve the registrant of the obligation to meet the deadline and other requirements for registration renewal. Failure to receive this notice is not grounds for challenging expiration of registered status.

Subd. 5. **Renewal deadline.** The renewal application and fee must be postmarked on or before October 1 of the year of renewal or as determined by the board. If the postmark is illegible, the application shall be considered timely if received by the third working day after the deadline.

Subd. 6. **Inactive status and return to active status.** (a) A registration may be placed in inactive status upon application to the board by the registrant and upon payment of an inactive status fee.

(b) A registrant seeking restoration to active status from inactive status must pay the current renewal fees and all unpaid back inactive fees. The registrant must meet

the criteria for renewal under subdivision 7 prior to submitting an application to regain registered status. If the registrant has been in inactive status for more than five years, a qualifying score on a competency exam is required.

**Subd. 7. Registration following lapse of registration status for two years or less.**

In order for an individual whose registration status has lapsed for two years or less, to regain registration status, the individual must:

(1) apply for registration renewal according to subdivision 2; and

(2) submit applicable fees for the period not registered, including the fee for late renewal.

**Subd. 8. Cancellation due to nonrenewal.** The board shall not renew, reissue, reinstate, or restore a registration that has lapsed and has not been renewed within two years. A registrant whose registration is canceled for nonrenewal must obtain a new registration by applying for initial registration and fulfilling all requirements then in existence for initial registration as a massage and bodywork therapist.

**Subd. 9. Cancellation of registration in good standing.** (a) A registrant holding active registration as a massage and bodywork therapist in this state may, upon approval of the board, be granted registration cancellation if the board is not investigating the person as a result of a complaint or information received or if the board has not begun disciplinary proceedings against the registrant. Such action by the board shall be reported as a cancellation of registration in good standing.

(b) A registrant who receives board approval for registration cancellation is not entitled to a refund of any registration fees paid for the registration period in which cancellation of the registration occurred.

(c) To obtain registration after cancellation, an applicant must obtain a new registration by applying for initial registration and fulfilling the requirements then in existence for obtaining initial registration according to sections 148.981 to 148.9885.

**Sec. 10. [148.9881] BOARD ACTION ON APPLICATIONS; DATA PRACTICES.**

(a) The board shall act on each application for registration or renewal according to paragraphs (b) and (d).

(b) The board or advisory council shall determine if the applicant meets the requirements for registration or renewal under section 148.987 or 148.9871. The board or advisory council may investigate information provided by an applicant to determine whether the information is accurate and complete, and may request additional information or documentation.

(c) The board shall notify each applicant, in writing, of action taken on the application, the grounds for denying registration if registration is denied, and the applicant's right to review under paragraph (d).

(d) An applicant denied registration may make a written request to the board, within 30 days of the board's notice, to appear before the advisory council and for the advisory council to review the board's decision to deny the applicant's registration. After reviewing the denial, the advisory council shall make a recommendation to the board as to whether the denial shall be affirmed. Each applicant is allowed only one request for review per registration period.

(e) Section 13.41 applies to government data of the board on applicants and registrants.

Sec. 11. **[148.9882] GROUNDS FOR DISCIPLINARY ACTION.**

Subdivision 1. **Grounds listed.** (a) The board may deny, revoke, suspend, limit, or condition the registration of a registrant or registered massage and bodywork therapist, or may otherwise discipline a registrant. The fact that massage and bodywork therapy may be considered a less customary approach to health care shall not constitute the basis for disciplinary action per se.

(b) The following are grounds for disciplinary action, regardless of whether injury to a client is established:

(1) failing to demonstrate the qualifications or to satisfy the requirements for registration contained in sections 148.981 to 148.9885, or rules of the board. In the case of an applicant, the burden of proof is on the applicant to demonstrate the qualifications or satisfy the requirements;

(2) advertising in a false, fraudulent, deceptive, or misleading manner, including, but not limited to:

(i) advertising or holding oneself out as a "registered massage and bodywork therapist" or any abbreviation or derivative thereof to indicate such a title, when such registration is not valid or current for any reason;

(ii) advertising or holding oneself out as a "licensed massage and bodywork therapist" or any abbreviation or derivative thereof to indicate such a title, unless the registrant currently holds a valid state license in another state and provided that the state is clearly identified;

(iii) advertising a service, the provision of which would constitute a violation of this chapter or rules established by the board; and

- 12.1           (iv) using fraud, deceit, or misrepresentation when communicating with the general  
12.2 public, health care providers, or other business professionals;
- 12.3           (3) falsifying information in a massage and bodywork therapy registration or renewal  
12.4 application or attempting to obtain registration, registration renewal, or reinstatement by  
12.5 fraud, deception, or misrepresentation, or aiding and abetting any of these acts;
- 12.6           (4) engaging in conduct with a client that is sexual or may reasonably be interpreted  
12.7 by the client as sexual, or in any verbal behavior that is seductive or sexually demeaning  
12.8 to a client, or engaging in sexual exploitation of a client, without regard to who initiates  
12.9 such behaviors;
- 12.10          (5) committing an act of gross malpractice, negligence, or incompetency, or failing  
12.11 to practice massage and bodywork therapy with the level of care, skill, and treatment  
12.12 that is recognized by a reasonably prudent massage and bodywork therapist as being  
12.13 acceptable under similar conditions and circumstances;
- 12.14          (6) having an actual or potential inability to practice massage and bodywork therapy  
12.15 with reasonable skill and safety to clients by reason of illness, as a result of any mental  
12.16 or physical condition, or use of alcohol, drugs, chemicals, or any other material. Being  
12.17 adjudicated as mentally incompetent, mentally ill, a chemically dependent person, or a  
12.18 person dangerous to the public by a court of competent jurisdiction, inside or outside  
12.19 of this state, may be considered as evidence of an inability to practice massage and  
12.20 bodywork therapy;
- 12.21          (7) being the subject of disciplinary action as a massage and bodywork therapist by  
12.22 another state or jurisdiction where the board or advisory council determines that the cause  
12.23 of the disciplinary action would be a violation under this state's statutes or rules of the  
12.24 board if the violation had occurred in this state;
- 12.25          (8) failing to notify the board of revocation or suspension of a credential, or any  
12.26 other disciplinary action taken by this or any other state, territory, or country, including  
12.27 any restrictions on the right to practice; or the surrender or voluntary termination of a  
12.28 credential during a board investigation of a complaint, as part of a disciplinary order, or  
12.29 while under a disciplinary order;
