Section 1. **COLLEGE POSSIBLE; APPROPRIATION.**

(a) \$2,000,000 in fiscal year 2016 and \$2,000,000 in fiscal year 2017 are appropriated from the general fund to the Office of Higher Education for immediate transfer to College Possible to support programs of college admission and college graduation for low-income students through an intensive curriculum of coaching and support at both the high school and postsecondary level.

(b) This appropriation must, to the extent possible, be proportionately allocated between students from greater Minnesota and students in the seven-county metropolitan area.

The report must include, but is not limited to, information about the expansion of College Possible in Minnesota, the number of College Possible coaches hired, the expansion within existing partner high schools, the expansion of high school partnerships, the number of high school and college students served, the total hours of community service by high school and college students, and a list of communities and organizations benefitting from student service hours.
