If students from the private career schools or tribal colleges do not elect a representative, the commissioner must appoint a student representative. If students from 38.28 the Minnesota Private College Council institutions do not elect a representative, the 38.29 Minnesota Private College Council must appoint the private nonprofit representative. A 38.30 member may be represented by a student designee who attends an institution from the same 38.31 system that the absent member represents. The SAC shall select one of its members to serve 38.32 as chair. 38.33

39.1	(b) The office shall inform the SAC of all matters related to student issues under

39.12	Sec. 8. Minnesota Statutes 2022, section 136A.101, subdivision 5a, is amended to read:
39.13	Subd. 5a. Assigned family responsibility. "Assigned family responsibility" means the
39.14	amount of a family's contribution to a student's cost of attendance, as determined by a federal
39.15	need analysis. For dependent students, the assigned family responsibility is 79 percent of
39.16	the parental contribution. If the parental contribution is less than \$0, the assigned family
39.17	responsibility is 100 percent of the parental contribution. For independent students with
39.18	dependents other than a spouse, the assigned family responsibility is 71 percent of the student
39.19	contribution. For independent students without dependents other than a spouse, the assigned
39.20	family responsibility is 35 percent of the student contribution. If the student contribution is
39.21	less than \$0, the assigned family responsibility is 100 percent of the student contribution.
39.22	For a student registering for less than full time, the office shall prorate the assigned family
39.23	responsibility using the ratio of the number of credits the student is enrolled in to the number
39.24	of credits for full-time enrollment.

39.25 Sec. 9. Minnesota Statutes 2022, section 136A.101, subdivision 7, is amended to read:

Subd. 7. Student. "Student" means a person who is enrolled for at least three credits
<u>one credit</u> per term, in a program or course of study that applies to a degree, diploma, or
certificate. Credit equivalencies assigned by an institution that are applicable to federal Pell
grant calculations shall be counted as part of a student's credit load.

40.1 Sec. 10. Minnesota Statutes 2022, section 136A.121, subdivision 6, is amended to read:

Subd. 6. Cost of attendance. (a) The recognized cost of attendance consists of: (1) an 40.2 allowance specified in law for living and miscellaneous expenses, and (2) an allowance for 40.3tuition and fees equal to the lesser of the average tuition and fees charged by the institution, 40.4 or a tuition and fee maximum if one is established in law. If no living and miscellaneous 40.5 expense allowance is established in law, the allowance is equal to 109 115 percent of the 40.6 federal poverty guidelines for a one person household in Minnesota for nine months. If no 40.7 tuition and fee maximum is established in law, the allowance for tuition and fees is equal 40.8 to the lesser of: (1) the average tuition and fees charged by the institution, and (2) for 40.9 two-year programs, an amount equal to the highest tuition and fees charged at a public 40.10 two-year institution, or for four-year programs, an amount equal to the highest tuition and 40.11 fees charged at a public university. 40.12

40.13 (b) For a student registering for less than full time, the office shall prorate the cost of
40.14 attendance to the actual number of credits for which the student is enrolled using the ratio
40.15 of the number of credits the student is enrolled in to the number of credits for full-time
40.16 enrollment.

40.17 (c) The recognized cost of attendance for a student who is confined to a Minnesota
40.18 correctional institution shall consist of the tuition and fee component in paragraph (a), with
40.19 no allowance for living and miscellaneous expenses.

(d) For the purpose of this subdivision, "fees" include only those fees that are mandatory
and charged to full-time resident students attending the institution. Fees do not include
charges for tools, equipment, computers, or other similar materials where the student retains
ownership. Fees include charges for these materials if the institution retains ownership. Fees
do not include optional or punitive fees.

40.25 Sec. 11. Minnesota Statutes 2022, section 136A.121, subdivision 9, is amended to read:

40.26 Subd. 9. Awards. An undergraduate student who meets the office's requirements is

40.27 eligible to apply for and receive a grant in any year of undergraduate study unless the student

40.28 has obtained a baccalaureate degree or previously has been enrolled full time or the equivalent

40.29 for eight semesters or the equivalent previously has received a state grant award for 180

40.30 <u>credits or the equivalent</u>, excluding (1) courses taken from a Minnesota school or

Minnesota Statutes 2022, section 136A.121, subdivision 13, is amended to read: 41.3 Subd. 13. Deadline. The deadline for the office to accept applications for state grants 41.4 for a term is 30 days after the start of that term June 30 of the fiscal year for which the 41.5 student applies for a grant. 41.6 Sec. 13. Minnesota Statutes 2022, section 136A.1241, subdivision 5, is amended to read: 41.7 Subd. 5. Foster grant amount; payment; opt-out. (a) Each student shall be awarded 41.8 a foster grant based on the federal need analysis. Applicants are encouraged to apply for all 41.9 other sources of financial aid. The amount of the foster grant must be equal to the applicant's 41.10 recognized cost of attendance after deducting accounting for: 41.11 (1) the student aid index as calculated by results of the federal need analysis; 41.12 (2) the amount of a federal Pell Grant award for which the applicant is eligible; 41.13 (3) the amount of the state grant; 41.14 (4) the Federal Supplemental Educational Opportunity Grant; 41.15 (5) the sum of all Tribal scholarships; 41.16 (6) the amount of any other state and federal gift aid; 41.17 (7) the Education and Training Voucher Program; 41.18 (8) extended foster care benefits under section 260C.451; 41.19 (9) the amount of any private grants or scholarships, excluding grants and scholarships 41.20 provided by the private institution of higher education in which the eligible student is 41.21 41.22 enrolled; and (10) for public institutions, the sum of all institutional grants, scholarships, tuition 41.23 waivers, and tuition remission amounts. 41.24 (b) The foster grant shall be paid directly to the eligible institution where the student is 41.25 enrolled. 41.26 (c) An eligible private institution may opt out of participating in the foster grant program 41.27 established under this section. To opt out, the institution shall provide notice to the office 41.28 by September 1 for the next academic year. 41.29

42.6 clause (1); and

42.7 (2) the sum of the foster grant under this subdivision and the sum of the amounts in42.8 paragraph (a), clauses (1) to (9).

(e) An undergraduate student who is eligible may apply for and receive a foster grant
in any year of undergraduate study unless the student has obtained a baccalaureate degree
or previously has been enrolled full time as defined in section 136A.101, subdivision 7a,
or the equivalent for eight semesters or the equivalent, or received a foster grant for five
years, whichever occurs first. A foster grant must not be awarded to a student for more than

undergraduate degree.

42.16 (f) Foster grants may be awarded to an eligible student for four quarters, three semesters,
42.17 or the equivalent during the course of a single fiscal year. In calculating the award amount,
