Section 1. Minnesota Statutes 2012, section 124D.09, subdivision 9, is amended to read:

Subd. 9. **Enrollment priority.** A postsecondary institution shall give priority to its

postsecondary students when enrolling 10th, 11th, and 12th grade pupils in its courses.

A postsecondary institution may provide information about its programs to a secondary

school or to a pupil or parent and it may advertise or otherwise recruit or solicit a

secondary pupil to enroll in its programs on educational and programmatic grounds only.

An institution must not enroll secondary pupils, for postsecondary enrollment options

purposes, in remedial, developmental, or other courses that are not college level, except

when a student eligible to participate in the graduation incentives program under section

124D.68 enrolls full-time in a middle or early college program specifically designed to

allow the student to earn dual high school and college credit. In this case, the student shall

receive developmental college credit and not college credit for completing remedial or

developmental courses. Once a pupil has been enrolled in a postsecondary course under

this section, the pupil shall not be displaced by another student.

EFFECTIVE DATE. This section is effective July 1, 2014.
