05/20/2016		Referred to Rules and Administration for comparison with HF2602
05/21/2016	7283	HF substituted on General Orders HF2602

1.1 A bill for an act  
 1.2 relating to data practices; restricting use of private and nonpublic data to only  
 1.3 those purposes authorized by law; amending Minnesota Statutes 2014, section  
 1.4 13.03, by adding a subdivision.

1.5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.6 Section 1. Minnesota Statutes 2014, section 13.03, is amended by adding a subdivision  
 1.7 to read:

1.8 Subd. 13. Access to private data. (a) Unless the data subject has otherwise  
 1.9 provided consent, a person who is not the subject of private or nonpublic data but is  
 1.10 authorized to access that data for a purpose expressed by state or federal law:

1.11 (1) may only request and use the data for that purpose; and

1.12 (2) may not further disseminate the data to another person except for purposes  
 1.13 expressly authorized by law.

1.14 (b) Prior to dissemination of private or nonpublic data to a person who is not a subject  
 1.15 of the data, a government entity must require the requesting person to certify, in writing, that  
 1.16 the data will only be used for an authorized purpose, if authorized purposes are expressly  
 1.17 provided by law. This paragraph does not apply to requests for access to data made on  
 1.18 behalf of a government entity or to contracts governed by section 13.05, subdivision 11.

1.19 (c) The remedies provided in sections 13.08 and 13.09 apply to any person who uses  
 1.20 or disseminates data in violation of this subdivision. A government entity is not subject  
 1.21 to civil or criminal liability for a violation of paragraph (a), if it has complied with the  
 1.22 requirements of paragraph (b).
