244.01 DEFINITIONS.

Subd. 6. **Commission.** "Commission" means the Minnesota Sentencing Guidelines Commission established pursuant to section 244.09.

244.09 MINNESOTA SENTENCING GUIDELINES COMMISSION.

Subdivision 1. **Commission; establishment.** There is hereby established the Minnesota Sentencing Guidelines Commission which shall be comprised of 11 members.

Subd. 2. **Members.** The Sentencing Guidelines Commission shall consist of the following:

- (1) the chief justice of the supreme court or a designee;
- (2) one judge of the court of appeals, appointed by the chief justice of the supreme court;
- (3) one district court judge appointed by the chief justice of the supreme court;
- (4) one public defender appointed by the governor upon recommendation of the state public defender;
- (5) one county attorney appointed by the governor upon recommendation of the board of directors of the Minnesota County Attorneys Association;
- (6) the commissioner of corrections or a designee;
- (7) one peace officer as defined in section 626.84 appointed by the governor;
- (8) one probation officer or parole officer appointed by the governor; and
- (9) three public members appointed by the governor, one of whom shall be a victim of a crime defined as a felony.

When an appointing authority selects individuals for membership on the commission, the authority shall make reasonable efforts to appoint qualified members of protected groups, as defined in section 43A.02, subdivision 33.

One of the members shall be designated by the governor as chair of the commission.

Subd. 3. **Appointment terms.** Each appointed member shall be appointed for four years and shall continue to serve during that time as long as the member occupies the position which made the member eligible for the appointment. Each member shall continue in office until a successor is duly appointed. Members shall be eligible for reappointment, and appointment may be made to fill an unexpired term. The term of any member appointed or reappointed by the governor before the first Monday in January 1991 expires on that date. The term of any member appointed or reappointed by the governor after the first Monday in January 1991 is coterminous with the governor. The members of the commission shall elect any additional officers necessary for the efficient discharge of their duties.

Subd. 4. **Reimbursement.** Each member of the commission shall be reimbursed for all reasonable expenses actually paid or incurred by that member in the performance of official duties in the same manner as other employees of the state. The public members of the commission shall be compensated at the rate of \$50 for each day or part thereof spent on commission activities.

Subd. 5. **Promulgation of Sentencing Guidelines.** The commission shall promulgate Sentencing Guidelines for the district court. The guidelines shall be based on reasonable offense and offender characteristics. The guidelines promulgated by the commission shall be advisory to the district court and shall establish:

- (1) the circumstances under which imprisonment of an offender is proper; and
- (2) a presumptive, fixed sentence for offenders for whom imprisonment is proper, based on each appropriate combination of reasonable offense and offender characteristics. The guidelines shall provide for an increase of 20 percent and a decrease of 15 percent in the presumptive, fixed sentence.

The Sentencing Guidelines promulgated by the commission may also establish appropriate sanctions for offenders for whom imprisonment is not proper. Any guidelines promulgated by the commission establishing sanctions for offenders for whom imprisonment is not proper shall make specific reference to noninstitutional sanctions, including but not limited to the following: payment of fines, day fines, restitution, community work orders, work release programs in local facilities,

APPENDIX

community based residential and nonresidential programs, incarceration in a local correctional facility, and probation and the conditions thereof.

Although the Sentencing Guidelines are advisory to the district court, the court shall follow the procedures of the guidelines when it pronounces sentence in a proceeding to which the guidelines apply by operation of statute. Sentencing pursuant to the Sentencing Guidelines is not a right that accrues to a person convicted of a felony; it is a procedure based on state public policy to maintain uniformity, proportionality, rationality, and predictability in sentencing.

In establishing and modifying the Sentencing Guidelines, the primary consideration of the commission shall be public safety. The commission shall also consider current sentencing and release practices; correctional resources, including but not limited to the capacities of local and state correctional facilities; and the long-term negative impact of the crime on the community.

The provisions of sections 14.001 to 14.69 do not apply to the promulgation of the Sentencing Guidelines, and the Sentencing Guidelines, including severity levels and criminal history scores, are not subject to review by the legislative commission to review administrative rules. However, the commission shall adopt rules pursuant to sections 14.001 to 14.69 which establish procedures for the promulgation of the Sentencing Guidelines, including procedures for the promulgation of severity levels and criminal history scores, and these rules shall be subject to review by the Legislative Coordinating Commission.

Subd. 6. Clearinghouse and information center. The commission, in addition to establishing Sentencing Guidelines, shall serve as a clearinghouse and information center for the collection, preparation, analysis and dissemination of information on state and local sentencing practices, and shall conduct ongoing research regarding Sentencing Guidelines, use of imprisonment and alternatives to imprisonment, plea bargaining, and other matters relating to the improvement of the criminal justice system. The commission shall from time to time make recommendations to the legislature regarding changes in the Criminal Code, criminal procedures, and other aspects of sentencing.

This information shall include information regarding the impact of statutory changes to the state's criminal laws related to controlled substances, including those changes enacted by the legislature in Laws 2016, chapter 160.

Subd. 7. Study. After the implementation of the Sentencing Guidelines promulgated by the commission, the commission shall study their impact and review the powers and duties of the commissioner of corrections.

Subd. 8. Administrative services. The commissioner of corrections shall provide adequate office space and administrative services for the commission, and the commission shall reimburse the commissioner for the space and services provided. The commission may also utilize, with their consent, the services, equipment, personnel, information and resources of other state agencies; and may accept voluntary and uncompensated services, contract with individuals, public and private agencies, and request information, reports and data from any agency of the state, or any of its political subdivisions, to the extent authorized by law.

Subd. 9. Funds acceptance. When any person, corporation, the United States government, or any other entity offers funds to the Sentencing Guidelines Commission to carry out its purposes and duties, the commission may accept the offer by majority vote and upon acceptance the chair shall receive the funds subject to the terms of the offer, but no money shall be accepted or received as a loan nor shall any indebtedness be incurred except in the manner and under the limitations otherwise provided by law.

Subd. 10. Research director. The commission may select and employ a research director who shall perform the duties the commission directs, including the hiring of any clerical help and other employees as the commission shall approve. The research director and other staff shall be in the unclassified service of the state and their compensation shall be established pursuant to chapter 43A. They shall be reimbursed for the expenses necessarily incurred in the performance of their official duties in the same manner as other state employees.

Subd. 11. Modification. The commission shall meet as necessary for the purpose of modifying and improving the guidelines. Any modification which amends the Sentencing Guidelines grid, including severity levels and criminal history scores, or which would result in the reduction of any sentence or in the early release of any inmate, with the exception of a modification mandated or authorized by the legislature or relating to a crime created or amended by the legislature in the preceding session, shall be submitted to the legislature by January 15 of any year in which the

commission wishes to make the change and shall be effective on August 1 of that year, unless the legislature by law provides otherwise. All other modifications shall take effect according to the procedural rules of the commission. On or before January 15 of each year, the commission shall submit a written report to the committees of the senate and the house of representatives with jurisdiction over criminal justice policy that identifies and explains all modifications made during the preceding 12 months and all proposed modifications that are being submitted to the legislature that year.

Subd. 12. **Submission of guidelines.** The guidelines shall be submitted to the legislature on January 1, 1980, and shall be effective May 1, 1980, unless the legislature provides otherwise.

Subd. 13. **Rulemaking power.** The commission shall have authority to promulgate rules to carry out the purposes of subdivision 5.

Subd. 14. **Report on mandatory minimum sentences.** The Sentencing Guidelines Commission shall include in its annual report to the legislature a summary and analysis of reports received from county attorneys under section 609.11, subdivision 10.

244.10 SENTENCING HEARING; DEVIATION FROM GUIDELINES.

Subd. 2. **Deviation from guidelines.** Whether or not a sentencing hearing is requested pursuant to subdivision 1, the district court shall make written findings of fact as to the reasons for departure from the Sentencing Guidelines in each case in which the court imposes or stays a sentence that deviates from the Sentencing Guidelines applicable to the case.

Subd. 4. **Aggravated departures.** In bringing a motion for an aggravated sentence, the state is not limited to factors specified in the Sentencing Guidelines provided the state provides reasonable notice to the defendant and the district court prior to sentencing of the factors on which the state intends to rely.

Subd. 5. **Procedures in cases where state intends to seek an aggravated departure.** (a) When the prosecutor provides reasonable notice under subdivision 4, the district court shall allow the state to prove beyond a reasonable doubt to a jury of 12 members the factors in support of the state's request for an aggravated departure from the Sentencing Guidelines or the state's request for an aggravated sentence under any sentencing enhancement statute or the state's request for a mandatory minimum under section 609.11 as provided in paragraph (b) or (c).

(b) The district court shall allow a unitary trial and final argument to a jury regarding both evidence in support of the elements of the offense and evidence in support of aggravating factors when the evidence in support of the aggravating factors:

- (1) would be admissible as part of the trial on the elements of the offense; or
- (2) would not result in unfair prejudice to the defendant.

The existence of each aggravating factor shall be determined by use of a special verdict form.

Upon the request of the prosecutor, the court shall allow bifurcated argument and jury deliberations.

(c) The district court shall bifurcate the proceedings, or impanel a resentencing jury, to allow for the production of evidence, argument, and deliberations on the existence of factors in support of an aggravated departure after the return of a guilty verdict when the evidence in support of an aggravated departure:

- (1) includes evidence that is otherwise inadmissible at a trial on the elements of the offense; and
- (2) would result in unfair prejudice to the defendant.

Subd. 5a. **Aggravating factors.** (a) As used in this section, "aggravating factors" include, but are not limited to, situations where:

- (1) the victim was particularly vulnerable due to age, infirmity, or reduced physical or mental capacity, which was known or should have been known to the offender;
- (2) the victim was treated with particular cruelty for which the offender should be held responsible;

APPENDIX
Repealed Minnesota Statutes: 20-7633

(3) the current conviction is for a criminal sexual conduct offense or an offense in which the victim was otherwise injured and there is a prior felony conviction for a criminal sexual conduct offense or an offense in which the victim was otherwise injured;

(4) the offense was a major economic offense, identified as an illegal act or series of illegal acts committed by other than physical means and by concealment or guile to obtain money or property, to avoid payment or loss of money or property, or to obtain business or professional advantage. The presence of two or more of the circumstances listed below are aggravating factors with respect to the offense:

(i) the offense involved multiple victims or multiple incidents per victim;

(ii) the offense involved an attempted or actual monetary loss substantially greater than the usual offense or substantially greater than the minimum loss specified in the statutes;

(iii) the offense involved a high degree of sophistication or planning or occurred over a lengthy period of time;

(iv) the offender used the offender's position or status to facilitate the commission of the offense, including positions of trust, confidence, or fiduciary relationships; or

(v) the offender had been involved in other conduct similar to the current offense as evidenced by the findings of civil or administrative law proceedings or the imposition of professional sanctions;

(5) the offense was a major controlled substance offense, identified as an offense or series of offenses related to trafficking in controlled substances under circumstances more onerous than the usual offense. The presence of two or more of the circumstances listed below are aggravating factors with respect to the offense:

(i) the offense involved at least three separate transactions in which controlled substances were sold, transferred, or possessed with intent to do so;

(ii) the offense involved an attempted or actual sale or transfer of controlled substances in quantities substantially larger than for personal use;

(iii) the offense involved the manufacture of controlled substances for use by other parties;

(iv) the offender knowingly possessed a firearm during the commission of the offense;

(v) the circumstances of the offense reveal the offender to have occupied a high position in the drug distribution hierarchy;

(vi) the offense involved a high degree of sophistication or planning or occurred over a lengthy period of time or involved a broad geographic area of disbursement; or

(vii) the offender used the offender's position or status to facilitate the commission of the offense, including positions of trust, confidence, or fiduciary relationships;

(6) the offender committed, for hire, a crime against the person;

(7) the offender is sentenced according to section 609.3455, subdivision 3a;

(8) the offender is a dangerous offender who committed a third violent crime, as described in section 609.1095, subdivision 2;

(9) the offender is a career offender as described in section 609.1095, subdivision 4;

(10) the offender committed the crime as part of a group of three or more persons who all actively participated in the crime;

(11) the offender intentionally selected the victim or the property against which the offense was committed, in whole or in part, because of the victim's, the property owner's, or another's actual or perceived race, color, religion, sex, sexual orientation, disability, age, or national origin;

(12) the offender used another's identity without authorization to commit a crime. This aggravating factor may not be used when the use of another's identity is an element of the offense;

(13) the offense was committed in the presence of a child; and

(14) the offense was committed in a location in which the victim had an expectation of privacy.

(b) Notwithstanding section 609.04 or 609.035, or other law to the contrary, when a court sentences an offender for a felony conviction, the court may order an aggravated sentence beyond

APPENDIX
Repealed Minnesota Statutes: 20-7633

the range specified in the sentencing guidelines grid based on any aggravating factor arising from the same course of conduct.

(c) Nothing in this section limits a court from ordering an aggravated sentence based on an aggravating factor not described in paragraph (a).

Subd. 6. **Defendants to present evidence and argument.** In either a unitary or bifurcated trial under subdivision 5, a defendant shall be allowed to present evidence and argument to the jury or fact finder regarding whether facts exist that would justify an aggravated departure or an aggravated sentence under any sentencing enhancement statute or a mandatory minimum sentence under section 609.11. A defendant is not allowed to present evidence or argument to the jury or fact finder regarding facts in support of a mitigated departure during the trial, but may present evidence and argument in support of a mitigated departure to the judge as fact finder during a sentencing hearing.

Subd. 7. **Waiver of jury determination.** The defendant may waive the right to a jury determination of whether facts exist that would justify an aggravated sentence. Upon receipt of a waiver of a jury trial on this issue, the district court shall determine beyond a reasonable doubt whether the factors in support of the state's motion for aggravated departure or an aggravated sentence under any sentencing enhancement statute or a mandatory minimum sentence under section 609.11 exist.

Subd. 8. **Notice of information regarding predatory offenders.** (a) Subject to paragraph (b), in any case in which a person is convicted of an offense and the presumptive sentence under the Sentencing Guidelines is commitment to the custody of the commissioner of corrections, if the court grants a dispositional departure and stays imposition or execution of sentence, the probation or court services officer who is assigned to supervise the offender shall provide in writing to the following the fact that the offender is on probation and the terms and conditions of probation:

(1) a victim of and any witnesses to the offense committed by the offender, if the victim or the witness has requested notice; and

(2) the chief law enforcement officer in the area where the offender resides or intends to reside.

The law enforcement officer, in consultation with the offender's probation officer, may provide all or part of this information to any of the following agencies or groups the offender is likely to encounter: public and private educational institutions, day care establishments, and establishments or organizations that primarily serve individuals likely to be victimized by the offender. The law enforcement officer, in consultation with the offender's probation officer, also may disclose the information to individuals the officer believes are likely to be victimized by the offender. The officer's belief shall be based on the offender's pattern of offending or victim preference as documented in the information provided by the Department of Corrections or Department of Human Services.

The probation officer is not required under this subdivision to provide any notice while the offender is placed or resides in a residential facility that is licensed under section 241.021 or 245A.02, subdivision 14, if the facility staff is trained in the supervision of sex offenders.

(b) Paragraph (a) applies only to offenders required to register under section 243.166, as a result of the conviction.

(c) The notice authorized by paragraph (a) shall be limited to data classified as public under section 13.84, subdivision 6, unless the offender provides informed consent to authorize the release of nonpublic data or unless a court order authorizes the release of nonpublic data.

(d) Nothing in this subdivision shall be interpreted to impose a duty on any person to use any information regarding an offender about whom notification is made under this subdivision.

Subd. 9. **Computation of criminal history score.** If the defendant contests the existence of or factual basis for a prior conviction in the calculation of the defendant's criminal history score, proof of it is established by competent and reliable evidence, including a certified court record of the conviction.
