15.23 the voter is a judge, or a law enforcement or corrections officer. The secretary of state
15.24 may prescribe additional election-related information to be placed on the polling place
15.25 rosters on an experimental basis for one state primary and general election cycle; the same
15.26 information may not be placed on the polling place roster for a second state primary and
15.27 general election cycle unless specified in this subdivision. The polling place roster must
15.28 be used to indicate whether the voter has voted in a given election. The secretary of state
15.29 shall prescribe procedures for transporting the polling place rosters to the election judges
15.30 for use on election day. The secretary of state shall prescribe the form for a county or
15.31 municipality to request the date of birth from currently registered voters. The county or
15.32 municipality shall not request the date of birth from currently registered voters by any

16.11 provided in this section, appointments shall be made from lists furnished pursuant to
16.12 subdivision 1 subject to the eligibility requirements and other qualifications established
16.13 or authorized under section 204B.19. At least two election judges in each precinct must
16.14 be affiliated with different major political parties. If no lists have been furnished or if
16.15 additional election judges are required after all listed names in that municipality have
16.16 been exhausted, the appointing authority may appoint other individuals who meet the
16.17 qualifications to serve as an election judge, including persons who are not affiliated with a
16.18 major political party. The appointments shall be made at least 25 days before the election
16.19 at which the election judges will serve, except that the appointing authority may pass a
16.20 resolution authorizing the appointment of additional election judges within the 25 days
16.21 before the election if the appointing authority determines that additional election judges
16.22 will be required. Notwithstanding any other provision of law, an individual serving only as
16.23 an election judge, is not an employee of a school district, regardless of whether an office
16.24 of the school district appears on the ballot in the precinct at the election.

16.25 Sec. 24. Minnesota Statutes 2010, section 204C.10, is amended to read:

16.34 because, if the individual was convicted of a felony, the felony sentence has expired or

17.1 been completed or the individual has been discharged from the sentence, is registered
17.2 and has not already voted in the election. The roster must also state: "I understand that
17.3 deliberately providing false information is a felony punishable by not more than five years
17.4 imprisonment and a fine of not more than \$10,000, or both." In precincts using electronic

17.10 name, address, and date of birth. A voter who cannot produce sufficient identification as
17.11 required by subdivision 2 may not sign the polling place roster, but may cast a provisional
17.12 ballot, as provided in section 204C.135.

17.13 (c) In precincts using paper rosters, after the applicant signs the roster, the judge
17.14 shall give the applicant a voter's receipt. In all precincts, the voter shall deliver the voter's
17.15 receipt to the judge in charge of ballots as proof of the voter's right to vote, and thereupon
17.16 the judge shall hand to the voter the ballot. The voters' receipts must be maintained ~~during~~
17.17 ~~the time for notice of filing an election contest~~ for 36 months following the date of the
17.18 election.

17.19 Subd. 2. Photo identification. (a) To satisfy the photo identification requirement in
17.20 subdivision 1, paragraph (b), a voter must present a valid form of one of the following

18.19 enforcement officer, or corrections officer is not deficient for a lack of the voter's current
18.20 address of residence in the precinct if the identification card contains the mailing address
18.21 of the voter and that matches the address listed on the polling place roster.

18.22 Sec. 25. Minnesota Statutes 2010, section 204C.12, subdivision 3, is amended to read:

18.23 Subd. 3. **Determination of residence.** In determining the legal residence of a
18.24 challenged individual, the election judges shall be governed by the principles contained in
18.25 section 200.031. If the challenged individual's answers to the questions show ineligibility
18.26 to vote in that precinct, the individual shall not be allowed to vote. If the individual has
18.27 marked ballots but not yet deposited them in the ballot boxes before the election judges
18.28 determine ineligibility to vote in that precinct, the marked ballots shall be placed ~~unopened~~
18.29 with the spoiled ballots. If the answers to the questions fail to show that the individual is
18.30 not eligible to vote in that precinct and the challenge is not withdrawn, the election judges

27.14 Subd. 4. **Registration by election judges; procedures.** Registration at the polling
27.15 place on election day shall be conducted by the election judges. Before registering an
27.16 individual to vote at the polling place, the election judge must review any list of absentee

27.19 election judge must not allow the individual to register or to vote in the polling place.

27.20 The election judges shall also review the list of individuals reported to be ineligible to

27.30 county auditor who shall add the name of each voter to the registration system unless the
27.31 information forwarded is substantially deficient. A county auditor who finds an election
27.32 day registration substantially deficient shall give written notice to the individual whose
27.33 registration is found deficient. An election day registration shall not be found deficient
27.34 solely because the individual who provided proof of residence was ineligible to do so.

S.F. No. 509, 6th Engrossment - 87th Legislative Session (2011-2012) [S0509-6]

28.1 Sec. 5. Minnesota Statutes 2010, section 201.061, subdivision 7, is amended to read:

28.2 Subd. 7. **Record of attempted registrations.** The election judge responsible for

28.7 Sec. 6. Minnesota Statutes 2010, section 201.071, subdivision 3, is amended to read:

28.8 Subd. 3. **Deficient registration.** No voter registration application is deficient if it
28.9 contains the voter's name, address, date of birth, current and valid Minnesota driver's
28.10 license number ~~or~~ Minnesota state identification number, voter identification card
28.11 number, or if the voter has no current and valid Minnesota driver's license ~~or number~~,

28.13 digits of the voter's Social Security number, if the voter has been issued a Social Security
28.14 number, prior registration, if any, and signature. The absence of a zip code number does
28.15 not cause the registration to be deficient. ~~Failure to check a box on an application form~~
28.16 ~~that a voter has certified to be true does not cause the registration to be deficient.~~ The
28.17 election judges shall request an individual to correct a voter registration application if it is
28.18 deficient or illegible. No eligible voter may be prevented from voting unless the voter's
28.19 registration application is deficient or the voter is duly and successfully challenged in
28.20 accordance with section 201.195 or 204C.12.

28.21 A voter registration application accepted prior to August 1, 1983, is not deficient for
28.22 lack of date of birth. The county or municipality ~~may~~ shall attempt to obtain the date of
28.23 birth for a voter registration application accepted prior to August 1, 1983, by a request to
28.24 the voter ~~at any time except at the polling place. Failure by the voter to comply with this~~
28.25 ~~request does not make the registration deficient.~~

28.26 A voter registration application accepted before January 1, 2004, is not deficient for
28.27 lack of a valid Minnesota driver's license or state identification number, voter identification
28.28 card number, or the last four digits of a Social Security number. A voter registration
28.29 application submitted by a voter who does not have a Minnesota driver's license or state
28.30 identification number, voter identification card number, or a Social Security number, is not
28.31 deficient for lack of any of these numbers.

28.32 Sec. 7. Minnesota Statutes 2010, section 201.081, is amended to read:

28.33 **201.081 REGISTRATION FILES.**

29.20 election day must be entered into the statewide registration system within ten days after
29.21 they have been submitted to the county auditor. Voter registration applications completed
29.22 on election day must be entered into the statewide registration system within 42 days after
29.23 the election, ~~unless the county auditor notifies the secretary of state before the 42-day~~
29.24 ~~deadline has expired that the deadline will not be met.~~

29.25 (b) Upon receiving a completed voter registration application, the secretary of state
29.26 may electronically transmit the information on the application to the appropriate county
29.27 auditor as soon as possible for review by the county auditor before final entry into the
29.28 statewide registration system. The secretary of state may mail the voter registration
29.29 application to the county auditor.

29.30 (c) Within ten days after the county auditor has entered information from a voter
29.31 registration application into the statewide registration system, the secretary of state shall
29.32 compare the voter's name, date of birth, and driver's license number, state identification
29.33 number, voter identification card number, or the last four digits of the Social Security
29.34 number with the same information contained in the Department of Public Safety database.

30.1 (d) The secretary of state shall provide a report to the county auditor on a weekly
30.2 basis that includes a list of voters whose name, date of birth, or identification number have
30.3 been compared with the same information in the Department of Public Safety database
30.4 and cannot be verified as provided in this subdivision. The report must list separately
30.5 those voters who have submitted a voter registration application by mail and have not
30.6 voted in a federal election in this state.

30.7 (e) The county auditor shall compile a list of voters for whom the county auditor
30.8 and the secretary of state are unable to conclude that information on the voter registration
30.9 application and the corresponding information in the Department of Public Safety database
30.10 relate to the same person.

30.11 (f) The county auditor shall send a notice of incomplete registration to any voter
30.12 whose name appears on the list and change the voter's status to "incomplete." A voter who
30.13 receives a notice of incomplete registration from the county auditor may either provide
30.14 the information required to complete the registration at least 21 days before the next
30.15 election or at the polling place on election day.

30.16 Sec. 9. Minnesota Statutes 2010, section 201.121, subdivision 3, is amended to read:

30.17 Subd. 3. **Postelection sampling.** Within ten days after an election, the county
30.18 auditor shall send the notice required by subdivision 2 to a random sampling of the
30.19 individuals registered on election day. The random sampling shall be determined in
30.20 accordance with the rules of the secretary of state. As soon as practicable after the
30.21 election, but no later than January 1 of the following year, the county auditor shall mail
30.22 the notice required by subdivision 2 to all other individuals registered on election day.
30.23 If a notice is returned as not deliverable, the county auditor shall attempt to determine
30.24 the reason for the return. A county auditor who does not receive or obtain satisfactory
30.25 proof of an individual's eligibility to vote shall immediately notify the county attorney of
30.26 all of the relevant information and the secretary of state of the numbers by precinct. By
30.27 March 1 of every odd-numbered year, the secretary of state shall report to the chair and
30.28 ranking minority members of the legislative committees with jurisdiction over elections
30.29 the number of notices reported under this subdivision to the secretary of state for the
30.30 previous state general election by county and precinct.

30.31 Sec. 10. Minnesota Statutes 2010, section 201.171, is amended to read:

30.32 **201.171 POSTING VOTING HISTORY; FAILURE TO VOTE;**
30.33 **REGISTRATION REMOVED.**

31.1 Within six weeks after every election, the county auditor shall post the voting
31.2 history for every person who voted in the election. After the close of the calendar year, the
31.3 secretary of state shall determine if any registrants have not voted during the preceding
31.4 four years. The secretary of state shall perform list maintenance by changing the status of
31.5 those registrants to "inactive" in the statewide registration system. The list maintenance
31.6 performed must be conducted in a manner that ensures that the name of each registered
31.7 voter appears in the official list of eligible voters in the statewide registration system.
31.8 A voter must not be removed from the official list of eligible voters unless the voter is
31.9 not eligible or is not registered to vote. List maintenance must include procedures for
31.10 eliminating duplicate names from the official list of eligible voters.

31.11 The secretary of state shall also prepare a report to the county auditor containing the
31.12 names of all registrants whose status was changed to "inactive."

31.13 Registrants whose status was changed to "inactive" must register in the manner
31.14 specified in section 201.054 before voting in any primary, special primary, general, school
31.15 district, or special election, as required by section 201.018.

31.16 Although not counted in an election, a late or rejected absentee or mail ballot must
31.17 be considered a vote for the purpose of continuing registration under this section, but is
31.18 not considered voting history ~~for the purpose of public information lists available under~~
31.19 ~~section 201.091, subdivision 4.~~

31.20 Sec. 11. **[201.197] CHALLENGED ELIGIBILITY LIST.**

31.21 (a) The secretary of state shall maintain an electronic database of individuals not
31.22 registered and who are reported to be ineligible to vote under section 201.014. The
31.23 database may be maintained as a module of the statewide voter registration system, if
31.24 permitted by federal law, or maintained as a separate database, and at a minimum must
31.25 include an individual's name, address of residence, date of birth, the reason the individual
31.26 is reported to be ineligible to vote and, if available, the individual's driver's license or state
31.27 identification card number, voter identification card number, or the last four digits of the
31.28 individual's Social Security number. Entries in the database shall be compiled using data
31.29 submitted to the secretary of state under this chapter.

31.30 (b) An elections official processing a voter registration application must verify
31.31 whether the individual listed on the application is included in the database of individuals
31.32 reported to be ineligible to vote. If the individual is listed in the database, the voter
31.33 registration application may be accepted, but the voter's status must be listed as
31.34 "challenged." An election judge processing a voter registration application submitted by a
31.35 voter in a polling place on election day must verify the application using the electronic

32.1 roster, or if the polling place does not have an electronic roster, using a paper list provided
32.2 by the county auditor. A paper list used for verification in a polling place may be limited
32.3 to only those individuals reported to be residents of the county in which the precinct
32.4 is located.

32.5 Sec. 12. Minnesota Statutes 2010, section 201.221, subdivision 3, is amended to read:

32.6 Subd. 3. **Procedures for polling place rosters.** The secretary of state shall
32.7 prescribe the form of polling place rosters that include the voter's name, address, date of
32.8 birth, school district number, and space for the voter's signature. The secretary of state
32.9 may prescribe additional election-related information to be placed on the polling place
32.10 rosters on an experimental basis for one state primary and general election cycle; the same
32.11 information may not be placed on the polling place roster for a second state primary and
32.12 general election cycle unless specified in this subdivision. The polling place roster must
32.13 be used to indicate whether the voter has voted in a given election. The secretary of state
32.14 shall prescribe procedures for transporting the polling place rosters to the election judges
32.15 for use on election day. The secretary of state shall prescribe the form for a county or
32.16 municipality to request the date of birth from currently registered voters. The county or
32.17 municipality shall not request the date of birth from currently registered voters by any
32.18 communication other than the prescribed form and the form must clearly indicate that a
32.19 currently registered voter does not lose registration status by failing to provide the date of
32.20 birth. In accordance with section 204B.40, the county auditor shall retain the prescribed
32.21 polling place rosters used on the date of election for ~~22~~ 36 months following the election.

32.22 Sec. 13. Minnesota Statutes 2010, section 203B.04, subdivision 1, is amended to read:

32.23 Subdivision 1. **Application procedures.** (a) Except as otherwise allowed by
32.24 subdivision 2 or by section 203B.11, subdivision 4, an application for absentee ballots for
32.25 any election may be submitted at any time not less than one day before the day of that
32.26 election. The county auditor shall prepare absentee ballot application forms in the format
32.27 provided by the secretary of state and shall furnish them to any person on request. By
32.28 January 1 of each even-numbered year, the secretary of state shall make the forms to be
32.29 used available to auditors through electronic means. An application submitted pursuant to
32.30 this subdivision shall be in writing and shall be submitted to:

32.31 (1) the county auditor of the county where the applicant maintains residence; or

32.32 (2) the municipal clerk of the municipality, or school district if applicable, where
32.33 the applicant maintains residence.

33.1 (b) An application shall be approved if it is timely received, signed and dated by the
33.2 applicant, and contains:

33.3 (1) the applicant's name and residence and mailing addresses;

33.4 (2) the applicant's date of birth, ~~and at least one of the following:~~

33.5 (3) the applicant's Minnesota driver's license number, Minnesota state identification
33.6 card number, or Minnesota voter identification card number; and

33.7 (4) the last four digits of the applicant's Social Security number or a statement that
33.8 the applicant does not have a Social Security number.

33.9 ~~(1) the applicant's Minnesota driver's license number;~~

33.10 ~~(2) Minnesota state identification card number;~~

33.11 ~~(3) the last four digits of the applicant's Social Security number; or~~

33.12 ~~(4) a statement that the applicant does not have any of these numbers.~~

33.13 To be approved, the application must state that the applicant is eligible to vote by
33.14 absentee ballot for one of the reasons specified in section 203B.02, and must contain an
33.15 oath that the information contained on the form is accurate, that the applicant is applying
33.16 on the applicant's own behalf, and that the applicant is signing the form under penalty
33.17 of perjury.

33.18 Prior to approval, the county auditor or municipal clerk must verify that the
33.19 Minnesota driver's license number, state identification card number, or voter identification
33.20 card number submitted by an applicant is valid and assigned to that applicant. An
33.21 application that contains a driver's license or identification card number that is invalid or
33.22 not assigned to the applicant must be rejected. The county auditor or municipal clerk
33.23 must also verify that the applicant does not appear on any lists of reported ineligible
33.24 voters maintained by the county auditor or municipal clerk, or provided to the county
33.25 auditor or municipal clerk by the secretary of state. When verifying eligibility, the county
33.26 auditor or municipal clerk must use the same standards and process as used for individuals
33.27 appearing in the polling place on election day, except that an applicant is not required to
33.28 appear in person or present photo identification meeting the standards of section 204C.10,
33.29 subdivision 2.

33.30 (c) An applicant's full date of birth, Minnesota driver's license ~~or~~ state identification,
33.31 or voter identification card number, and the last four digits of the applicant's Social
33.32 Security number must not be made available for public inspection. An application may be
33.33 submitted to the county auditor or municipal clerk by an electronic facsimile device. An
33.34 application mailed or returned in person to the county auditor or municipal clerk on behalf
33.35 of a voter by a person other than the voter must be deposited in the mail or returned in
33.36 person to the county auditor or municipal clerk within ten days after it has been dated by

34.1 the voter and no later than six days before the election. The absentee ballot applications
34.2 or a list of persons applying for an absentee ballot may not be made available for public
34.3 inspection until the close of voting on election day.

34.4 An application under this subdivision may contain an application under subdivision
34.5 5 to automatically receive an absentee ballot application.

34.6 Sec. 14. Minnesota Statutes 2010, section 203B.04, subdivision 2, is amended to read:

34.7 Subd. 2. **Health care patient.** An eligible voter who on the day before an election
34.8 becomes a resident or patient in a health care facility or hospital located in the municipality
34.9 in which the eligible voter maintains residence may apply for an absentee ~~ballots~~ ballot on
34.10 election day if the voter:

34.11 ~~(a) requests an application form by telephone from the municipal clerk by telephone~~
34.12 ~~not no~~ later than 5:00 p.m. on the day before election day; ~~or~~

34.13 ~~(b) submits an absentee ballot application to the election judges engaged in~~
34.14 ~~delivering absentee ballots pursuant to section 203B.11.~~

34.15 Sec. 15. Minnesota Statutes 2010, section 203B.06, subdivision 5, is amended to read:

34.16 Subd. 5. **Preservation of records.** An application for absentee ballots shall be
34.17 dated by the county auditor or municipal clerk when it is received and shall be initialed
34.18 when absentee ballots are mailed or delivered to the applicant. All applications shall be
34.19 preserved by the county auditor or municipal clerk for ~~22~~ 36 months.

34.20 Sec. 16. Minnesota Statutes 2010, section 203B.121, subdivision 1, is amended to read:

34.21 Subdivision 1. **Establishment; applicable laws.** (a) The governing body of each
34.22 county, municipality, and school district with responsibility to accept and reject absentee
34.23 ballots must, by ordinance or resolution, establish a ballot board. The board must consist
34.24 of a sufficient number of election judges trained in the handling of absentee ballots and
34.25 appointed as provided in sections 204B.19 to 204B.22. The board may include staff
34.26 trained as election judges.

34.27 (b) Each jurisdiction must pay a reasonable compensation to each member of that
34.28 jurisdiction's ballot board for services rendered during an election.

34.29 (c) A ballot board may only meet to perform its duties under this chapter during the
34.30 period in which completed absentee ballots are accepted for an election. The time and
34.31 place of each meeting must be scheduled, announced, and posted on the Web site of the
34.32 governing body of the county, municipality, or school district at least 14 days prior to
34.33 convening the first meeting of the ballot board for an election. If the governing body of

35.1 the county, municipality, or school district does not have a Web site, the time and place
35.2 of each meeting must be posted, in writing, on the principal bulletin board of the body.
35.3 Meetings of the ballot board must be convened at the same time and in the same location.
35.4 The ballot board must also meet on any day during which the county or municipal offices
35.5 are open for the purposes of conducting election business prior to an election. A ballot
35.6 board may not meet except during regularly scheduled meetings announced and posted as
35.7 required by this paragraph.

35.8 (d) Except as otherwise provided by this section, all provisions of the Minnesota
35.9 Election Law apply to a ballot board.

35.10 Sec. 17. Minnesota Statutes 2010, section 204B.40, is amended to read:

35.11 **204B.40 BALLOTS; ELECTION RECORDS AND OTHER MATERIALS;**
35.12 **DISPOSITION; INSPECTION OF BALLOTS.**

35.13 The county auditors, municipal clerks, and school district clerks shall retain all
35.14 election materials returned to them after any election for at least ~~22~~ 36 months from
35.15 the date of that election. All election materials involved in a contested election must be
35.16 retained for ~~22~~ 36 months or until the contest has been finally determined, whichever is
35.17 later. Abstracts filed by canvassing boards shall be retained permanently by any officer
35.18 with whom those abstracts are filed. Election materials no longer required to be retained
35.19 pursuant to this section shall be disposed of in accordance with sections 138.163 to 138.21.
35.20 Sealed envelopes containing voted ballots must be retained unopened, except as provided
35.21 in this section, in a secure location. The county auditor, municipal clerk, or school district
35.22 clerk shall not permit any voted ballots to be tampered with or defaced.

35.23 After the time for filing a notice of contest for an election has passed, the secretary
35.24 of state may, for the purpose of monitoring and evaluating election procedures: (1)
35.25 open the sealed ballot envelopes and inspect the ballots for that election maintained by
35.26 the county auditors, municipal clerks, or school district clerks; (2) inspect the polling
35.27 place rosters and completed voter registration applications; or (3) examine other forms
35.28 required in the Minnesota election laws for use in the polling place. No inspected ballot or
35.29 document may be marked or identified in any manner. After inspection, all ballots must be
35.30 returned to the ballot envelope and the ballot envelope must be securely resealed. Any
35.31 other election materials inspected or examined must be secured or resealed. ~~No polling~~
35.32 ~~place roster may be inspected until the voting history for that precinct has been posted.~~
35.33 ~~No voter registration application may be inspected until the information on it has been~~
35.34 ~~entered into the statewide registration system.~~

S.F. No. 509, 6th Engrossment - 87th Legislative Session (2011-2012) [S0509-6]

36.1 Sec. 18. Minnesota Statutes 2010, section 204C.20, subdivision 1, is amended to read:

36.2 Subdivision 1. **Determination of proper number.** The election judges shall
36.3 determine the number of ballots to be counted by ~~adding the number of return envelopes~~
36.4 ~~from accepted absentee ballots to the number of signed voter's certificates, or to the~~
36.5 ~~number of names entered in the election register~~ counting the number of original voter
36.6 signatures contained in the polling place roster, or on voter's receipts generated from an
36.7 electronic roster. The election judges may not count the number of voter receipts collected
36.8 in the precinct as a substitute for counting original voter signatures unless the voter
36.9 receipts contain the name, voter identification number, and signature of the voter to whom
36.10 the receipt was issued. The election judges shall then remove all the ballots from the box.
36.11 Without considering how the ballots are marked, the election judges shall ascertain that
36.12 each ballot is separate and shall count them to determine whether the number of ballots in
36.13 the box corresponds with the number of ballots to be counted.

36.14 Sec. 19. Minnesota Statutes 2010, section 204C.20, subdivision 2, is amended to read:

36.15 Subd. 2. **Excess ballots.** If two or more ballots are found folded together like
36.16 a single ballot, the election judges shall lay them aside until all the ballots in the box
36.17 have been counted. If it is evident from the number of ballots to be counted that the
36.18 ballots folded together were cast by one voter, the election judges shall preserve but not
36.19 count them. If the number of ballots in one box exceeds the number to be counted, the
36.20 election judges shall examine all the ballots in the box to ascertain that all are properly
36.21 marked with the initials of the election judges. If any ballots are not properly marked with
36.22 the initials of the election judges, the election judges shall preserve but not count them;
36.23 however, if the number of ballots does not exceed the number to be counted, the absence
36.24 of either or both sets of initials of the election judges does not, by itself, disqualify the
36.25 vote from being counted ~~and must not~~ but may be the basis of a challenge in a recount.
36.26 If there is still an excess of properly marked ballots, the election judges shall replace
36.27 them in the box, and one election judge, without looking, shall withdraw from the box
36.28 a number of ballots equal to the excess. The withdrawn ballots shall not be counted but
36.29 shall be preserved as provided in subdivision 4.

36.30 Sec. 20. Minnesota Statutes 2010, section 204C.20, subdivision 4, is amended to read:

36.31 Subd. 4. **Ballots not counted; disposition.** When the final count of ballots agrees
36.32 with the number of ballots to be counted, those ballots not counted shall be clearly marked
36.33 "excess" on the front of the ballot and attached to a certificate made by the election judges
36.34 which states the number of ballots not counted and why ~~the ballots they~~ were not counted.

37.1 The certificate and uncounted ballots shall be sealed in a separate envelope ~~and returned~~
37.2 ~~to~~ clearly marked "excess ballots." The election judges shall sign their names over the
37.3 envelope seal and return the ballots to the county auditor or municipal or school district
37.4 clerk from whom they were received. Tabulation of vote totals from a precinct where
37.5 excess ballots were removed from the ballot box shall be completed by the canvassing
37.6 board responsible for certifying the election results from that precinct.

37.7 Sec. 21. Minnesota Statutes 2010, section 204C.20, is amended by adding a
37.8 subdivision to read:

37.9 Subd. 5. **Applicability.** The requirements of this section apply regardless of the
37.10 voting system or method of tabulation used in a precinct.

37.11 Sec. 22. Minnesota Statutes 2010, section 204C.23, is amended to read:

37.12 **204C.23 SPOILED, DEFECTIVE, AND DUPLICATE BALLOTS.**

37.13 (a) A ballot that is spoiled by a voter must be clearly marked "spoiled" by an election
37.14 judge, placed in an envelope designated for spoiled ballots from the precinct, sealed, and
37.15 returned as required by section 204C.25.

37.16 (b) A ballot that is defective to the extent that the election judges are unable to
37.17 determine the voter's intent shall be marked on the back "Defective" if it is totally
37.18 defective or "Defective as to,," naming the office or question if it is defective only in
37.19 part. Defective ballots must be placed in an envelope designated for defective ballots from
37.20 the precinct, sealed, and returned as required by section 204C.25.

37.21 (c) A damaged or defective ballot that requires duplication must be handled as
37.22 required by section 206.86, subdivision 5.

37.23 Sec. 23. Minnesota Statutes 2010, section 204C.24, subdivision 1, is amended to read:

37.24 Subdivision 1. **Information requirements.** Precinct summary statements shall be
37.25 submitted by the election judges in every precinct. For all elections, the election judges
37.26 shall complete three or more copies of the summary statements, and each copy shall
37.27 contain the following information for each kind of ballot:

37.28 ~~(a)~~ (1) the number of ballots delivered to the precinct as adjusted by the actual count
37.29 made by the election judges, the number of unofficial ballots made, and the number of
37.30 absentee ballots delivered to the precinct;

37.31 ~~(b)~~ (2) the number of votes each candidate received or the number of yes and no
37.32 votes on each question, the number of undervotes, the number of overvotes, and the
37.33 number of defective ballots with respect to each office or question;

38.1 ~~(e)~~ (3) the number of spoiled ballots, the number of duplicate ballots made, the
38.2 number of absentee ballots rejected, and the number of unused ballots, presuming that the
38.3 total count provided on each package of unopened prepackaged ballots is correct;

38.4 (4) the number of ballots cast;

38.5 ~~(d)~~ (5) the number of ~~individuals who voted at the election in the precinct~~ voter
38.6 signatures contained on the polling place roster or on voter receipts generated by an
38.7 electronic roster, which must equal the total number of ballots cast in the precinct, as
38.8 required by sections 204C.20 and 206.86, subdivision 1;

38.9 (6) the number of excess ballots removed by the election judges, as required by
38.10 section 204C.20;

38.11 ~~(e)~~ (7) the number of voters registering on election day in that precinct; and

38.12 ~~(f)~~ (8) the signatures of the election judges who counted the ballots certifying that
38.13 all of the ballots cast were properly piled, checked, and counted; and that the numbers
38.14 entered by the election judges on the summary statements correctly show the number of
38.15 votes cast for each candidate and for and against each question.

38.16 At least two copies of the summary statement must be prepared for elections not
38.17 held on the same day as the state elections.

38.18 Sec. 24. Minnesota Statutes 2010, section 206.86, subdivision 1, is amended to read:

38.19 Subdivision 1. ~~At the voting location~~ **Precinct polling locations; duties;**
38.20 **reconciliation.** In precincts where an electronic voting system is used, as soon as the polls
38.21 are closed the election judges shall secure the voting systems against further voting. They
38.22 shall then open the ballot box and count the number of ~~ballot cards~~ ballots or envelopes
38.23 containing ~~ballot cards~~ ballots that have been cast to determine that the number of ~~ballot~~
38.24 ~~cards~~ ballots does not exceed the number of ~~voters shown on original voter signatures~~
38.25 contained in the election register or registration file polling place roster or on voter receipts
38.26 generated from an electronic roster. The election judges may not count the number of
38.27 voter receipts collected in the precinct as a substitute for counting original voter signatures
38.28 unless the voter receipts contain the name, voter identification number, and signature of
38.29 the voter to whom the receipt was issued. If there is an excess, the judges shall seal the
38.30 ballots in a ballot container and transport the container to the county auditor or municipal
38.31 clerk who shall process the ballots in the same manner as paper ballots are processed in
38.32 section 204C.20, subdivision 2, then enter the ballots into the ballot counter proceed in the
38.33 manner required for excess ballots under section 204C.20, subdivisions 2 to 4. The total
38.34 number of voters must be entered on the forms provided. The judges shall next count the
38.35 write-in votes and enter the number of those votes on forms provided for the purpose.

S.F. No. 509, 6th Engrossment - 87th Legislative Session (2011-2012) [S0509-6]

39.1 Sec. 25. Minnesota Statutes 2010, section 206.86, subdivision 2, is amended to read:

39.2 Subd. 2. **Transportation of ~~ballot cards~~ ballots.** The judges shall place all voted
39.3 ~~ballot cards~~ ballots, excess ballots, defective ballots, and damaged ballots in the container
39.4 provided for transporting them to the counting center. The container must be sealed and
39.5 delivered immediately to the counting center by two judges who are not of the same major
39.6 political party. The judges shall also deliver to the counting center in a suitable container
39.7 the unused ~~ballot cards~~ ballots, the spoiled ballot envelope, and the ballot envelopes issued
39.8 to the voters and deposited during the day in the ballot box.

39.9 Sec. 26. Minnesota Statutes 2010, section 209.021, subdivision 1, is amended to read:

39.10 Subdivision 1. **Manner; time; contents.** Service of a notice of contest must be
39.11 made in the same manner as the service of summons in civil actions. The notice of contest
39.12 must specify the grounds on which the contest will be made. The contestant shall serve
39.13 notice of the contest on the parties enumerated in this section. Notice must be served and
39.14 filed within five days after the canvass is completed in the case of a primary or special
39.15 primary or within seven days after the canvass is completed in the case of a special or
39.16 general election; except that:

39.17 (1) if a contest is based on a deliberate, serious, and material violation of the election
39.18 laws which was discovered from the statements of receipts and disbursements required
39.19 to be filed by candidates and committees, the action may be commenced and the notice
39.20 served and filed within ten days after the filing of the statements in the case of a general
39.21 or special election or within five days after the filing of the statements in the case of a
39.22 primary or special primary;

39.23 (2) if a notice of contest questions only which party received the highest number
39.24 of votes legally cast at the election, a contestee who loses may serve and file a notice of
39.25 contest on any other ground during the three days following expiration of the time for
39.26 appealing the decision on the vote count; and

39.27 (3) if data or documents necessary to determine grounds for a contest, including but
39.28 not limited to lists of the names of every voter who participated in an election, are not
39.29 available to a candidate or the general public prior to the close of the period for filing a
39.30 notice of contest under this section due to nonfeasance, malfeasance, or failure to perform
39.31 duties within the time required by statute on the part of the secretary of state, a county
39.32 auditor, or other state, county, or municipal election official, a notice of contest may be
39.33 served and filed within seven days after the data or documents become available for
39.34 inspection by the candidates and the general public.

40.1 Sec. 27. Minnesota Statutes 2010, section 209.06, subdivision 1, is amended to read:

40.2 Subdivision 1. **Appointment of inspectors.** After a contest has been instituted,
40.3 either party may have ~~the ballots~~ all materials relating to the election, including, but not
40.4 limited to, polling place rosters, voter registration applications, accepted absentee ballot
40.5 envelopes, rejected absentee ballot envelopes, applications for absentee ballots, precinct
40.6 summary statements, printouts from voting machines, and precinct incident logs, inspected
40.7 before preparing for trial. The party requesting an inspection shall file with the district
40.8 court where the contest is brought a verified petition, stating that the case cannot properly
40.9 be prepared for trial without an inspection of the ballots and other election materials and
40.10 designating the precincts in which an inspection is desired. A judge of the court in which
40.11 the contest is pending shall then appoint as many sets of three inspectors for a contest of
40.12 any office or question as are needed to count and inspect the ballots expeditiously. One
40.13 inspector must be selected by each of the parties to the contest and a third must be chosen
40.14 by those two inspectors. If either party neglects or refuses to name an inspector, the judge
40.15 shall appoint the inspector. The compensation of inspectors is the same as for referees,
40.16 unless otherwise stipulated.

40.17 Sec. 28. Minnesota Statutes 2010, section 211B.11, subdivision 1, is amended to read:

40.18 Subdivision 1. **Soliciting near polling places.** A person may not display campaign
40.19 material, post signs, ask, solicit, or in any manner try to induce or persuade a voter within
40.20 a polling place or within 100 feet of the building in which a polling place is situated,
40.21 or anywhere on the public property on which a polling place is situated, on primary or
40.22 election day to vote for or refrain from voting for a candidate or ballot question. A person
40.23 may not provide political badges, political buttons, or other political insignia to be worn at
40.24 or about the polling place on the day of a primary or election. A political badge, political
40.25 button, or other political insignia may not be worn at or about the polling place on primary
40.26 or election day if it is designed to influence voting for or against a particular candidate,
40.27 political party, or question on the ballot at the election. This section applies to areas
40.28 established by the county auditor or municipal clerk for absentee voting as provided in
40.29 chapter 203B.

40.30 The secretary of state, county auditor, municipal clerk, or school district clerk may
40.31 provide stickers which contain the words "I VOTED" and nothing more. Election judges
40.32 may offer a sticker of this type to each voter who has signed the polling place roster
40.33 or a voter's receipt.

40.34 Sec. 29. **PROPOSED LEGISLATION.**

41.1 By January 15, 2012, the secretary of state must report to the chairs and ranking
41.2 minority members of the legislative committees responsible for elections proposed
41.3 legislation to amend matters currently contained in administrative rules as necessary
41.4 to implement or make specific this act. To the greatest extent practical, this proposed
41.5 legislation must propose codifying into law matters that otherwise would be enacted
41.6 through the administrative rulemaking process.

41.7 To the extent that codifying matters into law is not practical, the proposed legislation
41.8 must direct, by law, specific changes to be made in administrative rules so that no
41.9 interpretation of the law by the secretary of state would be necessary, and use of the good
41.10 cause rulemaking exemption in Minnesota Statutes, section 14.388 would be appropriate
41.11 if the legislature authorizes use of this process.

41.12 Sec. 30. **REPEALER.**

41.13 Minnesota Statutes 2010, section 203B.04, subdivision 3, is repealed.

41.14 **ARTICLE 3**

41.15 **ELECTRONIC ROSTERS**

41.16 Section 1. Minnesota Statutes 2010, section 200.02, is amended by adding a
41.17 subdivision to read:

41.18 Subd. 12a. **Polling place roster.** "Polling place roster" means the official lists used
41.19 to record a voter's appearance in a polling place on election day, including the list of
41.20 registered voters in the precinct, and the list of voters registering on election day. A polling
41.21 place roster may be in a printed or electronic format, as permitted by section 201.225.

41.22 Sec. 2. Minnesota Statutes 2010, section 201.221, subdivision 3, is amended to read:

41.23 **Subd. 3. Procedures for polling place rosters.** The secretary of state shall
41.24 prescribe the form of polling place rosters that include the voter's name, address, date of
41.25 birth, school district number, and space for the voter's signature. A polling place roster
41.26 provided in an electronic form must allow for a printed voter's receipt that meets the
41.27 standards provided in section 201.225, subdivision 2. The secretary of state may prescribe
41.28 additional election-related information to be placed on the polling place rosters on an
41.29 experimental basis for one state primary and general election cycle; the same information
41.30 may not be placed on the polling place roster for a second state primary and general
41.31 election cycle unless specified in this subdivision. The polling place roster must be used
41.32 to indicate whether the voter has voted in a given election. The secretary of state shall
41.33 prescribe procedures for transporting the polling place rosters to the election judges

42.1 for use on election day. The secretary of state shall prescribe the form for a county or
42.2 municipality to request the date of birth from currently registered voters. The county or
42.3 municipality shall not request the date of birth from currently registered voters by any
42.4 communication other than the prescribed form and the form must clearly indicate that a
42.5 currently registered voter does not lose registration status by failing to provide the date of
42.6 birth. In accordance with section 204B.40, the county auditor shall retain the prescribed
42.7 polling place rosters used on the date of election for ~~22~~ 36 months following the election.

42.8 Sec. 3. **[201.225] ELECTRONIC ROSTER; STANDARDS.**

42.9 Subdivision 1. Certification of system. (a) A precinct may have a secure network
42.10 of two or more computer systems to serve as the precinct's electronic polling place roster.

42.11 (b) Precincts may not use an electronic roster until the secretary of state has certified
42.12 that the system design and operational procedures are sufficient to prevent any voter from
42.13 voting more than once at an election, and to prevent access to the system by unauthorized
42.14 individuals.

42.15 Subd. 2. Minimum standards for electronic rosters. At a minimum, an electronic
42.16 roster must:

42.17 (1) be preloaded with data from the statewide voter registration system, including
42.18 data on individuals reported to be ineligible to vote;

42.19 (2) permit all voting information processed by any computer in a precinct to be
42.20 immediately accessible to all other computers in the precinct and to be transferred to the
42.21 statewide voter registration system on election night or no later than one week after the
42.22 election;

42.23 (3) provide for a printed voter's receipt, containing the voter's name, address of
42.24 residence, date of birth, voter identification number as assigned by the secretary of state,
42.25 the oath required by section 204C.10, and a space for the voter's original signature;

42.26 (4) immediately alert the election judge if the electronic roster indicates that a voter
42.27 has already voted at the election, is ineligible to vote, does not reside in the precinct, or
42.28 the voter's registration status is challenged;

42.29 (5) automatically accept and input data from a scanned Minnesota driver's license,
42.30 identification card, or voter identification card and match the data to an existing voter
42.31 registration record, and permit manual input of voter data, if necessary; and

42.32 (6) perform any other functions required for the efficient and secure administration
42.33 of an election, as required by law.

42.34 Sec. 4. Minnesota Statutes 2010, section 204B.14, subdivision 2, is amended to read:

43.1 Subd. 2. **Separate precincts; combined polling place.** (a) The following shall
43.2 constitute at least one election precinct:

43.3 (1) each city ward; and

43.4 (2) each town and each statutory city.

43.5 (b) A single, accessible, combined polling place may be established no later than
43.6 May 1 of any year:

43.7 (1) for any city of the third or fourth class, any town, or any city having territory in
43.8 more than one county, in which all the voters of the city or town shall cast their ballots;

43.9 (2) for two contiguous precincts in the same municipality that have a combined
43.10 total of fewer than 500 registered voters;

43.11 (3) for up to four contiguous municipalities located entirely outside the metropolitan
43.12 area, as defined by section 200.02, subdivision 24, that are contained in the same county; or

43.13 (4) for noncontiguous precincts located in one or more counties.

43.14 A copy of the ordinance or resolution establishing a combined polling place must
43.15 be filed with the county auditor within 30 days after approval by the governing body. A
43.16 polling place combined under clause (3) must be approved by the governing body of each
43.17 participating municipality. A polling place combined under clause (4) must be approved
43.18 by the governing body of each participating municipality and the secretary of state and
43.19 may be located outside any of the noncontiguous precincts. A municipality withdrawing
43.20 from participation in a combined polling place must do so by filing a resolution of
43.21 withdrawal with the county auditor no later than April 1 of any year.

43.22 The secretary of state shall provide a separate polling place roster for each precinct
43.23 served by the combined polling place unless that precinct uses an electronic roster. A
43.24 single set of election judges may be appointed to serve at a combined polling place. The
43.25 number of election judges required must be based on the total number of persons voting
43.26 at the last similar election in all precincts to be voting at the combined polling place.
43.27 Separate ballot boxes must be provided for the ballots from each precinct. The results of
43.28 the election must be reported separately for each precinct served by the combined polling
43.29 place, except in a polling place established under clause (2) where one of the precincts has
43.30 fewer than ten registered voters, in which case the results of that precinct must be reported
43.31 in the manner specified by the secretary of state.

43.32 Sec. 5. Minnesota Statutes 2010, section 204C.12, subdivision 4, is amended to read:

43.33 Subd. 4. **Refusal to answer questions or sign a polling place roster.** A challenged
43.34 individual who refuses to answer questions or sign a polling place roster or voter's receipt
43.35 as required by this section must not be allowed to vote. A challenged individual who

44.1 leaves the polling place and returns later willing to answer questions or sign a polling
44.2 place roster or voter's receipt must not be allowed to vote.

44.3 Sec. 6. Minnesota Statutes 2010, section 204D.24, subdivision 2, is amended to read:

44.4 Subd. 2. **Voter registration.** An individual may register to vote at a special primary
44.5 or special election at any time before the day that the polling place rosters for the special
44.6 primary or special election are ~~prepared~~ finally secured by the secretary of state for the
44.7 election. The secretary of state shall provide the county auditors with notice of this date
44.8 at least seven days before the ~~printing of the rosters are secured~~. This subdivision does
44.9 not apply to a special election held on the same day as the state primary, state general
44.10 election, or the regularly scheduled primary or general election of a municipality, school
44.11 district, or special district.

44.12 Sec. 7. **[206A.01] APPLICABILITY.**

44.13 This chapter applies to each designated election official who administers electronic
44.14 roster systems for the purpose of conducting an election and compiling complete returns.

44.15 Sec. 8. **[206A.02] DEFINITIONS.**

44.16 Subdivision 1. **Definitions.** The definitions in this section apply to this chapter.

44.17 Subd. 2. **Designated election official.** "Designated election official" means the
44.18 county auditor or municipal clerk.

44.19 Subd. 3. **Elector data.** "Elector data" means voting information, including, but not
44.20 limited to, voter registration, voting history, and voting tabulations.

44.21 Subd. 4. **Electronic roster.** "Electronic roster" is a list of eligible electors in
44.22 electronic format who are permitted to vote at a polling place in an election conducted
44.23 under the Minnesota Election Law, which shall be processed by a computer at a precinct
44.24 such that the resulting elector data is immediately accessible to all other computers in the
44.25 precinct and is transferred to the county for inclusion in the statewide voter registration
44.26 system no later than one week after the election.

44.27 Sec. 9. **[206A.03] MINIMUM CONTINGENCY AND SECURITY**
44.28 **PROCEDURES.**

44.29 (a) The designated election official shall establish written security procedures
44.30 covering the processing and transference of elector data. The procedures must include:

45.1 (1) security covering the transmission of elector data processed through the
45.2 electronic roster and reconciliation of the registration and history of voters casting ballots
45.3 in a precinct; and

45.4 (2) contingency procedures for network and power failure. The procedures must, at
45.5 a minimum, include procedures to address all single point failures including:

45.6 (i) network failure;

45.7 (ii) power failure that lasts less than one hour; and

45.8 (iii) power failure that lasts more than one hour.

45.9 (b) Acceptable alternatives for addressing power or system failures include either:

45.10 (1) a paper backup of the roster with the minimum information required to verify a
45.11 voter's eligibility; or

45.12 (2) a sufficient number of computers per precinct to ensure that the voter check-in
45.13 continues in an efficient manner. The computers and all essential peripheral devices must
45.14 have the ability to function on batteries or an external power source for up to two hours.

45.15 (c) Each computer must have an electronic backup of the current roster in one of the
45.16 following formats:

45.17 (1) a portable document file (PDF);

45.18 (2) a spreadsheet; or

45.19 (3) a database with a basic look-up interface. In addition to acceptable backup
45.20 roster procedures, the security procedures must address contingency procedures to protect
45.21 against activities such as voting more than once.

45.22 **Sec. 10. [206A.04] MINIMUM STANDARDS FOR DATA ENCRYPTION.**

45.23 (a) The secretary of state shall ensure that the county connection to the statewide
45.24 voter registration system is secure including details concerning encryption methodology.
45.25 In addition, the connection must meet or exceed the standards provided for in this section.

45.26 (b) Proven, standard algorithms must be used as the basis for encryption
45.27 technologies.

45.28 (c) If a connection utilizes a Virtual Private Network (VPN), the following apply:

45.29 (1) it is the responsibility of the county to ensure that unauthorized users are not
45.30 allowed access to internal networks;

45.31 (2) VPN use is to be controlled using either a onetime password authentication such
45.32 as a token device or a public/private key system with a strong passphrase;

45.33 (3) when actively connected to the network, VPNs must force all traffic to and from
45.34 the computer over the VPN tunnel and all other traffic must be dropped;

45.35 (4) dual (split) tunneling is not permitted; only one network connection is allowed;

- 46.1 (5) VPN gateways must be set up and managed by the county or its designee;
46.2 (6) all computers connected to internal networks via VPN or any other technology
46.3 must use up-to-date antivirus software; and
46.4 (7) the VPN concentrator is limited to an absolute connection time of 24 hours.

46.5 Sec. 11. **[206A.05] MINIMUM ELECTRONIC ROSTER TRANSACTION**
46.6 **REQUIREMENTS.**

46.7 The designated election official shall ensure the electronic roster system complies
46.8 with the following response-time standards for any computer on the system:

- 46.9 (1) a maximum of five seconds to update voter activity;
46.10 (2) a maximum of 1.5 seconds to process a voter inquiry by identification number;
46.11 and
46.12 (3) a maximum of 45 seconds for session startup and password verification.

46.13 Sec. 12. **[206A.06] ELECTRONIC ROSTER PREELECTION TESTING**
46.14 **PROCEDURES.**

46.15 (a) The designated election official shall test the electronic roster application to
46.16 ensure that it meets the minimum system requirements prior to the first election in which
46.17 it is used. The application must also be tested after the implementation of any system
46.18 modifications, including any change in the number of connected computers. The county
46.19 shall indicate in the subsequent security plan whether such retesting has occurred.

46.20 (b) The test must, at a minimum, include the following:

- 46.21 (1) a load test must be demonstrated through either actual computers running at
46.22 proposed bandwidth and security settings, or by simulating a load test;
46.23 (2) a contingency/failure test must be demonstrated and documented illustrating the
46.24 effects of failures identified in section 206A.03; and
46.25 (3) all tests must be conducted with clients and servers in normal, typical, deployed
46.26 operating mode.

46.27 (c) All records and documentation of the testing must be retained by the designated
46.28 election official for a period of 36 months as part of the election record. The testing record
46.29 and documentation must include, but is not limited to, the following:

- 46.30 (1) a formal test plan containing all test scripts used:
46.31 (i) the test plan must include test environment containing make, model, type of
46.32 hardware, and software versions used in testing; and
46.33 (ii) the test plan must also include the number of client computers, servers, and
46.34 physical locations involved in testing;

- 47.1 (2) test logs of all events that were observed during testing, including:
47.2 (i) the sequence of actions necessary to set up the tests;
47.3 (ii) the actions necessary to start the tests;
47.4 (iii) the actions taken during the execution of the tests;
47.5 (iv) any measurements taken or observed during the tests;
47.6 (v) any actions necessary to stop or shut down the tests;
47.7 (vi) any actions necessary to bring the tests to a halt; and
47.8 (vii) any actions necessary or taken to deal with anomalies experienced during
47.9 testing;
47.10 (3) performance logs and reports taken from both servers and workstations during
47.11 the testing which contain performance information of:
47.12 (i) network usage (bandwidth);
47.13 (ii) processor utilization;
47.14 (iii) Random Access Memory (RAM) utilization; and
47.15 (iv) any additional performance monitoring reports necessary to explain the process
47.16 taken and to support the findings of the tests; and
47.17 (4) all test logs must contain the date, time, operator, test status or outcome, and any
47.18 additional information to assist the secretary of state in making a determination.

47.19 Sec. 13. **[206A.07] MINIMUM NUMBER OF COMPUTERS REQUIRED FOR**
47.20 **PRECINCTS OPTING TO USE ELECTRONIC ROSTERS.**

47.21 Counties opting to use electronic rosters in whole or in part shall allocate computers
47.22 to affected precincts based upon the total number of registered voters in each precinct
47.23 90 days preceding the primary election and historical statistics regarding election day
47.24 registrants. The minimum computers required shall be on site at each precinct. Precincts
47.25 employing electronic rosters shall be allocated a minimum of two computers.

47.26 Sec. 14. **[206A.08] WRITTEN PROCEDURES AND REPORTS.**

47.27 (a) Written procedures and reports required by this chapter must be submitted by a
47.28 county to the secretary of state for approval no later than 60 days before the election. The
47.29 secretary of state shall either approve the procedures as submitted or notify the designated
47.30 election official of recommended changes.

47.31 (b) If the secretary of state rejects or approves the written procedures, the secretary
47.32 of state shall provide written notice of the rejection or approval, including specifics of
47.33 noncompliance with this chapter within 15 days of receiving the written procedures.

48.1 (c) If the secretary of state rejects the written procedures, the designated election
48.2 official shall submit a revised procedure within 15 days.

48.3 (d) The secretary of state shall permit the filing of the revised procedures at a later
48.4 date if it is determined that compliance with the 15-day requirement is impossible.

50.15 **204C.38 CORRECTION OF OBVIOUS ERRORS; WHEN CANDIDATES**
50.16 **AGREE.**

50.17 Subdivision 1. **Errors of election judges.** If the candidates for an office
50.18 unanimously agree in writing that the election judges in any precinct have made an
50.19 obvious error in the counting or recording of the votes for that office, they shall deliver the
50.20 agreement to the county auditor of that county who shall reconvene the county canvassing
50.21 board, if necessary, and present the agreement to it. The county canvassing board shall
50.22 correct the error as specified in the agreement.

50.23 Subd. 2. **Errors of county canvassing board.** If the candidates for an office
50.24 unanimously agree in writing that the county canvassing board has made an obvious error
50.25 in the counting and recording of the vote for that office they shall notify the county auditor
50.26 who shall reconvene the canvassing board. The county canvassing board shall promptly
50.27 correct the error as specified in the agreement and file an amended report. When an error is
50.28 corrected pursuant to this subdivision, the county canvassing board and the county auditor
50.29 shall proceed in accordance with sections 204C.32 to ~~204C.36~~ 204C.33 and chapter 204E.

50.30 Subd. 3. **Errors of State Canvassing Board.** If the candidates for an office

51.1 state shall reconvene the State Canvassing Board and present the agreement to it. The
51.2 board shall promptly correct the error as specified in the agreement and file an amended
51.3 statement. When an error is corrected pursuant to this subdivision by the State Canvassing

51.5 with sections 204C.32 to ~~204C.36~~ 204C.33 and chapter 204E.

51.6 Sec. 2. **[204E.01] APPLICABILITY.**

51.7 This chapter establishes procedures for the conduct of all automatic and discretionary
51.8 recounts provided for in law.

51.9 Sec. 3. **[204E.02] RECOUNT OFFICIALS.**

51.10 (a) The secretary of state or the secretary of state's designee is the recount official
51.11 for recounts conducted by the State Canvassing Board. The county auditor or the county
51.12 auditor's designee is the recount official for recounts conducted by the county canvassing
51.13 board. The county auditor or the county auditor's designee shall conduct recounts for
51.14 county offices. The municipal clerk or the municipal clerk's designee is the recount official
51.15 for recounts conducted by the municipal governing body. The school district clerk or
51.16 the school district clerk's designee is the recount official for recounts conducted by the
51.17 school board, or by a school district canvassing board as provided in section 205A.10,
51.18 subdivision 5.

51.19 (b) A recount official may delegate the duty to conduct a recount to a county auditor
51.20 or municipal clerk by mutual consent. When the person who would otherwise serve as
51.21 recount official is a candidate or is the employee or other subordinate, spouse, child,
51.22 parent, grandparent, grandchild, stepparent, stepchild, sibling, half-sibling, or stepsibling
51.23 of a candidate for the office to be recounted, the appropriate canvassing board shall select
51.24 a county auditor or municipal clerk from another jurisdiction to conduct the recount.

51.25 (c) As used in this chapter, "legal adviser" means counsel to the recount official and
51.26 the canvassing board for the office being recounted.

51.27 Sec. 4. **[204E.03] SCOPE OF RECOUNTS.**

51.28 A recount conducted as provided in this chapter is limited in scope to the
51.29 determination of the number of votes validly cast for the office to be recounted. Only the
51.30 ballots cast in the election and the summary statements certified by the election judges
51.31 may be considered in the recount process. Original ballots that have been duplicated
51.32 under section 206.86, subdivision 5, are not within the scope of a recount and must not be
51.33 examined except as provided by a court in an election contest under chapter 209.

52.1 Sec. 5. [204E.04] FEDERAL, STATE, AND JUDICIAL RACES.

52.2 Subdivision 1. Automatic recounts. (a) In a state primary when the difference
52.3 between the votes cast for the candidates for nomination to a statewide federal office,
52.4 state constitutional office, statewide judicial office, congressional office, state legislative
52.5 office, or district judicial office is:

52.6 (1) less than one-half of one percent of the total number of votes counted for that
52.7 nomination; or

52.8 (2) ten votes or less and the total number of votes cast for the nomination is 400
52.9 votes or less,

52.10 and the difference determines the nomination, the canvassing board with responsibility for
52.11 declaring the results for that office shall manually recount the vote.

52.12 (b) In a state general election when the difference between the votes of a candidate
52.13 who would otherwise be declared elected to a statewide federal office, state constitutional
52.14 office, statewide judicial office, congressional office, state legislative office, or district
52.15 judicial office and the votes of any other candidate for that office is:

52.16 (1) less than one-half of one percent of the total number of votes counted for that
52.17 office; or

52.18 (2) ten votes or less if the total number of votes cast for the office is 400 votes or less,
52.19 the canvassing board shall manually recount the votes.

52.20 (c) Time for notice of a contest for an office recounted under this section begins to
52.21 run upon certification of the results of the recount by the canvassing board, or as otherwise
52.22 provided in section 209.021.

52.23 (d) A losing candidate may waive a recount required by this section by filing a
52.24 written notice of waiver with the canvassing board.

52.25 Subd. 2. Discretionary candidate recount. (a) A losing candidate whose name was
52.26 on the ballot for nomination or election to a statewide federal office, state constitutional
52.27 office, statewide judicial office, congressional office, state legislative office, or district
52.28 judicial office may request a recount in a manner provided in this section at the candidate's
52.29 own expense when the vote difference is greater than the difference required by this
52.30 section. The votes must be manually recounted as provided in this section if the candidate
52.31 files a request during the time for filing notice of contest of the primary or election for
52.32 which a recount is sought.

52.33 (b) The requesting candidate shall file with the filing officer a bond, cash, or surety in
52.34 an amount set by the filing officer for the payment of the recount expenses. The requesting
52.35 candidate is responsible for the following expenses: the compensation of the secretary of
52.36 state or designees and any election judge, municipal clerk, county auditor, administrator,

53.1 or other personnel who participate in the recount; necessary supplies and travel related to
53.2 the recount; the compensation of the appropriate canvassing board and costs of preparing
53.3 for the canvass of recount results; and any attorney fees incurred in connection with the
53.4 recount by the governing body responsible for the recount.

53.5 (c) The requesting candidate may provide the filing officer with a list of up to three
53.6 precincts that are to be recounted first and may waive the balance of the recount after these
53.7 precincts have been counted. If the candidate provides a list, the recount official must
53.8 determine the expenses for those precincts in the manner provided by paragraph (b).

53.9 (d) If the winner of the race is changed by the optional recount, the cost of the
53.10 recount must be paid by the jurisdiction conducting the recount.

53.11 (e) If a result of the vote counting in the manual recount is different from the result
53.12 of the vote counting reported on election day by a margin greater than the standard for
53.13 acceptable performance of voting systems provided in section 206.89, subdivision 4, the
53.14 cost of the recount must be paid by the jurisdiction conducting the recount.

53.15 **Sec. 6. [204E.05] RECOUNTS IN COUNTY, SCHOOL DISTRICT, AND**
53.16 **MUNICIPAL ELECTIONS.**

53.17 Subdivision 1. **Required recounts.** (a) Except as provided in paragraph (b), a
53.18 losing candidate for nomination or election to a county, municipal, or school district office
53.19 may request a recount of the votes cast for the nomination or election to that office if
53.20 the difference between the votes cast for that candidate and for a winning candidate for
53.21 nomination or election is less than one-half of one percent of the total votes counted for
53.22 that office. In case of offices where two or more seats are being filled from among all the
53.23 candidates for the office, the one-half of one percent difference is between the elected
53.24 candidate with the fewest votes and the candidate with the most votes from among the
53.25 candidates who were not elected.

53.26 (b) A losing candidate for nomination or election to a county, municipal, or school
53.27 district office may request a recount of the votes cast for nomination or election to that
53.28 office if the difference between the votes cast for that candidate and for a winning
53.29 candidate for nomination or election is ten votes or less, and the total number of votes cast
53.30 for the nomination or election of all candidates is no more than 400. In cases of offices
53.31 where two or more seats are being filled from among all the candidates for the office,
53.32 the ten-vote difference is between the elected candidate with the fewest votes and the
53.33 candidate with the most votes from among the candidates who were not elected.

53.34 (c) Candidates for county offices shall file a written request for the recount with the
53.35 county auditor. Candidates for municipal or school district offices shall file a written

54.1 request with the municipal or school district clerk as appropriate. All requests must be
54.2 filed during the time for notice of contest of the primary or election for which a recount
54.3 is sought.

54.4 (d) Upon receipt of a request made pursuant to this section, the county auditor
54.5 shall recount the votes for a county office at the expense of the county, the governing
54.6 body of the municipality shall recount the votes for a municipal office at the expense of
54.7 the municipality, and the school board of the school district shall recount the votes for a
54.8 school district office at the expense of the school district.

54.9 Subd. 2. **Discretionary candidate recounts.** (a) A losing candidate for nomination
54.10 or election to a county, municipal, or school district office may request a recount in the
54.11 manner provided in this section at the candidate's own expense when the vote difference
54.12 is greater than the difference required by subdivision 1. The votes must be manually
54.13 recounted as provided in this section if the requesting candidate files with the county
54.14 auditor, municipal clerk, or school district clerk a bond, cash, or surety in an amount set by
54.15 the governing body of the jurisdiction or the school board of the school district for the
54.16 payment of the recount expenses.

54.17 (b) The requesting candidate may provide the filing officer with a list of up to three
54.18 precincts that are to be recounted first and may waive the balance of the recount after these
54.19 precincts have been counted. If the candidate provides a list, the recount official must
54.20 determine the expenses for those precincts in the manner provided by this paragraph.

54.21 (c) If the winner of the race is changed by the optional recount, the cost of the
54.22 recount must be paid by the jurisdiction conducting the recount.

54.23 (d) If a result of the vote counting in the manual recount is different from the result
54.24 of the vote counting reported on election day by a margin greater than the standard for
54.25 acceptable performance of voting systems provided in section 206.89, subdivision 4, the
54.26 cost of the recount must be paid by the jurisdiction conducting the recount.

54.27 Subd. 3. **Discretionary ballot question recounts.** A recount may be conducted
54.28 for a ballot question when the difference between the votes for and the votes against the
54.29 question is less than or equal to the difference provided in subdivision 1. A recount may
54.30 be requested by any person eligible to vote on the ballot question. A written request for a
54.31 recount must be filed with the filing officer of the county, municipality, or school district
54.32 placing the question on the ballot and must be accompanied by a petition containing the
54.33 signatures of 25 voters eligible to vote on the question. Upon receipt of a written request
54.34 when the difference between the votes for and the votes against the question is less than or
54.35 equal to the difference provided in subdivision 1, the county auditor shall recount the votes
54.36 for a county question at the expense of the county, the governing body of the municipality

55.1 shall recount the votes for a municipal question at the expense of the municipality, and the
55.2 school board of the school district shall recount the votes for a school district question at
55.3 the expense of the school district. If the difference between the votes for and the votes
55.4 against the question is greater than the difference provided in subdivision 1, the person
55.5 requesting the recount shall also file with the filing officer of the county, municipality, or
55.6 school district a bond, cash, or surety in an amount set by the appropriate governing body
55.7 for the payment of recount expenses. The written request, petition, and any bond, cash,
55.8 or surety required must be filed during the time for notice of contest for the election for
55.9 which the recount is requested.

55.10 Subd. 4. **Expenses.** In the case of a question, a person, or a candidate requesting a
55.11 discretionary recount, is responsible for the following expenses: the compensation of the
55.12 secretary of state, or designees, and any election judge, municipal clerk, county auditor,
55.13 administrator, or other personnel who participate in the recount; necessary supplies and
55.14 travel related to the recount; the compensation of the appropriate canvassing board and
55.15 costs of preparing for the canvass of recount results; and any attorney fees incurred in
55.16 connection with the recount by the governing body responsible for the recount.

55.17 Subd. 5. **Notice of contest.** Except as otherwise provided in section 209.021, the
55.18 time for notice of contest of a nomination or election to an office which is recounted
55.19 pursuant to this section begins to run upon certification of the results of the recount by the
55.20 appropriate canvassing board or governing body.

55.21 Sec. 7. **[204E.06] NOTICE.**

55.22 Within 24 hours after determining that an automatic recount is required or within 48
55.23 hours of receipt of a written request for a recount and filing of a security deposit if one is
55.24 required, the official in charge of the recount shall send notice to the candidates for the
55.25 office to be recounted and the county auditor of each county wholly or partially within
55.26 the election district. The notice must include the date, starting time, and location of the
55.27 recount, the office to be recounted, and the name of the official performing the recount.
55.28 The notice must state that the recount is open to the public and, in case of an automatic
55.29 recount, that the losing candidate may waive the recount.

55.30 Sec. 8. **[204E.07] SECURING BALLOTS AND MATERIALS.**

55.31 (a) The official who has custody of the voted ballots is responsible for keeping
55.32 secure all election materials. Registration cards of voters who registered on election day
55.33 may be processed as required by rule. All other election materials must be kept secure by

56.1 precinct as returned by the election judges until all recounts have been completed and until
56.2 the time for contest of election has expired.

56.3 (b) Any candidate for an office to be recounted may have all materials relating
56.4 to the election, including, but not limited to, polling place rosters, voter registration
56.5 applications, accepted absentee ballot envelopes, rejected absentee ballot envelopes,
56.6 applications for absentee ballots, precinct summary statements, printouts from voting
56.7 machines, and precinct incident logs inspected before the canvassing board may certify
56.8 the results of the recount.

56.9 Sec. 9. **[204E.08] FACILITIES AND EQUIPMENT.**

56.10 All recounts must be accessible to the public. In a multicounty recount the secretary
56.11 of state may locate the recount in one or more of the election jurisdictions or at the site of
56.12 the canvassing board. Each election jurisdiction where a recount is conducted shall make
56.13 available, without charge to the recount official or body conducting the recount, adequate
56.14 accessible space and all necessary equipment and facilities.

56.15 Sec. 10. **[204E.09] GENERAL PROCEDURES.**

56.16 At the opening of a recount, the recount official or legal adviser shall present the
56.17 procedures contained in this section for the recount. The custodian of the ballots shall
56.18 make available to the recount official the precinct summary statements, the precinct boxes
56.19 or the sealed containers of voted ballots, and any other election materials requested by the
56.20 recount official. If the recount official needs to leave the room for any reason, the recount
56.21 official must designate a deputy recount official to preside during the recount official's
56.22 absence. A recount official must be in the room at all times. The containers of voted ballots
56.23 must be unsealed and resealed within public view. No ballots or election materials may be
56.24 handled by candidates, their representatives, or members of the public. There must be an
56.25 area of the room from which the public may observe the recount. Cell phones and video
56.26 cameras may be used in this public viewing area, as long as their use is not disruptive. The
56.27 recount official shall arrange the counting of the ballots so that the candidates and their
56.28 representatives may observe the ballots as they are recounted. Candidates may each have
56.29 one representative observe the sorting of each precinct. One additional representative per
56.30 candidate may observe the ballots when they have been sorted and are being counted
56.31 pursuant to section 204E.10. Candidates may have additional representatives in the public
56.32 viewing area of the room. If other election materials are handled or examined by the
56.33 recount officials, the candidates and their representatives may observe them. The recount

57.1 official shall ensure that public observation does not interfere with the counting of the
57.2 ballots. The recount official shall prepare a summary of the recount vote by precinct.

57.3 Sec. 11. **[204E.10] COUNTING AND CHALLENGING BALLOTS.**

57.4 Subdivision 1. **Breaks in counting process.** Recount officials may not take a break
57.5 for a meal or for the day prior to the completion of the sorting, counting, review, and
57.6 labeling of challenges, and secure storage of the ballots for any precinct. All challenged
57.7 ballots must be stored securely during breaks in the counting process.

57.8 Subd. 2. **Sorting ballots.** Ballots must be recounted by precinct. The recount
57.9 official shall open the sealed container of ballots and recount them in accordance with
57.10 section 204C.22. The recount official must review each ballot and sort the ballots into
57.11 piles based upon the recount official's determination as to which candidate, if any, the
57.12 voter intended to vote for: one pile for each candidate that is the subject of the recount
57.13 and one pile for all other ballots.

57.14 Subd. 3. **Challenge.** During the sorting, a candidate or candidate's representative
57.15 may challenge the ballot if the candidate's representative disagrees with the recount
57.16 official's determination of the person for whom the ballot should be counted and whether
57.17 there are identifying marks on the ballot. At a recount of a ballot question, the manner
57.18 in which a ballot is counted may be challenged by the person who requested the recount
57.19 or that person's representative. Challenges may not be automatic or frivolous and the
57.20 challenger must state the basis for the challenge pursuant to section 204C.22. Challenged
57.21 ballots must be placed into separate piles, one for ballots challenged by each candidate.
57.22 Only the canvassing board with responsibility to certify the results of the recount has the
57.23 authority to declare a challenge to be "frivolous."

57.24 Subd. 4. **Counting ballots.** Once ballots have been sorted, the recount officials must
57.25 count the piles using the stacking method described in section 204C.21. A candidate or
57.26 candidate's representative may immediately request to have a pile of 25 counted a second
57.27 time if there is not agreement as to the number of votes in the pile.

57.28 Subd. 5. **Reviewing and labeling challenged ballots.** After the ballots from
57.29 a precinct have been counted, the recount official may review the challenged ballots
57.30 with the candidate or the candidate's representative. The candidate's representative may
57.31 choose to withdraw any challenges previously made. The precinct name, the reason
57.32 for the challenge, and the name of the person challenging the ballot or the candidate
57.33 that person represents, and a sequential number must be marked on the back of each
57.34 remaining challenged ballot before it is placed in an envelope marked "Challenged
57.35 Ballots." After the count of votes for the precinct has been determined, all ballots except

58.1 the challenged ballots must be resealed in the ballot envelopes and returned with the other
58.2 election materials to the custodian of the ballots. The recount official may make copies
58.3 of the challenged ballots. After the count of votes for all precincts has been determined
58.4 during that day of counting, the challenged ballot envelope must be sealed and kept secure
58.5 for presentation to the canvassing board.

58.6 Sec. 12. **[204E.11] RESULTS OF RECOUNT; TIE VOTES.**

58.7 Subdivision 1. Certification of results. The recount official shall present the
58.8 summary statement of the recount and any challenged ballots to the canvassing board.
58.9 The candidate or candidate's representative who made the challenge may present the
58.10 basis for the challenge to the canvassing board. The canvassing board shall rule on the
58.11 challenged ballots and incorporate the results into the summary statement. The canvassing
58.12 board shall certify the results of the recount. Challenged ballots must be returned to the
58.13 election official who has custody of the ballots.

58.14 Subd. 2. Tie votes. In case of a tie vote for nomination or election to an office, the
58.15 canvassing board with the responsibility for declaring the results for that office shall
58.16 determine the tie by lot.

58.17 Sec. 13. **[204E.12] SECURITY DEPOSIT.**

58.18 When a bond, cash, or surety for recount expenses is required by section 204E.04
58.19 or 204E.05, the governing body or recount official shall set the amount of the security
58.20 deposit at an amount which will cover expected recount expenses. In multicounty districts,
58.21 the secretary of state shall set the amount taking into consideration the expenses of the
58.22 election jurisdictions in the district and the expenses of the secretary of state. The security
58.23 deposit must be filed during the period for requesting an administrative recount. In
58.24 determining the expenses of the recount, only the actual recount expenditures incurred
58.25 by the recount official and the election jurisdiction in conducting the recount may be
58.26 included. General office and operating costs may not be taken into account.

58.27 Sec. 14. **REVISOR'S INSTRUCTION.**

58.28 Except where otherwise amended by this article, the revisor of statutes shall
58.29 renumber each section of Minnesota Statutes listed in column A with the number listed in
58.30 column B. The revisor shall make necessary cross-reference changes consistent with the
58.31 renumbering.

203B.04 APPLICATION FOR BALLOTS.

Subd. 3. **Delivery of application forms.** The election judges designated to deliver absentee ballots pursuant to section 203B.11 shall deliver a blank application form for absentee ballots to any individual who requests one in order to apply for absentee ballots pursuant to subdivision 2.

204C.34 TIE VOTES.

In case of a tie vote for nomination or election to an office, the canvassing board with the responsibility for declaring the results for that office shall determine the tie by lot.

204C.35 FEDERAL, STATE, AND JUDICIAL RACES.

Subdivision 1. **Automatic recounts.** (a) In a state primary when the difference between the votes cast for the candidates for nomination to a statewide federal office, state constitutional office, statewide judicial office, congressional office, state legislative office, or district judicial office:

(1) is less than one-half of one percent of the total number of votes counted for that nomination; or

(2) is ten votes or less and the total number of votes cast for the nomination is 400 votes or less;

and the difference determines the nomination, the canvassing board with responsibility for declaring the results for that office shall manually recount the vote.

(b) In a state general election when the difference between the votes of a candidate who would otherwise be declared elected to a statewide federal office, state constitutional office, statewide judicial office, congressional office, state legislative office, or district judicial office and the votes of any other candidate for that office:

(1) is less than one-half of one percent of the total number of votes counted for that office; or

(2) is ten votes or less if the total number of votes cast for the office is 400 votes or less, the canvassing board shall manually recount the votes.

(c) A recount must not delay any other part of the canvass. The results of the recount must be certified by the canvassing board as soon as possible.

(d) Time for notice of a contest for an office which is recounted pursuant to this section shall begin to run upon certification of the results of the recount by the canvassing board.

(e) A losing candidate may waive a recount required pursuant to this section by filing a written notice of waiver with the canvassing board.
