5.2	Sec. 5. APPROPRIATION; COVID-19-RELATED RETENTION GRANTS FOR
5.3	HOME AND COMMUNITY-BASED SERVICE PROVIDERS.
5.4	Subdivision 1. Appropriation. (a) \$20,305,000 in fiscal year 2021 is appropriated from
5.5	the coronavirus relief fund to the commissioner of human services for retention grants to
5.6	eligible providers as defined in subdivision 2 to assist providers: (1) with the costs of business
5.7	interruptions caused by required closures due to the COVID-19 pandemic; and (2) to help
5.8	ensure access to eligible services during or following the COVID-19 pandemic.
5.9	(b) The commissioner may use up to \$125,000 of this appropriation to administer this
5.10	grant.
5.11	(c) Beginning October 31, 2020, any unencumbered appropriations may be used for
5.12	disability services provider COVID-19-related public health grants.
5.13	(d) This is a onetime appropriation and is available until December 5, 2020.
5.14	Subd. 2. Definitions. (a) For purposes of this section, the following terms have the
5.15	meanings given.
5.16	(b) "Eligible provider" means either an enrolled provider who provides either eligible
5.17	services, as defined in paragraph (c), clauses (1) or (2), and meets the attestation and
5.18	agreement requirements in subdivisions 5 and 6; or an agency, as defined in Minnesota
5.19	Statutes, section 256B.0949, subdivision 2, paragraph (b), who provides eligible services
5.20	as defined in paragraph (c), clause (3), and meets the attestation and agreement requirements
5.21	in subdivisions 5 and 6.
5.22	(c) "Eligible services" means the following services:
5.23	(1) adult day services, day training and habilitation, day support services, prevocational
5.24	services, and structured day services provided by the home and community-based waiver
5.25	programs under Minnesota Statutes, sections 256B.0913, 256B.092, and 256B.49, and
5.26	Minnesota Statutes, chapter 256S;
5.27	(2) employment exploration services, employment development services, and employment
5.28	support services provided by the home and community-based waiver programs under
5.29	Minnesota Statutes, sections 256B.092 and 256B.49; and
5.30	(3) early intensive developmental and behavioral interventions under Minnesota Statutes,
5.31	section 256B.0949.

JSK/RC

6.1	(d) "Fixed costs" means costs determined by the commissioner that do not fluctuate with
6.2	changes in service provision. Eligible fixed costs under this section are costs similar to costs
6.3	considered in the rate methodology component values under Minnesota Statutes, section
6.4	256B.4914, subdivision 5, paragraph (d), clauses (7) and (8); paragraph (e), clauses (7) and
6.5	(8); paragraph (f), clauses (7) and (8); and subdivision 7, clause (11).
6.6	(e) "Total revenue from medical assistance" includes both fee-for-service revenue and
6.7	revenue from managed care organizations. The commissioner shall determine each provider's
6.8	total revenue from medical assistance for eligible services provided during January 2020,
6.9	based on data for service claims paid as of August 1, 2020.
6.10	Subd. 3. Allowable uses of funds. Grantees must use funds awarded under this section
6.11	for fixed costs incurred due to the COVID-19 pandemic from March 1, 2020, through
6.12	December 30, 2020, associated with maintaining the provider's capacity to provide services.
6.13	Subd. 4. Grant request. Eligible providers must request a grant under this section no
	later than September 15, 2020. The commissioner shall develop an expedited request process
6.14	
6.15	that includes a form allowing providers to meet the requirements of subdivisions 5 and 6
6.16	in as timely a manner as possible. The commissioner shall allow the use of electronic
6.17	submission of request forms and accept electronic signatures.
6.18	Subd. 5. Attestation. As a condition of obtaining funds under this section, an eligible
6.19	provider must attest to the following on the grant request form:
6.20	(1) the intent to provide eligible services under this section through December $31, 2020;$
6.21	(2) unreimbursed costs incurred between March 1, 2020, and December 30, 2020, related
6.22	to COVID-19-related business interruptions caused by required closures, reduced capacity
6.23	to promote social distancing measures, or reduced demand for services;
6.24	(3) revenue losses experienced between March 1, 2020, and August 31, 2020, due to
6.25	the COVID-19 pandemic that resulted in monthly fixed costs incurred exceeding monthly
6.26	revenue; and
6.27	(4) without additional funds, the provider will be unable to maintain the continuity of
6.28	the services provided.
6.29	Subd. 6. Agreement. As a condition of obtaining funds under this section, an eligible
6.30	provider must agree to the following on the grant request form:
6.31	(1) cooperate with the commissioner of human services to deliver services according to
6.32	the program and service waivers and modifications issued under the commissioner's authority;
0.54	

JSK/RC

7.1	(2) maintain documentation sufficient to demonstrate the unreimbursed costs required
7.2	in order to receive a grant under this section; and
7.3	(3) acknowledge that retention grants may be subject to a special recoupment under this
7.4	section if a state audit performed under this section determines that the provider used awarded
7.5	funds for purposes not authorized under this section.
7.6	Subd. 7. Retention grants. (a) No later than September 30, 2020, the commissioner
7.7	shall begin issuing retention grants to eligible providers in an amount equal to 66 percent
7.8	of the provider's total revenue from medical assistance for eligible services provided during
7.9	January 2020.
7.10	(b) The commissioner, acting under the governor's authority under Minnesota Statutes,
7.11	section 12.36, shall implement retention grants and the process of making grants under this
7.12	subdivision without compliance with time-consuming procedures and formalities prescribed
7.13	in law such as the following statutes and related policies: Minnesota Statutes, sections
7.14	16A.15, subdivision 3; 16B.97; 16B.98, subdivisions 5 and 7; and 16B.98, subdivision 8,
7.15	the express audit clause requirement.
7.16	(c) By accepting a grant under this subdivision, the grantee attests to the conditions
7.17	specified in subdivisions 5 and 6.
7.18	(d) The commissioner's determination of the grant amount determined under this
7.19	subdivision is final and is not subject to appeal. This paragraph does not apply to recoupment
7.20	by the commissioner under subdivision 9.
7.21	Subd. 8. Payments for services provided. Providers who receive grants under this
7.22	section may continue to bill for services provided.
7.23	Subd. 9. Recoupment. (a) The commissioner may perform an audit under this section
7.24	up to six years after the grant is awarded to ensure the funds are utilized solely for the
7.25	purposes stated in subdivision 1.
7.26	(b) If the commissioner determines that a provider used awarded funds for purposes not
7.27	authorized under this section, the commissioner shall treat any amount used for a purpose
7.28	not authorized under this section as an overpayment. The commissioner shall recover any
7.29	overpayment.
7.30	Subd. 10. Expiration. This section expires December 30, 2020, except for subdivision

9.1	Law 116-136, and guidance from the United States Department of the Treasury. Funds may
9.2	be used for:
9.3	(1) expenses incurred as a result of actions to facilitate compliance with
	COVID-19-related public health measures, such as the provision of services in settings that
9.4	optimize social distancing and health and safety precautions for people with disabilities and
9.5	
9.6	staff who support them;
9.7	(2) expenses to facilitate and ensure the availability of individualized services to enable
9.8	compliance with COVID-19 public health precautions; and
9.9	(3) other activities as determined by the commissioner that align with the purpose in
9.10	subdivision 2 and are in accordance with the federal Coronavirus Aid, Relief, and Economic
9.11	Security Act, Public Law 116-136, and related guidance.
9.12	Subd. 5. Attestation. As a condition of applying for and accepting public health grants
9.13	under this section, each provider must attest in writing that the provider:
9.14	(1) has or will have unreimbursed costs that are greater than or equal to grant awards
9.15	under this section related to actions to facilitate compliance with COVID-19-related public
9.16	health measures, such as the provision of services in settings that optimize social distancing
9.17	and health and safety precautions for people with disabilities and staff who support them;
9.18	(2) agrees to return any funds determined by the commissioner to be ineligible uses
9.19	according to the federal Coronavirus Aid, Relief, and Economic Security Act, Public Law
9.20	116-136, and related guidance; and
9.21	(3) will maintain documentation sufficient to demonstrate the unreimbursed costs required
9.22	in order to receive a grant under this section.
9.23	Subd. 6. Application. (a) The commissioner, acting under the governor's authority under
9.24	Minnesota Statutes, section 12.36, shall develop an expedited application process and process
9.25	for issuing grants under this section notwithstanding time-consuming procedures and
9.26	formalities prescribed in law such as the following statutes and related policies: Minnesota
9.27	Statutes, sections 16A.15, subdivision 3; 16B.97; 16B.98, subdivisions 5 and 7; and 16B.98,
9.28	subdivision 8, the express audit clause requirement. The application and related processes
9.29	must be consistent with allowable uses of funds under subdivision 4. The commissioner
9.30	shall allow applicants to submit applications electronically and shall accept electronic
9.31	signatures.
9.32	(b) Eligible providers must apply for a grant under this section no later than November

10.1	Subd. 7. Allocation. (a) Beginning October 31, 2020, the commissioner shall award
10.2	grants under this section to eligible providers who meet the attestation and application
10.3	requirements under subdivisions 5 and 6.
10.4	(b) The commissioner may make public health grants in an amount determined by the
10.5	commissioner and based on each grantee's application, up to a maximum grant amount of
10.6	<u>\$200,000.</u>
10.7	(c) Notwithstanding paragraph (b), if funds are available after all eligible providers have
10.8	received a grant, the commissioner may award additional grant funds to providers who have
10.9	already received the \$200,000 maximum grant amount.
10.10	(d) If applications for grants exceed the available appropriations, the commissioner shall
10.11	give priority to grant applications from providers whose applications demonstrate the most
10.12	need or the most robust plan to ensure people have opportunities to participate in day or
10.13	employment services that are not provided in a facility or sheltered or work crew setting.
10.14	(e) The commissioner's determination of the grant amount is final and not subject to
10.15	appeal. This paragraph does not apply to recoupment by the commissioner under subdivision
10.16	<u>8.</u>
10.17	Subd. 8. Recoupment. (a) The commissioner may perform an audit under this section
10.18	up to six years after the grant contract expires to ensure the funds are utilized solely for the
10.19	purposes stated in subdivision 4.
10.20	(b) If the commissioner determines that a provider used awarded funds for purposes not
10.21	authorized under this section, the commissioner shall treat any amount used for a purpose
10.22	not authorized under this section as an overpayment. The commissioner shall recover any
10.23	overpayment. All money recovered by the commissioner under this subdivision must be
10.24	deposited in the federal fund.
10.25	Subd. 9. Reporting. The commissioner shall develop a reporting process for public
10.26	health grants under this section. Each provider receiving funds under this section shall report
10.27	to the commissioner by March 1, 2021, with a description of how the funds were utilized.
10.28	By August 1, 2021, the commissioner shall report to the legislative committees with
10.29	jurisdiction over human services policy and finance the total funds allocated to providers,
10.30	uses of the funds, outcomes measured, people impacted, and other measures determined by
10.31	the commissioner.
10.32	Subd. 10. Expiration. Subdivisions 1 to 7 expire December 30, 2020, or on a date
