of Investment. Nothing in this section limits the source of contributions to the account.

Money in the account must be used only for the purposes of this subdivision.

- (b) State land acquired in whole or in part with money appropriated from the outdoor heritage fund is eligible for a onetime trust fund payment as provided under this subdivision. For purposes of this subdivision, "acquired in part" means that at least 20 percent of the state payment for the parcel was from money from the outdoor heritage fund. The trust payment is equal to 30 times the property taxes assessed in the year prior to the year in which the land is acquired. If the land was acquired from a private party that was exempt from paying property taxes, the payments must be based on 30 times the property taxes assessed on comparable, privately owned, adjacent land in the year prior to the year in which the land is acquired. The commissioner of revenue must make a trust payment to each county on the same date as the first payment under section 273.1384, subdivision 4, each year for all land acquired in that county in the 12-month period ending on June 30 of that year. By September 1 of each year, the county in which the land is acquired must provide the commissioner of revenue with information necessary to make this determination for all lands acquired for the 12-month period ending on June 30 of that year.
- (c) The amount necessary to make the payments required under this subdivision is annually appropriated from the outdoor heritage trust fund account to the commissioner of revenue.
 - (d) A county board must:
- (1) deposit all or part of the trust fund payment received by the commissioner of revenue under this subdivision into a trust fund as provided under chapter 118A; or
- (2) enter into an agreement with the State Board of Investment to invest all or part of the trust fund payment in investments under section 11A.24, subdivisions 1 to 5, on behalf of the county.
- (e) For the year in which a trust fund payment is made to a county for a parcel of land, the county board, by November 15, must withdraw an amount equal to:
- (1) the remaining taxes owed to the local governments for taxes spread that year for a parcel acquired between January 1 and June 30; or
- (2) the amount of taxes paid on the parcel in the previous year if the parcel was acquired before January 1 of the current year. The county must distribute the amount by December 15 to all local governments based on the location of the parcel and the local governments' share of the total tax.
- (f) By November 15 of each subsequent year, a county board must withdraw an amount equal to the taxes that would be owed based on the appraised value of the land in the county for which the county received a trust fund payment under this subdivision,

Sec. 2. 2

3.1	and the taxes assessed on comparable, privately owned adjacent land, not to exceed 5-1/2
3.2	percent of the market value of the trust fund accounts established under this subdivision
3.3	by the county or for the benefit of the county as of June 30 of the prior fiscal year. For
3.4	purposes of this subdivision, "appraised value" is determined in the manner described in
3.5	section 477A.12, subdivision 3. The county treasurer must allocate the withdrawn funds
3.6	among the county, the school district, the town or home rule charter or statutory city, and
3.7	special districts on the same basis as if the funds were taxes on the land received in that
3.8	year. The county treasurer must pay the allocation to all eligible local governments by

5.11	acquired with raines appropriated on or after that date.
3.15	Sec. 3. Minnesota Statutes 2014, section 116P.02, subdivision 1, is amended to read:
3.16	Subdivision 1. Applicability. The definitions in this section apply to this chapter,
3.17	except that the definition in subdivision 6 does not apply to section 116P.045.
3.18	Sec. 4. Minnesota Statutes 2014, section 116P.02, is amended by adding a subdivision
3.19	to read:
3.20	Subd. 4a. Land acquisition costs. "Land acquisition costs" means acquisition

3.25	FUND PAYMENT ACCOUNT.
3.26	Subdivision 1. Account created. An environment and natural resources trust fund
3.27	payment account is created in the special revenue fund. The State Board of Investment
3.28	must ensure the account is invested under section 11A.24. The commissioner of
