Consistent with subdivision 3 and subdivision 4, paragraph (b), a student journalist who works on school-sponsored media has the right to determine the news, opinion, feature, and advertising content of the school-sponsored media. This subdivision does not prevent a student media adviser from teaching professional standards of English and journalism to student journalists.

Subd. 3. Unprotected expression. (a) This section does not authorize or protect student expression that is libelous or slanderous; constitutes an unwarranted invasion of privacy; violates federal or state law; or, in a school official's professional judgment, so incites students as to:

(1) create a clear and present danger of the commission of unlawful acts on school premises or the violation of lawful school policies or rules; or

(2) cause a material and substantial disruption of school activities.

(b) A school or district may not authorize any prior restraint of any school-sponsored media except under paragraph (a) or subdivision 4, paragraph (b).

Subd. 4. Student journalist policy. (a) Each school district and charter school must adopt and post a student journalist policy consistent with this section. The policy must include reasonable provisions for the time, place, and manner of student expression.
