ARTICLE 1

2.3

DEPARTMENT OF REVENUE INDIVIDUAL INCOME AND CORPORATE 2.4 FRANCHISE TAXES: POLICY CHANGES

2.5 Section 1. Minnesota Statutes 2018, section 290.0132, subdivision 26, is amended to read:

2.6 Subd. 26. **Social Security benefits.** (a) A portion of Social Security benefits is allowed
2.7 as a subtraction. The subtraction equals the lesser of Social Security benefits or a maximum
2.8 subtraction subject to the limits under paragraphs (b), (c), and (d).

2.9 (b) For married taxpayers filing a joint return and surviving spouses, the maximum
2.10 subtraction equals \$4,500. The maximum subtraction is reduced by 20 percent of provisional
2.11 income over \$77,000. In no case is the subtraction less than zero.

2.12 (c) For single or head-of-household taxpayers, the maximum subtraction equals \$3,500.
2.13 The maximum subtraction is reduced by 20 percent of provisional income over \$60,200.
2.14 In no case is the subtraction less than zero.

2.15 (d) For married taxpayers filing separate returns, the maximum subtraction equals ~~\$2,250~~
2.16 one-half the maximum subtraction for joint returns under paragraph (b). The maximum
2.17 subtraction is reduced by 20 percent of provisional income over ~~\$38,500~~ one-half the
2.18 threshold amount specified in paragraph (b). In no case is the subtraction less than zero.

2.19 (e) For purposes of this subdivision, "provisional income" means modified adjusted
2.20 gross income as defined in section 86(b)(2) of the Internal Revenue Code, plus one-half of
2.21 the Social Security benefits received during the taxable year, and "Social Security benefits"
2.22 has the meaning given in section 86(d)(1) of the Internal Revenue Code.

2.23 (f) The commissioner shall adjust the maximum subtraction and threshold amounts in
2.24 paragraphs (b) to (d) by the percentage determined pursuant to the provisions of section
2.25 1(f) of the Internal Revenue Code, except that in section 1(f)(3)(B) of the Internal Revenue
2.26 Code the word "2016" shall be substituted for the word "1992." For 2018, the commissioner
2.27 shall then determine the percentage change from the 12 months ending on August 31, 2016,
2.28 to the 12 months ending on August 31, 2017, and in each subsequent year, from the 12
2.29 months ending on August 31, 2016, to the 12 months ending on August 31 of the year
2.30 preceding the taxable year. The determination of the commissioner pursuant to this
2.31 subdivision must not be considered a rule and is not subject to the Administrative Procedure
2.32 Act contained in chapter 14, including section 14.386. The maximum subtraction and

3.1 threshold amounts as adjusted must be rounded to the nearest \$10 amount. If the amount
3.2 ends in \$5, the amount is rounded up to the nearest \$10 amount.

3.3 **EFFECTIVE DATE.** This section is effective for taxable years beginning after December
3.4 31, 2018.

3.5 Sec. 2. Minnesota Statutes 2018, section 290.0137, is amended to read:

3.6 **290.0137 ACCELERATED RECOGNITION OF CERTAIN INSTALLMENT**
3.7 **SALE GAINS.**

3.8 (a) In the case of a nonresident individual or a person who becomes a nonresident
3.9 individual during the tax year, taxable net income shall include the allocable amount realized
3.10 upon a sale of the assets of, or any interest in, an S corporation or partnership that operated
3.11 in Minnesota during the year of sale, including any income or gain to be recognized in future
3.12 years pursuant to an installment sale method of reporting under the Internal Revenue Code.

3.13 (1) For the purposes of this paragraph, an individual who becomes a nonresident of
3.14 Minnesota in any year after an installment sale is required to recognize the full amount of
3.15 any income or gain described in this paragraph on the individual's final Minnesota resident
3.16 tax return to the extent that such income has not been recognized in a prior year.

3.17 (2) For the purposes of this section, "realized" has the meaning given in section 1001(b)
3.18 of the Internal Revenue Code.

3.19 (3) For the purposes of this section, "installment sale" means any installment sale under
3.20 section 453 of the Internal Revenue Code and any other sale that is reported utilizing a
3.21 method of accounting authorized under subchapter E of the Internal Revenue Code that
3.22 allows taxpayers to delay reporting or recognizing a realized gain until a future year.

3.23 ~~(4) For the purposes of this section, "allocable amount" means the full amount to be~~
3.24 ~~apportioned to Minnesota under section 290.191 or 290.20, or the full amount to be assigned~~
3.25 ~~to Minnesota under section 290.17.~~

3.26 (b) Notwithstanding paragraph (a), nonresident taxpayers may elect to defer recognizing
3.27 unrecognized installment sale gains by making an election under this paragraph. The election
3.28 must be filed on a form to be determined or prescribed by the commissioner and must be
3.29 filed by the due date of the individual income tax return, including any extension. Electing
3.30 taxpayers must make an irrevocable agreement to:

3.31 (1) file Minnesota tax returns in all subsequent years when gains from the installment
3.32 sales are recognized and reported to the Internal Revenue Service;

4.1 (2) allocate gains to the state of Minnesota as though the gains were realized in the year
4.2 of sale under section 290.17, 290.191, or 290.20; and

4.3 (3) include all relevant federal tax documents reporting the installment sale with
4.4 subsequent Minnesota tax returns.

4.5 (c) Income or gain recognized for Minnesota purposes pursuant to paragraph (a) must
4.6 be excluded from taxable net income in any future year that the taxpayer files a Minnesota
4.7 tax return to the extent that the income or gain has already been subject to tax pursuant to
4.8 paragraph (a).

4.9 **EFFECTIVE DATE.** This section is effective the day following final enactment.

4.10 Sec. 3. Minnesota Statutes 2018, section 290.06, subdivision 2c, is amended to read:

4.11 Subd. 2c. **Schedules of rates for individuals, estates, and trusts.** (a) The income taxes
4.12 imposed by this chapter upon married individuals filing joint returns and surviving spouses
4.13 as defined in section 2(a) of the Internal Revenue Code must be computed by applying to
4.14 their taxable net income the following schedule of rates:

4.15 (1) On the first \$35,480, 5.35 percent;

4.16 (2) On all over \$35,480, but not over \$140,960, 7.05 percent;

4.17 (3) On all over \$140,960, but not over \$250,000, 7.85 percent;

4.18 (4) On all over \$250,000, 9.85 percent.

4.19 Married individuals filing separate returns, estates, and trusts must compute their income
4.20 tax by applying the above rates to their taxable income, except that the income brackets
4.21 will be one-half of the above amounts after the adjustment required in subdivision 2d.

4.22 (b) The income taxes imposed by this chapter upon unmarried individuals must be
4.23 computed by applying to taxable net income the following schedule of rates:

4.24 (1) On the first \$24,270, 5.35 percent;

4.25 (2) On all over \$24,270, but not over \$79,730, 7.05 percent;

4.26 (3) On all over \$79,730, but not over \$150,000, 7.85 percent;

4.27 (4) On all over \$150,000, 9.85 percent.

4.28 (c) The income taxes imposed by this chapter upon unmarried individuals qualifying as
4.29 a head of household as defined in section 2(b) of the Internal Revenue Code must be
4.30 computed by applying to taxable net income the following schedule of rates:

5.1 (1) On the first \$29,880, 5.35 percent;

5.2 (2) On all over \$29,880, but not over \$120,070, 7.05 percent;

5.3 (3) On all over \$120,070, but not over \$200,000, 7.85 percent;

5.4 (4) On all over \$200,000, 9.85 percent.

5.5 (d) In lieu of a tax computed according to the rates set forth in this subdivision, the tax
 5.6 of any individual taxpayer whose taxable net income for the taxable year is less than an
 5.7 amount determined by the commissioner must be computed in accordance with tables
 5.8 prepared and issued by the commissioner of revenue based on income brackets of not more
 5.9 than \$100. The amount of tax for each bracket shall be computed at the rates set forth in
 5.10 this subdivision, provided that the commissioner may disregard a fractional part of a dollar
 5.11 unless it amounts to 50 cents or more, in which case it may be increased to \$1.

5.12 (e) An individual who is not a Minnesota resident for the entire year must compute the
 5.13 individual's Minnesota income tax as provided in this subdivision. After the application of
 5.14 the nonrefundable credits provided in this chapter, the tax liability must then be multiplied
 5.15 by a fraction in which:

5.16 (1) the numerator is the individual's Minnesota source federal adjusted gross income as
 5.17 defined in section 62 of the Internal Revenue Code and increased by:

5.18 (i) ~~the additions required under section~~ sections 290.0131, subdivisions 2 and 6 to 11,
 5.19 and 290.0137, paragraph (a); and reduced by

5.20 (ii) the Minnesota assignable portion of the subtraction for United States government
 5.21 interest under section 290.0132, subdivision 2, and the subtractions under ~~section~~ sections
 5.22 290.0132, subdivisions 9, 10, 14, 15, 17, and 18, and 290.0137, paragraph (c), after applying
 5.23 the allocation and assignability provisions of section 290.081, clause (a), or 290.17; and

5.24 (2) the denominator is the individual's federal adjusted gross income as defined in section
 5.25 62 of the Internal Revenue Code, increased by:

5.26 (i) ~~the amounts specified in section~~ additions required under sections 290.0131,
 5.27 subdivisions 2 and 6 to 11, and 290.0137, paragraph (a); and reduced by

5.28 (ii) ~~the amounts specified in section~~ subtractions under sections 290.0132, subdivisions
 5.29 2, 9, 10, 14, 15, 17, and 18, and 290.0137, paragraph (c).

5.30 **EFFECTIVE DATE.** The amendment to paragraph (a) is effective for taxable years
 5.31 beginning after December 31, 2018. The amendment to paragraph (e) is effective the day
 5.32 following final enactment.

6.1 Sec. 4. Minnesota Statutes 2018, section 290.06, subdivision 2d, is amended to read:

6.2 Subd. 2d. **Inflation adjustment of brackets.** (a) For taxable years beginning after
 6.3 December 31, 2013, the minimum and maximum dollar amounts for each rate bracket for
 6.4 which a tax is imposed in subdivision 2c shall be adjusted for inflation by the percentage
 6.5 determined under paragraph (b). For the purpose of making the adjustment as provided in
 6.6 this subdivision all of the rate brackets provided in subdivision 2c shall be the rate brackets
 6.7 as they existed for taxable years beginning after December 31, 2012, and before January 1,
 6.8 2014. The rate applicable to any rate bracket must not be changed. The dollar amounts
 6.9 setting forth the tax shall be adjusted to reflect the changes in the rate brackets. The rate
 6.10 brackets as adjusted must be rounded to the nearest \$10 amount. If the rate bracket ends in
 6.11 \$5, it must be rounded up to the nearest \$10 amount.

6.12 (b) The commissioner shall adjust the rate brackets and by the percentage determined
 6.13 pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in section
 6.14 1(f)(3)(B) the word "2012" shall be substituted for the word "1992." For 2014, the
 6.15 commissioner shall then determine the percent change from the 12 months ending on August
 6.16 31, 2012, to the 12 months ending on August 31, 2013, and in each subsequent year, from
 6.17 the 12 months ending on August 31, 2012, to the 12 months ending on August 31 of the
 6.18 year preceding the taxable year. The commissioner shall determine the rate bracket for
 6.19 married filing separate returns after this adjustment is done. The rate bracket for married
 6.20 filing separate must be one-half of the rate bracket for married filing joint. The determination
 6.21 of the commissioner pursuant to this subdivision shall not be considered a "rule" and shall
 6.22 not be subject to the Administrative Procedure Act contained in chapter 14.

6.23 No later than December 15 of each year, the commissioner shall announce the specific
 6.24 percentage that will be used to adjust the tax rate brackets.

6.25 **EFFECTIVE DATE.** This section is effective for taxable years beginning after December
 6.26 31, 2018.

6.30 Section 1. Minnesota Statutes 2018, section 289A.38, subdivision 7, is amended to read:

6.31 Subd. 7. **Federal tax changes.** (a) If the amount of income, items of tax preference,
 6.32 deductions, or credits for any year of a taxpayer, or the wages paid by a taxpayer for any
 6.33 period, as reported to the Internal Revenue Service is changed or corrected by the
 6.34 commissioner of Internal Revenue or other officer of the United States or other competent

7.1 authority, or where a renegotiation of a contract or subcontract with the United States results
 7.2 in a change in income, items of tax preference, deductions, credits, or withholding tax, or,
 7.3 in the case of estate tax, where there are adjustments to the taxable estate, the taxpayer shall
 7.4 report the change or correction or renegotiation results in writing to the commissioner. The
 7.5 report must be submitted within 180 days after the final determination and must be in the
 7.6 form of either an amended Minnesota estate, withholding tax, corporate franchise tax, or
 7.7 income tax return conceding the accuracy of the federal determination or a letter detailing
 7.8 how the federal determination is incorrect or does not change the Minnesota tax. An amended
 7.9 Minnesota income tax return must be accompanied by an amended property tax refund
 7.10 return, if necessary. A taxpayer filing an amended federal tax return must also file a copy
 7.11 of the amended return with the commissioner of revenue within 180 days after filing the
 7.12 amended return.

7.13 (b) For the purposes of paragraph (a), a change or correction includes any case where a
 7.14 taxpayer reaches a closing agreement or compromise with the Internal Revenue Service
 7.15 under section 7121 or 7122 of the Internal Revenue Code.

7.16 **EFFECTIVE DATE.** This section is effective the day following final enactment.

7.17 Sec. 2. Minnesota Statutes 2018, section 290.92, subdivision 28, is amended to read:

7.18 Subd. 28. **Payments to horse racing license holders.** Effective with payments made
 7.19 after April 1, 1988, any holder of a license issued by the Minnesota Racing Commission
 7.20 who makes a payment for personal or professional services to a holder of a class C license
 7.21 issued by the commission, except an amount paid as a purse, shall deduct from the payment
 7.22 and withhold 6.25 percent of the amount as Minnesota withholding tax when the amount
 7.23 paid to that individual by the same person during the calendar year exceeds \$600. For
 7.24 purposes of the provisions of this section, a payment to any person which is subject to
 7.25 withholding under this subdivision must be treated as if the payment was a wage paid by
 7.26 an employer to an employee. Every individual who is to receive a payment which is subject
 7.27 to withholding under this subdivision shall furnish the license holder with a statement, made
 7.28 under the penalties of perjury, containing the name, address, and Social Security account
 7.29 number of the person receiving the payment. No withholding is required if the individual
 7.30 presents a signed certificate from the individual's employer which states that the individual
 7.31 is an employee of that employer. A nonresident individual who holds a class C license must
 7.32 be treated as an athlete for purposes of applying the provisions of subdivision 4a and section

 8.4 in a form and manner prescribed by the commissioner following the taxable year in which
 8.5 the account was established. The account holder may be the qualified beneficiary. The
 8.6 account holder may change the designated qualified beneficiary at any time, but no more
 8.7 than one qualified beneficiary may be designated for an account at any one time. For purposes
 8.8 of the one beneficiary restriction, a married couple qualifies as one beneficiary. Changing
 8.9 the designated qualified beneficiary of an account does not affect computation of the ten-year
 8.10 period under section 462D.06, subdivision 2.

8.11 (b) The commissioner shall establish a process for account holders to notify the state
 8.12 that permits recording of the account, the account holder or holders, any transfers under
 8.13 section 462D.04, subdivision 2, and the designated qualified beneficiary for each account.
 8.14 This may be done upon filing the account holder's income tax return or in any other way
 8.15 the commissioner determines to be appropriate.

 21.30 the commissioner of revenue the amounts to be paid.

21.31 (b) Following ~~notification~~ certification from the commissioner ~~of transportation~~, the

22.1 as local government aid under chapter 477A. An appropriation to the commissioner of
 22.2 ~~transportation~~ under this section is available to the commissioner of revenue for the purposes
 22.3 specified in this paragraph.

22.4 (c) Notwithstanding other law to the contrary, in order to receive distributions under
 22.5 this section, a city must conform to the standards in section 477A.017, subdivision 2. A city
 22.6 that receives funds under this section must make and preserve records necessary to show
 22.7 that the funds are spent in compliance with subdivision 4.

22.8 **EFFECTIVE DATE.** This section is effective for aids payable in 2019 and thereafter.

22.9 Sec. 2. Minnesota Statutes 2018, section 273.124, subdivision 13, is amended to read:

22.10 Subd. 13. **Homestead application.** (a) A person who meets the homestead requirements
 22.11 under subdivision 1 must file a homestead application with the county assessor to initially
 22.12 obtain homestead classification.

22.13 (b) The commissioner shall prescribe the content, format, and manner of the homestead
 22.14 application required to be filed under this chapter pursuant to section 270C.30. The
 22.15 application must clearly inform the taxpayer that this application must be signed by all
 22.16 owners who occupy the property or by the qualifying relative and returned to the county
 22.17 assessor in order for the property to receive homestead treatment.

22.18 (c) Every property owner applying for homestead classification must furnish to the
 22.19 county assessor the Social Security number of each occupant who is listed as an owner of
 22.20 the property on the deed of record, the name and address of each owner who does not occupy
 22.21 the property, and the name and Social Security number of ~~each owner's~~ the spouse of each
 22.22 occupying owner. The application must be signed by each owner who occupies the property
 22.23 and by each owner's spouse who occupies the property, or, in the case of property that
 22.24 qualifies as a homestead under subdivision 1, paragraph (c), by the qualifying relative.

22.25 If a property owner occupies a homestead, the property owner's spouse may not claim
 22.26 another property as a homestead unless the property owner and the property owner's spouse
 22.27 file with the assessor an affidavit or other proof required by the assessor stating that the
 22.28 property qualifies as a homestead under subdivision 1, paragraph (e).

22.29 Owners or spouses occupying residences owned by their spouses and previously occupied
 22.30 with the other spouse, either of whom fail to include the other spouse's name and Social
 22.31 Security number on the homestead application or provide the affidavits or other proof
 22.32 requested, will be deemed to have elected to receive only partial homestead treatment of
 22.33 their residence. The remainder of the residence will be classified as nonhomestead residential.

23.1 When an owner or spouse's name and Social Security number appear on homestead
23.2 applications for two separate residences and only one application is signed, the owner or
23.3 spouse will be deemed to have elected to homestead the residence for which the application
23.4 was signed.

23.5 (d) If residential real estate is occupied and used for purposes of a homestead by a relative
23.6 of the owner and qualifies for a homestead under subdivision 1, paragraph (c), in order for
23.7 the property to receive homestead status, a homestead application must be filed with the
23.8 assessor. The Social Security number of each relative occupying the property and the name
23.9 and Social Security number of the spouse of a relative occupying the property shall be
23.10 required on the homestead application filed under this subdivision. If a different relative of
23.11 the owner subsequently occupies the property, the owner of the property must notify the
23.12 assessor within 30 days of the change in occupancy. The Social Security number of a relative
23.13 occupying the property or the spouse of a relative occupying the property is private data on
23.14 individuals as defined by section 13.02, subdivision 12, but may be disclosed to the
23.15 commissioner of revenue, or, for the purposes of proceeding under the Revenue Recapture
23.16 Act to recover personal property taxes owing, to the county treasurer.

23.17 (e) The homestead application shall also notify the property owners that if the property
23.18 is granted homestead status for any assessment year, that same property shall remain
23.19 classified as homestead until the property is sold or transferred to another person, or the
23.20 owners, the spouse of the owner, or the relatives no longer use the property as their
23.21 homestead. Upon the sale or transfer of the homestead property, a certificate of value must
23.22 be timely filed with the county auditor as provided under section 272.115. Failure to notify
23.23 the assessor within 30 days that the property has been sold, transferred, or that the owner,
23.24 the spouse of the owner, or the relative is no longer occupying the property as a homestead,
23.25 shall result in the penalty provided under this subdivision and the property will lose its
23.26 current homestead status.

23.27 (f) If a homestead application has not been filed with the county by December 15, the
23.28 assessor shall classify the property as nonhomestead for the current assessment year for
23.29 taxes payable in the following year, provided that the owner may be entitled to receive the
23.30 homestead classification by proper application under section 375.192.

 30.24 ~~by the county auditors under section 275.29~~ under section 270C.85, subdivision 2, clause
 30.25 (4). Any prior year adjustments shall also be certified ~~on the abstracts of tax lists~~. The
 30.26 commissioner shall review the certifications for accuracy, and may make such changes as
 30.27 are deemed necessary, or return the certification to the county auditor for correction. The

 31.16 of each tract of real property exempt by law from taxation, with the name of the owner, and

32.3 The board must meet after the second Friday in June on at least one meeting day and
 32.4 may meet for up to ten consecutive meeting days. The actual meeting dates must be contained
 32.5 on the valuation notices mailed to each property owner in the county as provided in section
 32.6 273.121. For this purpose, "meeting days" is defined as any day of the week excluding
 32.7 Sunday. At the board's discretion, "meeting days" may include Saturday. No action taken
 32.8 by the county board of review after June 30 is valid, except for corrections permitted in
 32.9 sections 273.01 and 274.01. The county auditor shall keep an accurate record of the
 32.10 proceedings and orders of the board. The record must be published like other proceedings
 32.11 of county commissioners. A copy of the published record must be sent to the commissioner
 32.12 of revenue, ~~with the abstract of assessment required by section 274.16~~ within five days
 32.13 following final action of the county board of equalization.

32.14 For counties that conduct either regular board of review meetings or open book meetings,
 32.15 at least one of the meeting days must include a meeting that does not end before 7:00 p.m.
 32.16 For counties that require taxpayer appointments for the board of review, appointments must
 32.17 include some available times that extend until at least 7:00 p.m. The county may have a

 32.25 board of equalization, and make corrections accordingly, in the real or personal lists, or
 32.26 both, and shall make ~~duplicate abstracts~~ duplicates of them. One must be filed in the assessor's
 32.27 office, and one must be forwarded to the commissioner of revenue as provided in section
 32.28 270C.89.

32.29 **EFFECTIVE DATE.** This section is effective the day following final enactment.

32.30 Sec. 16. Minnesota Statutes 2018, section 275.025, subdivision 1, is amended to read:

32.31 Subdivision 1. **Levy amount.** The state general levy is levied against
 32.32 commercial-industrial property and seasonal residential recreational property, as defined

33.1 in this section. The state general levy for commercial-industrial property is \$784,590,000
 33.2 for taxes payable in 2018 and thereafter. The state general levy for seasonal-recreational
 33.3 property is \$44,190,000 for taxes payable in 2018 and thereafter. The tax under this section
 33.4 is not treated as a local tax rate under section 469.177 and is not the levy of a governmental
 33.5 unit under chapters 276A and 473F.

33.6 The commissioner shall increase or decrease the preliminary or final rate for a year as
 33.7 necessary to account for errors and tax base changes that affected a preliminary or final rate
 33.8 for either of the two preceding years. Adjustments are allowed to the extent that the necessary
 33.9 information is available to the commissioner at the time the rates for a year must be certified,
 33.10 and for the following reasons:

33.11 (1) an erroneous report of taxable value by a local official;

33.12 (2) an erroneous calculation by the commissioner; and

33.13 (3) an increase or decrease in taxable value for commercial-industrial or seasonal
 33.14 residential recreational property reported ~~on the abstracts of tax lists submitted under section~~
 33.15 ~~275.29 that was not reported on the abstracts of assessment submitted under section 270C.89~~
 33.16 to the commissioner under section 270C.85, subdivision 2, clause (4), for the same year.

33.17 The commissioner may, but need not, make adjustments if the total difference in the tax
 33.18 levied for the year would be less than \$100,000.

33.19 **EFFECTIVE DATE.** This section is effective the day following final enactment.

33.20 Sec. 17. Minnesota Statutes 2018, section 290B.09, subdivision 1, is amended to read:

33.21 Subdivision 1. **Determination; payment.** The county auditor shall determine the total
 33.22 current year's deferred amount of property tax under this chapter in the county, and ~~submit~~
 33.23 report those amounts as part of the abstracts of tax lists submitted by the county auditors
 33.24 under section 275.29 to the commissioner under section 270C.85, subdivision 2, clause (4).
 33.25 The commissioner may make changes ~~in the abstracts of tax lists~~ as deemed necessary. The
 33.26 commissioner of revenue, after such review, shall pay the deferred amount of property tax
 33.27 to each county treasurer on or before August 31.

33.28 The county treasurer shall distribute as part of the October settlement the funds received
 33.29 as if they had been collected as a part of the property tax.

33.30 **EFFECTIVE DATE.** This section is effective the day following final enactment.

34.1 Sec. 18. Minnesota Statutes 2018, section 469.177, subdivision 1, is amended to read:

34.2 Subdivision 1. **Original net tax capacity.** (a) Upon or after adoption of a tax increment
34.3 financing plan, the auditor of any county in which the district is situated shall, upon request
34.4 of the authority, certify the original net tax capacity of the tax increment financing district
34.5 and that portion of the district overlying any subdistrict as described in the tax increment
34.6 financing plan and shall certify in each year thereafter the amount by which the original net
34.7 tax capacity has increased or decreased as a result of a change in tax exempt status of
34.8 property within the district and any subdistrict, reduction or enlargement of the district or
34.9 changes pursuant to subdivision 4. The auditor shall certify the amount within 30 days after
34.10 receipt of the request and sufficient information to identify the parcels included in the district.
34.11 The certification relates to the taxes payable year as provided in subdivision 6.

34.12 (b) If the classification under section 273.13 of property located in a district changes to
34.13 a classification that has a different assessment ratio, the original net tax capacity of that
34.14 property must be redetermined at the time when its use is changed as if the property had
34.15 originally been classified in the same class in which it is classified after its use is changed.

34.16 (c) The amount to be added to the original net tax capacity of the district as a result of
34.17 previously tax exempt real property within the district becoming taxable equals the net tax
34.18 capacity of the real property as most recently assessed pursuant to ~~section 273.18~~ information
34.19 reported to the commissioner under section 270C.85, subdivision 2, clause (4), or, if that
34.20 assessment was made more than one year prior to the date of title transfer rendering the
34.21 property taxable, the net tax capacity assessed by the assessor at the time of the transfer. If
34.22 improvements are made to tax exempt property after the municipality approves the district
34.23 and before the parcel becomes taxable, the assessor shall, at the request of the authority,
34.24 separately assess the estimated market value of the improvements. If the property becomes
34.25 taxable, the county auditor shall add to original net tax capacity, the net tax capacity of the
34.26 parcel, excluding the separately assessed improvements. If substantial taxable improvements
34.27 were made to a parcel after certification of the district and if the property later becomes tax
34.28 exempt, in whole or part, as a result of the authority acquiring the property through
34.29 foreclosure or exercise of remedies under a lease or other revenue agreement or as a result
34.30 of tax forfeiture, the amount to be added to the original net tax capacity of the district as a
34.31 result of the property again becoming taxable is the amount of the parcel's value that was
34.32 included in original net tax capacity when the parcel was first certified. The amount to be
34.33 added to the original net tax capacity of the district as a result of enlargements equals the
34.34 net tax capacity of the added real property as most recently certified by the commissioner

35.1 of revenue as of the date of modification of the tax increment financing plan pursuant to
35.2 section 469.175, subdivision 4.

35.3 (d) If the net tax capacity of a property increases because the property no longer qualifies
35.4 under the Minnesota Agricultural Property Tax Law, section 273.111; the Minnesota Open
35.5 Space Property Tax Law, section 273.112; or the Metropolitan Agricultural Preserves Act,
35.6 chapter 473H, the Rural Preserve Property Tax Program under section 273.114, or because
35.7 platted, unimproved property is improved or market value is increased after approval of the
35.8 plat under section 273.11, subdivision 14a or 14b, the increase in net tax capacity must be
35.9 added to the original net tax capacity. If the net tax capacity of a property increases because
35.10 the property no longer qualifies for the homestead market value exclusion under section
35.11 273.13, subdivision 35, the increase in net tax capacity must be added to original net tax
35.12 capacity if the original construction of the affected home was completed before the date the
35.13 assessor certified the original net tax capacity of the district.

35.14 (e) The amount to be subtracted from the original net tax capacity of the district as a
35.15 result of previously taxable real property within the district becoming tax exempt or
35.16 qualifying in whole or part for an exclusion from taxable market value, or a reduction in
35.17 the geographic area of the district, shall be the amount of original net tax capacity initially
35.18 attributed to the property becoming tax exempt, being excluded from taxable market value,
35.19 or being removed from the district. If the net tax capacity of property located within the tax
35.20 increment financing district is reduced by reason of a court-ordered abatement, stipulation
35.21 agreement, voluntary abatement made by the assessor or auditor or by order of the
35.22 commissioner of revenue, the reduction shall be applied to the original net tax capacity of
35.23 the district when the property upon which the abatement is made has not been improved
35.24 since the date of certification of the district and to the captured net tax capacity of the district
35.25 in each year thereafter when the abatement relates to improvements made after the date of
35.26 certification. The county auditor may specify reasonable form and content of the request
35.27 for certification of the authority and any modification thereof pursuant to section 469.175,
35.28 subdivision 4.

35.29 (f) If a parcel of property contained a substandard building or improvements described
35.30 in section 469.174, subdivision 10, paragraph (e), that were demolished or removed and if
35.31 the authority elects to treat the parcel as occupied by a substandard building under section
35.32 469.174, subdivision 10, paragraph (b), or by improvements under section 469.174,
35.33 subdivision 10, paragraph (e), the auditor shall certify the original net tax capacity of the
35.34 parcel using the greater of (1) the current net tax capacity of the parcel, or (2) the estimated

36.1 market value of the parcel for the year in which the building or other improvements were
36.2 demolished or removed, but applying the classification rates for the current year.

36.3 (g) For a redevelopment district qualifying under section 469.174, subdivision 10,
36.4 paragraph (a), clause (4), as a qualified disaster area, the auditor shall certify the value of
36.5 the land as the original tax capacity for any parcel in the district that contains a building
36.6 that suffered substantial damage as a result of the disaster or emergency.

40.33 the fire, lightning, sprinkler leakage, and extended coverage premiums reported to the

41.1 commissioner by companies or insurance companies on the Minnesota Fire Premium Report.
41.2 This amount must be reduced by the amount required to pay the state auditor's costs and
41.3 expenses of the audits or exams of the firefighters' relief associations.

41.4 (b) The total amount available for apportionment must not be less than two percent of
41.5 the premiums less return premiums reported to the commissioner by companies or insurance
41.6 companies on the Minnesota Fire Premium Report after subtracting the following amounts:

41.7 (1) the amount required to pay the state auditor's costs and expenses of the audits or
41.8 exams of the firefighters' relief associations; and

41.9 (2) one percent of the premiums reported by township mutual insurance companies and
41.10 mutual property and casualty companies with total assets of \$5,000,000 or less.

41.11 (c) The commissioner must apportion the fire state aid to each municipality or independent
41.12 nonprofit firefighting corporation qualified under section 477B.02 relative to the premiums
41.13 reported on the Minnesota Fire Premium Reports filed under this chapter.

41.14 (d) The commissioner must calculate the percentage of increase or decrease reflected in
41.15 the apportionment over or under the previous year's available state aid using the same
41.16 premiums as a basis for comparison.

41.17 Subd. 3. **Population and estimated market value.** (a) Official statewide federal census
41.18 figures must be used in calculations requiring the use of population figures under this chapter.
41.19 Increases or decreases in population disclosed by reason of any special census must not be
41.20 taken into consideration.

41.21 (b) The latest available estimated market value property figures must be used in
41.22 calculations requiring the use of estimated market value property figures under this chapter.

41.23 Subd. 4. **Initial fire state aid allocation amount.** (a) The initial fire state aid allocation
41.24 amount is the amount available for apportionment as fire state aid under subdivision 2,
41.25 without the inclusion of any additional funding amount to support a minimum fire state aid
41.26 amount under section 423A.02, subdivision 3. The initial fire state aid allocation amount
41.27 is allocated one-half in proportion to the population for each fire department service area
41.28 and one-half in proportion to the estimated market value of each fire department service
41.29 area, including (1) the estimated market value of tax-exempt property, and (2) the estimated
41.30 market value of natural resources lands receiving in lieu payments under sections 477A.11
41.31 to 477A.14 and 477A.17. The estimated market value of minerals is excluded.

41.32 (b) In the case of a municipality or independent nonprofit firefighting corporation
41.33 furnishing fire protection to other municipalities as evidenced by valid fire service contracts

42.1 filed with the commissioner under section 477B.02, subdivision 5, the distribution must be
42.2 adjusted proportionately to take into consideration the crossover fire protection service.
42.3 Necessary adjustments must be made to subsequent apportionments.

42.4 (c) In the case of municipalities or independent nonprofit firefighting corporations
42.5 qualifying for aid, the commissioner must calculate the state aid for the municipality or
42.6 independent nonprofit firefighting corporation on the basis of the population and the estimated
42.7 market value of the area furnished fire protection service by the fire department as evidenced
42.8 by fire service agreements filed with the commissioner under section 477B.02, subdivision
42.9 5.

42.10 (d) In the case of more than one fire department furnishing contracted fire service to a
42.11 municipality, the population and estimated market value in the apportionment agreement
42.12 filed with the commissioner under section 477B.02, subdivision 5, must be used in calculating
42.13 the state aid.

42.14 Subd. 5. **Minimum fire state aid allocation amount.** (a) The minimum fire state aid
42.15 allocation amount is the amount derived from any additional funding amount to support a
42.16 minimum fire state aid amount under section 423A.02, subdivision 3. The minimum fire
42.17 state aid allocation amount is allocated to municipalities or independent nonprofit firefighting
42.18 corporations with volunteer firefighters' relief associations or covered by the voluntary
42.19 statewide volunteer firefighter retirement plan. The amount is based on the number of active
42.20 volunteer firefighters who are (1) members of the relief association as reported to the Office
42.21 of the State Auditor in a specific annual financial reporting year as specified in paragraphs
42.22 (b) to (d), or (2) covered by the voluntary statewide volunteer firefighter retirement plan as
42.23 specified in paragraph (e).

42.24 (b) For relief associations established in calendar year 1993 or a prior year, the number
42.25 of active volunteer firefighters equals the number of active volunteer firefighters who were
42.26 members of the relief association as reported in the annual financial reporting for calendar
42.27 year 1993, but not to exceed 30 active volunteer firefighters.

42.28 (c) For relief associations established in calendar year 1994 through calendar year 1999,
42.29 the number of active volunteer firefighters equals the number of active volunteer firefighters
42.30 who were members of the relief association as reported in the annual financial reporting for
42.31 calendar year 1998 to the Office of the State Auditor, but not to exceed 30 active volunteer
42.32 firefighters.

42.33 (d) For relief associations established after calendar year 1999, the number of active
42.34 volunteer firefighters equals the number of active volunteer firefighters who are members

43.1 of the relief association as reported in the first annual financial reporting submitted to the
43.2 Office of the State Auditor, but not to exceed 20 active volunteer firefighters.

43.3 (e) If a relief association is terminated as a result of providing retirement coverage for
43.4 volunteer firefighters by the voluntary statewide volunteer firefighter retirement plan under
43.5 chapter 353G, the number of active volunteer firefighters equals the number of active
43.6 volunteer firefighters of the municipality or independent nonprofit firefighting corporation
43.7 covered by the statewide plan as certified by the executive director of the Public Employees
43.8 Retirement Association to the commissioner and the state auditor, but not to exceed 30
43.9 active firefighters.

43.10 Subd. 6. **Corrective aid adjustments.** Any adjustments needed to correct prior
43.11 misallocations must be made to subsequent fire state aid apportionments.

43.12 Subd. 7. **Appeal.** A municipality, an independent nonprofit firefighting corporation, a
43.13 fire relief association, or the voluntary statewide volunteer firefighter retirement plan may
43.14 object to the amount of fire state aid apportioned to it by filing a written request with the
43.15 commissioner to review and adjust the apportionment of funds within the state. The decision
43.16 of the commissioner is subject to appeal, review, and adjustment by the district court in the
43.17 county in which the applicable municipality or independent nonprofit firefighting corporation
43.18 is located or by the Ramsey County District Court with respect to the voluntary statewide
43.19 volunteer firefighter retirement plan.

43.20 **EFFECTIVE DATE.** This section is effective for aids payable in 2020 and thereafter.

43.21 Sec. 4. **[477B.04] APPROPRIATION, PAYMENT, AND ADMINISTRATION.**

43.22 Subdivision 1. **Payments.** (a) The commissioner must make payments to the Public
43.23 Employees Retirement Association for deposit in the voluntary statewide volunteer firefighter
43.24 retirement fund on behalf of a municipality or independent nonprofit firefighting corporation
43.25 that is a member of the voluntary statewide volunteer firefighter retirement plan under
43.26 chapter 353G, or directly to a municipality or county designated by an independent nonprofit
43.27 firefighting corporation. The payment is equal to the amount of fire state aid apportioned
43.28 to the applicable fire state aid recipient under section 477B.03.

43.29 (b) Fire state aid is payable on October 1 annually. The amount of state aid due and not
43.30 paid by October 1 accrues interest payable to the recipient at the rate of one percent for each
43.31 month or part of a month that the amount remains unpaid after October 1.

43.32 (c) The interest under paragraph (b) does not apply when payment has not been made
43.33 by October 1 due to noncompliance with sections 424A.014 and 477B.02, subdivision 7.

44.1 Subd. 2. **Appropriation.** The amount necessary to make the payments under this section
44.2 and section 477B.03 is annually appropriated to the commissioner from the general fund.

44.3 Subd. 3. **Deposit of state aid.** (a) If the municipality or the independent nonprofit
44.4 firefighting corporation is covered by the voluntary statewide volunteer firefighter retirement
44.5 plan under chapter 353G, the executive director of the Public Employees Retirement
44.6 Association must credit the fire state aid against future municipal contribution requirements
44.7 under section 353G.08 and must notify the municipality or the independent nonprofit
44.8 firefighting corporation of the fire state aid so credited at least annually.

44.9 (b) If the municipality or the independent nonprofit firefighting corporation is not covered
44.10 by the voluntary statewide volunteer firefighter retirement plan, the treasurer of the
44.11 municipality must, within 30 days after receipt, transmit the fire state aid to the treasurer
44.12 of the duly incorporated firefighters' relief association if there is one organized and the
44.13 association has filed a financial report with the municipality pursuant to section 424A.014,
44.14 subdivision 1 or 2, whichever applies. If the relief association has not filed a financial report
44.15 with the municipality, the treasurer of the municipality must delay transmission of the fire
44.16 state aid to the relief association until the complete financial report is filed.

44.17 (c) The treasurer of the municipality must deposit the fire state aid money in the municipal
44.18 treasury if (1) the municipality or independent nonprofit firefighting corporation is not
44.19 covered by the voluntary statewide volunteer firefighter retirement plan, (2) there is no
44.20 relief association organized, (3) the association has dissolved, or (4) the association has
44.21 been removed as trustees of state aid. The money may be disbursed from the municipal
44.22 treasury only for the purposes and in the manner set forth in section 424A.08 or for the
44.23 payment of the employer contribution requirement with respect to firefighters covered by
44.24 the public employees police and fire retirement plan under section 353.65, subdivision 3.

44.25 **EFFECTIVE DATE.** This section is effective for aids payable in 2020 and thereafter.

44.26 Sec. 5. **[477B.05] SHORTFALL FROM GENERAL FUND.**

44.27 (a) If the annual funding requirements of fire relief associations or consolidation accounts
44.28 under sections 424A.091 to 424A.095 or Laws 2013, chapter 111, article 5, sections 31 to
44.29 42, exceed all applicable revenue sources of a given year, including the insurance premium
44.30 taxes funding fire state aid under this chapter as set under section 297I.05, subdivisions 2,
44.31 3, and 4, the shortfall in the annual funding requirements must be paid from the general
44.32 fund to the extent appropriated by the legislature.

45.1 (b) Nothing in this section relieves any municipality from its obligation to a relief
 45.2 association or consolidation account under law.

45.3 **EFFECTIVE DATE.** This section is effective for aids payable in 2020 and thereafter.

45.4 Sec. 6. **PURPOSE.**

45.5 It is the intent of the legislature to make Minnesota's fire and police state aid laws more
 45.6 understandable by separating and recodifying disparate administration and compliance
 45.7 provisions currently contained in chapter 69 of Minnesota Statutes. Due to the complexity
 45.8 of the recodification, prior provisions are repealed on the effective date of the new provisions.

45.9 **EFFECTIVE DATE.** This section is effective July 1, 2019.

45.10 Sec. 7. **REPEALER.**

45.11 Minnesota Statutes 2018, sections 69.011, subdivisions 1, 2, 2b, 2c, 3, and 4; 69.021,
 45.12 subdivisions 1, 2, 3, 4, 5, 7, 7a, 8, 9, 10, and 11; 69.031, subdivisions 1, 3, and 5; and 69.041,
 45.13 are repealed.

45.14 **EFFECTIVE DATE.** This section is effective for aids payable in 2020 and thereafter.

45.15 **ARTICLE 8**

45.16 **POLICE STATE AID; TECHNICAL CHANGES**

45.17 Section 1. **[477C.01] DEFINITIONS.**

47.8 **EFFECTIVE DATE.** This section is effective for aids payable in 2020 and thereafter.

47.9 Sec. 2. **[477C.02] QUALIFYING FOR POLICE STATE AID.**

47.10 Subdivision 1. **Certification to commissioner.** (a) A certification made under this
 47.11 section must be filed with the commissioner on a form prescribed by the commissioner and
 47.12 must include all other facts that the commissioner requires.

47.13 (b) Except as provided in subdivision 2, on or before March 15 annually, the municipal
 47.14 clerk, municipal clerk-treasurer, or county auditor of each municipality employing one or
 47.15 more peace officers must certify to the commissioner the number of peace officers employed
 47.16 during the previous calendar year. No peace officer may be included in the certification by
 47.17 more than one municipality for the same month.

47.18 (c) Credit for peace officers employed less than a full year must be apportioned. Each
 47.19 full month of employment of a qualifying officer during the calendar year entitles the
 47.20 employing municipality to credit for 1/12 of the payment for employment of a peace officer
 47.21 for the entire year. For purposes of this chapter, employment of a peace officer begins when
 47.22 the peace officer is entered on the payroll of the employing municipality.

47.23 Subd. 2. **Departments of Natural Resources and Public Safety.** On or before March
 47.24 15 annually, the commissioner of natural resources must certify the number of peace officers
 47.25 employed by the Enforcement Division and the commissioner of public safety must certify
 47.26 the number of peace officers employed by the Bureau of Criminal Apprehension, the
 47.27 Gambling Enforcement Division, and the State Patrol Division. The certification must be
 47.28 on the form described in subdivision 1, paragraph (a). Peace officers certified under this
 47.29 subdivision must be included in the total certifications under subdivision 1.

47.30 Subd. 3. **Ineligibility of certain peace officers.** A peace officer employed by the
 47.31 University of Minnesota who is required by the Board of Regents to be a member of the

48.1 University of Minnesota faculty retirement plan is not eligible to be included in any police
48.2 state aid certification under this section.

48.3 Subd. 4. **Penalty for failure to file certification.** (a) If a certification under subdivision
48.4 1 or 2 is not filed with the commissioner on or before March 15, the commissioner must
48.5 notify the municipal clerk, municipal clerk-treasurer, or county auditor that a penalty equal
48.6 to a portion or all of its current year aid will apply if the certification is not received within
48.7 ten days.

48.8 (b) The penalty for failure to file the certification under subdivision 1 or 2 is equal to
48.9 the amount of police state aid determined for the municipality for the current year, multiplied
48.10 by five percent for each week or fraction of a week that the certification is late. The penalty
48.11 must be computed beginning ten days after the postmark date of the commissioner's
48.12 notification as required under this subdivision. All aid amounts forfeited as a result of the
48.13 penalty revert to the state general fund. Failure to receive the certification form may not be
48.14 used as a defense for a failure to file.

48.15 Subd. 5. **Determination by commissioner.** The commissioner must determine which
48.16 municipalities are qualified to receive police state aid based on compliance with the
48.17 requirements of this section. The commissioner may take into account any other relevant
48.18 information that comes to the attention of the commissioner when making the determination.

48.19 **EFFECTIVE DATE.** This section is effective for aids payable in 2020 and thereafter.

48.20 Sec. 3. **[477C.03] CALCULATION OF POLICE STATE AID; APPEAL.**

48.21 Subdivision 1. **Certification and calculation of police state aid.** (a) On or before
48.22 October 1, the commissioner must calculate the amount of police state aid that each
48.23 municipality is to receive.

48.24 (b) The commissioner must calculate an excess police state aid amount for each
48.25 municipality under subdivision 3 and must reduce the apportionment amount for each
48.26 municipality based on the calculation.

48.27 Subd. 2. **Apportionment of police state aid.** (a) The total amount available for
48.28 apportionment as police state aid is equal to 104 percent of the amount of premium taxes
48.29 paid to the state on the premiums reported to the commissioner by companies or insurance
48.30 companies on the Minnesota Aid to Police Premium Report. The total amount for
48.31 apportionment for the police state aid program must not be less than two percent of the
48.32 amount of premiums reported to the commissioner by companies or insurance companies
48.33 on the Minnesota Aid to Police Premium Report.

49.1 (b) The commissioner must calculate the percentage of increase or decrease reflected in
49.2 the apportionment over or under the previous year's available state aid using the same
49.3 premiums as a basis for comparison.

49.4 (c) In addition to the amount for apportionment of police state aid under paragraph (a),
49.5 each year \$100,000 must be apportioned for police state aid. An amount sufficient to pay
49.6 this increase is annually appropriated from the general fund.

49.7 (d) The commissioner must apportion police state aid to all municipalities in proportion
49.8 to the relationship that the total number of peace officers employed by that municipality for
49.9 the prior calendar year and the proportional or fractional number who were employed less
49.10 than a calendar year as credited under section 477C.02, subdivision 1, paragraph (c), bears
49.11 to the total number of peace officers employed by all municipalities subject to any reduction
49.12 under subdivision 3.

49.13 (e) Any necessary additional adjustments must be made to subsequent police state aid
49.14 apportionments.

49.15 Subd. 3. **Apportionment reduction; excess police state aid.** (a) The commissioner
49.16 must reduce the apportionment of police state aid under this section for eligible municipalities
49.17 by the amount of any excess police state aid calculated under this subdivision.

49.18 (b) The commissioner must calculate the amount of excess police state aid for each
49.19 municipality as follows:

49.20 (1) for municipalities in which police retirement coverage is provided wholly by the
49.21 public employees police and fire fund and all peace officers are members of the plan governed
49.22 by sections 353.63 to 353.657, the excess police state aid amount equals the amount of
49.23 police state aid apportioned under subdivision 2 that exceeds the employer's total prior
49.24 calendar year obligation as defined in paragraph (c), as certified by the executive director
49.25 of the Public Employees Retirement Association;

49.26 (2) for the Metropolitan Airports Commission, the excess police state aid amount equals
49.27 the amount of apportioned police aid calculated under subdivision 2 that exceeds the
49.28 commission's total prior calendar year obligation as defined in paragraph (c), as certified
49.29 by the executive director of the Public Employees Retirement Association; and

49.30 (3) for the Departments of Natural Resources and Public Safety, the excess police state
49.31 aid amount equals the amount of apportioned police aid calculated under subdivision 2 that
49.32 exceeds the employer's total prior calendar year obligation under section 352B.02, subdivision

50.1 1c, for plan members who are peace officers, as certified by the executive director of the
 50.2 Minnesota State Retirement System.

50.3 (c) The municipality's total prior calendar year obligation with respect to the public
 50.4 employees police and fire plan under paragraph (b), clause (1), is the total prior calendar
 50.5 year obligation under section 353.65, subdivision 3, for police officers as defined in section
 50.6 353.64, subdivisions 1, 1a, and 2, and the actual total prior calendar year obligation under
 50.7 section 353.65, subdivision 3, for firefighters, as defined in section 353.64, subdivisions 1,
 50.8 1a, and 2, but not to exceed for those firefighters the applicable following employer calendar
 50.9 year amount:

54.13 Subdivision 1. **Financial report and audit.** (a) The board of the Bloomington Fire
54.14 Department Relief Association and each volunteer firefighters relief association with assets
54.15 of at least \$500,000 or liabilities of at least \$500,000 in the prior year or in any previous

55.5 Relief Association or the volunteer firefighter relief association for public inspection and
55.6 must be filed with the governing body of the government subdivision in which the associated
55.7 fire department is located after the close of the fiscal year. One copy of the financial report
55.8 must be furnished to the state auditor after the close of the fiscal year.

55.9 (d) Audited financial statements must be attested to by a certified public accountant or
55.10 by the state auditor and must be filed with the state auditor on or before June 30 after the
55.11 close of the fiscal year. The state auditor may accept this report in lieu of the report required

56.19 state aid, and, until the state auditor receives the required information, the relief association
56.20 or municipality is ineligible to receive any future state aid. A municipality or relief association
56.21 does not qualify initially to receive, or be entitled subsequently to retain, fire state aid and
56.22 police and firefighter retirement supplemental state aid payable under chapter 477B and
56.23 section 423A.022 if the financial reporting requirement or the applicable requirements of

57.8 disclose the sources of receipts and the purpose of disbursements for fire protection service.
57.9 The financial report must be signed by the municipal clerk or clerk-treasurer with the state
57.10 auditor on or before July 1 annually. The municipality does not qualify initially to receive,
57.11 and is not entitled subsequently to retain, any fire state aid and police and firefighter
57.12 retirement supplemental state aid payable under chapter 477B and section 423A.022 if the

57.24 a financial report under paragraph (a) if the municipality:

57.25 (1) has a fire department;

57.26 (2) does not have a volunteer firefighters relief association directly associated with its
57.27 fire department;

57.28 (3) does not participate in the statewide volunteer firefighter retirement plan under
57.29 chapter 353G;

 61.25 relief association or a defined contribution volunteer firefighter relief association governed
 61.26 by chapter 424A, the cost analysis of the prospective retirement coverage must be requested
 61.27 jointly by the secretary of the volunteer firefighter relief association, following approval of
 61.28 the request by the board of the volunteer firefighter relief association, and the chief
 61.29 administrative officer of the entity associated with the relief association, following approval
 61.30 of the request by the governing body of the entity associated with the relief association. If
 61.31 the relief association is associated with more than one entity, the chief administrative officer
 61.32 of each associated entity must execute the request. If the volunteer firefighters are not

62.1 currently covered by a volunteer firefighter relief association, the cost analysis of the
 62.2 prospective retirement coverage must be requested by the chief administrative officer of
 62.3 the entity operating the fire department. The request must be made in writing and must be
 62.4 made on a form prescribed by the executive director.

62.5 (c) The cost analysis of the prospective retirement coverage by the lump-sum retirement
 62.6 division of the statewide retirement plan must be based on the service pension amount under
 62.7 section 353G.11 closest to the service pension amount provided by the volunteer firefighter
 62.8 relief association if the relief association is a lump-sum defined benefit plan, or the amount
 62.9 equal to 95 percent of the most current average account balance per relief association member
 62.10 if the relief association is a defined contribution plan, or to the lowest service pension amount
 62.11 under section 353G.11 if there is no volunteer firefighter relief association, rounded up, and
 62.12 any other service pension amount designated by the requester or requesters. The cost analysis
 62.13 must be prepared using a mathematical procedure certified as accurate by an approved
 62.14 actuary retained by the Public Employees Retirement Association.

62.15 (d) If a cost analysis is requested and a volunteer ~~firefighters'~~ firefighters relief association
 62.16 exists that has filed the information required under section ~~69.051~~ 424A.014 in a timely
 62.17 fashion, upon request by the executive director, the state auditor shall provide the most
 62.18 recent data available on the financial condition of the volunteer firefighter relief association,
 62.19 the most recent firefighter demographic data available, and a copy of the current relief
 62.20 association bylaws. If a cost analysis is requested, but no volunteer firefighter relief
 62.21 association exists, the chief administrative officer of the entity operating the fire department
 62.22 shall provide the demographic information on the volunteer firefighters serving as members
 62.23 of the fire department requested by the executive director.

62.24 **EFFECTIVE DATE.** This section is effective July 1, 2019.

62.25 Sec. 6. Minnesota Statutes 2018, section 353G.08, subdivision 1, is amended to read:

62.26 Subdivision 1. **Annual funding requirements; lump-sum retirement division.** (a)
 62.27 Annually, the executive director shall determine the funding requirements of each account
 62.28 in the lump-sum retirement division of the voluntary statewide volunteer firefighter retirement
 62.29 plan on or before August 1. The funding requirements computed under this subdivision
 62.30 must be determined using a mathematical procedure developed and certified as accurate by
 62.31 the approved actuary retained by the Public Employees Retirement Association and must
 62.32 be based on present value factors using a six percent interest rate, without any decrement
 62.33 assumptions. The funding requirements must be certified to the entity or entities associated
 62.34 with the fire department whose active firefighters are covered by the retirement plan.

63.1 (b) The overall funding balance of each lump-sum account for the current calendar year
63.2 must be determined in the following manner:

63.3 (1) The total accrued liability for all active and deferred members of the account as of
63.4 December 31 of the current year must be calculated based on the good time service credit
63.5 of active and deferred members as of that date.

63.6 (2) The total present assets of the account projected to December 31 of the current year,
63.7 including receipts by and disbursements from the account anticipated to occur on or before
63.8 December 31, must be calculated. To the extent possible, the market value of assets must
63.9 be utilized in making this calculation.

63.10 (3) The amount of the total present assets calculated under clause (2) must be subtracted
63.11 from the amount of the total accrued liability calculated under clause (1). If the amount of
63.12 total present assets exceeds the amount of the total accrued liability, then the account is
63.13 considered to have a surplus over full funding. If the amount of the total present assets is
63.14 less than the amount of the total accrued liability, then the account is considered to have a
63.15 deficit from full funding. If the amount of total present assets is equal to the amount of the
63.16 total accrued liability, then the special fund is considered to be fully funded.

63.17 (c) The financial requirements of each lump-sum account for the following calendar
63.18 year must be determined in the following manner:

63.19 (1) The total accrued liability for all active and deferred members of the account as of
63.20 December 31 of the calendar year next following the current calendar year must be calculated
63.21 based on the good time service used in the calculation under paragraph (b), clause (1),
63.22 increased by one year.

63.23 (2) The increase in the total accrued liability of the account for the following calendar
63.24 year over the total accrued liability of the account for the current year must be calculated.

63.25 (3) The amount of administrative expenses of the account must be calculated by
63.26 multiplying the per-person dollar amount of the administrative expenses for the most recent
63.27 prior calendar year by the number of active and deferred firefighters reported to PERA on
63.28 the most recent good time service credit certification form for each account.

63.29 (4) If the account is fully funded, the financial requirement of the account for the
63.30 following calendar year is the total of the amounts calculated under clauses (2) and (3).

63.31 (5) If the account has a deficit from full funding, the financial requirement of the account
63.32 for the following calendar year is the total of the amounts calculated under clauses (2) and

64.1 (3) plus an amount equal to one-tenth of the amount of the deficit from full funding of the
64.2 account.

64.3 (6) If the account has a surplus over full funding, the financial requirement of the account
64.4 for the following calendar year is the financial requirement of the account calculated as
64.5 though the account was fully funded under clause (4) and, if the account has also had a
64.6 surplus over full funding during the prior two years, additionally reduced by an amount
64.7 equal to one-tenth of the amount of the surplus over full funding of the account.

64.8 (d) The required contribution of the entity or entities associated with the fire department
64.9 whose active firefighters are covered by the lump-sum retirement division is the annual
64.10 financial requirements of the lump-sum account of the retirement plan under paragraph (c)
64.11 reduced by the amount of any fire state aid payable under ~~sections 69.011 to 69.051~~ chapter
64.12 477B or police and firefighter retirement supplemental state aid payable under section
64.13 423A.022 that is reasonably anticipated to be received by the retirement plan attributable
64.14 to the entity or entities during the following calendar year, and an amount of interest on the
64.15 assets projected to be received during the following calendar year calculated at the rate of
64.16 six percent per annum. The required contribution must be allocated between the entities if
64.17 more than one entity is involved. A reasonable amount of anticipated fire state aid is an
64.18 amount that does not exceed the fire state aid actually received in the prior year multiplied
64.19 by the factor 1.035.

64.20 (e) The required contribution calculated in paragraph (d) must be paid to the retirement
64.21 plan on or before December 31 of the year for which it was calculated. If the contribution
64.22 is not received by the retirement plan by December 31, it is payable with interest at an
64.23 annual compound rate of six percent from the date due until the date payment is received
64.24 by the retirement plan. If the entity does not pay the full amount of the required contribution,
64.25 the executive director shall collect the unpaid amount under section 353.28, subdivision 6.

64.26 **EFFECTIVE DATE.** This section is effective for aids payable in 2020 and thereafter.

64.27 Sec. 7. Minnesota Statutes 2018, section 353G.08, subdivision 1a, is amended to read:

64.28 Subd. 1a. **Annual funding requirements; monthly benefit retirement division.** (a)
64.29 Annually, the executive director shall determine the funding requirements of each monthly
64.30 benefit account in the voluntary statewide volunteer firefighter retirement plan on or before
64.31 August 1.

64.32 (b) The executive director must determine the funding requirements of a monthly benefit
64.33 account under this subdivision from:

65.1 (1) the most recent actuarial valuation normal cost, administrative expense, including
65.2 the cost of a regular actuarial valuation, and amortization results for the account determined
65.3 by the approved actuary retained by the retirement association under sections 356.215 and
65.4 356.216; and

65.5 (2) the standards for actuarial work, utilizing a six percent interest rate actuarial
65.6 assumption and other actuarial assumptions approved under section 356.215, subdivision
65.7 18:

65.8 (i) with that portion of any unfunded actuarial accrued liability attributable to a benefit
65.9 increase to be amortized over a period of 20 years from the date of the benefit change;

65.10 (ii) with that portion of any unfunded actuarial accrued liability attributable to an
65.11 assumption change or an actuarial method change to be amortized over a period of 20 years
65.12 from the date of the assumption or method change;

65.13 (iii) with that portion of any unfunded actuarial accrued liability attributable to an
65.14 investment loss to be amortized over a period of ten years from the date of investment loss;
65.15 and

65.16 (iv) with the balance of any net unfunded actuarial accrued liability to be amortized over
65.17 a period of five years from the date of the actuarial valuation.

65.18 (c) The required contributions of the entity or entities associated with the fire department
65.19 whose active firefighters are covered by the monthly benefit retirement division are the
65.20 annual financial requirements of the monthly benefit account of the retirement plan under
65.21 paragraph (b) reduced by the amount of any fire state aid payable under ~~sections 69.011 to~~
65.22 ~~69.051~~ chapter 477B, or any police and firefighter retirement supplemental state aid payable
65.23 under section 423A.022, that is reasonably anticipated to be received by the retirement plan
65.24 attributable to the entity or entities during the following calendar year. The required
65.25 contribution must be allocated between the entities if more than one entity is involved. A
65.26 reasonable amount of anticipated fire state aid is an amount that does not exceed the fire
65.27 state aid actually received in the prior year multiplied by the factor 1.035.

65.28 (d) The required contribution calculated in paragraph (c) must be paid to the retirement
65.29 plan on or before December 31 of the year for which it was calculated. If the contribution
65.30 is not received by the retirement plan by December 31, it is payable with interest at an
65.31 annual compound rate of six percent from the date due until the date payment is received
65.32 by the retirement plan. If the entity does not pay the full amount of the required contribution,
65.33 the executive director shall collect the unpaid amount under section 353.28, subdivision 6.

66.1 **EFFECTIVE DATE.** This section is effective for aids payable in 2020 and thereafter.

66.5 of the relief association shall adopt resolutions as follows:

66.6 (1) approving and accepting the transfer of records, assets, and liabilities from the
66.7 retirement plan; and

66.8 (2) amending the bylaws of the relief association as necessary to add the firefighters
66.9 whose benefits are being transferred from the retirement plan and to provide that each benefit
66.10 being transferred retains vesting, distribution, and other rights to which the firefighter, for
66.11 whom the benefit is being transferred, is entitled under the terms of the retirement plan to
66.12 the date of the transfer.

66.13 The board of trustees shall file a copy of the resolutions with the executive director.

71.31 firefighter who is a member of the relief association.

71.32 (b) To each individual active member account must be credited an equal share of:

72.1 (1) any amounts of fire state aid and police and firefighter retirement supplemental state
72.2 aid received by the relief association;

72.3 (2) any amounts of municipal contributions to the relief association raised from levies
72.4 on real estate or from other available municipal revenue sources exclusive of fire state aid;
72.5 and

72.6 (3) any amounts equal to the share of the assets of the special fund to the credit of:

72.7 (i) any former member who terminated active service with the fire department to which
72.8 the relief association is associated before meeting the minimum service requirement provided
72.9 for in subdivision 2, paragraph (b), and has not returned to active service with the fire
72.10 department for a period no shorter than five years; or

72.11 (ii) any retired member who retired before obtaining a full nonforfeitable interest in the
72.12 amounts credited to the individual member account under subdivision 2, paragraph (b), and
72.13 any applicable provision of the bylaws of the relief association. In addition, any investment
72.14 return on the assets of the special fund must be credited in proportion to the share of the
72.15 assets of the special fund to the credit of each individual active member account.

72.16 Administrative expenses of the relief association payable from the special fund may be
72.17 deducted from individual accounts in a manner specified in the bylaws of the relief
72.18 association.

72.19 (c) If the bylaws so permit and as the bylaws define, the relief association may credit
72.20 any investment return on the assets of the special fund to the accounts of inactive members.

72.21 (d) Amounts to be credited to individual accounts must be allocated uniformly for all
72.22 years of active service and allocations must be made for all years of service, except for caps
72.23 on service credit if so provided in the bylaws of the relief association. Amounts forfeited
72.24 under paragraph (b), clause (3), before a resumption of active service and membership under
72.25 section 424A.01, subdivision 6, remain forfeited and may not be reinstated upon the
72.26 resumption of active service and membership. The allocation method may utilize monthly
72.27 proration for fractional years of service, as the bylaws or articles of incorporation of the
72.28 relief association so provide. The bylaws or articles of incorporation may define a "month,"
72.29 but the definition must require a calendar month to have at least 16 days of active service.
72.30 If the bylaws or articles of incorporation do not define a "month," a "month" is a completed
72.31 calendar month of active service measured from the member's date of entry to the same date
72.32 in the subsequent month.

72.33 (e) At the time of retirement under subdivision 2 and any applicable provision of the
72.34 bylaws of the relief association, a retiring member is entitled to that portion of the assets of

73.1 the special fund to the credit of the member in the individual member account which is
 73.2 nonforfeitable under subdivision 3 and any applicable provision of the bylaws of the relief
 73.3 association based on the number of years of service to the credit of the retiring member.

73.4 (f) Annually, the secretary of the relief association shall certify the individual account
 73.5 allocations to the state auditor at the same time that the annual financial statement or financial
 73.6 report and audit of the relief association, whichever applies, is due under section ~~69.051~~
 73.7 424A.014.

73.8 **EFFECTIVE DATE.** This section is effective July 1, 2019.

73.9 Sec. 17. Minnesota Statutes 2018, section 424A.02, subdivision 1, is amended to read:

73.10 Subdivision 1. **Authorization.** (a) A defined benefit relief association, when its articles
 73.11 of incorporation or bylaws so provide, may pay out of the assets of its special fund a defined
 73.12 benefit service pension to each of its members who: (1) separates from active service with
 73.13 the fire department; (2) reaches age 50; (3) completes at least five years of active service
 73.14 as an active member of the fire department to which the relief association is associated; (4)
 73.15 completes at least five years of active membership with the relief association before
 73.16 separation from active service; and (5) complies with any additional conditions as to age,
 73.17 service, and membership that are prescribed by the bylaws of the relief association. A service
 73.18 pension computed under this section may be prorated monthly for fractional years of service
 73.19 as the bylaws or articles of incorporation of the relief association so provide. The bylaws
 73.20 or articles of incorporation may define a "month," but the definition must require a calendar
 73.21 month to have at least 16 days of active service. If the bylaws or articles of incorporation
 73.22 do not define a "month," a "month" is a completed calendar month of active service measured
 73.23 from the member's date of entry to the same date in the subsequent month. The service
 73.24 pension earned by a volunteer firefighter under this chapter and the articles of incorporation
 73.25 and bylaws of the volunteer firefighters relief association may be paid whether or not the
 73.26 municipality or independent nonprofit firefighting corporation to which the relief association
 73.27 is associated qualifies for the receipt of fire state aid under chapter ~~69~~ 477B.

73.28 (b) In the case of a member who has completed at least five years of active service as
 73.29 an active member of the fire department to which the relief association is associated on the
 73.30 date that the relief association is established and incorporated, the requirement that the
 73.31 member complete at least five years of active membership with the relief association before
 73.32 separation from active service may be waived by the board of trustees of the relief association
 73.33 if the member completes at least five years of inactive membership with the relief association
 73.34 before the date of the payment of the service pension. During the period of inactive

74.1 membership, the member is not entitled to receive disability benefit coverage, is not entitled
74.2 to receive additional service credit towards computation of a service pension, and is
74.3 considered to have the status of a person entitled to a deferred service pension under
74.4 subdivision 7.

74.5 (c) No municipality, independent nonprofit firefighting corporation, or joint powers
74.6 entity may delegate the power to take final action in setting a service pension or ancillary
74.7 benefit amount or level to the board of trustees of the relief association or to approve in
74.8 advance a service pension or ancillary benefit amount or level equal to the maximum amount
74.9 or level that this chapter would allow rather than a specific dollar amount or level.

74.10 **EFFECTIVE DATE.** This section is effective for aids payable in 2020 and thereafter.

74.11 Sec. 18. Minnesota Statutes 2018, section 424A.02, subdivision 3a, is amended to read:

74.12 Subd. 3a. **Penalty for paying pension greater than applicable maximum.** (a) If a
74.13 defined benefit relief association pays a service pension greater than the maximum service
74.14 pension associated with the applicable average amount of available financing per active
74.15 covered firefighter under the table in subdivision 3, paragraph (c) or (d), whichever applies,
74.16 the maximum service pension under subdivision 3, paragraph (f), or the applicable maximum
74.17 service pension amount specified in subdivision 3, paragraph (g), whichever is less, the
74.18 state auditor shall:

74.19 (1) disqualify the municipality or the independent nonprofit firefighting corporation
74.20 associated with the relief association from receiving fire state aid by making the appropriate
74.21 notification to the municipality and the commissioner of revenue, with the disqualification
74.22 applicable for the next apportionment and payment of fire state aid; and

74.23 (2) order the treasurer of the applicable relief association to recover the amount of the
74.24 overpaid service pension or pensions from any retired firefighter who received an
74.25 overpayment.

74.26 (b) Fire state aid amounts from disqualified municipalities for the period of
74.27 disqualifications under paragraph (a), clause (1), must be credited to the amount of fire
74.28 insurance premium tax proceeds available for the next subsequent fire state aid
74.29 apportionment.

74.30 (c) The amount of any overpaid service pension recovered under paragraph (a), clause
74.31 (2), must be credited to the amount of fire insurance premium tax proceeds available for
74.32 the next subsequent fire state aid apportionment.

75.1 (d) The determination of the state auditor that a relief association has paid a service
 75.2 pension greater than the applicable maximum must be made on the basis of the information
 75.3 filed by the relief association and the municipality with the state auditor under ~~sections~~
 75.4 ~~69.011, subdivision 2, and 69.051, subdivision 1 or 1a, whichever applies,~~ this chapter and
 75.5 any other relevant information that comes to the attention of the state auditor. The
 75.6 determination of the state auditor is final. An aggrieved municipality, relief association, or
 75.7 person may appeal the determination under section 480A.06.

75.8 (e) The state auditor may certify, upon learning that a relief association overpaid a service
 75.9 pension based on an error in the maximum service pension calculation, the municipality or
 75.10 independent nonprofit firefighting corporation associated with the relief association for fire
 75.11 state aid if (1) there is evidence that the error occurred in good faith, and (2) the relief
 75.12 association has initiated recovery of any overpayment amount. Notwithstanding paragraph
 75.13 (c), all overpayments recovered under this paragraph must be credited to the relief
 75.14 association's special fund.

75.15 **EFFECTIVE DATE.** This section is effective July 1, 2019.

75.16 Sec. 19. Minnesota Statutes 2018, section 424A.02, subdivision 10, is amended to read:

75.17 Subd. 10. **Local approval of bylaw amendments; filing requirements.** (a) Each defined
 75.18 benefit relief association to which this section applies must file a revised copy of its governing
 75.19 bylaws with the state auditor upon the adoption of any amendment to its governing bylaws
 75.20 by the relief association or upon the approval of any amendment to its governing bylaws
 75.21 granted by the governing body of each municipality served by the fire department to which
 75.22 the relief association is directly associated. Failure of the relief association to file a copy of
 75.23 the bylaws or any bylaw amendments with the state auditor disqualifies the municipality
 75.24 from the distribution of any future fire state aid until this filing requirement has been
 75.25 completed.

75.26 (b) If the special fund of the relief association does not have a surplus over full funding
 75.27 under section 424A.092, subdivision 3, paragraph (c), clause (5), or 424A.093, subdivision
 75.28 4, and if the municipality is required to provide financial support to the special fund of the
 75.29 relief association under section 424A.092 or 424A.093, no bylaw amendment which would
 75.30 affect the amount of, the manner of payment of, or the conditions for qualification for service
 75.31 pensions or ancillary benefits or disbursements other than administrative expenses authorized
 75.32 under section ~~69.80~~ 424A.05, subdivision 3b, payable from the special fund of the relief
 75.33 association is effective until it has been ratified as required under section 424A.092,
 75.34 subdivision 6, or 424A.093, subdivision 6. If the special fund of the relief association has

76.1 a surplus over full funding under section 424A.092, subdivision 3, or 424A.093, subdivision
 76.2 4, and if the municipality is not required to provide financial support to the special fund
 76.3 under this section, the relief association may adopt or amend without municipal ratification
 76.4 its articles of incorporation or bylaws which increase or otherwise affect the service pensions
 76.5 or ancillary benefits payable from the special fund if authorized under section 424A.092,
 76.6 subdivision 6, or 424A.093, subdivision 6.

76.7 (c) If the relief association pays only a lump-sum pension, the financial requirements
 76.8 are to be determined by the board of trustees following the preparation of an estimate of
 76.9 the expected increase in the accrued liability and annual accruing liability of the relief
 76.10 association attributable to the change. If the relief association pays a monthly benefit service
 76.11 pension, the financial requirements are to be determined by the board of trustees following
 76.12 either an updated actuarial valuation including the proposed change or an estimate of the
 76.13 expected actuarial impact of the proposed change prepared by the actuary of the relief
 76.14 association. If a relief association adopts or amends its articles of incorporation or bylaws
 76.15 without municipal ratification under this subdivision, and, subsequent to the amendment or
 76.16 adoption, the financial requirements of the special fund under this section are such so as to
 76.17 require financial support from the municipality, the provision which was implemented
 76.18 without municipal ratification is no longer effective without municipal ratification, and any
 76.19 service pensions or ancillary benefits payable after that date must be paid only in accordance
 76.20 with the articles of incorporation or bylaws as amended or adopted with municipal
 76.21 ratification.

76.22 **EFFECTIVE DATE.** This section is effective July 1, 2019.

76.23 Sec. 20. Minnesota Statutes 2018, section 424A.03, subdivision 2, is amended to read:

76.24 Subd. 2. **Penalties for violations.** A municipality which has a fire department associated
 76.25 with a relief association which violates the provisions of subdivision 1 is directly associated
 76.26 or which contracts with an independent nonprofit firefighting corporation associated with
 76.27 a relief association which violates the provisions of subdivision 1 is a subsidiary may not
 76.28 be included in the apportionment of fire state aid ~~to the applicable county auditor and police~~
 76.29 and firefighter retirement supplemental state aid payable under section 69.021, subdivision

77.5 revenues received from the municipality under sections 424A.091 to 424A.096 or any

77.7 property donated, given, granted or devised by any person which is specified for use for the
77.8 support of the special fund and any interest or investment return earned upon the assets of
77.9 the special fund. The treasurer of the relief association is the custodian of the assets of the
77.10 special fund and must be the recipient on behalf of the special fund of all revenues payable
77.11 to the special fund. The treasurer shall maintain adequate records documenting any
77.12 transaction involving the assets or the revenues of the special fund. These records and the
77.13 bylaws of the relief association are public and must be open for inspection by any member

77.15 member of the public, at reasonable times and places.

 78.24 independent nonprofit firefighting corporation shall establish a volunteer firefighters relief
 78.25 association governed by this chapter.

78.26 **EFFECTIVE DATE.** This section is effective for aids payable in 2020 and thereafter.

78.27 Sec. 24. Minnesota Statutes 2018, section 424A.091, subdivision 3, is amended to read:

78.28 Subd. 3. **Remedy for noncompliance; determination.** (a) A municipality in which

80.31 **EFFECTIVE DATE.** This section is effective July 1, 2019, except the reference to
80.32 Minnesota Statutes, chapter 477B, is effective for aids payable in 2020 and thereafter.

81.1 Sec. 25. Minnesota Statutes 2018, section 424A.092, subdivision 3, is amended to read:

81.2 Subd. 3. **Financial requirements of relief association; minimum obligation of**
81.3 **municipality.** (a) During the month of July, the officers of the relief association shall
81.4 determine the overall funding balance of the special fund for the current calendar year, the
81.5 financial requirements of the special fund for the following calendar year and the minimum
81.6 obligation of the municipality with respect to the special fund for the following calendar
81.7 year in accordance with the requirements of this subdivision.

81.8 (b) The overall funding balance of the special fund for the current calendar year must
81.9 be determined in the following manner:

81.10 (1) The total accrued liability of the special fund for all active and deferred members of
81.11 the relief association as of December 31 of the current year must be calculated under
81.12 subdivisions 2 and 2a, if applicable.

81.13 (2) The total present assets of the special fund projected to December 31 of the current
81.14 year, including receipts by and disbursements from the special fund anticipated to occur on
81.15 or before December 31, must be calculated. To the extent possible, for those assets for which
81.16 a market value is readily ascertainable, the current market value as of the date of the
81.17 calculation for those assets must be utilized in making this calculation. For any asset for
81.18 which no market value is readily ascertainable, the cost value or the book value, whichever
81.19 is applicable, must be utilized in making this calculation.

81.20 (3) The amount of the total present assets of the special fund calculated under clause (2)
81.21 must be subtracted from the amount of the total accrued liability of the special fund calculated
81.22 under clause (1). If the amount of total present assets exceeds the amount of the total accrued
81.23 liability, then the special fund is considered to have a surplus over full funding. If the amount
81.24 of the total present assets is less than the amount of the total accrued liability, then the
81.25 special fund is considered to have a deficit from full funding. If the amount of total present
81.26 assets is equal to the amount of the total accrued liability, then the special fund is considered
81.27 to be fully funded.

81.28 (c) The financial requirements of the special fund for the following calendar year must
81.29 be determined in the following manner:

81.30 (1) The total accrued liability of the special fund for all active and deferred members of
81.31 the relief association as of December 31 of the calendar year next following the current
81.32 calendar year must be calculated under subdivisions 2 and 2a, if applicable.

82.1 (2) The increase in the total accrued liability of the special fund for the following calendar
82.2 year over the total accrued liability of the special fund for the current year must be calculated.

82.3 (3) The amount of anticipated future administrative expenses of the special fund must
82.4 be calculated by multiplying the dollar amount of the administrative expenses of the special
82.5 fund for the most recent prior calendar year by the factor of 1.035.

82.6 (4) If the special fund is fully funded, the financial requirements of the special fund for
82.7 the following calendar year are the total of the amounts calculated under clauses (2) and
82.8 (3).

82.9 (5) If the special fund has a deficit from full funding, the financial requirements of the
82.10 special fund for the following calendar year are the financial requirements of the special
82.11 fund calculated as though the special fund were fully funded under clause (4) plus an amount
82.12 equal to one-tenth of the original amount of the deficit from full funding of the special fund
82.13 as determined under clause (2) resulting either from an increase in the amount of the service
82.14 pension occurring in the last ten years or from a net annual investment loss occurring during
82.15 the last ten years until each increase in the deficit from full funding is fully retired. The
82.16 annual amortization contribution under this clause may not exceed the amount of the deficit
82.17 from full funding.

82.18 (6) If the special fund has a surplus over full funding, the financial requirements of the
82.19 special fund for the following calendar year are the financial requirements of the special
82.20 fund calculated as though the special fund were fully funded under clause (4) reduced by
82.21 an amount equal to one-tenth of the amount of the surplus over full funding of the special
82.22 fund.

82.23 (d) The minimum obligation of the municipality with respect to the special fund is the
82.24 financial requirements of the special fund reduced by the amount of any fire state aid and
82.25 police and firefighter retirement supplemental state aid payable under ~~sections 69.011 to~~
82.26 ~~69.051~~ chapter 477B and section 423A.022 reasonably anticipated to be received by the
82.27 municipality for transmittal to the special fund during the following calendar year, an amount
82.28 of interest on the assets of the special fund projected to the beginning of the following
82.29 calendar year calculated at the rate of five percent per annum, and the amount of any
82.30 contributions to the special fund required by the relief association bylaws from the active
82.31 members of the relief association reasonably anticipated to be received during the following
82.32 calendar year. A reasonable amount of anticipated fire state aid is an amount that does not
82.33 exceed the fire state aid actually received in the prior year multiplied by the factor 1.035.

82.34 **EFFECTIVE DATE.** This section is effective for aids payable in 2020 and thereafter.

83.22 without any limitation as to rate or amount and irrespective of any limitations imposed by
83.23 other provisions of law upon the rate or amount of taxation until the balance of the special

83.25 taxes levied under this section must not cause the amount or rate of any other taxes levied
83.26 in that year or to be levied in a subsequent year by the municipality which are subject to a
83.27 limitation as to rate or amount to be reduced.

83.28 (e) If the municipality does not include the full amount of the minimum municipal

84.9 (b) The minimum obligation of the municipality with respect to the special fund is an
84.10 amount equal to the financial requirements of the special fund of the relief association
84.11 determined under subdivision 4, reduced by the estimated amount of any fire state aid and
84.12 police and firefighter retirement supplemental state aid payable under ~~sections 69.011 to~~
84.13 ~~69.051~~ chapter 477B and section 423A.022 reasonably anticipated to be received by the

84.15 year and the amount of any anticipated contributions to the special fund required by the
84.16 relief association bylaws from the active members of the relief association reasonably
84.17 anticipated to be received during the following calendar year. A reasonable amount of

85.5 or rate of any other taxes levied in that year or to be levied in a subsequent year by the
85.6 municipality which are subject to a limitation as to rate or amount to be reduced.

85.7 (f) If the municipality does not include the full amount of the minimum municipal

- 89.28 **EFFECTIVE DATE.** This section is effective the day following final enactment.

90.1 Sec. 4. Minnesota Statutes 2018, section 273.13, subdivision 22, is amended to read:

90.2 Subd. 22. **Class 1.** (a) Except as provided in subdivision 23 and in paragraphs (b) and
 90.3 (c), real estate which is residential and used for homestead purposes is class 1a. In the case
 90.4 of a duplex or triplex in which one of the units is used for homestead purposes, the entire
 90.5 property is deemed to be used for homestead purposes. The market value of class 1a property
 90.6 must be determined based upon the value of the house, garage, and land.

90.7 The first \$500,000 of market value of class 1a property has a net classification rate of
 90.8 one percent of its market value; and the market value of class 1a property that exceeds
 90.9 \$500,000 has a classification rate of 1.25 percent of its market value.

90.10 (b) Class 1b property includes homestead real estate or homestead manufactured homes
 90.11 used for the purposes of a homestead by:

90.12 (1) any person who is blind as defined in section 256D.35, or the ~~blind~~ person who is
 90.13 blind and the ~~blind person's~~ spouse of the person who is blind;

90.14 (2) any person who is permanently and totally disabled or by the ~~disabled~~ person with
 90.15 a disability and the ~~disabled person's~~ spouse of the person with a disability; or

90.16 (3) the surviving spouse of a veteran who was permanently and totally disabled ~~veteran~~
 90.17 homesteading a property classified under this paragraph for taxes payable in 2008.

90.18 Property is classified and assessed under clause (2) only if the government agency or
 90.19 income-providing source certifies, upon the request of the homestead occupant, that the
 90.20 homestead occupant satisfies the disability requirements of this paragraph, and that the
 90.21 property is not eligible for the valuation exclusion under subdivision 34.

90.22 Property is classified and assessed under paragraph (b) only if the commissioner of
 90.23 revenue or the county assessor certifies that the homestead occupant satisfies the requirements
 90.24 of this paragraph.

90.25 Permanently and totally disabled for the purpose of this subdivision means a condition
 90.26 which is permanent in nature and totally incapacitates the person from working at an
 90.27 occupation which brings the person an income. The first \$50,000 market value of class 1b
 90.28 property has a net classification rate of .45 percent of its market value. The remaining market
 90.29 value of class 1b property is classified as class 1a or class 2a property, whichever is
 90.30 appropriate.

90.31 (c) Class 1c property is commercial use real and personal property that abuts public
 90.32 water as defined in section 103G.005, subdivision 15, or abuts a state trail administered by
 90.33 the Department of Natural Resources, and is devoted to temporary and seasonal residential

91.1 occupancy for recreational purposes but not devoted to commercial purposes for more than
91.2 250 days in the year preceding the year of assessment, and that includes a portion used as
91.3 a homestead by the owner, which includes a dwelling occupied as a homestead by a
91.4 shareholder of a corporation that owns the resort, a partner in a partnership that owns the
91.5 resort, or a member of a limited liability company that owns the resort even if the title to
91.6 the homestead is held by the corporation, partnership, or limited liability company. For
91.7 purposes of this paragraph, property is devoted to a commercial purpose on a specific day
91.8 if any portion of the property, excluding the portion used exclusively as a homestead, is
91.9 used for residential occupancy and a fee is charged for residential occupancy. Class 1c
91.10 property must contain three or more rental units. A "rental unit" is defined as a cabin,
91.11 condominium, townhouse, sleeping room, or individual camping site equipped with water
91.12 and electrical hookups for recreational vehicles. Class 1c property must provide recreational
91.13 activities such as the rental of ice fishing houses, boats and motors, snowmobiles, downhill
91.14 or cross-country ski equipment; provide marina services, launch services, or guide services;
91.15 or sell bait and fishing tackle. Any unit in which the right to use the property is transferred
91.16 to an individual or entity by deeded interest, or the sale of shares or stock, no longer qualifies
91.17 for class 1c even though it may remain available for rent. A camping pad offered for rent
91.18 by a property that otherwise qualifies for class 1c is also class 1c, regardless of the term of
91.19 the rental agreement, as long as the use of the camping pad does not exceed 250 days. If
91.20 the same owner owns two separate parcels that are located in the same township, and one
91.21 of those properties is classified as a class 1c property and the other would be eligible to be
91.22 classified as a class 1c property if it was used as the homestead of the owner, both properties
91.23 will be assessed as a single class 1c property; for purposes of this sentence, properties are
91.24 deemed to be owned by the same owner if each of them is owned by a limited liability
91.25 company, and both limited liability companies have the same membership. The portion of
91.26 the property used as a homestead is class 1a property under paragraph (a). The remainder
91.27 of the property is classified as follows: the first \$600,000 of market value is tier I, the next
91.28 \$1,700,000 of market value is tier II, and any remaining market value is tier III. The
91.29 classification rates for class 1c are: tier I, 0.50 percent; tier II, 1.0 percent; and tier III, 1.25
91.30 percent. Owners of real and personal property devoted to temporary and seasonal residential
91.31 occupancy for recreation purposes in which all or a portion of the property was devoted to
91.32 commercial purposes for not more than 250 days in the year preceding the year of assessment
91.33 desiring classification as class 1c, must submit a declaration to the assessor designating the
91.34 cabins or units occupied for 250 days or less in the year preceding the year of assessment
91.35 by January 15 of the assessment year. Those cabins or units and a proportionate share of
91.36 the land on which they are located must be designated as class 1c as otherwise provided.

 92.27 market value if the veteran has a service-connected disability of 70 percent or more as
 92.28 certified by the United States Department of Veterans Affairs. To qualify for exclusion
 92.29 under this subdivision, the veteran must have been honorably discharged from the United
 92.30 States armed forces, as indicated by United States Government Form DD214 or other official
 92.31 military discharge papers.

93.1 (b)(1) For a disability rating of 70 percent or more, \$150,000 of market value is excluded,

93.5 (c) If a ~~disabled~~ veteran with a disability qualifying for a valuation exclusion under
93.6 paragraph (b), clause (2), predeceases the veteran's spouse, and if upon the death of the
93.7 veteran the spouse holds the legal or beneficial title to the homestead and permanently
93.8 resides there, the exclusion shall carry over to the benefit of the veteran's spouse for the
93.9 current taxes payable year and for eight additional taxes payable years or until such time
93.10 as the spouse remarries, or sells, transfers, or otherwise disposes of the property, whichever
93.11 comes first. Qualification under this paragraph requires an application under paragraph (h),
93.12 and a spouse must notify the assessor if there is a change in the spouse's marital status,
93.13 ownership of the property, or use of the property as a permanent residence.

93.19 time as the spouse remarries or sells, transfers, or otherwise disposes of the property,
93.20 whichever comes first.

93.21 (e) If a veteran meets the disability criteria of paragraph (a) but does not own property
93.22 classified as homestead in the state of Minnesota, then the homestead of the veteran's primary

93.24 for under paragraph (b).

93.25 (f) In the case of an agricultural homestead, only the portion of the property consisting
93.26 of the house and garage and immediately surrounding one acre of land qualifies for the
93.27 valuation exclusion under this subdivision.

93.28 (g) A property qualifying for a valuation exclusion under this subdivision is not eligible

94.1 accepted for a valuation exclusion must notify the assessor if there is a change in ownership
94.2 of the property or in the use of the property as a homestead.

94.3 (i) A first-time application by a qualifying spouse for the market value exclusion under

94.23 (i) the veteran met the total (100 percent) and permanent disability requirement under
94.24 paragraph (b), clause (2); or

94.25 (ii) the spouse has been awarded dependency and indemnity compensation.

94.26 (l) The purpose of this provision of law providing a level of homestead property tax
94.27 relief for ~~gravely disabled~~ veterans with a disability, their primary family caregivers, and
94.28 their surviving spouses is to help ease the burdens of war for those among our state's citizens
94.29 who bear those burdens most heavily.

94.30 (m) By July 1, the county veterans service officer must certify the disability rating and
94.31 permanent address of each veteran receiving the benefit under paragraph (b) to the assessor.

 95.6 returns, they must file separate Minnesota income tax returns. This election to file a joint
 95.7 or separate return must be changed if they change their election for federal purposes. In the
 95.8 event taxpayers desire to change their election, the change must be done in the manner and
 95.9 on the form prescribed by the commissioner.

 95.20 imposed by section 289A.08, subdivision 7. If the individual is an infant or incompetent
 95.21 person, the payments must be made by the individual's guardian. If joint payments on
 95.22 estimated tax are made but a joint return is not made for the taxable year, the estimated tax
 95.23 for that year may be treated as the estimated tax of either ~~the husband or the wife~~ spouse or
 95.24 may be divided between them.

 96.2 section 7703 of the Internal Revenue Code prior to the dissolution of their marriage or their
 96.3 legal separation, or prior to the death of one of the individuals, for tax liabilities reported

 96.5 tax due on the return that equals that person's proportion of the total tax due if ~~the husband~~
 96.6 ~~and wife~~ each spouse filed separate returns for the taxable year. This provision is effective
 96.7 only when the commissioner receives written notice of the marriage dissolution, legal
 96.8 separation, or death of a spouse from the ~~husband or wife~~ surviving spouse. No refund may
 96.9 be claimed by an ex-spouse, legally separated or widowed spouse for any taxes paid more
 96.10 than 60 days before receipt by the commissioner of the written notice.

96.11 (c) A request for calculation of separate liability pursuant to paragraph (b) for taxes
 96.12 reported on a return must be made within six years after the due date of the return. For
 96.13 calculation of separate liability for taxes assessed by the commissioner under section 289A.35

 96.23 address of the ~~husband and wife~~ spouses, a duplicate or original of the joint notice must be
 96.24 sent to the requesting spouse at the address designated by the requesting spouse. The other
 96.25 joint notice must be mailed to the other spouse at that spouse's last known address. An
 96.26 assessment is not invalid for failure to send it to a spouse if the spouse actually receives the
 96.27 notice in the same period as if it had been mailed to that spouse at the correct address or if
 96.28 the spouse has failed to provide an address to the commissioner other than the last known

 113.13 concentration, or different steps in either process, are carried on in more than one taxing
 113.14 district, the commissioner shall apportion equitably the proceeds among the cities and towns
 113.15 by attributing 50 percent of the proceeds of the tax to the operation of mining or extraction,
 113.16 and the remainder to the concentrating plant and to the processes of concentration, and with
 113.17 respect to each thereof giving due consideration to the relative extent of the respective
 113.18 operations performed in each taxing district;

113.19 (2) ten percent to the taconite municipal aid account to be distributed as provided in
 113.20 section 298.282, subdivisions 1 and 2, on the dates provided under this section;

114.2 districts that receive the distributions;

114.3 (5) 20 percent to the county within which the minerals or energy resources are mined
114.4 or extracted, or within which the concentrate was produced. If the mining and concentration,
114.5 or different steps in either process, are carried on in more than one county, distribution

Subd. 2c. Ineligibility of certain police officers. A police officer employed by the University of Minnesota who is required by the Board of Regents to be a member of the University of Minnesota faculty retirement plan is not eligible to be included in any police state-aid certification under this section.

Subd. 3. Failure to file certificate deemed waiver. (a) If a certification required by this section is not filed with the commissioner by the due date prescribed by this section, the commissioner shall notify the county, the municipality, or the nonprofit firefighting corporation that a portion or all of its current year aid will be forfeited if the certification is not received within ten days.

69.021 REPORTING PREMIUMS; CALCULATION OF AID.

Subdivision 1. **Minnesota Firetown Premium Report and Minnesota Aid to Police Premium Report.** The commissioner shall, at the time of mailing tax forms, send blank copies of the Minnesota Firetown Premium Report and when applicable the Minnesota Aid to Police Premium Report to each insurer, including township and farmers mutual insurance companies licensed to write insurance as described in section 69.011, subdivision 1, clauses (c) and (f) in this state. These reports must contain space for the insurers name, address, gross premiums less return premiums, dividends, net premiums, certification and other facts that the commissioner may require.

Subd. 2. **Report of premiums.** (a) Each insurer, including township and farmers mutual insurers where applicable, shall return to the commissioner the reports described in subdivision 1 certified by its secretary and president or chief financial officer.

(b) The Minnesota Firetown Premium Report must contain a true and accurate statement of the total premium for all gross direct fire, lightning, sprinkler leakage, and extended coverage insurance of all domestic mutual insurers and the total premiums for all gross direct fire, lightning, sprinkler leakage and extended coverage insurance of all other insurers, less return premiums and dividends received by them on that business written or done during the preceding calendar year upon property located within the state or brought into the state for temporary use. The fire and extended coverage portion of multiperil and multiple peril package premiums and all other combination premiums must be determined by applying percentages determined by the commissioner or by rating bureaus recognized by the commissioner.

(c) The Minnesota Aid to Police Premium Report must contain a true and accurate statement of the total premiums, less return premiums and dividends, on all direct business received by such insurer in this state, or by its agents for it, in cash or otherwise, during the preceding calendar year, with reference to insurance written for perils described in section 69.011, subdivision 1, clause (f).

Subd. 3. **Penalty for fraudulent, incorrect, incomplete returns and late filing of report.** (a) When it appears to the commissioner that any insurer has made an incomplete or inaccurate report, the commissioner shall return the report and demand that a complete and accurate report be filed. If the insurer fails to file a report on or before March 1, annually, the insurer is liable and shall pay \$25 for each seven days, or fraction thereof, that the report is delinquent, but not to exceed \$200. If the insurer fails to file a corrected report within 30 days after demand, the insurer is liable for the penalties provided in paragraph (b) or (c) for knowingly filing an inaccurate or false report.

(b) Any insurer which knowingly makes and files an inaccurate or false report is liable to a fine in an amount of not less than \$25 nor more than \$1,000, as determined by the commissioner, and additionally the commissioner of commerce may revoke the insurer's certificate of authority.

(c) Any person whose duty it is to make the report who fails or refuses to make it within 30 days after notification by the commissioner shall be fined an amount of not more than \$1,000.

(d) Failure of the insurer to receive a reporting form does not excuse the insurer from filing the report.

Subd. 4. **Determination of qualified state aid recipients; certification to commissioner of management and budget.** (a) The commissioner shall determine which municipalities and independent nonprofit firefighting corporations are qualified to receive fire state aid directly or are qualified to receive the benefit of fire state aid paid to the voluntary statewide lump-sum volunteer firefighter retirement plan and which municipalities and counties are qualified to receive police state aid.

(b) The commissioner shall determine qualification for state aid upon receipt of:

(1) the fire department personnel and equipment certification or the police department and qualified peace officers certificate, whichever applies, required under section 69.011;

(2) the financial compliance report required under section 6.495, subdivision 3, if applicable; and

(3) any other relevant information which comes to the attention of the commissioner.

(c) Upon completion of the determination, on or before October 1, the commissioner shall calculate the amount of:

(1) the police state aid which each county or municipality is to receive under subdivisions 5, 6, 7a, and 10; and

APPENDIX
Repealed Minnesota Statutes: S2555-1

(2) the fire state aid which each municipality or nonprofit firefighting corporation is to receive under subdivisions 5 and 7.

(d) The commissioner shall certify to the commissioner of management and budget the name of each county or municipality, and the amount of state aid which each county or municipality is to receive, in the case of police state aid. The commissioner shall certify to the commissioner of management and budget the name of each municipality or independent nonprofit firefighting corporation and the amount of state aid which each municipality or independent nonprofit firefighting corporation is to receive directly or the amount of state aid which the voluntary statewide lump-sum volunteer firefighter retirement plan is qualified to receive on behalf of the municipality or corporation, in the case of fire state aid.

Subd. 5. Calculation of state aid. (a) The amount of fire state aid available for apportionment, before the addition of the minimum fire state aid allocation amount under subdivision 7, is equal to 107 percent of the amount of premium taxes paid to the state upon the fire, lightning, sprinkler leakage, and extended coverage premiums reported to the commissioner by insurers on the Minnesota Firetown Premium Report. This amount must be reduced by the amount required to pay the state auditor's costs and expenses of the audits or exams of the firefighters relief associations.

The total amount for apportionment in respect to fire state aid must not be less than two percent of the premiums reported to the commissioner by insurers on the Minnesota Firetown Premium Report after subtracting the following amounts:

(1) the amount required to pay the state auditor's costs and expenses of the audits or exams of the firefighters relief associations; and

(2) one percent of the premiums reported by township mutual insurance companies and mutual property and casualty companies with total assets of \$5,000,000 or less.

(b) The total amount for apportionment as police state aid is equal to 104 percent of the amount of premium taxes paid to the state on the premiums reported to the commissioner by insurers on the Minnesota Aid to Police Premium Report. The total amount for apportionment in respect to the police state aid program must not be less than two percent of the amount of premiums reported to the commissioner by insurers on the Minnesota Aid to Police Premium Report.

(c) The commissioner shall calculate the percentage of increase or decrease reflected in the apportionment over or under the previous year's available state aid using the same premiums as a basis for comparison.

(d) In addition to the amount for apportionment of police state aid under paragraph (b), each year \$100,000 must be apportioned for police state aid. An amount sufficient to pay this increase is annually appropriated from the general fund.

Subd. 7. Apportionment of fire state aid to municipalities and relief associations. (a) The commissioner shall apportion the fire state aid relative to the premiums reported on the Minnesota Firetown Premium Reports filed under this chapter to each municipality and/or firefighters relief association qualified under section 69.011, subdivision 4.

(b) The commissioner shall calculate an initial fire state aid allocation amount for each municipality or fire department under paragraph (c) and, if applicable, a minimum fire state aid allocation amount for each municipality or fire department under paragraph (d). The municipality or fire department must be apportioned the larger fire state aid amount.

(c) The initial fire state aid allocation amount is the amount available for apportionment as fire state aid under subdivision 5, without the inclusion of any additional funding amount to support a minimum fire state aid amount under section 423A.02, subdivision 3, allocated one-half in proportion to the population as shown in the last official statewide federal census for each fire town and one-half in proportion to the estimated market value of each fire town, including (1) the estimated market value of tax-exempt property and (2) the estimated market value of natural resources lands receiving in lieu payments under sections 477A.11 to 477A.14, but excluding the estimated market value of minerals. In the case of incorporated or municipal fire departments furnishing fire protection to other cities, towns, or townships as evidenced by valid fire service contracts filed with the commissioner, the distribution must be adjusted proportionately to take into consideration the crossover fire protection service. Necessary adjustments must be made to subsequent apportionments. In the case of municipalities or independent fire departments qualifying for the aid, the commissioner shall calculate the state aid for the municipality or relief association on the basis of the population and the estimated market value of the area furnished fire protection service by the fire department as evidenced by duly executed and valid fire service agreements filed with the commissioner. If

APPENDIX
Repealed Minnesota Statutes: S2555-1

one or more fire departments are furnishing contracted fire service to a city, town, or township, only the population and estimated market value of the area served by each fire department may be considered in calculating the state aid and the fire departments furnishing service shall enter into an agreement apportioning among themselves the percent of the population and the percent of the estimated market value of each shared service area. The agreement must be in writing and must be filed with the commissioner.

(d) The minimum fire state aid allocation amount is the amount in addition to the initial fire state allocation amount that is derived from any additional funding amount to support a minimum fire state aid amount under section 423A.02, subdivision 3, and allocated to municipalities with volunteer firefighters relief associations or covered by the voluntary statewide lump-sum volunteer firefighter retirement plan based on the number of active volunteer firefighters who are members of the relief association as reported in the annual financial reporting for the calendar year 1993 to the Office of the State Auditor, but not to exceed 30 active volunteer firefighters, so that all municipalities or fire departments with volunteer firefighters relief associations receive in total at least a minimum fire state aid amount per 1993 active volunteer firefighter to a maximum of 30 firefighters. If a relief association is established after calendar year 1993 and before calendar year 2000, the number of active volunteer firefighters who are members of the relief association as reported in the annual financial reporting for calendar year 1998 to the Office of the State Auditor, but not to exceed 30 active volunteer firefighters, shall be used in this determination. If a relief association is established after calendar year 1999, the number of active volunteer firefighters who are members of the relief association as reported in the first annual financial reporting submitted to the Office of the State Auditor, but not to exceed 20 active volunteer firefighters, must be used in this determination. If a relief association is terminated as a result of providing retirement coverage for volunteer firefighters by the voluntary statewide lump-sum volunteer firefighter retirement plan under chapter 353G, the number of active volunteer firefighters of the municipality covered by the statewide plan as certified by the executive director of the Public Employees Retirement Association to the commissioner and the state auditor, but not to exceed 30 active firefighters, must be used in this determination.

(e) Unless the firefighters of the applicable fire department are members of the voluntary statewide lump-sum volunteer firefighter retirement plan, the fire state aid must be paid to the treasurer of the municipality where the fire department is located and the treasurer of the municipality shall, within 30 days of receipt of the fire state aid, transmit the aid to the relief association if the relief association has filed a financial report with the treasurer of the municipality and has met all other statutory provisions pertaining to the aid apportionment. If the firefighters of the applicable fire department are members of the voluntary statewide lump-sum volunteer firefighter retirement plan, the fire state aid must be paid to the executive director of the Public Employees Retirement Association and deposited in the voluntary statewide lump-sum volunteer firefighter retirement fund.

(f) The commissioner may make rules to permit the administration of the provisions of this section.

(g) Any adjustments needed to correct prior misallocations must be made to subsequent fire state aid apportionments.

Subd. 7a. Apportionment of police state aid. (a) Subject to the reduction provided for under subdivision 10, the commissioner shall apportion the police state aid to each municipality, to each county, and to the Departments of Natural Resources and Public Safety in the following manner:

(1) for all municipalities maintaining police departments, counties, the Department of Natural Resources, and the Department of Public Safety, the police state aid must be distributed in proportion to the relationship that the total number of peace officers, as determined under section 69.011, subdivision 1, paragraph (g), and subdivision 2, paragraph (b), employed by that employing unit for 12 calendar months and the proportional or fractional number who were employed less than 12 months bears to the total number of peace officers employed by all municipalities, counties, the Departments of Natural Resources and Public Safety, subject to any reduction under subdivision 10;

(2) for each municipality which contracts with the county for police service, a proportionate amount of the state aid distributed to the county based on the full-time equivalent number of peace officers providing contract service to that municipality must be credited against the municipality's contract obligation; and

APPENDIX
Repealed Minnesota Statutes: S2555-1

(3) for each municipality which contracts with another municipality for police service, a proportionate amount of the state aid distributed to the municipality providing contract service based on the full-time equivalent number of peace officers providing contract service to that municipality on a full-time equivalent basis must be credited against the contract obligation of the municipality receiving contract service.

(b) Any necessary additional adjustments must be made to subsequent police state aid apportionments.

Subd. 8. Population and estimated market value. (a) In computations relating to fire state aid requiring the use of population figures, only official statewide federal census figures may be used. Increases or decreases in population disclosed by reason of any special census must not be taken into consideration.

(b) In calculations relating to fire state aid requiring the use of estimated market value property figures, only the latest available estimated market value property figures may be used.

Subd. 9. Appeal. (a) In the event that a municipality, a county, a fire relief association, the Department of Natural Resources, the Department of Public Safety, or the voluntary statewide lump-sum volunteer firefighter retirement plan, feels itself to be aggrieved, it may request the commissioner to review and adjust the apportionment of funds within the county in the case of police state aid, or within the state in the case of fire state aid.

(b) The decision of the commissioner is subject to appeal, review, and adjustment by the district court in the county in which the applicable municipality or fire department is located or by the Ramsey County District Court with respect to the Department of Natural Resources, the Department of Public Safety, or the voluntary statewide lump-sum volunteer firefighter retirement plan.

to more than one qualified entity so that each qualified volunteer is listed only once. The commissioner shall also certify to the commissioner of revenue the total amount of aid to be paid to each qualified entity under subdivision 3. For qualified entities that are not municipalities, the commissioner must indicate the municipality to which the aid is to be paid, as designated by the qualified entity.

Subd. 3. Aid payment and calculation. The commissioner of revenue shall pay aid to qualified entities located in the pilot area to provide funds for the qualified entities to pay annual volunteer retention stipends to qualified volunteers who provide services to the qualified entities. A qualified entity is located in the pilot area if it is a municipality located in whole or in part in the pilot area, or if it is an emergency medical services provider or independent nonprofit firefighting corporation with its main office located in the pilot area. The amount of the aid equals \$500 multiplied by the number of qualified volunteers. For purposes of calculating this aid, each individual providing volunteer service, regardless of the different types of service provided, is one qualified volunteer. (3) for each qualified entity that received aid, the number of qualified volunteers who were paid stipends in each of the three years of the pilot, and the number of qualified volunteers in the year preceding the pilot.

The report must also provide information on the number of qualified volunteers providing service to qualified entities in comparison counties in each of the three years of the pilot and in the year preceding the pilot, and must summarize changes in the number of qualified volunteers during the year preceding the pilot and during the three years of the pilot both within the pilot area and in the comparison counties. For purposes of this subdivision, "comparison counties" means counties designated by the commissioner to include at least half of the counties that border each group of counties in the pilot area, as specified in subdivision 1. If the municipality or the independent nonprofit firefighting corporation is not covered by the voluntary statewide lump-sum volunteer firefighter retirement plan, the municipal treasurer shall, within 30 days after receipt, transmit the fire state aid to the treasurer of the duly incorporated firefighters' relief association if there is one organized and the association has filed a financial report with the municipality.
