subdivision who would otherwise be ineligible and be disenrolled due to one of the following

2.1 circumstances may retain eligibility for up to four consecutive months after a month of job

2.4 condition, as verified by a physician, advanced practice registered nurse, or physician
2.5 assistant; or

2.6 (2) loses employment for reasons not attributable to the enrollee, and is without receipt

2.8 To receive a four-month extension of continued eligibility under this paragraph, enrollees
2.9 must verify the medical condition or provide notification of job loss, continue to meet all
2.10 other eligibility requirements, and continue to pay all calculated premium costs.

2.11 (d) All enrollees must pay a premium to be eligible for medical assistance under this
2.12 subdivision, except as provided under clause (5).

2.13 (1) An enrollee must pay the greater of a \$35 premium or the premium calculated based
2.14 on the person's gross earned and unearned income and the applicable family size using a
2.15 sliding fee scale established by the commissioner, which begins at one percent of income
2.16 at 100 percent of the federal poverty guidelines and increases to 7.5 percent of income for
2.17 those with incomes at or above 300 percent of the federal poverty guidelines.

2.18 (2) Annual adjustments in the premium schedule based upon changes in the federal
2.19 poverty guidelines shall be effective for premiums due in July of each year.

2.24 (5) Effective July 1, 2009, American Indians are exempt from paying premiums as
2.25 required by section 5006 of the American Recovery and Reinvestment Act of 2009, Public
2.26 Law 111-5. For purposes of this clause, an American Indian is any person who meets the

2.28 (e) A person's eligibility and premium shall be determined by the local county agency.

A decreased premium resulting from a reported change in income or household size shall be effective the first day of the next available billing month after the change is reported. Except for changes occurring from annual cost-of-living increases, a change resulting in an increased premium shall not affect the premium amount until the next six-month review.

(g) Premium payment is due upon notification from the commissioner of the premium amount required. Premiums may be paid in installments at the discretion of the commissioner.

(h) Nonpayment of the premium shall not result in denial or termination of medical assistance ~~unless the person demonstrates good cause for nonpayment. "Good cause" means an excuse for the enrollee's failure to pay the required premium when due because the circumstances were beyond the enrollee's control or not reasonably foreseeable. The commissioner shall determine whether good cause exists based on the weight of the supporting evidence submitted by the enrollee to demonstrate good cause. Except when an installment agreement is accepted by the commissioner, all persons disenrolled for nonpayment of a premium must pay any past due premiums as well as current premiums due prior to being reenrolled. Nonpayment shall include payment with a returned, refused, or dishonored instrument. The commissioner may require a guaranteed form of payment as the only means to replace a returned, refused, or dishonored instrument.~~

(i) For enrollees whose income does not exceed 200 percent of the federal poverty guidelines and who are also enrolled in Medicare, the commissioner shall reimburse the enrollee for Medicare part B premiums under section 256B.0625, subdivision 15, paragraph (a).
