(b) "Economic development" means financial assistance provided to a person directly

1.13

or to a local unit of government or nonprofit organization on behalf of a person who is

engaged in the manufacture or sale of goods and services. Economic development does not

Financial assistance does not include payments by the state of aids and credits under chapter 273 or 477A to a political subdivision.

(d) "Project site" means the location where improvements are made that are financed in whole or in part by the financial assistance; or the location of employees that receive financial assistance in the form of employment and training services as defined in section 116L.19, subdivision 4, or customized training from a technical college.

(e) "State agency" means any agency defined under section 16B.01, subdivision 2, Enterprise Minnesota, Inc., and the Iron Range Resources and Rehabilitation Board.

EFFECTIVE DATE. This section is effective for financial assistance provided after August 1, 2024, except Minnesota Statutes, section 462A.051, subdivision 2, does not apply for requests for proposals that were initiated prior to August 1, 2024.

Sec. 2. [462A.051] WAGE THEFT PREVENTION AND USE OF RESPONSIBLE CONTRACTORS.

Subdivision 1. Application. This section applies to all forms of financial assistance provided by the Minnesota Housing Finance Agency, as well as the allocation of federal low-income housing credits, for the development, construction, rehabilitation, renovation, or retrofitting of multiunit residential housing, including loans, grants, tax credits, loan guarantees, loan insurance, and other financial assistance.

Subd. 2. Disclosures. An applicant for financial assistance under this chapter shall disclose in the application any conviction, court judgment, agency determination, legal settlement, ongoing criminal or civil investigation, or lawsuit involving alleged violations of sections 177.24, 177.25, 177.32, 177.41 to 177.44, 181.03, 181.101, 181.13, 181.14, 181.722, 181.723, 181A.01 to 181A.12, or 609.52, subdivision 2, paragraph (a), clause (19), or United States Code, title 29, sections 201 to 219, or title 40, sections 3141 to 3148, arising or occurring within the preceding five years on a construction project owned or managed

by the developer or owner of the proposed project, the intended general contractor for the proposed project, or any of their respective parent companies, subsidiaries, or other affiliated companies. An applicant for financial assistance shall make the disclosures required by this subdivision available within 14 calendar days to any member of the public who submits a request by mail or electronic correspondence. The applicant shall designate a public information officer who will serve as a point of contact for public inquiries.

Subd. 3. Responsible contractors required. As a condition of receiving financial assistance, the applicant shall verify that every contractor or subcontractor of any tier performing work on the proposed project meets the minimum criteria to be a responsible contractor under section 16C.285, subdivision 3. This verification must meet the criteria defined in section 16C.285, subdivision 4.

Subd. 4. Certified contractor lists. As a condition of receiving financial assistance, the applicant shall have available at the development site main office, a list of every contractor and subcontractor of any tier that performs work or is expected to perform work on the proposed project, as described in section 16C.285, subdivision 5, including the following information for each contractor and subcontractor: business name, scope of work, Department of Labor and Industry registration number, business name of the entity contracting its services, business telephone number and email address, and actual or anticipated number of workers on the project. The applicant shall establish the initial contractor list 30 days before the start of construction and shall update the list each month thereafter until construction is complete. The applicant shall post the contractor list in a conspicuous location at the project site and make the contractor list available to members of the public upon request.

Subd. 5. Wage theft remedy. If any contractor or subcontractor of any tier is found to have failed to pay statutorily required wages under section 609.52, subdivision 1, clause (13), on a project receiving financial assistance or an allocation of federal low-income housing tax credits from or through the agency, the recipient is responsible for correcting the violation.

Subd. 6. Wage theft prevention plans; disqualification. (a) If any contractor or subcontractor of any tier fails to pay statutorily required wages on a project receiving financial assistance from or through the agency as determined by an enforcement entity, the recipient must have a wage theft prevention plan to be eligible for further financial assistance from the agency. The project developer's wage theft prevention plan must describe detailed measures that the project developer and its general contractor have taken and are committed to take to prevent wage theft on the project, including provisions in any

4.1 construction contracts and subcontracts on the project. The plan must be submitted to the
4.2 Department of Labor and Industry who will review the plan. The Department of Labor and
4.3 Industry may require the project developer to amend the plan or adopt policies or protocols
4.4 in the plan. Once approved by the Department of Labor and Industry, the wage theft
4.5 prevention plan must be submitted by the project developer to the agency with any subsequent
4.6 application for financial assistance from the agency. Such wage theft prevention plans shall
4.7 be made available to members of the public by the agency upon request.

4.8 (b) A developer is disqualified from receiving financial assistance from or through the
4.9 agency for three years if any of the developer's contractors or subcontractors of any tier are
4.10 found by an enforcement agency to have, within three years after entering into a wage theft
4.11 prevention plan under paragraph (a), failed to pay statutorily required wages on a project
4.12 receiving financial assistance from or through the agency for a total underpayment of \$25,000
4.13 or more.

4.14 Subd. 7. **Enforcement.** The agency may deny an application for financial assistance
4.15 that does not comply with this section or if the applicant refuses to enter into the agreements
4.16 required by this section. The agency may withhold financial assistance that has been
4.17 previously approved if the agency determines that the applicant has engaged in unacceptable
4.18 practices by failing to comply with this section until the violation is cured.

4.19 **EFFECTIVE DATE.** This section is effective for financial assistance provided after
4.20 August 1, 2024, except Minnesota Statutes, section 462A.051, subdivision 2, does not apply
4.21 for requests for proposals that were initiated prior to August 1, 2024.
