15.19 Minnesota Statutes, section 352.27.

15.20     **Sec. 117. Explanation.**

16.15           This amendment corrects an erroneous range reference. Minnesota Statutes, section

17.2           This amendment removes obsolete language. The effective date specified has passed  
17.3 and the text is now effective. The Department of Human Services was consulted in the  
17.4 preparation of this amendment.

17.6           This amendment corrects an erroneous reference. The federal reporting requirements  
17.7 under Code of Federal Regulations, title 42, section 483.13, were moved to section 483.12  
17.8 in 2016.

17.9      **Sec. 129. Explanation.**

17.10          This amendment updates the name of a Department of Natural Resources division.

17.11      **Sec. 130. Explanation.**

17.12          Subdivision 1. **Obsolete subdivision.** This amendment corrects a reference to a repealed  
17.13 section. Minnesota Statutes, section 144A.46, was repealed by Laws 2014, chapter 275,  
17.14 article 1, section 134. This subdivision referred to the repealed section and is now  
17.15 unnecessary.

17.16          Subd. 2. **Obsolete subdivision.** This amendment repeals obsolete language regarding a  
17.17 onetime report required to be completed by January 2014.

17.18          Subd. 3. **Obsolete subdivision.** This amendment repeals an obsolete subdivision.  
17.19 Minnesota Statutes, section 127A.05, subdivision 6, required the commissioner of education  
17.20 to conduct certain surveys "until 2018."

17.21          Subd. 4. **Obsolete subdivisions.** This amendment repeals obsolete language. These  
17.22 definitions related to the physical agent modalities requirements in section 148.6440, which  
17.23 was repealed in 2014. The Board of Occupational Therapy Practice was consulted in the  
17.24 preparation of this amendment.

17.25          Subd. 5. **Obsolete sections.** This amendment repeals obsolete sections. These sections  
17.26 were enacted in order to transition to the current social work licensing requirements and  
17.27 are no longer necessary because the time-limited grandfathering period has closed. The  
17.28 Board of Social Work Practice was consulted in the preparation of this amendment.

17.29          Subd. 6. **Obsolete subdivision.** This amendment removes obsolete language. Minnesota  
17.30 Statutes, section 161.36, subdivision 7, expired June 30, 2016.

18.1 Subd. 7. **Obsolete section.** This amendment removes obsolete language. The advisory  
18.2 committee created by this section expired June 30, 2018.

18.3 Subd. 8. **Obsolete section.** Minnesota Statutes, section 609B.105, is obsolete. Minnesota  
18.4 Statutes, section 609B.105, contains information regarding the revocation of certain  
18.5 food-related licenses issued by the commissioner of agriculture when a person is convicted  
18.6 of multiple offenses under the provisions of Minnesota Statutes 2016, section 32.645. The  
18.7 sections of law making Minnesota Statutes, section 609B.105, operative, have all been  
18.8 repealed, making Minnesota Statutes, section 609B.105, obsolete.

18.9 Subd. 9. **Conflict resolution.** This section amended Minnesota Statutes, section 423A.02,  
18.10 subdivision 3, relating to state aid for teacher pension plans. That subdivision was also  
18.11 amended in the same legislative session in Laws 2018, chapter 211, article 8, section 6.  
18.12 Because the two amendments could not be merged editorially, the article 8 amendment was  
18.13 printed in the main text and the article 11 amendment was printed as a note. The article 11  
18.14 amendment was technical and simply struck obsolete language. The article 8 amendment  
18.15 was substantive and repurposed the obsolete language into a new reference. This repealer  
18.16 allows the revisor to remove the note containing the amendatory language.

18.17 Subd. 10. **Obsolete rule part.** This amendment repeals an obsolete rule part. Laws 2014,  
18.18 chapter 222, article 1, section 58, repealed this entire chapter of rules but inadvertently left  
18.19 this one rule part.

18.26 September 1, 2019, the supported employment services benefits under Minnesota Statutes,  
18.27 section 256B.4914, subdivision 3, clause (18); subdivision 5, paragraph (a), clause (13);  
18.28 and subdivision 8, expire upon federal approval. Federal approval was obtained March 9,  
18.29 2018. The Department of Human Services was consulted in preparing this article.

19.1

**ARTICLE 3**

19.2

**CORRECTIONS TO 2018 ACT**19.3 **Section 1. Explanation.**

19.4 This amendment corrects an appropriation that omitted the intended grant recipient. This  
19.5 amendment was prepared in consultation with staff from the house of representatives, senate,  
19.6 and Minnesota Management and Budget.

19.7 **Sec. 2. Explanation.**

19.8 This amendment corrects an appropriation by removing duplicative language from the  
19.9 project description. This amendment was prepared in consultation with staff from the house  
19.10 of representatives, senate, and Minnesota Management and Budget.

19.11 **Sec. 3. Explanation.**

19.12 This amendment corrects an appropriation that erroneously transposed two highway  
19.13 numbers in the project description. This amendment was prepared in consultation with staff  
19.14 from the house of representatives, senate, and Minnesota Management and Budget.

19.15 **Sec. 4. Explanation.**

19.16 This amendment corrects a computational error. The bond sale authorization in this  
19.17 section exceeded the sum of the appropriations in Laws 2018, chapter 214, by \$60,000.  
19.18 This amendment was prepared in consultation with staff from the house of representatives,  
19.19 senate, and Minnesota Management and Budget.

19.20 **Sec. 5. Explanation.**

19.21 This amendment corrects an appropriation that omitted the intended grant recipient. It  
19.22 also corrects the name of the railroad which is referenced in the project description. This  
19.23 amendment was prepared in consultation with staff from the house of representatives, senate,  
19.24 and Minnesota Management and Budget.

19.25 **Sec. 6. Explanation.**

19.26 This amendment removes duplicative language. Laws 2018, chapter 214, article 1,  
19.27 section 26, included a sufficient bond sale authorization to account for this appropriation.  
19.28 This individual bond sale authorization is unnecessary and redundant. This amendment was

20.1 prepared in consultation with staff from the house of representatives, senate, and Minnesota  
20.2 Management and Budget.

20.3 **Sec. 7. Explanation.**

20.4 This amendment removes duplicative language. Laws 2018, chapter 214, article 1,  
20.5 section 26, included a sufficient bond sale authorization to account for this appropriation.  
20.6 This individual bond sale authorization is unnecessary and redundant. This amendment was  
20.7 prepared in consultation with staff from the house of representatives, senate, and Minnesota  
20.8 Management and Budget.

20.9 **Sec. 8. Explanation.**

20.10 This amendment corrects an erroneous cross-reference. Laws 2018, chapter 214, article  
20.11 3, section 8, a highway project in Anoka County, is an appropriation from the local road  
20.12 improvement fund. Section 9 is an appropriation for the Lake Superior Zoo. When this  
20.13 article was renumbered, this cross-reference was not corrected. This amendment was prepared  
20.14 in consultation with staff from the house of representatives, senate, and Minnesota  
20.15 Management and Budget.

20.16 **Sec. 9. Explanation.**

20.17 This amendment clarifies an ambiguous reference to "local road and bridge." The  
20.18 reference is ambiguous because it calls two separate appropriations in article 1 into question;  
20.19 the local road improvement fund grants (LRIP) appropriation and the local bridge replacement  
20.20 and rehabilitation (LBRP) appropriation. The reduction in this section was intended to apply  
20.21 to the unrestricted portion of the local road improvement program appropriation in Laws  
20.22 2018, chapter 214, article 1, section 16, subdivision 2. This amendment was prepared in  
20.23 consultation with staff from the house of representatives, senate, and Minnesota Management  
20.24 and Budget.

20.25 **Sec. 10. Explanation.**

20.26 This amendment removes duplicative language. Laws 2018, chapter 214, article 1,  
20.27 section 26, included a sufficient bond sale authorization to account for these appropriations.  
20.28 These individual bond sale authorizations are unnecessary and redundant. This amendment  
20.29 was prepared in consultation with staff from the house of representatives, senate, and  
20.30 Minnesota Management and Budget.
