1.12 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.13 Section 1. Minnesota Statutes 2016, section 340A.22, subdivision 1, is amended to read:

1.14 Subdivision 1. **Activities.** (a) A microdistillery licensed under this chapter may provide

1.15 on its premises samples of distilled spirits ~~manufactured~~ distilled on its premises, in an

1.16 amount not to exceed 15 milliliters per variety per person. No more than 45 milliliters may

1.17 be sampled under this paragraph by any person on any day. For purposes of this section,

1.18 "distilled on its premises" means that at least 80 percent of any product sold by a

1.19 microdistillery must be first distilled on its premises. If a product is first distilled off-premises,

1.20 and subsequently rectified, bottled, or redistilled on-premises, it does not qualify as Minnesota

1.21 distilled. Products meeting this standard shall be labeled "distilled on premises."

1.22 (b) A microdistillery can sell cocktails to the public, pursuant to subdivision 2.

1.23 (c) A microdistillery may not sell products that do not qualify as distilled on premises.

1.24 This paragraph does not apply to any microdistillery licensed prior to July 1, 2017, provided

1.25 that any microdistilleries that do not distill on premises must disclose this on their label.

2.1 **EFFECTIVE DATE.** This section is effective on July 1, 2017.

2.2 Sec. 2. Minnesota Statutes 2016, section 340A.22, subdivision 2, is amended to read:

2.6 on-sale of distilled liquor produced by the distiller for consumption on the premises of or
2.7 adjacent to one distillery location owned by the distiller. Notwithstanding section 340A.504,
2.8 subdivision 3, a cocktail room may be open and may conduct on-sale business on Sundays
2.9 if authorized by the municipality. Nothing in this subdivision precludes the holder of a
2.10 microdistillery cocktail room license from also holding a license to operate a restaurant at
2.11 the distillery. Section 340A.409 shall apply to a license issued under this subdivision. All
2.12 provisions of this chapter that apply to a retail liquor license shall apply to a license issued

2.15 not have an ownership interest in a distillery licensed under section 340A.301, subdivision

2.18 cocktail room license under this subdivision, subject to limitations applicable to license fees

2.21 subdivision, inform the commissioner of the licensee's name and address and trade name,
2.22 and the effective date and expiration date of the license. The municipality shall also inform
2.23 the commissioner of a license transfer, cancellation, suspension, or revocation during the

2.29 Subd. 4. **Off-sale license.** A microdistillery may be issued a license by the local licensing
2.30 authority, with the approval of the commissioner, for off-sale of distilled spirits. The license
2.31 may allow the sale of ~~one 375 milliliter bottle per customer per day~~ of product manufactured
2.32 on site, subject to the following requirements:

3.1 (1) off-sale hours of sale must conform to hours of sale for retail off-sale licensees in
