

2.1 benefit set. The commissioner shall make any necessary changes to the SSIS system to  
2.2 bill prepaid health plans for those claims.

2.3 Sec. 3. [256.0147] COUNTY ELECTRONIC VERIFICATION TO DETERMINE  
2.4 ELIGIBILITY.

2.5 County agencies are authorized to use all automated databases containing  
2.6 information regarding recipients' or applicants' income in order to determine eligibility  
2.7 for child support enforcement, general assistance, Minnesota supplemental aid, and  
2.8 programs, services, and supports under chapter 256J. The information is sufficient to  
2.9 determine eligibility. State and county caseworkers shall not be cited in error, as part of  
2.10 any audit and quality review, for an incorrect eligibility determination based on current but  
2.11 inaccurate information received through a state-approved electronic data source. If there  
2.12 is a potential error, the reviewer must forward a corrective action notice to the caseworker  
2.13 for proper and immediate correction. If the state or county caseworker has data available  
2.14 through client reporting, or other means, that are more accurate than state-approved  
2.15 electronic data, the caseworker should use the more accurate information in making the  
2.16 eligibility determination.

2.17 Sec. 4. Minnesota Statutes 2010, section 256B.69, is amended by adding a subdivision  
2.18 to read:

2.19 Subd. 30. **Provision of required materials in alternative formats.** (a) For the  
2.20 purposes of this subdivision, "alternative format" means a medium other than paper and  
2.21 "prepaid health plan" means managed care plans and county-based purchasing plans.

2.22 (b) A prepaid health plan may provide in an alternative format a provider directory  
2.23 and certificate of coverage, or materials otherwise required to be available in writing  
2.24 under Code of Federal Regulations, title 42, section 438.10, or under the commissioner's  
2.25 contract with the prepaid health plan, if the following conditions are met:

2.26 (1) the prepaid health plan, local agency, or commissioner, as applicable, informs the  
2.27 enrollee that:

2.28 (i) provision in an alternative format is available and the enrollee affirmatively  
2.29 requests of the prepaid health plan that the provider directory, certificate of coverage,  
2.30 or materials otherwise required under Code of Federal Regulations, title 42, section  
2.31 438.10, or under the commissioner's contract with the prepaid health plan be provided in  
2.32 an alternative format; and

2.33 (ii) a record of the enrollee request is retained by the prepaid health plan in the  
2.34 form of written direction from the enrollee or a documented telephone call followed by a

3.1 confirmation letter to the enrollee from the prepaid health plan that explains that the  
3.2 enrollee may change the request at any time;

3.3 (2) the materials are sent to a secured mailbox and are made available at a  
3.4 password-protected secured Web site or on a data storage device if the materials contain  
3.5 enrollee data that is individually identifiable;

3.6 (3) the enrollee is provided a customer service number on the enrollee's membership  
3.7 card that may be called to request a paper version of the materials provided in an  
3.8 alternative format; and

3.9 (4) the materials provided in an alternative format meets all other requirements of  
3.10 the commissioner regarding content, size of the typeface, and any required time frames  
3.11 for distribution. "Required time frames for distribution" must permit sufficient time for  
3.12 prepaid health plans to distribute materials in alternative formats upon receipt of enrollees'  
3.13 requests for such materials.

3.14 (c) A prepaid health plan may provide in an alternative format its primary care  
3.15 network list to the commissioner and to local agencies within its service area. The  
3.16 commissioner or local agency, as applicable, shall inform a potential enrollee of the  
3.17 availability of a prepaid health plan's primary care network list in an alternative format. If  
3.18 the potential enrollee requests an alternative format of the prepaid health plan's primary  
3.19 care network list, a record of that request shall be retained by the commissioner or local  
3.20 agency. The potential enrollee is permitted to withdraw the request at any time.

3.21 The prepaid health plan shall submit sufficient paper versions of the primary  
3.22 care network list to the commissioner and to local agencies within its service area to  
3.23 accommodate potential enrollee requests for paper versions of the primary care network  
3.24 list.

3.25 (d) A prepaid health plan may provide in an alternative format materials otherwise  
3.26 required to be available in writing under Code of Federal Regulations, title 42, section  
3.27 438.10, or under the commissioner's contract with the prepaid health plan, if the conditions  
3.28 of paragraphs (b), (c), and (e), are met for persons who are:

3.29 (1) enrolled in integrated Medicare and Medicaid programs under subdivisions  
3.30 23 and 28;

3.31 (2) enrolled in managed care long-term care programs under subdivision 6b;

3.32 (3) dually eligible for Medicare and medical assistance; or

3.33 (4) in the waiting period for Medicare.

3.34 (e) The commissioner shall seek any federal Medicaid waivers within 90 days after  
3.35 the effective date of this subdivision that are necessary to provide alternative formats of  
3.36 required material to enrollees of prepaid health plans as authorized under this subdivision.

**S.F. No. 703, as introduced - 87th Legislative Session (2011-2012) [11-2170]**

4.1           (f) The commissioner shall consult with managed care plans, county-based  
4.2 purchasing plans, counties, and other interested parties to determine how materials  
4.3 required to be made available to enrollees under Code of Federal Regulations, title 42,  
4.4 section 438.10, or under the commissioner's contract with a prepaid health plan may  
4.5 be provided in an alternative format on the basis that the enrollee has not opted in to  
4.6 receive the alternative format. The commissioner shall consult with managed care  
4.7 plans, county-based purchasing plans, counties, and other interested parties to develop  
4.8 recommendations relating to the conditions that must be met for an opt-out process  
4.9 to be granted.

4.10           Sec. 5. Minnesota Statutes 2010, section 256D.09, subdivision 6, is amended to read:

4.11           Subd. 6. **Recovery of overpayments.** (a) If an amount of general assistance or  
4.12 family general assistance is paid to a recipient in excess of the payment due, it shall be  
4.13 recoverable by the county agency. The agency shall give written notice to the recipient of  
4.14 its intention to recover the overpayment.

4.15           (b) Except as provided for interim assistance in section 256D.06, subdivision  
4.16 5, when an overpayment occurs, the county agency shall recover the overpayment  
4.17 from a current recipient by reducing the amount of aid payable to the assistance unit of  
4.18 which the recipient is a member, for one or more monthly assistance payments, until  
4.19 the overpayment is repaid. All county agencies in the state shall reduce the assistance  
4.20 payment by three percent of the assistance unit's standard of need in nonfraud cases and  
4.21 ten percent where fraud has occurred, or the amount of the monthly payment, whichever is  
4.22 less, for all overpayments.

4.23           (c) In cases when there is both an overpayment and underpayment, the county  
4.24 agency shall offset one against the other in correcting the payment.

4.25           (d) Overpayments may also be voluntarily repaid, in part or in full, by the individual,  
4.26 in addition to the aid reductions provided in this subdivision, to include further voluntary  
4.27 reductions in the grant level agreed to in writing by the individual, until the total amount  
4.28 of the overpayment is repaid.

4.29           (e) The county agency shall make reasonable efforts to recover overpayments to  
4.30 persons no longer on assistance under standards adopted in rule by the commissioner  
4.31 of human services. The county agency need not attempt to recover overpayments of  
4.32 less than \$35 paid to an individual no longer on assistance if the individual does not  
4.33 receive assistance again within three years, unless the individual has been convicted of  
4.34 violating section 256.98.

5.1 (f) Establishment of an overpayment is limited to 12 months prior to the month of  
5.2 discovery due to agency error and six years prior to the month of discovery due to client  
5.3 error or an intentional program violation determined under section 256.046.

5.6 the county agency determines that an overpayment of the recipient's monthly payment  
5.7 of Minnesota supplemental aid has occurred, it shall issue a notice of overpayment  
5.8 to the recipient. If the person is no longer receiving Minnesota supplemental aid, the  
5.9 county agency may request voluntary repayment or pursue civil recovery. If the person is  
5.10 receiving Minnesota supplemental aid, the county agency shall recover the overpayment  
5.11 by withholding an amount equal to three percent of the standard of assistance for the  
5.12 recipient or the total amount of the monthly grant, whichever is less.

5.13 (b) Establishment of an overpayment is limited to 12 months from the date of  
5.14 discovery due to agency error and six years due to client error. No limit applies to the  
5.15 establishment period if the overpayment is due to an intentional program violation or if  
5.16 the client wrongfully obtained assistance.

5.17 (c) For recipients receiving benefits via electronic benefit transfer, if the overpayment  
5.18 is a result of an automated teller machine (ATM) dispensing funds in error to the recipient,  
5.19 the agency may recover the ATM error by immediately withdrawing funds from the  
5.20 recipient's electronic benefit transfer account, up to the amount of the error.

5.21 (d) Residents of nursing homes, regional treatment centers, and licensed residential  
5.22 facilities with negotiated rates shall not have overpayments recovered from their personal  
5.23 needs allowance.

5.24 Sec. 7. Minnesota Statutes 2010, section 256J.38, subdivision 1, is amended to read:

5.25 Subdivision 1. **Scope of overpayment.** (a) When a participant or former participant  
5.26 receives an overpayment due to agency, client, or ATM error, or due to assistance received  
5.27 while an appeal is pending and the participant or former participant is determined  
5.28 ineligible for assistance or for less assistance than was received, the county agency must  
5.29 recoup or recover the overpayment using the following methods:

5.30 (1) reconstruct each affected budget month and corresponding payment month;

5.31 (2) use the policies and procedures that were in effect for the payment month; and

5.32 (3) do not allow employment disregards in section 256J.21, subdivision 3 or 4, in the
