15.3 other to achieve efficiencies and cost savings,
15.4 including wardens, deputy wardens, and
15.5 human resources, technology, and employee
15.6 development personnel;
- 15.7 (7) consolidating the department's human
15.8 resources, technology, and employee
15.9 development functions in a centralized
15.10 location;
- 15.11 (8) implementing corrections best practices;
15.12 and
- 15.13 (9) implementing cost-saving measures used
15.14 by other states and the federal government.

16.1 reduce the per diem by one percent, proposed
 16.2 legislative options that would assist the
 16.3 commissioner in reducing the adult facility
 16.4 per diem, and descriptions of the specific
 16.5 actions the commissioner took to reduce
 16.6 funding in operations support.

16.7 If the commissioner reduces the per diem
 16.8 by more than one percent, the commissioner
 16.9 must use the savings to provide treatment to
 16.10 offenders.

16.11 **(e) Reductions to Certain Programming**

16.12 **Prohibited.** When allocating reductions
 16.13 in services and programming under this
 16.14 appropriation, the commissioner may not
 16.15 make reductions to inmate educational
 16.16 programs, chemical dependency programs,
 16.17 or reentry programs.

16.18 **(f) Drug Court Bed Savings.** The
 16.19 commissioner must consider the bed impact
 16.20 savings of drug courts in formulating its
 16.21 prison bed projections.

16.22 **(g) Transfer.** Notwithstanding Minnesota
 16.23 Statutes, section 241.27, the commissioner
 16.24 of finance shall transfer \$1,000,000 the first
 16.25 year and \$1,000,000 the second year from the
 16.26 Minnesota Correctional Industries revolving
 16.27 fund to the general fund.

16.31	<u>Special Revenue</u>	<u>100,000</u>	<u>100,000</u>

16.32 **Short-Term Offenders.** \$1,607,000 the
 16.33 first year is for costs associated with the

17.1 housing and care of short-term offenders
17.2 sentenced prior to June 30, 2009, and housed
17.3 in local jails. The commissioner may use
17.4 up to ten percent of the total amount of the
17.5 appropriation for inpatient medical care
17.6 for short-term offenders with less than six
17.7 months to serve as affected by the changes
17.8 made to Minnesota Statutes, section 609.105,
17.9 by Laws 2003, First Special Session chapter
17.10 2, article 5, sections 7 to 9. All funds not
17.11 expended for inpatient medical care shall be
17.12 added to and distributed with the housing
17.13 funds. These funds shall be distributed
17.14 proportionately based on the total number of
17.15 days short-term offenders are placed locally,
17.16 not to exceed the fiscal year 2009 per diem.
17.17 All funds remaining after reimbursements are
17.18 made shall be transferred to the department's
17.19 institution base budget to offset the costs
17.20 of housing short-term offenders who are
17.21 sentenced on or after July 1, 2009, and
17.22 incarcerated in state correctional facilities.
17.23 Short-term offenders sentenced before July
17.24 1, 2009, may be housed in a state correctional
17.25 facility at the discretion of the commissioner.

17.26 This does not preclude the commissioner
17.27 from contracting with local jails to house
17.28 offenders committed to the custody of the
17.29 commissioner.

17.30 The Department of Corrections is exempt
17.31 from the state contracting process for the
17.32 purposes of Minnesota Statutes, section
17.33 609.105, as amended by Laws 2003, First
17.34 Special Session chapter 2, article 5, sections
17.35 7 to 9.

18.12 **ARTICLE 2**
 18.13 **COURTS AND PUBLIC DEFENDERS**

18.14 Section 1. Minnesota Statutes 2008, section 2.722, subdivision 4, is amended to read:

18.15 Subd. 4. **Determination of a judicial vacancy.** (a) When a judge of the district
 18.16 court dies, resigns, retires, or is removed from office, the Supreme Court, in consultation
 18.17 with judges and attorneys in the affected district, shall determine ~~within 90 days of~~ after
 18.18 receiving notice of a vacancy from the governor whether the vacant office is necessary
 18.19 for effective judicial administration or is necessary for adequate access to the courts.
 18.20 In determining whether the position is necessary for adequate access to the courts, the
 18.21 Supreme Court shall consider whether abolition or transfer of the position would result in
 18.22 a county having no chambered judge. The Supreme Court may continue the position, may
 18.23 order the position abolished, or may transfer the position to a judicial district where need
 18.24 for additional judges exists, designating the position as either a county, county/municipal
 18.25 or district court judgeship. The Supreme Court shall certify any vacancy to the governor,
 18.26 who shall fill it in the manner provided by law.

18.27 (b) If a judge of district court fails to timely file an affidavit of candidacy and filing
 18.28 fee or petition in lieu of a fee, the official with whom the affidavits of candidacy are
 18.29 required to be filed shall notify the Supreme Court that the incumbent judge is not seeking
 18.30 reelection. Within five days of receipt of the notice, the Supreme Court shall determine
 18.31 whether the judicial position is necessary for effective judicial administration or adequate
 18.32 access to the courts and notify the official responsible for certifying the election results of

19.1 its determination. In determining whether the position is necessary for adequate access to
19.2 the courts, the Supreme Court shall consider whether abolition or transfer of the position
19.3 would result in a county having no chambered judge. The Supreme Court may continue
19.4 the position, may order the position abolished, or may transfer the position to a judicial
19.5 district where the need for additional judgeships exists. If the position is abolished or
19.6 transferred, the election may not be held. If the position is transferred, the court shall also
19.7 notify the governor of the transfer. Upon transfer, the position is vacant and the governor
19.8 shall fill it in the manner provided by law. An order abolishing or transferring a position is
19.9 effective the first Monday in the next January.

19.10 Sec. 2. Minnesota Statutes 2008, section 2.722, subdivision 4a, is amended to read:

19.11 Subd. 4a. **Referee vacancy; conversion to judgeship.** When a referee of the
19.12 district court dies, resigns, retires, or is voluntarily removed from the position, the chief
19.13 judge of the district shall notify the Supreme Court and may petition to request that the
19.14 position be converted to a judgeship. The Supreme Court shall determine ~~within 90~~
19.15 ~~days of the petition~~ whether to order the position abolished or convert the position to a
19.16 judgeship in the affected or another judicial district. The Supreme Court shall certify any
19.17 judicial vacancy to the governor, who shall fill it in the manner provided by law. The
19.18 conversion of a referee position to a judgeship under this subdivision shall not reduce the
19.19 total number of judges and referees hearing cases in the family and juvenile courts.

19.20 Sec. 3. Minnesota Statutes 2008, section 2.724, subdivision 2, is amended to read:

19.21 Subd. 2. **Procedure.** To promote and secure more efficient administration of justice,
19.22 the chief justice of the Supreme Court of the state shall supervise and coordinate the work
19.23 of the courts of the state. The Supreme Court may provide by rule that the chief justice not
19.24 be required to write opinions as a member of the Supreme Court. Its rules may further
19.25 provide for it to hear and consider cases in divisions. It may by rule assign temporarily
19.26 any retired justice of the Supreme Court or one judge of the Court of Appeals or district
19.27 court judge at a time to act as a justice of the Supreme Court or any number of justices
19.28 or retired justices of the Supreme Court to act as judges of the Court of Appeals. Upon
19.29 the assignment of a Court of Appeals judge or a district court judge to act as a justice of
19.30 the Supreme Court, a judge previously acting as a justice may complete unfinished duties
19.31 of that position. Any number of justices may disqualify themselves from hearing and
19.32 considering a case, in which event the Supreme Court may assign temporarily a retired
19.33 justice of the Supreme Court, a Court of Appeals judge, or a district court judge to hear
19.34 and consider the case in place of each disqualified justice. ~~A retired justice who is acting~~

20.1 ~~as a justice of the Supreme Court or judge of the Court of Appeals under this section shall~~
20.2 ~~receive, in addition to retirement pay, out of the general fund of the state, an amount to~~
20.3 ~~make the retired justice's total compensation equal to the same salary as a justice or judge~~
20.4 ~~of the court on which the justice is acting.~~

20.7 may assign a retired justice of the Supreme Court to act as a justice of the Supreme Court
20.8 pursuant to subdivision 2 or as a judge of any other court. The chief justice may assign a
20.9 retired judge of any court to act as a judge of any court except the Supreme Court. The
20.10 chief justice of the Supreme Court shall determine the pay and expenses to be received by
20.11 a justice or judge acting pursuant to this paragraph.

20.12 (b) A judge who has been elected to office and who has retired as a judge in good
20.13 standing and is not practicing law may also be appointed to serve as judge of any court
20.14 except the Supreme Court. A retired judge acting under this paragraph will receive pay
20.15 and expenses in the amount established by the Supreme Court.

20.17 Subd. 2. **Fines and bail money.** (a) All fines, installment payments, and forfeited
20.18 bail money collected from persons convicted of violations of this chapter or rules adopted

20.20 ~~the county treasurer of the county where the violation occurred by the court administrator~~
20.21 ~~or other person collecting the money within 15 days after the last day of the month the~~
20.22 ~~money was collected~~ deposited in the state treasury.

20.23 (b) One-half of the receipts shall be credited to the general revenue fund ~~of the~~
20.24 ~~county.~~ The other one-half of the receipts shall be transmitted ~~by the county treasurer~~ to
20.25 the commissioner of natural resources ~~to be deposited in the state treasury~~ and credited to
20.26 the water recreation account for the purpose of boat and water safety.

20.27 Sec. 6. Minnesota Statutes 2008, section 134A.09, subdivision 2a, is amended to read:

20.28 Subd. 2a. **Petty misdemeanor cases and criminal convictions; fee assessment.** In
20.29 Hennepin County and Ramsey County, the district court administrator or a designee may,
20.30 upon the recommendation of the board of trustees and by standing order of the judges
20.31 of the district court, include in the costs or disbursements assessed against a defendant
20.32 convicted in the district court of the violation of a statute or municipal ordinance, a county
20.33 law library fee. This fee may be collected in all petty misdemeanor cases and criminal

21.1 prosecutions in which, upon conviction, the defendant may be subject to the payment of

40.9 administrator may destroy all other original documents in any probate proceeding without
40.10 retaining any reproduction of the document. For the purpose of this subdivision, a
40.11 proceeding is deemed closed if no document has been filed in the proceeding for a period
40.12 of 15 years, except in the cases of wills filed for safekeeping and those containing wills of
40.13 decedents not adjudicated upon.

40.14 Sec. 35. Minnesota Statutes 2008, section 549.09, subdivision 1, is amended to read:

40.15 Subdivision 1. **When owed; rate.** (a) When a judgment or award is for the recovery
40.16 of money, including a judgment for the recovery of taxes, interest from the time of
40.17 the verdict, award, or report until judgment is finally entered shall be computed by the
40.18 court administrator or arbitrator as provided in paragraph (c) and added to the judgment
40.19 or award.

40.20 (b) Except as otherwise provided by contract or allowed by law, preverdict,
40.21 preaward, or prereport interest on pecuniary damages shall be computed as provided
40.22 in paragraph (c) from the time of the commencement of the action or a demand for
40.23 arbitration, or the time of a written notice of claim, whichever occurs first, except as
40.24 provided herein. The action must be commenced within two years of a written notice of
40.25 claim for interest to begin to accrue from the time of the notice of claim. If either party
40.26 serves a written offer of settlement, the other party may serve a written acceptance or a
40.27 written counteroffer within 30 days. After that time, interest on the judgment or award
40.28 shall be calculated by the judge or arbitrator in the following manner. The prevailing
40.29 party shall receive interest on any judgment or award from the time of commencement
40.30 of the action or a demand for arbitration, or the time of a written notice of claim, or as
40.31 to special damages from the time when special damages were incurred, if later, until the
40.32 time of verdict, award, or report only if the amount of its offer is closer to the judgment or
40.33 award than the amount of the opposing party's offer. If the amount of the losing party's
40.34 offer was closer to the judgment or award than the prevailing party's offer, the prevailing
40.35 party shall receive interest only on the amount of the settlement offer or the judgment or

41.1 award, whichever is less, and only from the time of commencement of the action or a
41.2 demand for arbitration, or the time of a written notice of claim, or as to special damages
41.3 from when the special damages were incurred, if later, until the time the settlement offer
41.4 was made. Subsequent offers and counteroffers supersede the legal effect of earlier offers
41.5 and counteroffers. For the purposes of clause (2), the amount of settlement offer must
41.6 be allocated between past and future damages in the same proportion as determined by
41.7 the trier of fact. Except as otherwise provided by contract or allowed by law, preverdict,
41.8 preaward, or prereport interest shall not be awarded on the following:

41.9 (1) judgments, awards, or benefits in workers' compensation cases, but not including
41.10 third-party actions;

41.11 (2) judgments or awards for future damages;

41.12 (3) punitive damages, fines, or other damages that are noncompensatory in nature;

41.13 (4) judgments or awards not in excess of the amount specified in section 491A.01;

41.14 and

41.15 (5) that portion of any verdict, award, or report which is founded upon interest, or
41.16 costs, disbursements, attorney fees, or other similar items added by the court or arbitrator.

41.17 (c)(1) For a judgment or award of \$50,000 or less, the interest shall be computed as
41.18 simple interest per annum. The rate of interest shall be based on the secondary market
41.19 yield of one year United States Treasury bills, calculated on a bank discount basis as
41.20 provided in this section.

41.21 On or before the 20th day of December of each year the state court administrator
41.22 shall determine the rate from the one-year constant maturity treasury yield for the most
41.23 recent calendar month, reported on a monthly basis in the latest statistical release of the
41.24 board of governors of the Federal Reserve System. This yield, rounded to the nearest one
41.25 percent, or four percent, whichever is greater, shall be the annual interest rate during the
41.26 succeeding calendar year. The state court administrator shall communicate the interest
41.27 rates to the court administrators and sheriffs for use in computing the interest on verdicts
41.28 and shall make the interest rates available to arbitrators.

41.29 (2) For a judgment or award over \$50,000, the interest rate shall be ten percent
41.30 per year until paid.

41.31 (3) When a judgment creditor, or the judgment creditor's attorney or agent, has
41.32 received a payment after entry of judgment, whether the payment is made voluntarily by
41.33 or on behalf of the judgment debtor, or is collected by legal process other than execution
41.34 levy where a proper return has been filed with the court administrator, the judgment
41.35 creditor, or the judgment creditor's attorney, before applying to the court administrator
41.36 for an execution shall file with the court administrator an affidavit of partial satisfaction.

42.1 The affidavit must state the dates and amounts of payments made upon the judgment after
42.2 the most recent affidavit of partial satisfaction filed, if any; the part of each payment that
42.3 is applied to taxable disbursements and to accrued interest and to the unpaid principal
42.4 balance of the judgment; and the accrued, but the unpaid interest owing, if any, after
42.5 application of each payment.

42.6 (d) This section does not apply to arbitrations between employers and employees
42.7 under chapter 179 or 179A. An arbitrator is neither required to nor prohibited from
42.8 awarding interest under chapter 179 or under section 179A.16 for essential employees.

42.9 **EFFECTIVE DATE.** This section is effective August 1, 2009, and applies to
42.10 judgments and awards finally entered on or after that date.

42.13 Unless the parties have otherwise agreed, if a judgment has been docketed in
42.14 district court for at least 30 days, and the judgment is not satisfied, the judgment creditor's
42.15 attorney as an officer of the court may or the district court in the county in which the
42.16 judgment originated shall, upon request of the judgment creditor, order the judgment
42.17 debtor to mail by certified mail to the judgment creditor information as to the nature,
42.18 amount, identity, and locations of all the debtor's assets, liabilities, and personal earnings.
42.19 The information must be provided on a form prescribed by the Supreme Court, and
42.20 the information shall be sufficiently detailed to enable the judgment creditor to obtain
42.21 satisfaction of the judgment by way of execution on nonexempt assets and earnings of the
42.22 judgment debtor. The order must contain a notice that failure to complete the form and
42.23 mail it to the judgment creditor within ten days after service of the order may result in a
42.24 citation for civil contempt of court. Cash bail posted as a result of being cited for civil
42.25 contempt of court order under this section may be ordered payable to the creditor to
42.26 satisfy the judgment, either partially or fully.

43.10 or otherwise deferred sentence under section 609.135.

43.25 prior impaired driving incidents, as defined in section 169A.03, within the past ten years,

45.19 other law, when a court sentences a person convicted of a controlled substance crime
45.20 under sections 152.021 to 152.025 and 152.0262, it must impose a fine of not less than
45.21 30 percent of the maximum fine authorized by law nor more than the maximum fine
45.22 authorized by law.

45.23 (b) The minimum fine required by this subdivision is in addition to the surcharge or
45.24 assessment required by section 357.021, subdivision 6, and is in addition to any sentence
45.25 of imprisonment or restitution imposed or ordered by the court.

45.26 (c) The court shall collect the fine mandated by this subdivision and forward 70
45.27 percent of it to a local drug abuse prevention or intervention program existing or being
45.28 implemented in the county in which the crime was committed. The court shall forward the
45.29 remaining 30 percent to the commissioner of finance to be credited to the general fund. If
45.30 more than one drug abuse prevention or intervention program serves the county in which
45.31 the crime was committed, the court may designate on a case-by-case basis which program
45.32 will receive the fine proceeds, giving consideration to the community in which the crime
45.33 was committed, the funding needs of the program, the number of peace officers in each
45.34 community certified to teach the program, and the number of children served by the
45.35 program in each community. If no drug abuse prevention or intervention program serves

46.1 communities in that county, the court shall forward 100 percent of the fine proceeds to the
46.2 commissioner of finance to be credited to the general fund.

46.3 (d) The minimum fines required by this subdivision shall be collected as are other
46.4 fines. Fine proceeds received by a local drug abuse prevention or intervention program
46.5 must be used to support that program, and may be used for salaries of program staff or
46.6 peace officers certified to teach the program. The ~~drug abuse resistance education~~ program
46.7 must report receipt and use of money generated under this subdivision ~~as prescribed by~~
46.8 ~~the Drug Abuse Resistance Education Advisory Council~~ to the state court administrator
46.9 by January 15 of each year. The state court administrator must make this information
46.10 available upon request.

46.11 (e) As used in this subdivision, "drug abuse prevention or intervention program"
46.12 and "program" include:

46.13 (1) the drug abuse resistance education program described in section 299A.33; ~~and~~

46.14 (2) ~~any similar~~ a drug abuse education and prevention program that includes the
46.15 following components:

46.16 (i) instruction for students enrolled in kindergarten through grade six that is
46.17 designed to teach students to recognize and resist pressures to experiment with controlled
46.18 substances and alcohol;

46.19 (ii) provisions for parental involvement;

46.20 (iii) classroom instruction by uniformed law enforcement personnel;

46.21 (iv) the use of positive student leaders to influence younger students not to use
46.22 drugs; and

46.23 (v) an emphasis on activity-oriented techniques designed to encourage
46.24 student-generated responses to problem-solving situations; and

46.25 (3) a juvenile court program that:

46.26 (i) provides intervention strategies to reduce drug abuse and criminal behavior
46.27 in juvenile offenders; and

46.28 (ii) promotes local drug abuse prevention efforts within the community.

46.29 Sec. 41. Minnesota Statutes 2008, section 609.101, subdivision 4, is amended to read:

46.30 Subd. 4. **Minimum fines; other crimes.** Notwithstanding any other law:

46.31 (1) when a court sentences a person convicted of a felony that is not listed in
46.32 subdivision 2 or 3, it must impose a fine of not less than 30 percent of the maximum fine
46.33 authorized by law nor more than the maximum fine authorized by law; and

46.34 (2) when a court sentences a person convicted of a gross misdemeanor or
46.35 misdemeanor that is not listed in subdivision 2, it must impose a fine of not less than

47.1 30 percent of the maximum fine authorized by law nor more than the maximum fine
47.2 authorized by law, unless the fine is set at a lower amount on a uniform fine schedule
47.3 established by the Judicial Council in consultation with affected state and local agencies.
47.4 This schedule shall be promulgated not later than September 1 of each year and shall
47.5 become effective on January 1 of the next year unless the legislature, by law, provides
47.6 otherwise.

47.7 The minimum fine required by this subdivision is in addition to the surcharge or
47.8 assessment required by section 357.021, subdivision 6, and is in addition to any sentence
47.9 of imprisonment or restitution imposed or ordered by the court.

47.10 ~~The court shall collect the fines mandated in this subdivision and, except for fines for~~
47.11 ~~traffic and motor vehicle violations governed by section 169.871 and section 299D.03 and~~
47.12 ~~fish and game violations governed by section 97A.065, forward 20 percent of the revenues~~
47.13 ~~to the commissioner of finance for deposit in the general fund.~~

47.14 Sec. 42. **[609.104] FINE AND SURCHARGE COLLECTION.**

47.15 Subdivision 1. Failure to pay restitution or fine. (a) Any portion of a fine,
47.16 surcharge, court cost, restitution, or fee that the defendant fails to pay by the due date may
47.17 be referred for collection under section 480.15, subdivision 10c. If the defendant has
47.18 agreed to a payment plan but fails to pay an installment when due, the entire amount
47.19 remaining becomes due and payable and may be referred for collection under section
47.20 480.15, subdivision 10c.

47.21 (b) The defendant may contest the referral for collection based on inability to pay by
47.22 requesting a hearing no later than the due date. The defendant shall be notified in writing
47.23 at sentencing that under section 480.15, subdivision 10c, the court may refer the case for
47.24 collection for nonpayment, and collection costs may be added to the amount due. The
47.25 defendant shall also be notified in writing of the right to contest a referral for collection.
47.26 The state court administrator shall develop the notice language.

47.27 Subd. 2. Fine and surcharge collection. (a) A defendant's obligation to pay
47.28 court-ordered fines, surcharges, court costs, restitution, and fees shall survive after the due
47.29 date for a period set by the Judicial Council.

47.30 (b) Any change in the collection period established by the Judicial Council shall be
47.31 effective on court-ordered fines, surcharges, court costs, restitution, and fees imposed on
47.32 or after the effective date of this section.

47.33 (c) The period relating to a defendant's obligation to pay restitution under paragraph
47.34 (a) does not limit the victim's right to collect restitution through other means such as a
47.35 civil judgment.

48.1 (d) Nothing in this subdivision extends the period of a defendant's stay of sentence
48.2 imposition or execution.

48.3 Sec. 43. Minnesota Statutes 2008, section 609.125, subdivision 1, is amended to read:

48.4 Subdivision 1. **Sentences available.** (a) Upon conviction of a misdemeanor or gross
48.5 misdemeanor the court, if sentence is imposed, may, to the extent authorized by law,
48.6 sentence the defendant:

48.7 (1) to imprisonment for a definite term; or

48.8 (2) to payment of a fine, ~~or to imprisonment for a specified term if the fine is not paid~~
48.9 without imprisonment or as an intermediate sanction on a stayed sentence; or

48.10 (3) to both imprisonment for a definite term and payment of a fine; or

48.11 (4) to payment of court-ordered restitution in addition to either imprisonment
48.12 or payment of a fine, or both; or

48.13 (5) to payment of a local correctional fee as authorized under section 609.102 in
48.14 addition to any other sentence imposed by the court; or

48.15 (6) to perform work service in a restorative justice program in addition to any other
48.16 sentence imposed by the court.

48.17 (b) If the court imposes a fine or orders restitution under paragraph (a), payment is
48.18 due on the date imposed unless the court otherwise establishes a due date or a payment
48.19 plan.

48.20 Sec. 44. Minnesota Statutes 2008, section 609.135, subdivision 1, is amended to read:

48.21 Subdivision 1. **Terms and conditions.** (a) Except when a sentence of life
48.22 imprisonment is required by law, or when a mandatory minimum sentence is required by
48.23 section 609.11, any court may stay imposition or execution of sentence and:

48.24 (1) may order intermediate sanctions without placing the defendant on probation; or

48.25 (2) may place the defendant on probation with or without supervision and on the
48.26 terms the court prescribes, including intermediate sanctions when practicable. The court
48.27 may order the supervision to be under the probation officer of the court, or, if there is
48.28 none and the conviction is for a felony or gross misdemeanor, by the commissioner of
48.29 corrections, or in any case by some other suitable and consenting person. Unless the court
48.30 directs otherwise, state parole and probation agents and probation officers may impose
48.31 community work service or probation violation sanctions, consistent with section 243.05,
48.32 subdivision 1; sections 244.196 to 244.199; or 401.02, subdivision 5.

49.1 No intermediate sanction may be ordered performed at a location that fails to
49.2 observe applicable requirements or standards of chapter 181A or 182, or any rule
49.3 promulgated under them.

49.4 (b) For purposes of this subdivision, subdivision 6, and section 609.14, the term
49.5 "intermediate sanctions" includes but is not limited to incarceration in a local jail or
49.6 workhouse, home detention, electronic monitoring, intensive probation, sentencing to
49.7 service, reporting to a day reporting center, chemical dependency or mental health
49.8 treatment or counseling, restitution, fines, day-fines, community work service, work
49.9 service in a restorative justice program, work in lieu of or to work off fines and, with the
49.10 victim's consent, work in lieu of or to work off restitution.

49.11 (c) A court may not stay the revocation of the driver's license of a person convicted
49.12 of violating the provisions of section 169A.20.

49.13 (d) If the court orders a fine, day-fine, or restitution as an intermediate sanction,
49.14 payment is due on the date imposed unless the court otherwise establishes a due date
49.15 or a payment plan.

49.16 Sec. 45. Minnesota Statutes 2008, section 609.135, subdivision 1a, is amended to read:

49.17 Subd. 1a. **Failure to pay restitution or fine.** If the court orders payment of
49.18 restitution ~~or a fine~~ as a condition of probation and if the defendant fails to pay the
49.19 restitution ~~or a fine~~ in accordance with the payment schedule or structure established
49.20 by the court or the probation officer, the prosecutor or the defendant's probation officer
49.21 may, on the prosecutor's or the officer's own motion or at the request of the victim,
49.22 ask the court to hold a hearing to determine whether or not the conditions of probation
49.23 should be changed or probation should be revoked. The defendant's probation officer
49.24 shall ask for the hearing if the restitution ~~or fine~~ ordered has not been paid prior to 60
49.25 days before the term of probation expires. The court shall schedule and hold this hearing
49.26 and take appropriate action, including action under subdivision 2, paragraph (g), before
49.27 the defendant's term of probation expires.

49.28 Nothing in this subdivision limits the court's ability to refer the case to collections
49.29 under section 609.104 when a defendant fails to pay court-ordered restitution.

49.30 Sec. 46. Minnesota Statutes 2008, section 609.135, subdivision 2, is amended to read:

49.31 Subd. 2. **Stay of sentence maximum periods.** (a) If the conviction is for a felony
49.32 other than section 609.21, subdivision 1a, paragraph (b) or (c), the stay shall be for not
49.33 more than four years or the maximum period for which the sentence of imprisonment
49.34 might have been imposed, whichever is longer.

50.1 (b) If the conviction is for a gross misdemeanor violation of section 169A.20
50.2 or 609.21, subdivision 1a, paragraph (d), or for a felony described in section 609.21,
50.3 subdivision 1a, paragraph (b) or (c), the stay shall be for not more than six years. The
50.4 court shall provide for unsupervised probation for the last year of the stay unless the court
50.5 finds that the defendant needs supervised probation for all or part of the last year.

50.6 (c) If the conviction is for a gross misdemeanor not specified in paragraph (b), the
50.7 stay shall be for not more than two years.

50.8 (d) If the conviction is for any misdemeanor under section 169A.20; 609.746,
50.9 subdivision 1; 609.79; or 617.23; or for a misdemeanor under section 609.2242 or
50.10 609.224, subdivision 1, in which the victim of the crime was a family or household
50.11 member as defined in section 518B.01, the stay shall be for not more than two years. The
50.12 court shall provide for unsupervised probation for the second year of the stay unless the
50.13 court finds that the defendant needs supervised probation for all or part of the second year.

50.14 (e) If the conviction is for a misdemeanor not specified in paragraph (d), the stay
50.15 shall be for not more than one year.

50.16 (f) The defendant shall be discharged six months after the term of the stay expires,
50.17 unless the stay has been revoked or extended under paragraph (g), or the defendant has
50.18 already been discharged.

50.19 (g) Notwithstanding the maximum periods specified for stays of sentences under
50.20 paragraphs (a) to (f), a court may extend a defendant's term of probation for up to one year
50.21 if it finds, at a hearing conducted under subdivision 1a, that:

50.22 (1) the defendant has not paid court-ordered restitution ~~or a fine~~ in accordance
50.23 with the payment schedule or structure; and

50.24 (2) the defendant is likely to not pay the restitution ~~or fine~~ the defendant owes before
50.25 the term of probation expires.

50.26 This one-year extension of probation for failure to pay restitution ~~or a fine~~ may be
50.27 extended by the court for up to one additional year if the court finds, at another hearing
50.28 conducted under subdivision 1a, that the defendant still has not paid the court-ordered
50.29 restitution ~~or fine~~ that the defendant owes.

50.30 Nothing in this subdivision limits the court's ability to refer the case to collections
50.31 under section 609.104.

50.32 (h) Notwithstanding the maximum periods specified for stays of sentences under
50.33 paragraphs (a) to (f), a court may extend a defendant's term of probation for up to three
50.34 years if it finds, at a hearing conducted under subdivision 1c, that:

50.35 (1) the defendant has failed to complete court-ordered treatment successfully; and

51.1 (2) the defendant is likely not to complete court-ordered treatment before the term of
51.2 probation expires.

51.3 Sec. 47. Minnesota Statutes 2008, section 611.17, is amended to read:

51.4 **611.17 FINANCIAL INQUIRY; STATEMENTS; CO-PAYMENT;**
51.5 **STANDARDS FOR DISTRICT PUBLIC DEFENSE ELIGIBILITY.**

51.6 (a) Each judicial district must screen requests for representation by the district public
51.7 defender. A defendant is financially unable to obtain counsel if:

51.8 (1) the defendant, or any dependent of the defendant who resides in the same
51.9 household as the defendant, receives means-tested governmental benefits; or

51.10 (2) the defendant, through any combination of liquid assets and current income,
51.11 would be unable to pay the reasonable costs charged by private counsel in that judicial
51.12 district for a defense of the same matter.

51.13 (b) Upon a request for the appointment of counsel, the court shall make appropriate
51.14 inquiry into the financial circumstances of the applicant, who shall submit a financial
51.15 statement under oath or affirmation setting forth the applicant's assets and liabilities,
51.16 including the value of any real property owned by the applicant, whether homestead or
51.17 otherwise, less the amount of any encumbrances on the real property, the source or sources
51.18 of income, and any other information required by the court. The applicant shall be under
51.19 a continuing duty while represented by a public defender to disclose any changes in the
51.20 applicant's financial circumstances that might be relevant to the applicant's eligibility for a
51.21 public defender. The state public defender shall furnish appropriate forms for the financial
51.22 statements. The forms must contain conspicuous notice of the applicant's continuing duty
51.23 to disclose to the court changes in the applicant's financial circumstances. The forms must
51.24 also contain conspicuous notice of the applicant's obligation to make a co-payment for the
51.25 services of the district public defender, as specified under paragraph (c). The information
51.26 contained in the statement shall be confidential and for the exclusive use of the court
51.27 and the public defender appointed by the court to represent the applicant except for any
51.28 prosecution under section 609.48. A refusal to execute the financial statement or produce
51.29 financial records constitutes a waiver of the right to the appointment of a public defender.
51.30 The court shall not appoint a district public defender to a defendant who is financially able
51.31 to retain private counsel but refuses to do so.

51.32 An inquiry to determine financial eligibility of a defendant for the appointment of
51.33 the district public defender shall be made whenever possible prior to the court appearance
51.34 and by such persons as the court may direct. This inquiry may be combined with the
51.35 prerelease investigation provided for in Minnesota Rule of Criminal Procedure 6.02,

52.1 subdivision 3. In no case shall the district public defender be required to perform this
52.2 inquiry or investigate the defendant's assets or eligibility. The court has the sole duty to
52.3 conduct a financial inquiry. The inquiry must include the following:

- 52.4 (1) the liquidity of real estate assets, including the defendant's homestead;
52.5 (2) any assets that can be readily converted to cash or used to secure a debt;
52.6 (3) the determination of whether the transfer of an asset is voidable as a fraudulent
52.7 conveyance; and
52.8 (4) the value of all property transfers occurring on or after the date of the alleged
52.9 offense. The burden is on the accused to show that he or she is financially unable to afford
52.10 counsel. Defendants who fail to provide information necessary to determine eligibility
52.11 shall be deemed ineligible. The court must not appoint the district public defender as
52.12 advisory counsel.

52.13 (c) Upon disposition of the case, an individual who has received public defender
52.14 services shall pay to the court a ~~\$28~~ \$75 co-payment for representation provided by a
52.15 public defender, unless the co-payment is, or has been, waived by the court.

52.16 The co-payment must be credited to the general fund. If a term of probation is
52.17 imposed as a part of an offender's sentence, the co-payment required by this section must
52.18 not be made a condition of probation. The co-payment required by this section is a civil
52.19 obligation and must not be made a condition of a criminal sentence.

52.20 Sec. 48. Minnesota Statutes 2008, section 631.48, is amended to read:

52.21 **631.48 SENTENCE; COSTS OF PROSECUTION.**

52.22 In a criminal action, upon conviction of the defendant, the court may order as part of
52.23 the sentence that defendant shall pay the whole or any part of the disbursements of the
52.24 prosecution, including disbursements made to extradite a defendant. The court may order
52.25 this payment in addition to any other penalty authorized by law which it may impose. The
52.26 payment of the disbursements of prosecution may be enforced in the same manner as the
52.27 sentence, or by execution against property. When collected, the disbursements ~~must be~~
52.28 ~~paid into the treasury of the county of conviction, but~~ of ordered prosecution costs shall be
52.29 paid to the municipality or subdivision of government which employed the prosecuting
52.30 attorney or otherwise provided for prosecution of the case. This payment may not interfere
52.31 with the payment of officers', witnesses', or jurors' fees.

52.32 Sec. 49. **PUBLIC DEFENDER FEE.**

52.33 Subdivision 1. Authorization. (a) The Supreme Court, through the lawyer
52.34 registration office, may assess a public defender fee on each licensed attorney in the

53.1 state. If imposed, the fee must not be more than \$75 or less than the civil legal services
53.2 fee established by the Supreme Court in 1997 that licensed attorneys are required to pay
53.3 pursuant to the rules of the supreme court on lawyer registration.

53.4 (b) The fee described in paragraph (a) may apply only to attorneys actively engaged
53.5 in the practice of law.

53.6 Subd. 2. **Creation of account.** The public defender fee account is created in the
53.7 special revenue fund. The state court administrator shall forward fees collected under
53.8 subdivision 1 to the commissioner of finance who shall deposit them in the state treasury
53.9 and credit them to this account. Money in the account is appropriated to the Board
53.10 of Public Defense.

53.11 Sec. 50. **REPEALER.**

53.12 (a) Minnesota Statutes 2008, section 152.0262, subdivision 2, is repealed effective
53.13 July 1, 2009, and applies to crimes committed on or after that date.

53.14 (b) Minnesota Statutes 2008, sections 383B.65, subdivision 2; 484.90, subdivisions
53.15 1, 2, and 3; 487.08, subdivisions 1, 2, 3, and 5; and 609.135, subdivision 8, are repealed.

53.16 **ARTICLE 3**

53.17 **PUBLIC SAFETY AND CORRECTIONS**

53.18 Section 1. Minnesota Statutes 2008, section 3.195, subdivision 1, is amended to read:

53.19 Subdivision 1. **Distribution of reports.** (a) Except as provided in subdivision
53.20 4, a report to the legislature required of a department or agency shall be made, unless
53.21 otherwise specifically required by law, by filing one copy with the secretary of the senate,
53.22 one copy with the chief clerk of the house of representatives, and six copies with the
53.23 Legislative Reference Library. The same distribution procedure shall be followed for
53.24 other reports and publications unless otherwise requested by a legislator or the Legislative
53.25 Reference Library.

53.26 (b) A public entity as defined in section 16B.122, shall not distribute a report
53.27 or publication to a member or employee of the legislature, except the secretary of the
53.28 senate, the chief clerk of the house of representatives, and the Legislative Reference
53.29 Library, unless the entity has determined that the member or employee wants the reports
53.30 or publications published by that entity or the member or employee has requested the
53.31 report or publication. This prohibition applies to both mandatory and voluntary reports
53.32 and publications. A report or publication may be summarized in an executive summary
53.33 and distributed as the entity chooses. Distribution of a report to legislative committee

54.1 or commission members during a committee or commission hearing is not prohibited
54.2 by this section.

54.3 (c) A report or publication produced by a public entity may not be sent to both the
54.4 home address and the office address of a representative or senator unless mailing to both
54.5 addresses is requested by the representative or senator.

54.6 (d) Reports, publications, periodicals, and summaries under this subdivision must
54.7 be printed in a manner consistent with section 16B.122.

54.8 Sec. 2. Minnesota Statutes 2008, section 3.195, is amended by adding a subdivision to
54.9 read:

54.10 Subd. 4. Reports of criminal justice agencies; electronic versions only. (a) As
54.11 used in this subdivision, "criminal justice agency" means the Departments of Corrections,
54.12 Public Safety, and Human Rights; the Boards of Public Defense, Peace Officer Standards
54.13 and Training, Private Detective and Protective Agent Services, and Judicial Standards; the
54.14 Sentencing Guidelines and Uniform Laws Commissions; and the courts.

54.15 (b) A criminal justice agency that submits a report to the legislature under this
54.16 section shall do so by submitting an electronic version rather than a printed one.
54.17 Notwithstanding subdivision 1, paragraph (a), and section 15.18, the agency need submit
54.18 only one electronic copy to the Legislative Reference Library, the State Library, and the
54.19 Minnesota Historical Society. In addition, the agency shall submit one printed copy to
54.20 the Legislative Reference Library.

54.21 Sec. 3. Minnesota Statutes 2008, section 152.025, subdivision 1, is amended to read:

54.22 Subdivision 1. **Sale crimes.** (a) A person is guilty of controlled substance crime in
54.23 the fifth degree and if convicted may be sentenced to imprisonment for not more than five
54.24 years or to payment of a fine of not more than \$10,000, or both if:

54.25 (1) the person unlawfully sells one or more mixtures containing marijuana or
54.26 tetrahydrocannabinols, except a small amount of marijuana for no remuneration; or

54.27 (2) the person unlawfully sells one or more mixtures containing a controlled
54.28 substance classified in schedule IV.

54.29 (b) Except as provided in paragraph (c), if a person is guilty of controlled substance
54.30 crime in the fifth degree and the conviction is a subsequent controlled substance
54.31 conviction, the person convicted shall be committed to the commissioner of corrections or
54.32 to a local correctional authority for not less than six months nor more than ten years and,
54.33 in addition, may be sentenced to payment of a fine of not more than \$20,000 if:

55.1 (1) the person unlawfully sells one or more mixtures containing marijuana or
55.2 tetrahydrocannabinols, except a small amount of marijuana for no remuneration; or

55.3 (2) the person unlawfully sells one or more mixtures containing a controlled
55.4 substance classified in schedule IV.

55.5 (c) Prior to the time of sentencing, the prosecutor may file a motion to have the
55.6 person sentenced without regard to the mandatory minimum sentence established by
55.7 paragraph (b). The motion must be accompanied by a statement on the record of the
55.8 reasons for it. When presented with the motion, or on its own motion, the court may
55.9 sentence the person without regard to the mandatory minimum sentence if the court finds,
55.10 on the record, substantial and compelling reasons to do so. Sentencing a person in this
55.11 manner is a departure from the sentencing guidelines.

55.12 **EFFECTIVE DATE.** This section is effective July 1, 2009, and applies to crimes
55.13 committed on or after that date.

55.14 Sec. 4. Minnesota Statutes 2008, section 152.025, subdivision 2, is amended to read:

55.15 Subd. 2. **Possession and other crimes.** (a) A person is guilty of controlled
55.16 substance crime in the fifth degree and if convicted may be sentenced to imprisonment for
