22.12	Sec. 39. ETHNIC COUNCILS ACCOUNT.
22.13	The following amounts are deposited in the ethnic councils account in the special
22.14	revenue fund:
22.15	(1) \$ 2,201,000 which is transferred from the state employee group insurance trust
22.16	<u>fund;</u>
22.17	(2) \$871,000 which is transferred from the state elections campaign fund; and

22.19	2014, chapter 312, article 21, section 4, paragraph (a), is canceled to the general fund
22.20	and transferred to the special revenue fund, effective the day following final enactment
22.21	of this section.
22.22	ARTICLE 2
22.23	STATE GOVERNMENT
22.24	Section 1. [2.92] DISTRICTING PRINCIPLES.
22.25	Subdivision 1. Applicability; constitutional duty of legislature. (a) The principles
22.26	in this section apply to legislative and congressional districts.
22.27	(b) Notwithstanding any laws to the contrary, legislative and congressional districts
22.28	must be drawn by the legislature, consistent with the requirements of the Minnesota
22.29	Constitution, article IV, section 3. The legislature may not delegate its duty to draw
22.30	districts to any commission, council, panel, or other entity that is not comprised solely of
22.31	members of the legislature.
22.32	Subd. 2. Nesting. A representative district may not be divided in the formation
22.33	of a senate district.

23.1	Subd. 3. Equal population. (a) Legislative districts must be substantially equal
23.2	in population. The population of a legislative district must not deviate from the ideal
23.3	by more than 0.5 percent, plus or minus.
23.4	(b) Congressional districts must be as nearly equal in population as practicable.
23.5	Subd. 4. Contiguity; compactness. The districts must be composed of convenient
23.6	contiguous territory. To the extent consistent with the other principles in this section,
23.7	districts should be compact. Contiguity by water is sufficient if the water is not a serious
23.8	obstacle to travel within the district. Point contiguity is not sufficient.
23.9	Subd. 5. Numbering. (a) Legislative districts must be numbered in a regular series,
23.10	beginning with house district 1A in the northwest corner of the state and proceeding across
23.11	the state from west to east, north to south, but bypassing the 11-county metropolitan
23.12	area until the southeast corner has been reached; then to the 11-county metropolitan area
23.13	outside the cities of Minneapolis and St. Paul; then in Minneapolis and St. Paul.
23.14	(b) Congressional district numbers must begin with district one in the southeast
23.15	corner of the state and end with district eight in the northeast corner of the state.
23.16	Subd. 6. Minority representation. (a) The dilution of racial or ethnic minority
23.17	voting strength is contrary to the laws of the United States and the state of Minnesota.
23.18	These principles must not be construed to supersede any provision of the Voting Rights
23.19	Act of 1965, as amended.
23.20	(b) A redistricting plan must not have the intent or effect of dispersing or
23.21	concentrating minority population in a manner that prevents minority communities from
23.22	electing their candidates of choice.
23.23	Subd. 7. Minor civil divisions. (a) A county, city, or town must not be unduly
23.24	divided unless required to meet equal population requirements or to form districts
23.25	composed of convenient, contiguous territory.
23.26	(b) A county, city, or town is not unduly divided in the formation of a legislative or
23.27	congressional district if:
23.28	(1) the division occurs because a portion of a city or town is noncontiguous with
23.29	another portion of the same city or town; or
23.30	(2) despite the division, the known population of any affected county, city, or town
23.31	remains wholly located within a single district.
23.32	Subd. 8. Preserving communities of interest. (a) Districts should attempt to
23.33	preserve identifiable communities of interest where that can be done in compliance with
23.34	the principles under this section.

24.1	(b) For purposes of this subdivision, "communities of interest" means recognizable
24.2	areas with similarities of interests including, but not limited to, racial, ethnic, geographic,
24.3	social, or cultural interests.
24.4	Subd. 9. Data to be used. (a) The geographic areas and population counts used in
24.5	maps, tables, and legal descriptions of the districts must be those used by the Geographic
24.6	Information Systems Office of the Legislative Coordinating Commission. The population
24.7	counts will be the block population counts provided to the state under Public Law 94-171
24.8	after each decennial census, subject to correction of any errors acknowledged by the
24.9	United States Census Bureau.
24.10	(b) Nothing in this subdivision prohibits the use of additional data, as determined
24.11	by the legislature.
24.12	Subd. 10. Consideration of plans. A redistricting plan must not be considered for
24.13	adoption by the senate or house of representatives until a block equivalency file showing
24.14	the district to which each census block has been assigned, in a form prescribed by the
24.15	director of the Geographic Information Systems Office, has been filed with the director.
24.16	Subd. 11. Priority of principles. Where it is not possible to fully comply with the
24.17	principles contained in subdivisions 1 to 8, a redistricting plan must give priority to those
24.18	principles in the order in which they are listed in this section, except to the extent that
24.19	doing so would violate federal or state law.
24.20	EFFECTIVE DATE. This section is effective the day following final enactment
24.21	and applies to any plan for districts enacted or established for use on or after that date.
24.22	Sec. 2. Minnesota Statutes 2014, section 3.971, is amended by adding a subdivision to
24.23	read:
24.24	Subd. 8a. Fiscal notes and revenue estimates. The legislative auditor shall
24.25	participate in the fiscal note and revenue estimate process in the manner described in
24.26	section 3.98. Authority of the legislative auditor and duties of employees and entities
24.27	under section 3.978, subdivision 2, apply to the legislative auditor's work on fiscal notes
24.28	and revenue estimates.
24.29	Sec. 3. [3.9735] EVALUATION OF ECONOMIC DEVELOPMENT INCENTIVE
24.29	PROGRAMS.
24.30	Subdivision 1. Definitions. For purposes of this section, the terms defined in this
24.32	section have the meanings given them.

(a) "General incentive" means a state program, statutory provision, or tax

is intended to encourage businesses to locate, expand, invest, or remain in Minnesota or to hire or retain employees in Minnesota. To be a general incentive, a state program, statutory provision, or tax expenditure must be available to multiple entities, projects, or associated projects or include eligibility criteria with the intent that it will be available to multiple entities, projects, or associated projects.

(b) "Exclusive incentive" means a state program, statutory provision, tax expenditure, or section of a general incentive, including tax credits, tax exemptions, tax deductions, grants, or loans, that is intended to encourage a single specific entity, project, or associated projects to locate, expand, invest, or remain in Minnesota or to hire or retain employees in Minnesota.

Subd. 2. Selection of general incentives for review; schedule for evaluation; report. Annually, the legislative auditor shall submit to the Legislative Audit Commission a list of three to five general incentives proposed for review. In selecting general incentives to include on this list, the legislative auditor may consider what the incentive will cost state and local governments in actual spending and foregone revenue currently or projected into the future, the legislature's need for information about a general incentive that has an upcoming expiration date, and the legislature's need for regular information on the results of all major general incentives. Annually, the Legislative Audit Commission will select at least one general incentive for the legislative auditor's evaluation. The legislative auditor will evaluate the selected general incentive or incentives, prepared according to the evaluation plan established under subdivision 4, and submit a written report to the Legislative Audit Commission.

Subd. 3. Exclusive incentive schedule. The legislative auditor's schedule shall ensure that at least once every four years the legislative auditor will complete an analysis of best practices for exclusive incentives.

Subd. 4. **Evaluation plans.** By February 1, 2016, the Legislative Audit Commission shall establish evaluation plans that identify elements that the legislative auditor must include in evaluations of a general incentive and an exclusive incentive. The Legislative Audit Commission may modify the evaluation plans as needed.

Sec. 4. Minnesota Statutes 2014, section 3.979, subdivision 3, is amended to read:

Subd. 3. **Audit data.** (a) "Audit" as used in this subdivision means a financial audit, review, program evaluation, best practices review, evaluation of an incentive program or exclusive incentive program under section 3.9735, or investigation. Data relating to an audit are not public or with respect to data on individuals are confidential until the final report of the audit has been released by the legislative auditor or the audit is no longer

- (b) Data related to an audit but not published in the audit report and that the legislative auditor reasonably believes will be used in litigation are not public and with respect to data on individuals are confidential until the litigation has been completed or is no longer being actively pursued.
- (c) Data on individuals that could reasonably be used to determine the identity of an individual supplying data for an audit are private if the data supplied by the individual were needed for an audit and the individual would not have provided the data to the legislative auditor without an assurance that the individual's identity would remain private, or the legislative auditor reasonably believes that the subject would not have provided the data.
- (d) The definitions of terms provided in section 13.02 apply for purposes of this subdivision.

Sec. 5. Minnesota Statutes 2014, section 3.98, is amended to read:

3.98 FISCAL NOTES AND REVENUE ESTIMATES.

Subdivision 1. **Preparation.** The head or chief administrative officer of each department or agency of the state government, including the Supreme Court, shall prepare a fiscal note at the request of the chair of the standing committee to which a bill has been referred, or the chair of the house of representatives Ways and Means Committee, or the chair of the senate Committee on Finance.

For purposes of this subdivision, "Supreme Court" includes all agencies, committees, and commissions supervised or appointed by the state Supreme Court or the state court administrator. (a) The chair of the standing committee to which a bill has been referred, the chair of the house of representatives Ways and Means Committee, and the chair of the senate Committee on Finance may request a fiscal note. The chair of the house of representatives or senate tax committee may request a revenue estimate. A request for a fiscal note or revenue estimate must be filed with the legislative auditor.

(b) Upon receiving a request for a fiscal note or revenue estimate, the legislative auditor shall request appropriate agencies, offices, boards, or commissions in the executive, judicial, or legislative branch to provide the legislative auditor with an analysis of the financial and personnel impacts of the bill. The analysis must include a clear statement of the assumptions used in the analysis and the extent to which alternative assumptions were considered. Agencies, offices, boards, or commissions shall, after receiving a request from the legislative auditor, submit the analysis in the time and manner requested by the auditor. The legislative auditor may require agencies, offices, boards, or commissions to

27.2	management and budget for submitting fiscal note information and analysis.
27.3	(c) The legislative auditor shall review the analysis submitted by agencies, offices,
27.4	boards, or commissions and assess the reasonableness of the analysis, particularly the
27.5	reasonableness of the assumptions used in the analysis. The auditor may require agencies,
27.6	offices, boards, or commissions to resubmit their analysis under new assumptions or
27.7	calculation parameters as defined by the auditor.
27.8	(d) When the legislative auditor accepts the final analysis from all relevant agencies,
27.9	offices, boards, or commissions, the legislative auditor shall deliver the completed

27.13	auditor agrees with the final analysis and assumptions. The auditor must state the
27.14	reasons for any disagreements and may offer alternative analysis and assumptions for
27.15	consideration by the legislature. If the legislative auditor deems these disagreements
27.16	sufficiently large, the legislative auditor may submit an unofficial "unapproved" fiscal note
27.17	to the legislature for public consideration of both the analysis of the agencies, offices,
27.18	boards, or commissions, and of the legislative auditor.
27.19	Subd. 2. Contents. (a) The A fiscal note, where possible, shall:
27.20	(1) cite the effect in dollar amounts;
27.21	(2) cite the statutory provisions affected;
27.22	(3) estimate the increase or decrease in revenues or expenditures;
27.23	(4) include the costs which may be absorbed without additional funds;
27.24	(5) include the assumptions used in determining the cost estimates; and
27.25	(6) specify any long-range implication.
27.26	(b) The A revenue estimate must estimate the effect of a bill on state tax revenues.
27.27	(c) A fiscal note or revenue estimate may comment on technical or mechanical
27.28	defects in the bill but shall express no opinions concerning the merits of the proposal.
27.29	Subd. 3. Distribution. A copy of the a fiscal note shall be delivered to the chair

The commissioner of management and budget legislative auditor shall coordinate the development of a local impact note for any proposed legislation introduced after June 30, 1997, upon request of the chair or the ranking minority member of either legislative Tax, Finance, or Ways and Means Committee. Upon receipt of a request to prepare a local impact note, the commissioner auditor must notify the authors of the proposed legislation that the request has been made. Sec. 7. [6.481] COUNTY AUDITS.

Subdivision 1. Powers and duties. All the powers and duties conferred and imposed upon the state auditor shall be exercised and performed by the state auditor in respect to the offices, institutions, public property, and improvements of several counties of the state. The state auditor shall prescribe and install 29.1 29.2 systems of accounts and financial reports that shall be uniform, so far as practicable, for the same class of offices. 29.3 Subd. 2. **Annual audit required.** A county must have an annual financial audit. 29.4 A county may choose to have the audit performed by the state auditor, or may choose to 29.5 have the audit performed by a CPA firm meeting the requirements of section 326A.05. 29.6 The state auditor or a CPA firm may accept the records and audit of the Department of 29.7 Human Services instead of examining county human service funds, if the audit of the 29.8 Department of Human Services has been made within any period covered by the auditor's 29.9 audit of other county records. 29.10 Subd. 3. CPA firm audit. A county audit performed by a CPA firm must meet 29.11 29.12 the standards and be in the form required by the state auditor. The state auditor may make additional examinations as the 29.16 auditor determines to be in the public interest. 29.17 Subd. 4. Audit availability; data. A 29.21 CPA firm conducting a county audit must provide access to data relating to the audit and is 29.22 29.23 liable for unlawful disclosure of the data as if it were a government entity under chapter 13. Subd. 5. **Reporting.** If an audit conducted by the state auditor or a CPA firm 29.24 discloses malfeasance, misfeasance, or nonfeasance, the auditor must report this to the 29.25 county attorney, who shall institute civil and criminal proceedings as the law and the 29.26 protection of the public interests requires. 29.27 Subd. 6. Payments to state auditor. A county audited by the state auditor must 29.28 pay the state auditor for the costs and expenses of the audit. If the state auditor makes 29.29 additional examinations of a county whose audit is performed by a CPA firm, the county 29.30 must pay the auditor for the cost of these examinations. Payments must be deposited in 29.31 the state auditor enterprise fund. 29.32 Subd. 7. **Procedures for change of auditor.** A county that plans to change to or 29.33 from the state auditor and a CPA firm must notify the state auditor of this change by 29.34

- (a) The validity of any rule, or the validity of any agency policy, guideline, bulletin, criterion, manual standard, or similar pronouncement that the petitioner believes is a rule as defined in section 14.02, subdivision 4, may be determined upon the petition for a declaratory judgment thereon, addressed to the Court of Appeals, when it appears that the rule or pronouncement, or its threatened application, interferes with or impairs, or threatens to interfere with or impair the legal rights or privileges of the petitioner. The agency shall be made a party to the proceeding. The declaratory judgment may be rendered whether or not the petitioner has first requested the agency to pass upon the validity of the rule in question, whether or not the petitioner has petitioned the Office of Administrative Hearings under section 14.381, and whether or not the agency has commenced an action against the petitioner to enforce the rule.

The agency is liable for all costs associated with review of the petition. If the Court of Appeals rules in favor of the agency, the agency may recover all or a portion of the cost from the petitioner unless the petitioner is entitled to proceed in forma pauperis under section 563.01, or the court determines that the petition was brought in good faith or the assessment of the costs would constitute an undue hardship for the petitioner.

- (12) network-connected output devices.
- (b) All state agency employees whose work primarily involves functions specified in paragraph (a) are employees of the Office of MN.IT Services. This includes employees who directly perform the functions in paragraph (a), as well as employees whose work primarily involves managing, supervising, or providing administrative services or support services to employees who directly perform these functions. The chief information officer may assign employees of the office to perform work exclusively for another state agency.
- (c) Subject to sections 16C.08 and 16C.09, the chief information officer may allow a state agency to obtain services specified in paragraph (a) through a contract with an outside vendor when the chief information officer and the agency head agree that a contract would provide best value, as defined in section 16C.02, under the service-level agreement. A state agency must enter into a service-level agreement with the chief information officer for provision of services specified in paragraph (a), or must obtain some or all of these services through an outside vendor. Before entering into a service-level agreement or outside vendor contract, an agency must solicit proposals from the office and from at least one outside vendor. If the cost of the proposal from the office is more than six percent higher than the cost of a proposal from an outside vendor, the agency may enter into a contract with an outside vendor, notwithstanding sections 16C.08, subdivision 2, clause (1); 16C.09, paragraph (a), clause (1); and 43A.047. The chief information officer must require that agency contracts with outside vendors ensure that systems and services are compatible with standards established by the Office of MN.IT Services. The standards may include analysis of differences in future cost uncertainties, compliance with security requirements, compliance with hardware and service standards common in other state offices, ability to comply with legal, accessibility, and transparency requirements, and compliance with quality standards common to other state offices. The term of a service-level agreement or a contract under this paragraph is subject to the limits in section 16C.06, subdivision 3b. However, the chief information officer may provide that the term of the first agreement or contract entered into after the effective date of this section may be longer, as the chief information officer determines is necessary to establish a system under which agency agreements and contracts will expire according to a staggered schedule. A service-level agreement or contract may not be for a term of more than six years. A contract longer than four years must be followed by a contract of less than four years.

Article 2 Sec. 43.

59.1	(d) The chief information officer may authorize a state agency office located outside
59.2	of the seven-county metropolitan area to solicit proposals from MN.IT services and from

organization that represents the majority of horsepersons who will race the breed involved at the licensed racetrack during the first year of the racetrack's operation.

REVISOR

- (c) The licensee may pay fees and costs to an entity transmitting a telecast of a race to the licensee for purposes of conducting pari-mutuel wagering on the race. The licensee may deduct fees and costs related to the receipt of televised transmissions from a pari-mutuel pool on the televised race, provided that one-half of any amount recouped in this manner must be added to the amounts required to be set aside for purses.
- (d) With the approval of the commission and subject to the provisions of this subdivision, a licensee may transmit telecasts of races it conducts, for wagering purposes, to locations outside the state, and the commission may allow this to be done on a commingled pool basis.
- (e) Except as otherwise provided in this section, simulcasting may be conducted on a separate commingled pool basis or, with the approval of the commission, on a commingled separate pool basis. All provisions of law governing pari-mutuel betting apply to simulcasting except as otherwise provided in this subdivision or in the commission's rules. If pools are commingled, wagering at the licensed facility must be on equipment electronically linked with the equipment at the licensee's class A facility or with the sending racetrack via the totalizator computer at the licensee's class A facility. Subject to the approval of the commission, the types of betting, takeout, and distribution of winnings on commingled pari-mutuel pools are those in effect at the sending racetrack. Breakage for pari-mutuel pools on a televised race must be calculated in accordance with the law or rules governing the sending racetrack for these pools, and must be distributed in a manner agreed to between the licensee and the sending racetrack. Notwithstanding subdivision 7 and section 240.15, subdivision 5, the commission may approve procedures governing the definition and disposition of unclaimed tickets that are consistent with the law and rules governing unclaimed tickets at the sending racetrack. For the purposes of this section, "sending racetrack" is either the racetrack outside of this state where the horse race is conducted or, with the consent of the racetrack, an alternative facility that serves as the racetrack for the purpose of commingling pools.
- (f) Except as otherwise provided in section 240.06, subdivision 5b, paragraph (2), if there is more than one class B licensee conducting racing within the seven-county metropolitan area, simulcasting may be conducted only on races run by a breed that ran at the licensee's class A facility within the 12 months preceding the event.

(a) From the amounts received from charges authorized under section 240.30,
subdivision 4, the licensee shall set aside the amounts specified in this section to be
used for purse payments. These amounts are in addition to the breeders fund and purse
requirements set forth elsewhere in this chapter.

REVISOR

- (1) For amounts between zero and \$6,000,000, the licensee shall set aside not less than ten percent to be used as purses.
- (2) For amounts in excess of \$6,000,000, the licensee shall set aside not less than 14 percent to be used as purses.
- (b) From all amounts set aside under paragraph (a), the licensee shall set aside ten percent to be deposited in the breeders fund. The licensee and the horseperson's organization representing the majority of horsepersons who have raced at the racetrack during the preceding 12 months may negotiate percentages different from those stated in this section if the agreement is in writing and filed with the Racing Commission.
- (c) It is the intent of the legislature that the proceeds of the card playing activities authorized by this chapter be used to improve the horse racing industry by improving purses. The licensee and the horseperson's organization representing the majority of horsepersons who have raced at the racetrack during the preceding 12 months may negotiate percentages that exceed those stated in this section if the agreement is in writing and filed with the commission. The commission shall annually review the financial details of card playing activities and determine if the present use of card playing proceeds is consistent with the policy established by this paragraph. If the commission determines that the use of the proceeds does not comply with the policy set forth herein, then the commission shall direct the parties to make the changes necessary to ensure compliance. If these changes require legislation, the commission shall make the appropriate recommendations to the legislature.

Sec. 82. Minnesota Statutes 2014, section 240.15, subdivision 1, is amended to read: Subdivision 1. **Taxes imposed.** (a) There is imposed a tax at the rate of six percent of the amount in excess of \$12,000,000 annually withheld from all pari-mutuel pools by the licensee, including breakage and amounts withheld under section 240.13, subdivision 4. For the purpose of this subdivision, "annually" is the period from July 1 to June 30 of the next year.

In addition to the above tax, the licensee must designate and pay to the commission a tax of one percent of the total amount bet on each racing day handle for live races conducted at a class A facility, for deposit in the Minnesota breeders fund.

The taxes imposed by this clause must be paid from the amounts permitted to be withheld by a licensee under section 240.13, subdivision 4.
