3709.0355 COLLISION AND PROPERTY DAMAGE APPRAISAL.

Subpart 1. **May teach.** A teacher who has a collision and property damage appraisal license may teach in the collision and property damage appraisal program and may also teach:

- A. auto damage appraisal;
- B. construction damage appraisal; and
- C. claim representative trade knowledge.

Subp. 2. **Other requirements.** The applicant must meet the requirements in part 3709.0100.

Subp. 3. Occupational experience requirement. The applicant must have 8,000 hours of verified occupational experience as a multiline insurance damage appraiser or adjuster in automotive, property, and casualty lines.

Subp. 4. Occupational experience substitution. The applicant may substitute the education described in item A, B, or C for up to 2,100 hours of the occupational experience required in subpart 3. The education must be from an accredited postsecondary institution.

A. An associate or higher degree with a major in engineering, building inspection, construction supervision, automotive technician, accounting, business administration, business management, marketing, or sales may be substituted for 2,000 hours.

B. A diploma in collision and property damage appraisal, auto body repair, auto parts merchandising, automotive mechanics, marketing, carpentry, or sales may be substituted. A one-year program or 45 quarter credit program equals 1,050 hours. A two-year program or 90 quarter credit program equals 2,100 hours.

C. The completion of courses for credit or clock hours in introduction to computers or microcomputers, introduction to spreadsheets, customer communications, business law, applied mathematics, construction materials, blueprint reading, real estate insurance, business correspondence, carpentry, photography, auto insurance, auto estimating collision damage, auto body shop, use of industry reference manuals, building insurance, building construction, building manuals, and building damage. One clock hour of instruction equals one clock hour of occupational experience. One quarter credit equals 20 hours of occupational experience. One semester credit equals 30 hours of occupational experience.

Subp. 5. Occupational recency substitution. Teaching experience at an accredited postsecondary institution or industrial setting may be substituted for 1,500 of the 2,000 hours required in part 3709.0100, subpart 1, item A, if the teaching is done during the five-year period. The teaching must be in automotive appraisal, building appraisal, auto body technician, or carpentry. Two hours of teaching equals one hour of occupational experience.
