**6232.2900 BEAR PERMIT PROCEDURES.**

*[For text of subp 1, see M.R.]*

Subp. 2. **Drawings.** Drawings will be conducted by the department to determine those eligible to purchase a bear license within the bear quota areas.

A. An applicant must select a first choice of bear quota area and may select a second choice of bear quota area. Preference in the drawings will be given to applicants based upon:

(1) the number of times they have correctly applied for a license in a quota area in previous years but have not been selected; or

(2) the number of times they have correctly applied in the preference only area in previous years but have not been selected.

B. Upon issuance of a quota area license, all accumulated preference is lost. Obtaining a no-quota bear license has no effect upon eligibility or preference in the drawings.

C. In quota areas with fewer applicants than available licenses or licenses not purchased as described in subpart 9, the remaining available licenses may be first offered to unsuccessful applicants on a first-come, first-served basis beginning at 12:00 p.m. on the first Wednesday following the deadline in subpart 9.

D. To obtain a remaining available license, an eligible person must apply individually and in person at an electronic license system agent location or individually through the ELS-Internet or ELS-Telephone system.

E. Any remaining available licenses not purchased by unsuccessful applicants may then be issued to any eligible person as prescribed by the commissioner on a first-come, first-served basis beginning at 12:00 p.m. on the second Wednesday following the deadline in subpart 9. Individuals who purchase these remaining available licenses retain their accumulated preference.

*[For text of subps 3 to 8, see M.R.]*

Subp. 9. **Successful bear hunt applicant deadline to purchase license.** A person selected through the bear permit drawing must purchase the license on or before the Friday nearest July 31. Any licenses not purchased by the deadline shall be issued following the drawing procedures in subpart 2.
