Subp. 5b. Material issue of fact. A “material issue of fact” means a fact question, as distinguished from a policy question, whose resolution could have direct bearing on a final agency decision.

Subp. 6. [Repealed, 19 SR 1310]

Subp. 9. Person. “Person” means any human being, any municipality or other governmental or political subdivision or other public department or agency, any public or private corporation, any partnership, firm, association, or other organization, any receiver, trustee, assignee, agency, legal entity, other than a court of law, or any legal representative of any of the foregoing, but does not include the agency.

Personal service upon an interested person or agency member is made by handing an item to that person or by delivering the item to the person’s last known home or business address and leaving it with a competent person residing or working at that address.

B. Service by mail is made by placing the item in first class United States mail, postage prepaid, addressed to the last known address of the person being served. Service by mail is complete upon depositing the item in the mail. A person may use an overnight delivery service to effect service by mail instead of using United States mail.

C. Service by facsimile is made by telefaxing a document to a person known to have a facsimile machine. Service by facsimile is complete upon receipt of the facsimile. Service by facsimile must be followed by personal service or service by mail within one day after a facsimile service.

7000.0500 AGENCY MEETINGS.

Subpart 1. Regular and annual meetings. Twelve regular monthly meetings of the agency shall be held each calendar year. The annual meeting, also conducted as a regular meeting, shall be held during the month of July of each year. The date, time, and place of each regular meeting, including the annual meeting, shall be designated by the commissioner. The commissioner may direct that a regular meeting be postponed or advanced to accommodate a state holiday, weather emergency, or scheduling conflicts of agency members.

Subp. 2. Special meetings. Upon concluding that a special meeting would assist the agency in accomplishing its work or upon receiving a request for a special meeting from three agency members, the commissioner shall call a special meeting of the agency. The date, time, and place of the special meeting shall be designated by the commissioner. In setting the time and place of a special meeting, the commissioner shall consider the extent to which time is of the essence and whether it would be unreasonable or unfair to interested persons for the agency to postpone consideration of the agenda for the special meeting to allow as much notice as would be required for a regular meeting of the agency.

Subp. 3. [Repealed, 19 SR 1310]

Subp. 3a. Committee meetings. The committee chair or the commissioner shall call a committee meeting when either concludes that a committee meeting would assist the agency in accomplishing its work or upon receiving a request for a committee meeting from a member of the agency committee. The date, time, and place of the committee meeting shall be designated by the commissioner after consultation with the committee chair.

Subp. 3b. Informational meetings. Part 7001.0120 addresses informational meetings on permits. For all other matters, the agency or commissioner shall call a public informational meeting upon concluding that a public informational meeting would provide the agency with information that would assist it in accomplishing its work or would otherwise be in the public interest. The date, time, and place of the informational meeting shall be designated by the commissioner.

Subp. 7. [Repealed, 19 SR 1310]

Subp. 8. Quorum necessary for regular and special meetings. A majority of the members of the entire agency constitutes a quorum, and a quorum must be present for the transaction of business. A committee meeting or an informational meeting may be held with less than a quorum of the agency.

Subp. 9. Presiding officer. The commissioner shall preside at all regular and special meetings of the agency. The vice-chair shall preside in the commissioner's absence. If the commissioner and vice-chair are both absent, the remaining members

shall designate one of the agency members present to preside over the meeting until the commissioner or vice-chair arrives.

Subp. 10. **Adoption of and consideration of matters on agency agenda.** As the first order of business at a regular, special, or committee meeting, the agency or committee shall review its proposed agenda, amend or modify it if appropriate, and then adopt it. Thereafter, the agency shall act on agency matters at the approximate times shown on its adopted agenda. However, by consensus of all agency members present, the agency may group noncontroversial agenda items or agenda items ministerial in nature for approval by a single agency vote.

Subp. 12. [Repealed, 19 SR 1310]

Subp. 18. **Continuation or recess of agency meetings.** The agency may continue or recess an agency meeting to a later time or date if necessary to allow for the drafting of findings of fact as directed by agency members or further discussion or deliberation concerning a matter on a meeting agenda. If an agency meeting is continued or recessed and the time, date, and place for reconvening is announced and recorded at the time the meeting is recessed or continued, no further notice of the reconvening is necessary. If the agency provided an opportunity for public comments on a specific matter before a meeting is recessed or continued, the commissioner may rule that no further comments will be heard when the meeting is reconvened. However, agency members may ask questions of agency staff and interested persons even when no further public comment is to be taken.

7000.0550 AGENDA FOR AGENCY MEETINGS.

Subpart 1. **Agenda items and related written materials.** No matter may be considered at a meeting of the agency unless it is on the agenda and related written materials have been made available as provided in part 7000.0650.

Subp. 2. **Agenda preparation.** The commissioner shall prepare an agenda for each regular, special, and committee meeting of the agency. The agenda shall identify the date and place of the meeting, and the approximate times for considering each item on the agenda. Each agenda must be prepared in sufficient time to allow for notice as specified in this chapter. Each agenda must identify all matters to be considered by the agency. Agency members may place items on the regular meeting agenda by notifying the commissioner at least 14 days prior to the meeting. Agency members may place items on the agenda of a special or committee meeting by notifying the commissioner at least ten days prior to a scheduled special or committee meeting.

Subp. 3. **Agency member notice of meetings.** The commissioner shall serve on each agency member a copy of the proposed agenda for each agency meeting, together with the related written materials for the items on the agenda. However, if the related written materials are so voluminous as to make it impractical to serve them on all agency members, the commissioner may provide a notice stating that there are additional related written materials for review at the offices of the agency. Service shall be made as described in items A and B.

A. For a regular meeting of the agency, service shall be made at least ten days before the meeting.

B. For a special meeting or committee meeting of the agency, service by mail shall be made at least six days before the meeting. Personal service or service by facsimile shall be made at least three days before the meeting. However, the notice provisions of this part do not apply to emergencies which are addressed by the agency or commissioner under part 7000.5000.

7000.0650 PUBLIC PARTICIPATION IN AGENCY MEETINGS.

Subpart 1. **Public inspection of agency meeting agenda and related written materials.** The agenda and related written materials for meetings of the agency shall be available for public inspection at the central office of the agency as described in items A and B.

A. For regularly scheduled meetings, the agenda and related written materials shall be available at least ten days prior to the regular agency meeting.

B. For special or committee meetings, the agenda and related written materials shall be available as soon as possible and, in any event, no later than three days prior to the special or committee meeting. However, the inspection provisions of this part do not apply to emergencies which are addressed by the agency or commissioner under part 7000.5000.

Subp. 2. **Service on interested persons.** The commissioner shall serve on each interested person a copy of the proposed agenda for each agency meeting together with a copy of the agenda item prepared by agency staff. If the related written materials for the agenda item are not voluminous, the commissioner shall serve these materials, too. However, if the commissioner finds that the related written materials are so voluminous as to make it impractical for the commissioner to serve them on all interested persons, the commissioner shall serve on interested persons a notice stating that there are additional related written materials for the item in which the person is interested and that these additional related written materials can be viewed at the offices of the agency or can be requested from the agency. Service shall be made as described in items A and B.

A. For a regular meeting of the agency, service shall be made at least ten days before the meeting.

B. For a special meeting or committee meeting of the agency, service by mail shall be made at least six days before the meeting. Personal service or service by facsimile shall be made at least three days before the meeting. However, the notice provisions of this part do not apply to emergencies which are addressed by the agency or commissioner under part 7000.5000.

The agency does not intend the notice and service requirements of this chapter or any other requirements of this chapter to prevent it from seeking to recover reasonable copying and preparation costs as authorized under Minnesota Statutes, section 13.03, subdivision 3. This subpart does not limit the agency staff from presenting written materials at agency meetings as described in subpart 7.

Subp. 3. **Petitions to place matters on an agency agenda.** Any person who wishes to place a matter on the agenda for an agency meeting may submit a petition identifying the matter that person would like placed on the agenda and the reasons for placing it on the agenda. The petition must be served on the commissioner by mail at least 24 days before the meeting during which a petitioner would like the matter to be considered or by personal service or facsimile at least 21 days before the meeting. The commissioner shall grant or deny the petition. If the commissioner decides not to place

a matter on the agenda, the commissioner shall advise the agency and the petitioner of the reasons for the denial.

Subp. 4. Petition for informational meeting.

A. Any person may petition the agency to hold a public informational meeting described in part 7000.0500, subpart 3b. The petition must identify the matter of concern and the reasons the agency should hold the informational meeting.

B. If the matter involves a permit for which a public notice has been issued under part 7001.0100, subpart 4, or 7007.0850, subpart 2, the petition must be submitted to the commissioner within the comment period established in the public notice and must conform to the requirements of parts 7001.0110 and 7001.0120.

C. If item B does not apply and the matter is not on the agenda for an agency meeting, the petition must be submitted to the commissioner. The commissioner shall grant or deny the petition. If the commissioner decides not to hold the meeting, the commissioner shall advise the agency and the petitioner of the reasons for the denial.

D. If item B does not apply and the matter is on the agenda for an agency meeting, the petition must be submitted to the agency in accordance with the time frames for submitting written materials set out in subpart 6. The agency shall grant or deny the petition.

Subp. 5. Oral presentations at agency meetings. Consistent with the provisions of part 7000.0500, subpart 18, the agency shall afford interested persons a reasonable opportunity to make oral statements concerning matters on an agency meeting agenda. To ensure an opportunity for full and fair consideration of all views, the commissioner may limit the time and scope of each speaker's presentation and may require speakers with similar views to select a spokesperson. Oral statements must be relevant to the matter before the agency. Oral presentations following a rulemaking or contested case hearing must be limited to the record for the matter.

Subp. 6. Written materials. The agency shall consider timely, relevant written materials that interested persons submit concerning a matter on an agenda for an agency meeting. Recessing or continuing a meeting as provided under part 7000.0500, subpart 18, does not create a new opportunity to submit written comments, unless the commissioner states otherwise and establishes a schedule for submittal of additional written materials. Written statements will be considered timely and relevant only if they meet the following conditions:

A. for matters for which a contested case hearing has been held, written comments must conform to the requirements and time limits of part 7000.2000;

B. for matters for which a rulemaking hearing has been held, written comments must be limited to the record of the rulemaking hearing and must be served on the agency at least five days before the agency meeting during which the agency is scheduled to act on the proposed rules;

C. for matters for which a contested case hearing has not been held but a permit comment period has been established under chapter 7001 or 7007, any additional written permit comments must be served on the agency at least five days before the agency meeting, and must be limited to permit procedural mistakes or irregularities, errors of law, or newly discovered material issues of fact that could not have been discovered prior to the close of the permit comment period;

D. for all matters, the commissioner may establish a reasonable schedule for submitting written comments. If a schedule is established under this item and the commissioner serves notice of the schedule on interested persons, service is timely if made within the established deadlines; and

E. for all matters except those under items A to D, service is timely as follows:

(1) for regular meetings of the agency and special meetings noticed ten or more days before the meeting, service is timely if all agency members and the commissioner are served at least five days before the meeting; and

(2) for special meetings of the agency noticed less than ten days before the meeting, service is timely if all agency members and the commissioner are served personally or by facsimile before the agenda item is scheduled to be heard.

Subp. 7. Written presentations at agency meetings. Notwithstanding the restrictions of subparts 2 and 6, the agency shall consider relevant written materials presented by an interested person or by agency staff at an agency meeting if such consideration does not prejudice other interested persons and there is reasonable time for the agency to consider the materials during the course of the meeting. These materials may include, but are not limited to, materials responsive to relevant information that was not available prior to the established deadlines of subpart 6, written versions or summaries of oral presentations, letters, visual aids, and clarifications or corrections of written materials.

Subpart 1. Final decisions of agency. Final decisions of the agency shall be made at agency regular and special meetings. No final decisions shall be made on any agency matter unless it is on the adopted agency agenda at a regular or special meeting.

Subp. 2. Rulemaking records upon which agency makes its decision. The record upon which the agency shall make a final decision concerning the adoption, amendment, or repeal of a rule consists of the following:

A. the agenda and related materials for an agency meeting during which the proposed rule was considered and the minutes, transcripts, and recordings of the meeting;

B. relevant written materials submitted to the agency within an established comment period, including requests for an informational meeting and petitions for contested case hearings;

All members present shall vote or abstain on every matter presented for decision. If the final vote taken on an agenda item does not result in a decision, but half or more of the voting members vote affirmatively, the matter must be placed on the agenda of the next regular monthly meeting or considered at a special meeting, unless the agenda item concerns rescission of a decision as provided in subpart 8. No final decisions of the agency shall be made at agency committee meetings even if a quorum of the agency is present.

Subp. 6. Agency deliberations. During agency deliberation and consideration of a specific agenda matter, agency members may ask questions of agency staff, counsel, or interested persons, and may discuss and amend proposed findings, conclusions, and resolutions or propose alternative findings, conclusions, or resolutions based on the record before the agency. As provided in part 7000.0500, subpart 18, the agency may decide to continue or recess a meeting with instructions to counsel, agency staff, or interested persons to draft findings consistent with the agency's directions. Upon reconvening to consider the findings, the agency need not provide an opportunity for additional oral or written comments.

Subp. 7. Reconsideration of decision. Any decision of the agency may be reconsidered during the course of the same meeting at which the original decision was made if an agency member who voted on the prevailing side makes a motion for reconsideration before the agency moves on to its next agenda item or if all interested persons are present and given an opportunity to comment.

Subp. 8. Rescission of decision. Upon placement on the agenda by an agency member as provided in part 7000.0550 and upon the affirmative vote of two-thirds of the entire agency, any decision of the agency or commissioner may be rescinded as permitted by applicable law.

Subp. 9. Stay of decision. A person may petition for a stay of an agency decision. Petitions must comply with the requirements of part 7000.2100 relating to timing, serving of a petition, and petition contents. Subp. 2. Interim operation. The agency may in its discretion provide under the terms of a stipulation agreement for the operation of existing systems pending completion of compliance under the schedule therefor, and under such further conditions as it may prescribe in the stipulation agreement. shall submit to the commissioner a written statement setting forth those statutory grounds that require the agency to keep the records, information, or objects confidential. Any certification of records or information that applies to water pollution sources must be approved by the commissioner. These records and information shall not be released unless the commissioner denies the certification request. The certifier may withdraw this information if such an option is available.

When the agency is required by statute to release the information at the public hearing, the person who certified the information may withdraw the information, but the information shall not be considered by the agency or the administrative law judge in reaching a decision or recommendation on the matter. Whenever confidential information is considered by the agency or an administrative law judge in reaching a decision or recommendation on a matter, that fact must be so stated on the record.

B. for matters other than those covered by item A, the commissioner may establish deadlines for persons to petition for a contested case hearing. Subpart 1. **Scope.** This part governs the procedure for issuance of all variances by the agency, except to the extent otherwise specifically provided by statute or rule.

Subp. 2. **Written application.** In no case shall the agency grant a variance unless a written application has been made to the agency. The application must be served upon the commissioner.

The written application must contain:

A. the name and address of the applicant and the person who prepared the application;

B. the signature of the applicant or authorized representative;

C. a description, including the location, of the business, plant, system, or facility for which a variance is sought;

D. the nature of the variance sought, including an identification of the applicable rules or standards from which a variance is sought, the period of time for which it is sought, and the reasons relied upon by the applicant in requesting the variance;

E. if the applicant seeks a variance primarily on grounds of economic burden, financial statements prepared or approved by a certified public accountant, or other person acceptable to the agency, which shall fairly set forth the status of the business, plant, system, or facility for each of the three financial years immediately preceding the year of the application, and an analysis of the effect of such financial status if the variance is not granted (if the business, plant, system, or facility has not been in operation for this period, then the financial statements and analysis must be based on the most complete data available);

F. if the applicant seeks a variance on grounds that compliance is not technologically feasible, a report from a registered professional engineer, or other person acceptable to the agency, stating fully the reasons why compliance is not technologically feasible;

G. other additional data or information that is required by any applicable agency rule or standard; and

H. any other relevant data or information that the agency or the commissioner deems essential to a determination on the application, including but not limited to the following:

(1) a general description of the materials handled or processed by the applicant that are pertinent to the subject application, and a statement of the nature and quantity of the materials being discharged, emitted, or disposed of, and that can reasonably be expected to be discharged, emitted, or disposed of during the period of the proposed variance, and proposed methods for the control of these materials;

(2) a comprehensive proposed plan indicating the steps to be taken by the applicant during the period of the variance, even if the applicant is seeking a

permanent variance, to reduce emission levels or discharges to the lowest limits practical;

(3) a concise statement of the effect upon the air, water, and land resources of the state and upon the public and other persons affected, including those residing in the area where the variance will take effect, which will result from agency approval of the requested variance;

(4) a statement of the alternatives to the proposed operation under the variance which have been considered by the applicant; and

(5) a concise statement of the effect on the establishment, maintenance, operation, and expansion of business, commerce, trade, traffic, and other economic factors that may result from approval and from denial of the requested variance.

Subp. 3. Review of applications. The commissioner shall review all variance applications for completeness. If the commissioner finds that the application is incomplete or otherwise deficient, the commissioner shall promptly advise the applicant of the incompleteness or deficiency. The commissioner shall suspend further processing of the portion of the application affected by the deficiency until the applicant has supplied the necessary information or otherwise corrected the deficiency.

Subp. 4. Preliminary determination; preparation of public notice. After a variance application is complete, the commissioner shall make a preliminary determination as to whether the variance should be issued or denied. The commissioner shall prepare a notice of the completed application and the preliminary determination. The notice must include a statement as to the manner in which the public may submit comments on the variance application and the manner in which a person may serve a request pursuant to part 7000.0650, subpart 4 or 7000.1800, asking that a contested case hearing or public informational meeting be held on the variance application. The notice must provide the public 30 days in which to submit these comments or requests.

Subp. 5. Availability of public notice. The commissioner shall make a copy of the public notice available at the main agency office and at the applicable agency regional office.

Subp. 6. Mailing of public notice. The commissioner shall mail a copy of the public notice to the applicant, to all persons who have registered their names on the mailing list established under Minnesota Statutes, section 14.14, subdivision 1, and to any person upon request.

Subp. 7. Circulation of public notice. The commissioner shall circulate the public notice within the geographical area of the facility or activity that is the subject of the variance request. The commissioner shall designate the geographical area, which shall as a minimum include the county in which the facility or activity is or will be located.

The commissioner shall circulate the public notice in one or more of the following ways: posting the notice in the post office, public library, or other buildings used by the general public in the designated geographical area; posting the notice at or near the entrance of the applicant's premises, if located near the facility that is the subject of the variance application; or publishing the notice in one or more newspapers or periodicals of general circulation in the designated geographical area.

Subp. 8. Agency decision. The agency shall make all final decisions on variance applications. The agency shall approve or deny each application. The agency may grant a variance upon such conditions as the agency may prescribe.

If a contested case hearing has been held, the agency shall act on each variance application as expeditiously as possible after receipt of the administrative law judge's report and recommendation, or after submission of the application if no hearing is held. Any person may submit to the agency an oral or written statement or recommendation regarding a variance application in accordance with part 7007.1800.

Subp. 9. Notification. The commissioner must serve every decision of the agency on a variance application on the applicant and upon all interested persons who have submitted to the agency a request to receive a copy of the decision.

Subp. 10. **Agency remedies preserved.** During the pendency of a variance application, the agency may, in its discretion, avail itself of any legal, equitable, or administrative remedy provided by law for violation of Minnesota Statutes or rules.

Subp. 11. **Amendment or modification.** In the event a variance has been granted by the agency, the person holding the variance may file with the agency at any time a written application for modification or amendment of the variance. The application for modification or amendment, and the agency's consideration of the application, shall comply with the requirements of this chapter. This provision shall not apply to a time extension of an existing variance.

Subp. 12. **Assignment.** No variance may be assigned or transferred by the holder without the approval of the agency.

Subp. 13. **Violation by variance holder.** Any variance holder who violates a provision of the variance is subject to revocation or suspension of the variance, or other sanction as authorized or provided by law. No revocation, suspension, or other sanction may be imposed before notice to the variance holder and opportunity for a contested case hearing.
