Subp 3 **Jockeys and apprentice jockeys.** Jockeys and apprentice jockeys shall have the following responsibilities

A. An apprentice jockey must ride with a five-pound weight allowance beginning with his or her first mount and for one full year thereafter, unless the jockey is riding in stakes races, handicap races, or substituting for a journeyman jockey who is unable to fulfill a riding engagement. If after one full year from the date of his or her fifth winning mount the apprentice jockey has failed to ride 40 winners, he or she shall continue to ride with a five-pound weight allowance for up to two years from the date of his or her fifth winning mount or until he or she has ridden a total of 40 winners, whichever comes first. If an apprentice jockey is unable to ride for a period of 14 consecutive days or more after the date of the jockey's fifth winning mount because of service in the United States armed forces, enrollment in an institution of secondary or post-secondary education, or because of physical disability, the commission may extend the time during which the apprentice weight allowance may be claimed for a period not to exceed the period the apprentice jockey was unable to ride.
