Subp. 6a. [Repealed, 34 SR 1561]

If the auditor, municipal clerk, or school district clerk is able to verify the voter's residence at that address, the ballot may be reissued. The official conducting the election shall maintain a record of all undeliverable ballots.

If the ballot is returned by the post office with notification of the voter's new address within the county, municipality, school district, or unorganized territory holding the mail election, the auditor or clerk shall resend a ballot to the voter along with a return envelope. The auditor or clerk shall keep a list of individuals who are sent the second mailing after the rosters are printed and must provide a copy of that list to the election judges for use in processing the returned ballots.

Subp. 8. **Returning ballots.** Mail ballots may be returned to the official conducting the election by mail, in person, or by designated agent. On election day, the official conducting the election shall provide one or more secure drop boxes where voters can deposit return envelopes containing ballots. The governing body of the jurisdiction conducting the election shall designate a suitable location where the election judges can meet on election day to receive and count ballots. The location must be open for public observation of the counting of ballots. The governing body of the jurisdiction conducting the election shall appoint election judges as provided in Minnesota Statutes, sections 204B.19 to 204B.21. For state elections, the county auditor shall appoint election judges for mail ballot precincts and shall apportion the cost of the election judges among the precincts voting by mail in that election. The county auditor may delegate the authority to appoint election judges for precincts voting by mail in state elections to the municipal clerk. During the day of the election at least two election judges must be present at the office of the official conducting the election to accept mail ballots delivered in person and to process persons registering on election day. Additional judges may be appointed as needed. If the ballots are to be counted by hand and there are more than two questions or one office to be voted on, at least one judge must be appointed for the counting of ballots for every 500 persons from whom ballots are expected to be returned.

Subp. 10. **Receiving and counting ballots.** On or before election day, the election judges shall receive from the county auditor, municipal clerk, or school district clerk, returned ballots and applications for absentee ballots, records of replacement ballots, and the list of voters sent a second mailing of the ballot. The judges shall arrange to receive from the election official any additional ballots received in the mail or returned by a voter prior to 8:00 p.m. on election day. Ballots must be transported to the location where ballot processing and counting will occur in a sealed transfer case by two or more election judges. During the receiving and counting of ballots, the ballots must at all times remain in the custody of two or more election judges of different major political parties, unless the election

is exempt from this requirement pursuant to Minnesota Statutes, section 205.075, subdivision 4, or 205A.10, subdivision 2.

The secretary of state must provide a sample notice with a list of the possible reasons that a mail ballot may be rejected. The election official must keep a record of the date that the voter's ballot was rejected, the date the replacement ballot was issued to the voter, and the reason that the previous ballot was rejected. Rejected envelopes must be kept in a separate sealed container.

Subp. 11. **Challenges.** Challengers appointed under Minnesota Statutes, section 204C.07 may be present while the election judges are examining and accepting or rejecting the return envelopes. Challenges must be made and determined as provided in Minnesota Statutes, section 204C.13, subdivision 6.
