B. Each self-insurer shall, under oath, attest to the accuracy of each report submitted pursuant to item A. Upon sufficient cause, the commissioner shall require the self-insurer to submit a certified audit of payroll and claim records conducted by an independent auditor approved by the commissioner, based on generally accepted accounting principles and generally accepted auditing standards, and supported by an actuarial review and opinion of the future contingent liabilities. The basis for sufficient cause shall include the following factors: where the losses reported appear significantly different from similar type businesses; where major changes in the reports exist from year to year, which are not solely attributable to economic factors; or where the commissioner has reason to believe that the losses and payroll in the report do not accurately reflect the losses and payroll of that employer. If any discrepancy is found, the commissioner shall require changes in the self-insurer's or workers' compensation service company record keeping practices.
