## 3600.0060 EVALUATION BY THE FINAL REVIEW TEAM.

**Subpart 1. Applicants' school records.** Applicants' school records must be evaluated by the final review team designated in part 3600.0050. They must examine three factors in the school records: consistent failing or below average grades, severe drops in grades, and consistent high absentee rates. If any of these three factors appear, the final review team will request additional information from the applicants and the applicants' home schools to determine if these factors would make placement in the school or its programs inappropriate. If the information is not received within two weeks after the school's request, a decision will be based on the information previously provided.

**Subp. 2. Recommendations.** The final review team must read the applicants'

recommendations to determine the applicants' attitudes about prior learning in the academic and arts areas. If there is a negative recommendation from any of the four sources identified in part 3600.0030, subpart 3, the final review team must request additional information from the applicants and the applicants' home schools to determine if the factors leading to the negative recommendations would make placement in the school or its programs inappropriate. If the additional information is not received within two weeks after the school's request, a decision will be based on the information previously provided.

**Subp. 3. Arts review process results.** If an applicant remains in the process after evaluation of information in subparts 1 and 2, all information gathered as described in part 3600.0040, subparts 4 and 5, will be placed on a matrix, assigned a numerical rating, and totaled for a final score. This process will be done by the final review team. The final review team will chart scores on the matrix according to the congressional districts of all applicants. An equal number of applicants must be selected from each congressional district. If a congressional district does not have enough qualified applicants to fill its quota, the remaining positions shall be distributed equally to qualified applicants from other congressional districts.

**Subp. 2. Formal appeal.** If the denial of placement is still in dispute, applicants or applicants' parents may take their cases to the appeals subcommittee of the board by submitting a written request explaining the reasons they believe the denial was incorrect within 20 days of the date of the director's written explanation of the denial. The subcommittee must review the appeal, the review team's evaluation, and the director's explanation, and make final recommendations to the full board for adoption within two weeks of having received the written request.
