Subp. 2. Sales to retailers. Manufacturers and wholesalers shall not sell at

retail except in accordance with the privileges granted to breweries by Minnesota Statutes, section 340A.301, subdivision 8. Manufacturers and wholesalers and their respective employees shall not sell or deliver alcoholic beverages to any person, club, or business establishment unless the purchaser is licensed or authorized to sell the respective beverages at retail. A sale to an unlicensed retailer shall be a violation subject to penalties provided by law or rules.

Subp. 3. Written invoices. Manufacturers and wholesalers shall furnish a written invoice to each retailer for the alcoholic beverages sold and delivered to said retailers. The invoice shall clearly identify seller and purchaser, date, quantity, and brand names of products sold and the prices. When there are joint purchases as provided for in Minnesota Statutes, section 340A.312, manufacturers and wholesalers shall, in addition to the above, itemize on the invoice each such retailer purchasing jointly or, in lieu thereof, shall invoice joint purchases to each retailer separately.

Subp. 4. Malt beverage invoices. All brewery and wholesalers' invoices of sale for malt beverages containing more than 3.2 percent of alcohol by weight shall have affixed thereto the signature of the retail dealer purchasing said beverages and also the number of the retailer's identification card issued by the commissioner for the current year. In addition thereto, such sales invoices shall designate the date of sale, the quantity sold, and the brand names. The failure of producers or wholesale distributors to comply with the provisions of this subpart shall be deemed a violation.

Subp. 5. Financial interest forbidden. No manufacturer or wholesale distributor shall directly or indirectly or through any affiliate require by agreement or induce any licensed retail dealer to purchase intoxicating liquor from themselves to the exclusion in whole or in part of other manufacturers or wholesale distributors if the direct effect from such agreement or inducement is to prevent, hinder, or restrict any other manufacturer or wholesale distributor from selling or offering for sale intoxicating liquor to any such licensed retail dealer. Manufacturers and wholesalers in respect to retail dealers are forbidden:

A. to acquire or hold any direct or indirect interest in any retail license or proprietary interest in the business of a retail dealer;

B. to acquire any interest in real or personal property owned, occupied, or used by any retail dealer in the conduct of his business;

C. to furnish, give, rent, lend, or sell to a retail dealer any equipment, fixtures, supplies, money, service, or other thing of value, except to the extent permitted by statute;

D. to pay or credit a retail dealer for any retailer's advertising, display, or distributing service, except to the extent permitted by statute;

E. to guarantee any loan or repayment of any financial obligation of the retail dealer;

F. to extend a retail dealer credit for a period in excess of the credit period usual and customary in the industry or in excess of the credit period permitted by law;

G. to require the retail dealer to purchase and sell a specified quantity of any such products;

H. to offer or pay a commercial bribe;

I. to offer or make any gifts or to pay compensation to any proprietor, officer, employee, or representative of a retail store;

J. to coerce a retailer through threat of criminal prosecution, license discipline or denial; or

K. to sell, offer to sell, or contract to sell any licensed retail dealer any intoxicating liquor on consignment or under conditional sale or with the privilege of return on any basis otherwise than a bona fide sale. This item shall not apply

to transactions involving solely the bona fide return of the product for ordinary and usual commercial reasons arising after the product has been sold.

Subp. 6. Gifts forbidden. No manufacturer, importer, or wholesale distributor of distilled spirits, wines, or malt beverages containing more than 3.2 percent of alcohol by weight, shall, directly or indirectly, or through any officer, agent, or employee, offer or grant discounts, rebates, free goods, allowances, or other concessions in wholesale prices unless the same terms are offered uniformly to each retailer in the wholesaler's or manufacturer's trade territory at the same time and for the same period, and any and all such discounts, rebates, free goods, allowances, or other concessions made because of quantity purchases or for any other reason shall be specifically noted on the invoice of each and every retailer to whom such concessions are granted.

Subp. 7. Sales discrimination forbidden. Minnesota manufacturers and wholesale distributors shall not discriminate in the sale of their products to retail dealers except that manufacturers or wholesale distributors may refuse to sell intoxicating liquor or nonintoxicating malt liquor to a retail dealer who may have violated any law, rule, or municipal ordinance relating to the sale of such liquor at retail, or who has breached a contract for sale with the manufacturer or wholesaler. Upon notice from the commissioner, manufacturers and wholesale distributors shall not sell intoxicating liquor or nonintoxicating malt liquor to any on-sale or off-sale licensee who refuses to sell or serve alcoholic beverages to any person because of race, color, national origin, or who discriminates in the selection of its membership on the basis of race, color, or national origin.

Subp. 8. Peddling forbidden. No manufacturer or wholesale distributor of distilled spirits and wine or their employees shall transport such products in vehicles for the purpose of soliciting orders from retail dealers and filling such orders from stocks transported in such vehicles.

Subp. 9. Container limitation. No manufacturer or wholesale distributor shall sell distilled spirits to retailers in containers holding more than 64 ounces nor less than eight ounces, or their metric equivalents, except wine may be sold in containers holding 1/20 gallon (6-2/5 oz.), or its metric equivalent, to on-sale and off-sale licensees.

Miniature containers shall be sold only to licensed common carriers for dining facilities, licensees who have approved dispensing devices, and pharmacists having a permit to sell medicinal liquors on prescription for dispensing to patients in hospitals and nursing homes.

No containers of distilled spirits holding less than one-fifth of a gallon, or 750 milliliters, shall be sold to retail on-sale dealers.

Still wines shall be sold by Minnesota manufacturers and wholesalers to retail liquor dealers only in case lots. The cases shall be filled with wines of only one tax class, that is, wines of 14 percent or less of alcohol by volume shall not be combined in a case with wines of more than 14 percent of alcohol by volume.

Subp. 10. Sale or delivery prohibited in certain municipalities. No manufacturer or wholesale distributor shall sell or deliver distilled spirits, wine, ethyl alcohol, or intoxicating malt beverages in any municipality prohibiting the sale thereof. However, intoxicating liquors and ethyl alcohol may be sold in such municipalities to persons who are holders of permits to sell such products for industrial or medicinal purposes, or for sacramental use.

Subp. 11. Transfer of business license. Any manufacturer, wholesale distributor, or brewer may transfer his business and his license with the approval of the commissioner. When contemplating transfer, the licensee shall submit his license to the commissioner and all permits issued in connection therewith, together with a complete notarized inventory of alcoholic beverages on hand, giving the brand names, the size and number of containers. The request for transfer shall be accompanied by the license application and bond of the proposed purchaser.

Note: Any application for transfer of a license shall be accompanied by a transfer fee of \$10.

Subp. 12. Branch establishments. Manufacturers and wholesale distributors of distilled spirits, wine, and malt beverages licensed by the commissioner may maintain branch establishments provided that such establishments are directly owned and managed by said manufacturers and wholesale distributors, and that all employees of such establishments are paid only fixed salaries and/or commissions. No branch license shall be granted to holders of wholesale nonintoxicating malt liquor licenses.

Subp. 13. Withdrawal of distilled spirits and wine. No persons employed by importers, distillers, rectifiers, winers, Minnesota licensed manufacturers or wholesalers shall withdraw distilled spirits or wine from the premises of manufacturers or wholesalers unless such requisition has been approved by the commissioner on a form prescribed by him.

7515.0310 DUTIES AND RESTRICTIONS ON FILING OF WHOLESALE PRICE SCHEDULES AND AMENDMENTS.

Subpart 1. General requirement. No brand owner or wholesaler of distilled liquor or wine shall sell, offer for sale, or solicit any order for distilled liquor or wine unless a schedule of wholesale prices for all distilled liquor and wine offered for sale by the brand owner or wholesaler is filed with the department, in such form as the department shall prescribe. No sale shall be made except in accordance with such price schedules.

Subp. 2. Deadline for filing. All wholesale price schedules shall be filed with the department not later than the first day of each month, and shall be effective from the first day of that month until the first day of the next month, provided that any filing may be amended within five business days after the first day of the month.

Subp. 3. Required form and contents. All price schedules must be filed on form PS 9024 or in such other format which must be approved by the commissioner in advance of filing. All price schedules must indicate the one-case wholesale price of each brand of distilled liquor or wine being offered to retail licensees, together with all allowances, discounts (including varying volume discounts), or terms of any nature (including promptness of payment terms) which affect the wholesale price of such distilled liquor or wine to the retailer in any manner.

Subp. 4. Restrictions on amended prices. If any brand owner or wholesaler elects to file amended prices during the five-day period as provided for in subpart 2 he may not file a new price that is lower than the lowest net price filed on the first of the month for the same or similar product by any wholesaler. For the purposes of this part, "net price" shall mean the wholesale price, including all allowances, discounts (including varying volume discounts), or terms of any nature (including promptness of payment terms) which affect the wholesale price in any manner. A credit term filed to meet competition may not be filed on a basis more favorable than the terms or the competitive schedule or reduce the net price of the brand, type, or size container below the net price of the competitive schedule for the same quantity.

Subp. 5. Effective date of prices. All price schedules and amendments thereto shall be effective upon receipt by the department.

Subp. 6. Understandable and enforceable. All wholesale price schedules and amendments thereto must be understandable and enforceable by the department. If the department finds any such filing or amendment to be not understandable or not enforceable, or contrary to any statute or rule, it shall be rejected, setting forth the reason for such rejection.

Subp. 7. **Brands filed must be in stock or on order.** No wholesale price schedule or amendment thereto shall list brands of distilled liquor or wine which are not in stock or on accepted order at the time such schedule is filed with the department.

Subp. 8. **Retailers.** For purposes of this part, purchasers who are licensed as common carriers and military units qualified as government instrumentalities are not to be deemed "retailers."

Subp. 9. **No prices below cost.** No wholesaler of distilled spirits or wine shall file a wholesale price schedule or an amendment on which is shown a selling price per case at less than the cost thereof to such wholesaler. Cost shall include f.o.b. (freight on board) price from importer, freight, state and federal taxes, and duty on imported merchandise.

Subp. 10. **Amendments to meet competitor's prices.** An amended wholesale price schedule may be filed at below the wholesaler's cost when such prices are filed to meet, in good faith, prices filed with the department on similar distilled spirits and wine by a competing wholesaler.

Subp. 11. **Mixed cases; quantity discounts.** Wine or other commodities may not be offered on original or assorted cases with distilled spirits or vice versa, and any quantity discount may not exceed 300 bottles of quarts or smaller bottles, or the equivalent of any authorized standard of fill not to exceed 25 cases.

Subp. 12. **Equal information to retailers.** Any filing licensee who publishes, mails, delivers, distributes, advertises, or in any other way directly or indirectly disseminates written price information for distilled spirits and/or wine on its wholesale price schedule or amendments thereto, shall, in any such material, include all such allowances, discounts, or terms, and shall disseminate such information to all retailers served by it.

Subp. 13. **Distribution of complete schedule.** The publication, mailing, or delivering of any written material containing less than all of the wholesale price schedule posted for any brand by a filing licensee shall be deemed a violation of this part.

Subp. 14. **Publication of schedules.** The publication of all wholesale price schedules filed with the department by a filing licensee, on or before the effective date thereof, in any trade journal or industry price book of general circulation among retailers, shall be deemed sufficient compliance with the provisions of subparts 12 and 13.

Subp. 15. **Filing for new brands.** Any brand owner or wholesaler may at any time file with the department written price schedules showing the one-case price together with all allowances, discounts (including varying volume discounts), or terms of any nature (including promptness of payment terms) offered on any new brand being introduced into the state, to become effective immediately.

Subp. 16. **Filing deadlines and nonbusiness days.** Whenever the first day of the month falls on a Saturday, Sunday, or a legal holiday, the distilled spirits and wine schedules required to be filed with the department shall be received by the department not later than the close of the next business day; however, the next month's filing will be filed on schedule as provided for by statute and rules.

Subp. 17. **Changes to reflect tax change.** Pursuant to an order issued by the department any price filings may be changed at any time to reflect changes in federal or state excise taxes on distilled spirits and wine, or to comply with the requirements of any order issued by the federal government relating to price control.

Subp. 18. **Shipment to retailer.** All brand owners and wholesalers shall ship every sale to a retailer, whether such sales are individual or joint sales, in the full amount at one time during the month of that sale.

Subp. 19. **Permission to close out brand.** Any brand owner or wholesaler who desires to close out a brand or type of distilled spirits or wine below his cost for

such products, shall apply to the commissioner to do so. Permission will be granted at the discretion of the commissioner, when the merchandise has been owned and possessed for a period of at least six months. All such authorized closeouts shall be so noted as closeouts on the filed wholesale price schedule. Any brand owner or wholesaler who closes out a brand or type of spirits or wine may not restock such product for a period of 12 months.

Subpart 1. Offers for sale. All importers, including manufacturers and wholesalers licensed pursuant to Minnesota Statutes, chapter 340A, are required to offer for sale to all Minnesota wholesalers and manufacturers all intoxicating liquor (except wines and malt beverages) brought into Minnesota. If such intoxicating liquor is further distilled, refined, rectified, blended, bottled, labeled, or prepared in any manner subsequent to its importation into Minnesota, such importers are required to offer for sale to all Minnesota wholesalers and manufacturers the finished product. All such offers shall be made on an equal basis to all such wholesalers and manufacturers.

Subp. 2. Price list. No importer shall offer any intoxicating liquor for sale to any Minnesota wholesaler or manufacturer without first filing with the department and mailing a copy of such itemized price list to all Minnesota manufacturers and wholesalers, on a form approved by the commissioner, an itemized list specifying the price, brand, type, container size, proof, and age of the liquor so offered. These prices must be filed on the first day of the month and shall become effective on the first day of the next calendar month and shall remain in effect until changed by a subsequent price filing which shall take effect in like manner.

Subp. 3. Price restrictions. All prices filed shall be the lowest prices, as contemplated by Minnesota Statutes, section 340A.307, subdivision 3, at which such liquor is contemporaneously being sold by such importer in any other state or in the District of Columbia. All such liquor shall be offered for sale to all Minnesota wholesalers and manufacturers on an equal basis, and at the applicable filed price.
