1105.1400 SEMESTER HOUR; ACCREDITATION; CREDIT FOR COURSES.

Subpart 1. **Definition; semester hour.** As used in this chapter, a "semester hour" means the conventional college semester hour. Quarter hours may be converted to semester hours by multiplying them by two-thirds.

Subp. 2. **Definition; accreditation.** As used in this chapter, "accreditation" refers to the process of quality control of the education process. There are three different levels of accreditation referred to in this chapter and the degree to which the board relies on accreditation differs according to the level at which the degree-granting institution is accredited. The three levels of accreditation are described in items A to C.

A. Level one accreditation, the educational institution, is granted to a four-year, degree-granting college or university that is accredited by one or more recognized regional or national accrediting agencies or successor agencies listed with the United States Department of Education.

B. Level two accreditation, the business school, is granted to a business school or college of business that has been accredited by a national accreditation agency listed with the United States Department of Education, such as the American Assembly of Collegiate Schools of Business (AACSB), following a specific and comprehensive review of its faculty, resources, and curricula. In evaluating a candidate's credentials, the board shall rely on this accreditation as evidence that the institution's business school has met minimum overall standards of quality for such schools.

C. Level three accreditation, the accounting program or department, is granted to an accounting program or department that has been accredited by a national accreditation agency listed with the United States Department of Education, such as the AACSB. Accounting programs or departments accredited in this manner have met standards substantially higher and much more specific than those required for level one or level two accreditation. For level three accreditation, the accounting program or department must meet a stringent set of standards that address faculty credentials, student quality, physical facilities, and curricula. Graduates who submit transcripts from accredited accounting programs shall be deemed to have met the board's specific accounting and business course requirements.

Subp. 3. **Institution accredited when degree is granted.** A candidate is considered as graduating from an accredited educational institution if, at the time the educational institution grants the applicant's degree, it is accredited at the appropriate level as outlined in this chapter.

Subp. 4. **Institution accredited when applicant files with board.** If an educational institution was not accredited at the time an applicant's degree was received, but is so accredited at the time the application is filed with the board, the institution is considered to be accredited for the purpose of subpart 3, if it:

A. certifies that the applicant's total educational program would qualify the applicant for graduation with a baccalaureate degree during the time the institution has been accredited; and

B. furnishes the board satisfactory proof, including college catalogue course numbers and descriptions, that the preaccrediting courses used to qualify the applicant as an accounting major are substantially equivalent to postaccrediting courses.

Subp. 5. **Degree includes courses taken at nonaccredited institution.** If an applicant's degree was received at an accredited educational institution pursuant to subpart 3 or 4, but the educational program that was used to qualify the applicant as an accounting major included courses taken at nonaccredited institutions, either before or after graduation, the courses are considered to have been taken at the accredited institution from which the applicant's degree was received, if the accredited institution either:

- A. has accepted the courses by including them in its official transcript; or
- B. has certified to the board that it will accept the courses for credit toward graduation.

Subp. 6. **College or university not accredited.** A graduate of a four-year, degree-granting college or university not accredited at the time the applicant's degree was received or at the time the application was filed is considered to be a graduate of an accredited educational institution if:

A. a credentials evaluation service approved by the board certifies that the applicant's degree is equivalent to a degree from an accredited educational institution defined in subpart 2, item A; or

B. (1) an accredited educational institution as defined by subpart 2, item A, accepts the applicant's nonaccredited baccalaureate degree for admission to a graduate business degree program;

(2) the applicant satisfactorily completes at least 15 semester hours, or the equivalent, in postbaccalaureate education at the accredited educational institution, of which at least nine semester hours, or the equivalent, is in accounting; and

(3) the accredited educational institution certifies that the applicant is in good standing for the continuation in the graduate program, or has maintained a grade point average in these courses that is necessary for graduation.

Subp. 7. **Advanced subjects.** The advanced subjects completed to qualify under subpart 6, item B, subitem (2), shall not be used to satisfy the requirements of subpart 8.

Subp. 8. **Accounting and business concentration.** The accounting and business concentration or equivalent described in Minnesota Statutes, section 326A.03, subdivision 3, must consist of the semester hours specified in part 1105.1500, subpart 1. No more than six hours may be recognized for internships or life experience.

1105.1500 EDUCATION REQUIREMENTS.

Subpart 1. **Education requirements.** For purposes of Minnesota Statutes, section 326A.03, subdivision 3, an applicant is considered to have met the education requirement if the applicant has met any one of the following conditions:

A. earned a graduate degree with a concentration in accounting from an accounting program or department that is accredited (level three accreditation) by an accrediting agency listed with the United States Department of Education;

B. earned a graduate degree from a business school or college of business that is accredited (level two accreditation) by an accrediting agency recognized by the board and completed at least 24 semester hours in accounting at the undergraduate level or 15 semester hours at the graduate level, or an

equivalent combination thereof, including coverage of, but not necessarily separate courses in, the subject of financial accounting, auditing, taxation, and management accounting;

C. earned a baccalaureate degree from a business school or college of business that is accredited (level two accreditation) by an accrediting agency listed with the United States Department of Education and completed at least 24 semester hours in accounting at the undergraduate or graduate level, including coverage of, but not necessarily separate courses in, the subjects of financial accounting, auditing, taxation, and management accounting; and completed at least an additional 24 semester hours in business-related or accounting courses at the undergraduate or graduate level; or

D. earned a baccalaureate or higher degree from an accredited educational institution (level one accreditation) that included or is supplemented by at least 24 semester hours of accounting at the upper division or graduate level, including coverage of, but not necessarily separate courses in, the subjects of financial accounting, auditing, taxation, and management accounting that is earned at an accredited educational institution. Upper division is normally defined as junior or senior level. In accounting, this would be all courses taken beyond the elementary level. Graduate level is defined as courses that apply towards an advanced degree offered by an accredited educational institution offering bachelor's and graduate degrees in business or accounting.

1105.1600 APPLICATIONS FOR EXAMINATION.

Subpart 1. **Forms; due date.** Applications to take the certified public accountant (CPA) examination must be made on a form provided by the board and filed with the board or the examination administrator designated by the board. In the case of a nonresident, the application must be supported by a statement that the applicant is currently, or will have been within the 90 days preceding or following the date of the CPA examination applied for, a resident of Minnesota, attending a school in Minnesota in which the applicant is seeking education designed to qualify the applicant to sit for the CPA examination, or working in Minnesota for the purpose of obtaining qualifying experience. The term "examination administrator" as used in this chapter consists of the examination delivery vendor, NASBA, AICPA, the board's administrative services vendor for the examination, or any combination of one or more of these parties.

Subp. 2. **Completion of filing.** An application is not considered filed until the application fee and examination fee required by Minnesota Statutes, section 326A.04, and all required supporting documents have been received by the board or examination administrator, including proof of identity as determined by the board, official transcripts, and proof that the applicant has completed the education requirement. Subp. 4. **Investigation.** In any case in which the board believes that it has evidence that a candidate has cheated on the examination, including those cases where the candidate has been expelled from the examination, the board shall conduct an investigation expeditiously following the examination session for the purpose of determining whether there was cheating, and if so what remedy should be applied. The board shall decide whether the candidate shall be:

A. given credit for any portion of the examination completed in the session; and

B. barred from taking the examination and, if so, for what period of time.

1105.3100 CONTINUING PROFESSIONAL EDUCATION PROGRAMS.

Subpart 1. **Regular qualifications.** A program qualifies as acceptable continuing professional education for purposes of this chapter and Minnesota Statutes, section 326A.04, subdivision 4, if it is a program of learning that contributes to the growth in the professional knowledge and professional competence of a licensee. The program must meet the minimum standards of quality of development, presentation, measurement, and reporting of credits in the Statement on Standards for Continuing Professional Education (CPE) Programs jointly approved by NASBA and AICPA or such other standards acceptable to the board. Except to the extent permitted in subpart 2, program sponsors qualifying under this chapter must be members of NASBA's CPE registry. Group programs designed with interaction between an instructor or facilitator and other participants that are sponsored or presented by the entities in items A to E are not subject to NASBA's CPE Registry requirement:

A. the Office of the Legislative Auditor or State Auditor, if a quality review has been completed in the last three years and an unmodified report on such review has been filed with the board. This quality review must be similar in scope to a system review level quality review conducted on a CPA firm;

B. CPA firms who have had a system review level quality review completed in the last three years and an unmodified report on such review has been filed with the board;

C. colleges and universities whose academic programs qualify an applicant to sit for the CPA examination;

D. CPE programs sponsored by professional organizations recognized by the board as report acceptance bodies pursuant to part 1105.5300; and

E. CPE programs sponsored by professional organizations recognized by another state's board of accountancy.

Subp. 2. **Other qualifications.** The board shall accept programs that, in the determination of the board, contribute to the growth of the professional knowledge and competence of the licensee even if the programs do not meet the specific requirements of subpart 1 if the licensee shows that the programs contribute to the licensee's professional knowledge and professional competence. All self-study programs and program sponsors must be approved by NASBA and listed on NASBA's CPE Registry. The following learning activities are eligible for CPE credit as specified in the Statement on Standards for Continuing Professional Education (CPE) Programs jointly approved by NASBA and AICPA:

- A. group live programs;
- B. group Internet-based programs;
- C. independent study;
- D. authoring articles, books, or CPE courses for publication; and
- E. preparation time and presentation of courses or seminars.

Subp. 3. **Nonresident.** A nonresident licensee holding a certificate with an active status issued by this state meets the CPE requirement of this chapter by meeting the CPE requirements for renewal of a certificate in the state in which the licensee's principal place of business is located.

Nonresident applicants for renewal of a certificate shall demonstrate compliance with the CPE renewal requirements of the state in which the licensee's principal place of business is located by signing a statement to that effect on the renewal application for this state.

If the state in which a nonresident licensee's principal place of business is located has no CPE requirements for renewal of a certificate, the nonresident licensee must comply with all CPE requirements of this state.

Subp. 4. **CPE hour limitations.** The following hour limitations apply during the rolling three-year CPE period:

- A. a maximum of 60 hours may be claimed for presenting or instructing qualifying courses or seminars;
- B. a maximum of 60 hours may be claimed for authoring articles, books, or CPE courses for publication;
- C. at least 24 hours must be obtained from attending instructor-led programs;
- D. a maximum of 24 hours may be obtained from programs in the subject area of personal development defined as a field of study that covers such skills as communications, managing the group process, dealing effectively with others, interviewing, counseling, and career planning; and
- E. at least 72 hours must be obtained through programs meeting the registry requirements under subpart 1.

1105.3200 CONTINUING PROFESSIONAL EDUCATION REPORTING AND RECORDS.

A. Persons seeking renewal of certificates with an active status pursuant to the act shall file with their applications a signed statement indicating they have met the requirements for participation in a program of continuous learning as set forth in this chapter and indicate the number of hours claimed for each of the three preceding years ending on June 30. The licensee shall report the hours claimed, separately identifying those programs meeting the registry requirements under part 1105.3100, subpart 1, and those programs not meeting the registry requirement under part 1105.3100, subpart 2.

B. The licensee shall be responsible for documenting the acceptability of the program and the validity of the credits. Documentation must be retained for five years following completion of each program.

Documentation of participation in a program of learning for programs meeting the registry requirements of this chapter must include a certificate of attendance that contains the registry number of the program. For programs that do not meet the registry requirements of this chapter, documentation of participation must include:

(1) a certificate of attendance from the program sponsor containing the name and contact information of the sponsor, the title and description of the content of the program, the date of the program, the location of the program, and the number of CPE hours for which the licensee attended;

(2) a copy of the detailed timed agenda for the program; and

(3) a statement by the licensee describing how the program contributes to the licensee's professional knowledge and competence.

C. The board shall conduct audits to verify information regarding hours of CPE attendance in order to determine compliance with the continuing professional education requirements of this chapter through inspection of documentation supplied by the licensee. In cases where the board determines that the documentation supplied by the licensee is not sufficient or the programs do not meet the requirements of this chapter, the board may grant an additional period of time in which the deficiencies can be cured or the board may take disciplinary action. Licensees determined not in compliance shall be assessed the late processing fee required in part 1105.3000, item E. Fraudulent reporting is a basis for disciplinary action.

D. Beginning in calendar year 2014, licensees holding an active certificate on June 30 shall report to the board by December 31 of each year the continuing professional education hours earned during the one- and three-year CPE period ended on June 30.

Subp. 2. **Principal place of business in this state.** A certificate holder licensed by another state who establishes a principal place of business in this state shall obtain a certificate from this state. If the certificate holder's individual qualifications are not substantially equivalent to the act or this chapter, the board shall issue a certificate to the holder of a certificate in good standing issued by another state provided the applicant is of good moral character and has met the qualifications in subpart 1.

Subp. 3. **Applicant duties.** An applicant granted a certificate under subpart 1 is subject to Minnesota Statutes, section 326A.14, subdivision 1, paragraph (c). Further, the holder of a certificate granted under subpart 1 shall notify the board if the holder establishes a principal place of business in this state.

1105.3500 INTERNATIONAL RECIPROCITY.

Subpart 1. **Foreign countries.** The board may designate a professional accounting credential or professional registration issued in a foreign country as generally equivalent to a CPA license and:

A. may rely on the International Qualifications Appraisal Board for evaluation of foreign credential equivalency;

B. may accept a foreign accounting credential in partial satisfaction of its domestic credentialing requirements if:

(1) the holder of the foreign accounting credential met the issuing body's education requirement and passed the issuing body's examination used to qualify its own domestic candidates; and

(2) the foreign credential is valid and in good standing at the time of application for a domestic credential; and

C. if the foreign jurisdiction that granted the accounting credential to the foreign applicant is a party to a currently valid mutual recognition agreement with NASBA, the credential holder is presumed to be generally equivalent and is subject to other qualifying requirements as provided in the mutual recognition agreement.

Subp. 2. **Qualifying examinations.** The board shall satisfy its requirements through qualifying examinations that the holder of a foreign credential deemed by the board to be generally equivalent to a CPA certificate possesses adequate knowledge of United States practice standards and the board's regulations.

The board may rely on the National Association of State Boards of Accountancy, the American Institute of Certified Public Accountants, or other professional bodies to develop, administer, and grade the qualifying examinations. The board shall specify the qualifying examinations and process by resolution.

C. if the applicant has a foreign credential in effect at the time of the application for renewal of the CPA certification, present documentation from the foreign accounting credential issuing body that the applicant's foreign credential has not been suspended or revoked and the applicant is not the subject of a current investigation. If the applicant for renewal no longer has a foreign credential, the applicant must present proof from the foreign credentialing body that the applicant for renewal was not the subject of any disciplinary proceedings or investigations at the time that the foreign credential lapsed; and

D. either show completion of continuing professional education substantially equivalent to that required under part 1105.3000 within the three-year period preceding renewal application, or petition the board for complete or partial waiver of the CPE requirement based on the ratio of foreign practice to practice in this state.

Subp. 4. **Self-reporting.** The holder of a license or practice privilege issued or granted by the board in reliance on a foreign accounting credential or license shall report any investigations undertaken, or sanctions imposed, by a foreign credentialing or licensing body against the CPA's foreign credential or license, or any discipline ordered by any regulatory authority having jurisdiction over the holder's conduct in the practice of accountancy.

Subp. 5. **Sanctions against foreign credentials.** Suspension or revocation of, or refusal to renew, the CPA's foreign accounting credential by the foreign credentialing body may be evidence of conduct reflecting adversely upon the CPA's fitness to retain the certificate and may be a prima facie basis for board action.

Subp. 6. **Conviction.** Conviction of a felony or any crime involving dishonesty or fraud under the laws of a foreign country is evidence of conduct reflecting adversely on the CPA's fitness to retain the certificate and is a prima facie basis for board action.

Subp. 7. **Notification.** The board shall notify the appropriate foreign credentialing authorities of any sanctions imposed against a CPA.

Subp. 8. **Joint investigations.** The board may participate in joint investigations with foreign credentialing bodies and may rely on evidence supplied by those bodies in disciplinary hearings.

Except as specified in part 1105.4800, inspections conducted under Section 104 of the Sarbanes-Oxley Act of 2002, Public Law 107-204, shall meet the board's requirements for a quality review. Approved report acceptance bodies specified in part 1105.5300, item B, shall file with the board prior to April 1 of each year a statement which details all significant differences between the quality review standards followed by the report acceptance body and the standards specified in item A. A firm shall notify the board and obtain permission prior to having a review conducted through a report acceptance body other than those specified in part 1105.5300.

The competency requirement is contained in the documents incorporated by reference in item A. The verification required by the reviewer in a quality review shall determine whether:

1105.5400 REPORT TO BOARD.

A. Within 30 days of receipt of the letter described in subitem (2), each firm shall submit, or have submitted on its behalf, the following material to the board:

- (1) a copy of the report issued by the reviewer, including any response from the firm that addresses deficiencies or significant deficiencies contained in the report;
- (2) the final letter of acceptance from the report acceptance body; and
- (3) any agreements to correct deficiencies that have been entered into between the firm and the report acceptance body.

The board shall review and consider this material in its decision to issue a permit to the firm.

Failure to file the required material by the required date is cause for discipline against the firm's permit.

In the case where the report acceptance body and the firm have entered into an agreement to correct deficiencies, failure by the firm to abide by that agreement is grounds for discipline against the firm's permit and the certificates of the managers in charge of the firm's offices maintained in this state.

Except as specified in part 1105.4800, a written report, including any responses by the firm attached to the report, on all inspections conducted by the Public Company Accounting Oversight Board submitted within 30 days of receipt to the board shall meet the requirements of this part.

Nothing in this part requires a firm to submit the Public Company Accounting Oversight Board inspections report to the board if a quality review encompassing the firm's public company attest client practice has been conducted and submitted to the board according to parts 1105.4600 to 1105.5500 or according to standards adopted by the AICPA or the Public Company Accounting Oversight Board within the previous three years.

B. In addition to any agreement made between the report acceptance body and the firm, the board may:

(1) require that a partner, member, manager, shareholder, or employee of the firm complete continuing education in the areas of deficiency in addition to the continuing professional education hours required in part 1105.3000;

(2) require that the firm maintain a minimum library of source materials designed to provide the firm with the resources necessary to cure the deficiencies noted; and

(3) impose any other discipline authorized by Minnesota Statutes, section 326A.08.

C. In connection with the submission required by item A, the firm shall specifically notify the board if it has had two or more consecutive quality reviews of its nonpublic company attest or compilation client practice that resulted in the firm receiving a report that was other than pass. A firm's review shall result in one of three findings:

(1) pass;

(2) pass with deficiencies; or

(3) fail.

In addition, the grounds include the following particular grounds for disciplinary action:

A. fraud, dishonesty, or deceit in obtaining a certificate, registration, or permit, within the meaning of Minnesota Statutes, section 326A.08, subdivision 5, paragraph (a), clause (5), including the submission to the board of any knowingly false or forged evidence in, or in support of, an application for a certificate, registration, or permit, and cheating on an examination as defined in this chapter;

B. dishonesty, fraud, deceit, or gross negligence through knowingly or through gross negligence, by making misleading, deceptive, or untrue representations in the performance of services;

C. violations of the act or rules promulgated under the act, within the meaning of Minnesota Statutes, section 326A.08, subdivision 5, paragraph (a), clause (1), including:

(1) using the CPA title or providing attest or compilation services in this state without a certificate with an active status, registration, or permit to practice issued under Minnesota Statutes, sections 326A.04 and 326A.05, or without properly qualifying to practice across state lines under the substantial equivalency provision of the act;

(2) using or attempting to use a certificate, registration, or permit which has been suspended or revoked;

(3) making any false, deceptive, or misleading statement, in support of an application for a certificate, registration, or permit filed by another;

(4) failure of a licensee to provide any explanation requested by the board regarding evidence submitted by the licensee in support of an application filed by another, or regarding a failure or refusal to submit such evidence; and failure by a licensee to furnish for inspection, upon request by the board or its representative, documentation relating to any evidence submitted by the licensee in support of such an application;

(5) failure to satisfy the continuing professional education requirements in Minnesota Statutes, section 326A.04, subdivision 4, and failure to comply with the continuing education requirements of this chapter;

(6) failure to comply with professional standards as to the attest or compilation competency requirement for those who supervise attest or compilation engagements and sign reports on financial statements or other compilation communications with respect to financial statements;

(7) failure to comply with the applicable quality review requirements set out in this chapter and Minnesota Statutes, sections 326A.04 and 326A.05, subdivision 8; or

(8) making any false, deceptive, or misleading statement in support of a request to the board to accept the voluntary surrender of a certificate, registration, or permit;

D. conduct reflecting adversely upon the licensee's fitness to perform services, within the meaning of Minnesota Statutes, section 326A.08, subdivision 5, paragraph (a), clauses (2) and (10), includes:

(1) adjudication as mentally incompetent;

(2) fiscal dishonesty of any kind;

(3) presenting as one's own a certificate, registration, or permit issued to another;

(4) concealment of information regarding violations by other licensees of the act or this chapter when questioned or requested by the board;

(6) incompetence, including:

(a) gross negligence, recklessness, or repeated acts of negligence in the licensee's record of professional practice; or

(b) any condition, whether physical or mental, that endangers the public by impairing skill and care in providing professional services.

E. A licensee, applicant, certificate holder, registrant, or person specified in Minnesota Statutes, section 326A.05, subdivision 3, paragraph (c), who is subject to the actions, or has engaged in activities, described in Minnesota Statutes, section 326A.08, subdivision 5, paragraph (a), clause (6) or (7) or has been convicted of, has pled guilty or nolo contendere to, or has been sentenced as a result of the commission of a felony or crime, an element of which is dishonesty or fraud, shall, within 30 days of being subject to or engaging in such actions or activities, notify the board in writing and provide the details of the activities. The notification may be used as a basis for initiating an investigation against the licensee, applicant, certificate holder, registrant, or person specified in Minnesota Statutes, section 326A.05, subdivision 3, paragraph (c), the results of which could result in disciplinary action specified in Minnesota Statutes, section 326A.08.

F. An initial determination by the board not to institute proceedings under Minnesota Statutes, section 326A.08, does not preclude the board from subsequently doing so if relevant information is obtained which, in the opinion of the board, would have resulted in a different determination if the information was known earlier.

Subp. 2. **Failing to file a report.** A finding, adjudication, consent order, or conviction by a federal or state court, agency, or regulatory authority, or the Public Company Accounting Oversight Board that a licensee has willfully failed to file a required report or record specified in subpart 1, item D, subitem (5), is prima facie evidence of a violation of this part.

(3) claims or implies the ability to influence a regulatory body or official; or

(4) includes the name of an owner whose license has been revoked for disciplinary reasons by the board, whereby the licensee has been prohibited from practicing public accountancy or prohibited from using the title CPA or holding the licensee out as a certified public accountant.
