

1509.0040 PROGRAM OPERATION AND ADMINISTRATION.

Subpart 1. **Cosponsor selection.** A potential cosponsor seeking sole or joint participation in the operation and administration of a collection authorized under Minnesota Statutes, section 18B.065, shall complete and return an application form provided by the commissioner. Cosponsor selection must be based on the following criteria:

- A. a completed application;
- B. willingness to commit financial, physical, and other resources to collection;
- C. proposed collection site; and
- D. collection service area.

Subp. 2. **Cooperative agreement.** The commissioner and cosponsor must agree to the terms of the cooperative collection and sign a cooperative agreement defining responsibilities and conditions of each party in conducting a waste pesticide collection. Cosponsor roles and responsibilities may include:

- A. providing funds for local administration and on-site operation;
- B. obtaining a United States Environmental Protection Agency hazardous waste generator identification number;
- C. supplying necessary physical and human resources for on-site operation;
- D. reimbursing the commissioner for disposal costs; and
- E. other described responsibilities and conditions agreed upon by the commissioner and cosponsor in the cooperative agreement.
