

1520.6700 INSPECTIONS.

Each participating hatchery shall be inspected a sufficient number of times each year to satisfy the department that the operations of the hatchery are in compliance with the provisions of the plan. Each year a sample of the flocks selected by each authorized agent shall be inspected by a state inspector. This must include the inspection of a minimum of 15 percent of the flocks of each hatchery. Each flock inspection shall include the examination of a sufficient number of males and females to determine whether the work of the authorized agent was satisfactory and that the flock is qualified for participation.
