

1525.2910 FIRST SHIPMENT OR SHIPMENT FOLLOWING EXTENDED PERIOD OF NONSHIPMENT.

An examination shall be made on the first shipment of milk from all producers shipping milk to a plant for the first time or following an extended period of nonshipment. The milk shall meet all applicable standards for acceptable milk as defined in Minnesota Statutes, section 32.415, paragraph (a). Thereafter, the milk shall be tested in accordance with procedures designated for regular producers.
