

1540.0620 EXCLUSION OF FLIES, RATS, MICE, AND OTHER VERMIN.

Every practicable precaution shall be taken to exclude flies, rats, mice, and other vermin from establishments. The use of poisons for any purpose in rooms or compartments where any unpacked product is stored or handled is forbidden, except under such restrictions and precautions as the commissioner may prescribe. The use of bait poisons in hide cellars, inedible compartments, outbuildings, or similar places, or in storerooms containing canned or tierced products is not forbidden, but only those approved by the commissioner may be used. So-called rat viruses shall not be used in any part of an establishment or the premises thereof.
