

1550.1290 SANITARY CONDITION OF BAKERY PRODUCTS AND INGREDIENTS.

Ingredients used in the production of bakery products shall be free of adulteration when received and shall remain in such condition until used. Materials which show evidence of active insect infestation or any other condition that from a public health or aesthetic standpoint render the product unfit for human consumption shall not be received by the establishment. The product shall be free from adulteration and shall be processed, stored, and delivered under sanitary conditions. A food shall be considered adulterated if it fails to comply with section 402 of the Federal Food, Drug and Cosmetic Act.
