

1721.0050 IMPORTATION OF LIVESTOCK.

Subpart 1. **General restriction.** Animals showing clinical signs of an infectious, contagious, or communicable disease or that are quarantined for any disease or that are from a disease control zone may not be imported into the state without a permit from the board.

Subp. 2. **Certification of veterinary inspection.** Unless specifically exempted in this chapter or by the board, all birds and mammals imported into Minnesota must be accompanied by a certificate of veterinary inspection issued by an accredited veterinarian.
